

# AMERICA'S DANCE WITH DEATH

## "The Devil's Bargain"

By Pastor Del Wray

*"Every way of a man is right in his own eyes: but the LORD pondereth the hearts."* Prov. 21:2

Years ago, I heard the story of a beautiful young woman named, Billy Joe Henry, a twenty year old female who sat on death row in a Texas Federal Correctional Prison, awaiting execution for murder. She had been raised in a Christian home; faithful in church and even made a decision to accept Christ and later was baptized. When she turned seventeen she started messing with the wrong crowd and shortly met a boy, fell in love and left home with him. Afterwards she stopped going to church and started going to bars and drinking with this guy, became a rebel against her own parent's training. She took a job bar tending in a dance hall, living a fast life on the other side of town. One night as she was tending bar, a fella half drunk came over to the bar asking her to come out and dance. He kept insisting and grabbed her by the arm and pulled her out onto the floor. She danced for a few moments and pulled away from him to return to work when he grabbed her again demanding she dance with him, this time he was more forceful and Billy Joe got upset started crying and went behind the bar and picked up a gun, a pistol walking back out on the dance floor and aimed it at this fella. He at once started apologizing telling her he was sorry, even fell to his knees begging for mercy but Billy Joe was mad her temper got the best of her and she pulled the trigger killing him in cold blood right there on the dance floor in front of at least twenty other revelers. Arrested, tried and found guilty and sentenced to death in the electric chair. When she was escorted to the death chamber and forced into the electric chair, strapped in and the electrodes placed on her head the warden ask her if she had any last words? She replied, "I thought life was a play and all I was doing was acting out my role." again she said, "I thought life was a game and I only wanted to play." What a tragic precious life ruined because of wrong decisions? The Devil's bargain will always end in tragedy. The Bible says,

*"There is a way which seemeth right unto a man, but the end thereof are the ways of death."* Prov. 14:12

*"There is a generation that are pure in their own eyes, and yet is not washed from their filthiness."* Prov. 30:12

*"Every way of a man is right in his own eyes: but the LORD pondereth the hearts."* Prov. 21:2

Life is certainly no play, life is deadly serious! And life is not a game, life is eternally more!

When a nation cast God aside as America has done the Lord Jesus Christ, it not only loses its credibility it loses its ability to reason, to think straight, to understand and it no longer will be able to solve even the smallest of problems it may face. Its wisdom is gone! Yes, I know America and its government are only made up of people, elected people that only a portion of voters in our country has put into office. No matter which party rules Republican or Democratic, the sense of direction is gone. They're lost! Any people without light walk in darkness; they're blind and can't see. Not only blind "Spiritually" but also blind mentally and emotionally, the whole man is disoriented, at a loss. They may think they have all the answers but their answers will come back and haunt them. Any man without God is lost and so is a nation! America has thrown out the Bible and when a people throw out the Bible they throw out the only light "The Light" God will give man. I know what I'm talking about! A man of God knows and senses when others, a people or a country is blind walking in darkness. Nothing grieves me more than when I see a people sightless, blind to the truth. America has lost her way. And America is far from being short of educated Jack-asses, and that includes the President. Our leader and his

Administration have led us into a ditch and instead of digging our way out of the hole the opening keeps enlarging. One prominent politician on his staff said recently and I quote,

"When a president loses political credibility, that gets restored when the next president gets elected," "but when a president loses international credibility, that doesn't get restored. We're going to be picking up the pieces for decades to come."

How true! The recent news events tell the story: ISIS is on the march in the Middle East, Iran is developing a nuclear bomb and Russian President Vladimir Putin is sizing up the Ukraine. In this increasingly chaotic world, can America survive without God? Will this country survive without Light? She seems to think she can. "America's Dance with Death" America is dancing with the Devil. And we've succumbed to the "The Devil's Bargain." America has almost reached the ledge to the ridge in her life that leads to its own demise. America needs to turn back to God, cast off her sins and pray to God for forgiveness!

For years, the United States has stood strong on the policy of never negotiating with terrorists. It comes as no surprise, then, that the president came under fire recently for negotiating with the Taliban, exchanging five high-ranking Taliban terrorists for U.S. soldier Bowe Bergdahl an alleged deserter. It seems though that the President is the one doing the deserting. Who's thinking straight? Where is this kind of policy leading us? Our leaders don't really know. But if one would only turn to the Bible the correct answer would be found. One woman wrote me and said; "This administration will not do that, it won't turn to the Bible" then its apparent, only sudden destruction is in our future.

*"For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape." 1Thess. 5:3*

We've become a nation of Schizophrenics. We've thrown out the rules of right and order and chaos has ensued, and has become the custom. Just look at the progression of sex perversion in this country. The goal of every Sodomite, homosexual; queers, fairies, fruits, faggots, butches, dykes, lesbians, finks, double-breasted punks, cross-dressers and our own president, yes your own elected president, Mr. Abominable, along with all those who support such degrading debauchery, is to force all straight people to accept their crooked lifestyle as "normal." The drive is to legalize two queers shacking up together and two lesbians shacking up together so they can get their hands on your tax money to advance and support their filthy sin. Since sex perverts; two men or two of the same kind cannot reproduce and have children they will become "recruiters" which means they will molest and seduce your youngsters and children to enlarge their ranks. If they can't convert your children they've been known to kill them. Such sin is the lowest mankind can get on God's ladder of wickedness and the bottom rung belongs to them. Its penalty is death! God even uses the word reprobate in Romans 1 to describe those who practice this evil. The word reprobate speaks of a person who is outside of or beyond hope, a person beyond help.

*"If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them." Lev. 20:13*

Another reason America is dancing with Death is growing anti-Semitism and opposition to the State of Israel in this country especially amongst its leaders that includes the UN. Israel is the only democratic free country in the Middle East and it has no military allies from among the democratic nations of the free world, not even the United States. In fact the United States is now in alliance with five terrorist organizations which have the sole purpose of annihilating the Jewish nation of Israel. They are Hamas, Hezbollah, al Fatah, Fedayeen and the PLO. Israel has had more UN resolutions voted on against her than all the other nations put together in the world. Since the 1950's the UN has passed more than 75 resolutions against Israel and only one against the "Palestinian Authority," the PLO and that number does not include the one's the United States has vetoed. The Prophetic Scriptures warn the world that Israel will become a "burdensome stone" and the "cup of trembling" to

all nations that make up the UN by which He will draw them and gather the nations like a bundle to be burned, literally. Zech. 12:2-3, Zeph. 3:8, Matt. 13:30, Matt. 13:40-42. The United States is dancing with Death, with the Devil and with Hell in view. Christian's pray for our nation, its leaders! For the "Great Apostasy" is quickly climaxing, where the world receives a Roman Catholic Pope as the final world dictator, Anti-Christ incarnate.

Jesus spoke of the "Mystery of Iniquity" and a time when the Body of Christ would depart from sound doctrine and the Truth.

*"For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; And they shall turn away their ears from the truth, and shall be turned unto fables." 2 Tim. 4:3-4*

This cannot be illustrated better than the time in which we now live when the Church is attempting to trade the "Scripture of Truth" Dan. 10:21 for the latest bit of religious garbage to come on the market polluting God's Words, supposedly a "Bible." Poppycock! Any serious Bible reader knows every single one of them alters the Words of God. The ESV, RV, ASV, RSV, NASV, NIV, NKJV, NLT and the MEV all poisoned from the same stream out of Alexandria, Egypt. The motive is the same for each one to "update" those old archaic words in the King James **Authorized Version**, and not one updating the version that came before it, always updating the King James Bible. The religious scholars seem to have found a way to pad their own pockets by inventing a new version about every six months. It's said that there has been about two-hundred and fifty new versions published to date since 1881. Since God esteems His Word above His own name Psalms 138:2 where do you think this is leading? Hope you don't have to deliberate too long. You got it, America's final dance with the Devil, its last dance with Death. Hell!

America has not only thrown God and the Bible out; it has invited the demons in. Not only is this true with our government and country but also with our churches and its members. "Our churches are full of devils" one preacher said and I'm inclined to agree with him. You probably set by one last Sunday. You see these "evil spirits" flock to good strong Bible believing Baptist churches to hinder the work of God there, doing everything they can to keep souls lost. We are looking at it wrong! The devils want to hinder God's plan, and they're not so much concerned about those outside the church as they are at those in the church, trying to prevent souls from being saved.

Anywhere the Lord is lifted up, anywhere His Word is magnified you'll find evil spirits at work. People are filled with devils, one good example is Oprah Winfrey, and she publically says that "Jesus Christ did not come to die on a cross for sinners." She has even started her own religion. Another is a preacher named John McArthur, who denies the Blood of Jesus Christ; he says "Jesus did not need to shed His blood to save sinners." Pure unadulterated blasphemy! The majority of our pulpits across this land are filled with devils impersonating as pastors or men of God, men God never called. I know the "unholy spirit" is at work all across this earth as Jesus said it would be. No wonder so few people are being saved in our churches today. Except it be in some fly by night Charismatic Pentecostal Holiness church showcasing its lies on TV like "The Church of Our Lord Jesus Christ" whose phony pastor, Gino Jennings is duping and deceiving poor lost souls in claiming they haft to be baptized before they can be saved. Jesus said a man had to be "born again" to be saved. John 3:3, 5, and 7. Simple as that! Couldn't be any plainer! How can baptism save someone, or dipping a man in water save someone before he is actually born again the second time by God's Spirit? Nicodemus had a problem with that also. He's born the second time, "SAVED" and then in obedience to God's Word he is baptized. Baptism has nothing to do with a man being saved! Although it has a lot to do with a man's spiritual walk. If ever there was a need it is now and that need is for God's people, His remnant to be spiritual discerners with strong discernment tools and that can only be achieved by saturated ones mind and ones heart in the Truth the Holy Bible. Less I not be clear, I mean the King James, Authorized Version, Textus Receptus, Masoretic Hebrew Text Holy Bible.

Unbelievers today in liberal and former Fundamentalist colleges and seminaries ridicule the King James Greek (Textus Receptus) because they deceitfully claim that it is based on the Greek Text of Erasmus who was a

Catholic priest. Either they are too ignorant or too dishonest to tell the truth. To repeat, Erasmus published five editions of his Greek Text. Robert Stephanus published a slightly revised edition of the Erasmus Greek Text in 1551. Theodore Beza published several editions of that Greek Text and his 5th edition of 1598 became the basis of the King James New Testament. Actually it was the Erasmus, Stephanus, Beza Greek Text, which later became known as the Textus Receptus (Latin for Received Text) that the King James Translators used.

From the beginning, a ferocious battle has raged between God and Satan over the Bible. Satan knows that if he can get us to doubt the Bible we actually doubt our Lord Jesus Christ. No one, absolutely no one, can believe in Jesus and doubt the Bible! If we doubt the Bible, we actually doubt Jesus, because without an infallible Bible, we don't have an infallible Saviour! This is why Satan has worked tirelessly to get men to destroy it, to corrupt it, and to disobey it. And his diabolical efforts have been greater in the 20th Century than all other centuries combined. America is mad! She is insanely mad to be dancing with Death, to be dancing with the Devil and so are you! "The Devil's Bargain" will pay her in retribution ten thousand times ten thousand more than any man could imagine. Those who have been trying to bring in the Kingdom without Jesus Christ will get their kingdom and it will be ruled over by a monarch more terrible than has ever been known. It will be their last dance; it will be their last chance before they meet with the great deceiver, with the incarnate Devil. And so you have just read some "sign of the times" on the road to death and hell. Don't go there, stop, turn around and sever all relations with this world's system, as Jesus said in Luke 18 "Repent!" Tears are flowing in Heaven over the condition America finds herself in. And even as I write now, tears wet my face over my country and it's blind, lost and unrepentant condition. Would you shed a tear for America?

**"As go the Pastor so goes the Church and as go the Church so goes the Nation."**

*"And they come unto thee as the people cometh, and they sit before thee as my people, and they hear thy words, **but they will not do them**: for with their mouth they shew much love, but their heart goeth after their covetousness. And, lo, thou art unto them as a very lovely song of one that hath a pleasant voice, and can play well on an instrument: for they hear thy words, **but they do them not**. And when this cometh to pass, (lo, it will come,) then shall they know that a prophet hath been among them." Ezek. 33:31-33*
