

A WAKE UP CALL TO AMERICA

Dehumanization of Society

By Pastor Del Wray

The term “DEHUMANIZATION OF SOCIETY” used by one of our classmates in response to a post on Facebook asking for a “like” urged writing this essay. A WAKE UP CALL TO AMERICA, America is in danger, in danger of committing national suicide, like the previous 16 great world powers before her. A cry for an imminent awakening of its people! May I point out a truth - a truth so insidious and real -- which is that we have been deliberately veiled, weakened, propagandized and dehumanized -- that we only see and believe a "Truth" which has been carefully crafted for us by a group of people that are undeniably in power over the masses of society. -- The "Powers That Be." I keep using their name in most of my writings to expose their grand scheme. Their “Truth” will become the big “Lie” -- the "Powers That Be" are none other than the Council on Foreign Relations, the CFR or another name for them is the Illuminati, also the Trilateral Commission. Both of these organizations advocate the New World Order. They are made up of the richest men in America whose goal is to control the world and its populace through its banking system, the Federal Reserve Bank, headquartered in Washington, DC, a government within a government. Years ago I had a good preacher friend of mine out of Norfolk, VA who came out against their program so fiercely, even on the radio that they shot up his home on two occasions and ran him out of town. I’m not kidding! Stick your head in the sand three times and pull it out and you’ll wind up their “sand nigger” hanging from a rope. Just you wait and see! Remember I told you so! And these “Powers that be” are no joke; I’m deadly serious as serious as a heart attack as someone said. What these “Powers that be” don’t realize is that there is a spirit, an anti-Christian spirit manipulating them known in the Bible as Lucifer, the Devil, and the Anti-Christ! The soon coming One World Dictator, none other than the Devil incarnate on earth! And there is no one to thank for all of this other than the Socialist, Abraham Lincoln and Franklin Delano Roosevelt, and those Socialists president’s that followed after them like the current Abomination, see why I hate that name? They were the originators of the “Powers That Be”, the CFR and the Trilateral Commission. You bet! I was shocked when this country elected a black man president! I knew the country was in trouble but couldn’t believe we were this far gone and these last two elections have shown how far gone we are. “You can elect a man from the jungle president but you can’t take the jungle out of the man” Look what’s happening now. . “Jungle bunnies” everywhere! Men with ear rings, whites wanting to be black and the black trying to be white “Most of your politicians and half of the people in this country are so stupid they ought to sue their brains for non-support.”

“In our dreams, people yield themselves with perfect docility to our molding hands. The present education conventions of intellectual and character education fade from their minds, and, unhampered by tradition, we work our own good will upon a grateful and responsive folk. We shall not try to make these people, or any of their children, into philosophers, or men of science. We have not to raise up from them authors, educators, poets or men of letters. We shall not search for great artists, painters, musicians or lawyers, doctors, preachers, politicians,

statesmen - of whom we have an ample supply. The task is simple. We will organize children and teach them in a perfect way the things their fathers and mothers are doing in an imperfect way"
John D Rockefeller, General Education Board 1906

The purposeful objective in dehumanizing society has been repeated in history many times, as quite simply, a race of uneducated, ambivalent, and troubled people are easy to control. As Vladimir Lenin stated, "Give me four years to teach the children and the seed I have sown will never be uprooted." Your government and its federal, not public school system have corrupted the minds and lives of millions of American school children. And that's the very reason I've started a Christian school in every church I've ever served, like here at Victory Baptist Academy, where we teach children to think for themselves, to think wisely and to think, we trust spiritually! Home schooling is a must if we're going to save our children from the "smoke screen" being used to brainwash them today! Now imagine the state of our affairs with this elitist, fully-funded ambition in full force since the 1900s? There is an incredible amount of undoing that is necessary, but for the sake of our generations, our progeny, our future, and ourselves, we must awaken, admit the painful truth that this HAS been to the majority of all of us, and break past this dark realm we have been lead into.

Stop being ignorant! This ruthless assault on our society occurs on all fronts:

Government funded and controlled "free" Education System: where definitive programs are put in place to promote fragmented, non logical thinking. This is where government propaganda is the curriculum that molds the minds of the youth to fit into a controlled society without question. Go ahead turn your children over to the devil!

Media: a controlled propaganda machine which decides what you eat, what you wear, who you vote for, who is good, who is bad, and what is important for you to know. How often do you see Paris Hilton or Britney Spears on the news? This takes place over real news like how the banks are mobilizing to control nations worldwide, and how new laws are continuously being made that are choking us out of our basic human rights outlined in the constitution. This is all premeditated propaganda created to keep us misdirected. Thank you "FDR" for bringing the queers out of the closet!

A False Sense of Freedom: Yes, you can decide what store to shop at, what TV show to watch, and what food to eat. But if you cured cancer and publicized it, you would not be hailed as a hero. You would be threatened, ridiculed, arrested and in some well known cases thrown in prison for actually healing diseases with completely natural substances from nature!!! We do not advocate that there should be no laws, however, we are far from free as the constitution

delineates for all people in America. Attribute this to good old Abe Lincoln, the cons "Con" man!

Genetically Modified Products: taking away the natural genetic makeup of plants vegetables, fruits and grains and replacing it with known harmful genetically modified substances which have been proven to cause cancer and other ailments so horrific, they are beyond imagination. Information on this is completely suppressed in mainstream media outlets. The multibillion dollar corporation, Monsanto and many of its satellite companies easily creates that media blackout!! Get the book, "Seeds of Deception" by Jeffery Smith, a bio scientist that knows well what he is talking about.

Vaccinations: known poisons which cause disease and permanently weaken our immune systems. Vaccines, Promoted and pushed upon the masses beyond all reason and common sense and against the strong advice of many experts in the field related to vaccines, with an all out witch hunting (invisible) "program" of all professionals that speak out against vaccines set into place by the huge monopoly companies that are monetarily in control of this system.

They're putting fluoride in our water to weaken us and make us docile: "Fluoride used by Nazis to sterilize inmates and make them docile [so they could not think properly in order to effectively fight the ones perpetrating the horrific crimes against them, a fact completely ignored in history classes or in any schools.] Fluoride a key dumbing down ingredient of Prozac [with very well known and documented effects on humans], and Sarin nerve gas -- poisons of choice for tyrant rats."

Pharmaceuticals: Getting the public sick through GMO products, vaccinations and fluoride, and then getting them hooked onto poisonous drugs for the remainder of their shortened lives. Prozac and other heavily brain damaging chemicals given to children and adults regularly to keep them dumbed down and docile and chemically lobotomized. Not only is the dumbing down via chemicals of big Pharma a purposeful agenda, so are the millions of deaths caused by them.

Pornography: It is a proven fact that when porn is constantly shoved down our throats (excuse the pun) in all forms of media, it keeps our reptilian brain functioning and distracted over the frontal lobes that control reason and logic and ethical discernment. We are propagandized into thinking this behavior and "lifestyle" is the norm for humans over the other, making porn cool, macho, manly and finally, what woman have been missing for years. When in truth, the balance here is so tilted as to actually be doing great harm to family units and relationships. A society

cannot be overtaken unless divided, and businesses throughout society that promote and operate in porn is one of the best ways to do exactly that.

And last but not least, *Street Drugs*: These are, in actuality, much different than "legalized" Pharmaceutical drugs, brought in via governments and very certain organizations that look to disrupt whole societies in order to take them over. This is one of the best tools for dividing and conquering. It is a very commonly used operation by any government or organization that wants to cripple a society, including the complicity of the USA government that "fights" street drugs on a dog and pony show level, while it funnels drugs into our very own country; this is done to help further confuse the masses of youth and to help create distraction crimes on an ever constant basis, keeping the media distracted with "non" news while the most important news events go by unseen by the distracted masses. When are you going to grow up America? After the black chocolate candy man from the jungle wins a third term in office! Did you know they are trying to force Congress to pass a new law to make it possible, right now, for a third term? The chocolate is poisoned and the jungle is full of queer bunnies!

Many seemed shocked at reading or hearing in the news recently how faculty members at various institutions have been fraud gently reporting on student's report cards false results giving students passing grades when actually they had failed. This has been happening primarily within the black and Hispanic communities to bolster the minorities cry for equality. It's in their genes they can't help their being out of place and they are out of place as far as God is concerned! We brought them over here, allowed them to come here illegally and their baggage came too, what do you expect? The news media is not your friend, either! The news Media will get you killed if you believe everything they report.

“The business of the journalists is to destroy the truth: to lie outright; to pervert; to vilify; to fawn at the feet of mammon, and to sell his country and his race for his daily bread. You know it and I know it and the folly of this toasting an independent press? We are the tools and vassals of rich men behind the scenes. We are jumping jacks, they pull the string and we dance. Our talents, our possibilities and our lives are all the property of other men”. *John Swinton Former Chief of Staff, New York Times*

Zero hour is near! Break away and turn to the only real source of news where freedom is found from dehumanizing journalists, the “Powers That Be” The CFR, The Council on Foreign Relations! Turn to the Holy Bible *KJV*.

John 5:40 “And ye will not come to me, that ye might have life.”
