

ANTI-CHRIST COMING TO AMERICA

Welcome to the United States “Socialists States” of America

“Christians in America Must Deny Their Faith in Christianity.” *This link provided to see for yourself: Hillary Rodham Clinton’s own words.*

“Which is a manifest token of the righteous judgment of God, that ye may be counted worthy of the kingdom of God, for which ye also suffer: Seeing it is a righteous thing with God to recompense tribulation to them that trouble you; And to you who are troubled rest with us, when the Lord Jesus shall be revealed from heaven with his mighty angels, In flaming fire taking vengeance on them that know not God, and that obey not the gospel of our Lord Jesus Christ: Who shall be punished with everlasting destruction from the presence of the Lord, and from the glory of his power; When he shall come to be glorified in his saints, and to be admired in all them that believe (because our testimony among you was believed) in that day.” 2Thess. 1:5-10

By Pastor Del Wray

THE POPE OF ROME WANTS TO RULE FROM JERUSALEM.

The Pope is coming to America to garner support against Israel. While Hillary Clinton wants’ to garner support and purge America of Christians. She just made this major announcement while speaking at the Women of the World Summit, “If I’m elected president all Christians will have to renounce their Christianity to stay here.” Again, she stated, “I will confiscate your guns.” I heard it myself on national news. Here are her very words, and I quote: **“Christians in America Must Deny Their Faith in Christianity,”** end of quote. She said further, “that the change of Christian beliefs is the ‘unfinished’ business of the Twenty-first century.” Which means Hillary Rodham Clinton will harass, single out, and discriminate against Christians. God willing, Donald Trump’s machine will annihilate this “witch” in the coming race for the White House. Mistress of the Devil, Hillary Clinton and the Anti-Christ who is coming to America will engage in an affair with political ramifications. Bill Clinton is now under a lawsuit by his own love child exposing his infidelity with one of his secretaries while in office. A sixteen year old girl, looks just like him, has filed a paternity lawsuit to demand he fulfill his responsibility as her biological father. Alyssa Gilmore claims that her mother, a former secretary of the oval office named Whitney Gilmore, had an affair with President Clinton between 1998 and 2001. She says she was born out of that relationship, and demands that Mr. Clinton undergoes a paternity test to prove that her story is true. This sorted infidelity has opened the door by which Hillary Clinton’s affair with the Devil will rape America of its sovereignty and bring about the one world union with the despot of Hell, the Pope of Rome. We better stop this whorish relationship! *Click link above for more detail!*

America needs a statesman to cry out! Donald Trump is beginning to act like one but all know he's a far cry from a real statesman. America is in serious trouble! There was a day in America when national sovereignty meant something, when men and women were willing to fight for their freedoms. We are now living in the land of the cowards, and the home of the slaves. Today, most people don't even know their First Amendment rights. While our young people are dying on foreign soil for the agendas of the rich, as it was when we went to war in Vietnam. We are losing our freedom right from under our noses through the Patriot Act, Homeland Insecurity Fiasco and this fraudulent Health Care Program promising free health care to all. We have become an Oppressive Society in America. This is only the beginning of war as Jesus warned. There are at least three wars yet to be fought before He returns to the earth for the battle of all battles, Armageddon. American citizens will likely one day die in large numbers. Our troops are nothing more than paid mercenaries sent out to kill on command, not to preserve freedom as we are so aptly brainwashed to think.

Most Americans don't believe that the Pope of Rome, the "Vicar" of hell is the Anti-Christ. I do, we're that close to being called out of here. If he's not the next Pope probably will be, you've just not recognized him. He was called by that name, "anti-christ" way back during the dark ages. Our suffering forefathers knew who he was, a pot belly pig. Well the leader in Rome, the guy always wearing a dress with half a grapefruit on his head, he's coming to America. Pope Francis' is schedule to visit the United States in September if everything goes as planned. So that I might be clear and I won't you to hear what I'm about to pen about to say: The Roman Catholic Pope with all his Cardinals, Bishops, Priests and Nuns, the whole damnable crew is fully responsible and fully to blame for the wicked, immoral condition that the United States is in today. This godless whorish demon filled man has been used by the Devil to pull the strings, like a puppeteer to manipulate the affairs of this once freedom loving nation. And it is this Womanish Whore who is coming to America to fornicate with our leaders to precipitate the final one world church and government and our leaders have sucked into the whole Conspiracy. One day in eternity you'll know then what I'm telling you is true. Rome has always been the master mind behind all the troubles this world has ever had. It has always been a war between God and the Devil and that war has always been planned out and fought out by the false church and the True Church of Christ. Mark it down! Like it or lump it!

As far as the majority of Americans are concerned they don't care, not knowing what's ahead. This is true for the 9 Supreme Court Justices, majority of our political leaders and the entire US military, NATO, EU, UN, CFR, NAACP and the Bi-Lateral Commission plus others, each and every one judicially blinded, supportive of Rome and the "witch," Hillary Clinton. The US Constitution does not exist any longer says she. "We are living in a post Constitutional age." Something's wrong! Would someone please explain to me how it is that five Federal Judges, average Americans, have the power to decide what is and what isn't Constitutional. I'm afraid America is in for a blood bath, the Supreme Court's same sex marriage decision has very possibly "lit the fuse for a righteous rebellion in America." I'm quoting myself here, "We need to have another tea party in Washington, DC, neither a new political party nor more tea bags dumped in the Potomac but the hanging of all treasonous parties against the United States Constitution." Impeach the Republicans for their silence and the Democrats for their sin of complicity and strip the Supreme Court of their power! Our politicians would rather see America destroyed than lose their constituents; they've sold their souls for the vote. Under its current form

of government it would be impossible to elect a real STATESMAN. May I go on record in predicting another Civil War is approaching on the horizon and I'd like to tell you why? This time the war won't be over States Rights, taxes or even blacks and whites, it'll be over a tyrannical government. So read on! It will be a blood bath far greater than the Civil War of 1863 where over a million people lost their lives. So hold on! Welcome to the United States Socialist State of America!

We should never allow the Pope to enter this country! Just doing so makes the US a whore-mongering nation, a nation decked out in purple and scarlet colour, in bed with a whore! The US is sleeping with a whore that has murdered millions of souls! I know millions of Roman Catholics make up much of our country. I realize six of our Supreme Court Justices are Catholic. Someone has to tell them they've been deceived! Why didn't they vote down same-sex marriage according to their religion? I'll tell you why? The church is filled with queers and the Roman Catholic Church has always been the sponsor of homosexuality. The church has always said one thing and practiced something else. Every war that this country has ever fought in was started by Rome and I can prove it. Even the Civil War! The very day America's first pilgrims arrived on our shores the Romish Pope began hatching his plan to infiltrate this new land with their immigrants, with their poison religion. God founded America and the Devil was soon at work sending in his devilish subversives. The Roman church has always been in the business of conquering and wanting to rule the whole world. She's tried to rule by force in the past and it didn't work, that's what the Crusades was all about, so she changed her tactics and began infiltrating governments "Jesuits the Roman Catholic CIA," Your new Pope Francis is a Jesuit, they sneak in and undermine a government until they get control and then they take over ruling. Look at Mexico, Spain, and your South American countries. I need to move on!

Jesus prophesied; Rome would once again be in power just before He returns to catch away His Church, and that the modern day end times would be much like as the ancient days of Lot in Sodom and Gomorrah. Both were sinful cities that provoked the judgment of God because of their sexual perversion. Genesis 19:4-17 In the moral perverted times of Sodom and Gomorrah, men were refusing the natural use of a woman sexually in marriage, that they may have sex with other men. Even Lot's two daughters were married, but still virgins Genesis 19:8. Why, two married women were still virgins? Lot's two son-in-laws were "homosexual." Lot even tried to warn them about the judgment to come, but they considered him a mocker or one filled with hate speech, Genesis 19:14. Remind you of our day? Men leaving their wife's and families for sex with a man. The homosexual agenda makes it sound like those of us who are for traditional marriage are filled with hate. This sexual sin brought God's judgment on these cities then, and it will bring God's judgment on this nation. Godly Americans are aware of what's going on and I believe America is sick of a tyrannical government and this country is about to explode.

REASONS AMERICA IS ABOUT TO ENTER ANOTHER WAR WITHIN ITS OWN BORDERS:

A blood bath that will make history's wars pale in comparison. A rainbow president who wants to be remembered in history and who thinks he's another Abraham Lincoln. News media out of sync with reality and the fact that the United States is mentioned nowhere in End time events in God's history Book, the Bible. Its absence from history! The work of "Isolation" as God

prepares His people Israel for the greatest judgment this world has ever known “Jacob’s Trouble” also known as the “Tribulation Period” seven years of affliction, turmoil and anguish, ten times greater than anything the world has ever known. From which God’s divorced wife, Israel will be delivered in one final National Day of Redemption that ushers in the Millennial Kingdom. With that being said, let me give you my reasons America is in for another blood bath:

The President and our political leaders have under estimated the will of the American people to fight for their freedoms as did our ancestors before us, in the Revolutionary War 1776 and the Civil War 1863. “Freedom is not free!” Social unrest, the government’s use of the race card, inequality, minority entitlements at the expense of white folks, taxes and the new health insurance program. You’ve never heard of a “white college fund” but I bet you’ve heard of the Negro College Fund. How about the great number of all black colleges in this country, where only black students are allowed to attend and not one single white college that’s not integrated. What about the illegal immigrants crossing our borders breaking the law to enter, robbing our welfare coffers with Social Security and Medicaid about to be insolvent, bankrupt and having not paid one dime in taxes. America doesn’t own America anymore, foreigners are buying up everything they can get their hands own. Our jobs are being shipped overseas. The political environment is toxic, threats of Marshall law being enforced upon its citizens, concentration camps being refurbished, stocked with foods and personnel, one only eight miles from my office. The government has underestimated the will of Americans to fight for their freedoms. We fought in Vietnam, and now our boys are fighting in Iraq, we will fight here if we haft too. Big government has over estimated the will of the people.

Over taxation is destroying our nation. The tax burden is so great that over seventy percent of our people are losing their home unable to pay their mortgages because of absorbent taxes. Homes deserted left unoccupied and the inability to sell. Another is the dismantling of the US Constitution: Supreme Court Judges, who should be enforcing the Constitution, instead are reinterpreting the laws slanted to favor certain groups. We now have a staggering economy trying to hold up a dwindling dollar that’s out of control. Disloyalty shown to American citizens by our political establishment. Reverse discrimination against white folks and a nation split right down the middle whether the country is run by the people or run by the government?

GOD’S PEOPLE AND EFFEMINATE CHRISTIANS ARE NOW LIVING IN POST CONSTITUTIONAL AMERICA:

Nearly everyone within the Church in America today carries on living in deliberate ignorance. They have become like the Laodicea Church in Revelation that was living way up on a mountain with a bogus sense of security. On the other hand, sensible Christians and some true patriots are aware that we are now living in a post Christian prejudiced America and a post constitutional America.

If these shrewd Christian and patriots are correct, and I believe they are, how will the American Church have to change its center of attention to be effectual salt and light within a nation that will be reaping the consequences of its own evil ways? How will Christian life change in

America when the Constitution that was rooted in biblical concepts is ignored by the “powers that be,” the ruling elite, and the CFR, Council on Foreign Relations? These are the people that run this nation. The CFR is made up of the richest men in America, every president, past and present either has been or if alive today is an active member. The CFR founded the United Nations; the UN and billions of our tax dollars make up its major support each year. It should be stripped of US funding and exiled from our shores. Much is revealed in the Bible about the UN the EU in these last days. That’s another subject itself.

Should we just take up arms and march on Washington DC like some imply to restore our Christian values to America? Does the Bible imply in any way that the mission of the Church is to overthrow or restore secular government? No way! Neither can true Christianity be forced on people. How can Christians force people to believe and trust in God and the Savior that He sent? It can’t be done. Nevertheless, state sponsored pseudo Christianity has been forced on people since King Constantine. Using carnal weapons to advance the Kingdom of Christ accomplishes nothing but brings about more evil.

Bible believers in America are under attack by those claiming to be Christians even saved people will be participating. The Church will be in defiance of itself, its own worst enemy. Even if possible the elect being deceived as Jesus for told. Those often called “liberal” Christians or the “Pseudo” Christian who believes that the mission of the Church is to establish the kingdom through social justice on earth. That perception is really socialistic humanism or so called Christian Dominionism, another term for Denominalism and inclusion where the mission of the Church is to set up the millennial kingdom before Christ returns to rule. Man bringing in a restored paradise on the earth through the good deeds of humanity.

Liberals in Christianity think that because man was made in the image of God that means humans are inherently good, even if some are still misguided. The Bible clearly teaches the exact opposite. The Bible teaches that fallen man is evil and that his heart is desperately wicked. The natural man is separated from God by sin and must be redeemed through a spiritual new birth.

America has been infested with Homosexuals, Sodomites; queers, lesbians, faggots and fairies. Sodomites are not the only ones who are lying about why they are the way they are, “I just want to be accepted,” “just a different life style,” “alternate lifestyle,” “why can’t people love me for the way I am?” Love is hate and hate is love mentality. Those poor, blind, diluted souls have reinvented a definition for love. Worst than that most people believe their lie. Sewer rates out of the cesspools of hell surviving off the sexual exploitation of young children. The pseudo professing Christian is prejudiced in favor, thinking love is toleration, silence is golden, offending people is wrong, not suppose to get in anyone’s way, “just as long as you tolerate me I’ll tolerate you,” “I’m not my brother’s keeper,” Garbage! One woman was being raped and everyone stood around and watched, not a person intervened, that type of mentality. No one is to warn of danger, certainly not about the danger of death, eternity and Hell. Watch out you “lip service, while your heart is far from me,” “Hypocrites!” Pews are filled while the fields are empty! One preacher called this sort “pew hugging” hypocrites! Your definition of love won’t be acceptable with Almighty God! I’ve noticed that the only person your type has a problem with is the man of God, who walks with Christ. Those straight shooters and narrow minded preachers who cry out the Word of God! Remember, it was love that sent John the Baptist into the

wilderness to cry out a message of repentance! Jesus' kind of love had Him call lost religious men "vipers," "snakes," and "hypocrites!" Love had John tell King Herod that his sexual perversion was wicked and unlawful. And eventually love cost John the Baptist his head because God's kind of love **warns**, God's kind of love **rebukes**, it isn't afraid to stand on the literal Word of God in the midst of a wicked and perverse generation!

The modern church's silence is not because it wants to be obedient to Christ's Words; "not to judge," it is silent because the church is full of cowardly, spineless "tares!" The blood of millions will be upon the hands of the church that was drunk, really guilty of, "not loving at all." Refusing to preach against sin, too loving to call people to repentance, too loving to bear the message of the Cross to a lost dying world! What's happen to the pulpits of this country of ours? It's not just God's judgment on the world as a whole but its God's chastening hand on those He loves. Wake up America and turn back to God! Mr. President, turn around before it is too late!

Which is a manifest token of the righteous judgment of God, that ye may be counted worthy of the kingdom of God, for which ye also suffer: Seeing it is a righteous thing with God to recompense tribulation to them that trouble you; And to you who are troubled rest with us, when the Lord Jesus shall be revealed from heaven with his mighty angels, In flaming fire taking vengeance on them that know not God, and that obey not the gospel of our Lord Jesus Christ: Who shall be punished with everlasting destruction from the presence of the Lord, and from the glory of his power; When he shall come to be glorified in his saints, and to be admired in all them that believe (because our testimony among you was believed) in that day. 2Thess. 1:5-10

GOD'S WARNING:

The reason for God's warning is that we may know that Heaven is available to every man, woman, boy, and girl in this world, no matter who they are, where they live, or what they have done. It is freely offered to any and all who will receive it. Simply learn of Jesus Christ, the promised Messiah, invite Him into your life as Lord and Saviour, believe He died on the Cross for all of your sins and rose from the grave proving there is a Heaven and a coming resurrection for both those who are going to Heaven and for those who are going to Hell. Learn of Him and believe in Him for He was the only one who has ever loved you enough to die in your place and for you on the Cross at Calvary. He shed His blood, suffered, and died on the Cross to save you from your sins and from the utter darkness, loneliness, and torment of Hell, if you will accept it, believe it, and trust in Him. That is why Jesus is called Savior! He now lovingly and graciously offers you life not only now but in Heaven and we are warned it is a "**receive or reject**" proposition, there is no middle ground. We have to consciously receive it and accept it in faith. If you sincerely admit you have sinned and need a Savior to get into Heaven and fully trust in Him alone to save you from your sins, yourself and from Hell. Turn away from SIN to CHRIST, repent from those things God says are wrong and turn back to God, you will go to Heaven! It is God's promise!

The only unpardonable sin is to reject or ignore God's extended love and His free offer of eternal life in Heaven by turning away His Son. Jesus Christ, who stepped forth from Eternity not to condemn the sinner, but to save a fallen race from the torments of Hell and who willingly and lovingly shed His blood and bore all of our sins and guilt on the Cross so we can be "washed"

and forgiven of all sin. The Bible warns there will be no peace in our hearts or minds until we make peace with God through His Son, Jesus Christ!

The Bible also warns clearly there will be no peace in Israel or on Earth until Jesus Christ the Jewish Messiah returns! Are you ready?

“REMEMBER ISRAEL AND JERUSALEM IS ON THE ROAD TO ARMAGEDDON. AND YOU’RE DESTINY AND THAT OF THE WORLD ARE INSEPARABLE FROM GOD’S PEOPLE ISRAEL AND THE CAPITAL OF THE WORLD JERUSALEM.”
