

BROUGHT TO HER KNEES

A Bitter Pill to Swallow Time Is Almost Up

“But as the days of Noe were, so shall also the coming of the Son of man be.” Matt. 24:37

By Pastor Del Wray

America is about to be brought to her knees:

If a pastor is to execute the office of a faithful messenger and have the approval of God on his life he must be willing to preach the whole counsel of God no matter what the cost. And if there ever was a day that we needed to hear the truth for our day it is now. God’s message is urgent for this lost, decaying, and dying world as it hangs in a life and death balance. America is staggering like a drunkard about to fall in the street and the message she needs to hear is not love. Our major cities are crowded with Gay Pride Marchers even now the queers are parading everywhere flaunting their filthy lifestyles and all we can hear is “love, love everybody. Accept everyone as they are, God loves everyone.” The Devil has pulled another fast one and that is the biggest lie that’s come out of the pits of hell since the Garden of Eden. “God loves everybody.” The demons in hell are laughing with glee for man has swallowed “love” with hook line and sinker. You can’t find that in the Scriptures anywhere. God loves His own children, and the sinner in his sin needs to turn to His Son to be loved. All you can hear today is the world’s message of love, love, love. The message that needs to be heard is: **“The wicked shall be turned into hell and all the nations that forget God”** Ps. 9:17.

“But as the days of Noe were, so shall also the coming of the Son of man be.” Matt. 24:37

Noah was God’s first messenger to the world in full-blown rebellion against its Creator. He delivered a message so threatening, a message of judgment that led to the total destruction of the entire world as we knew it and only eight souls were spared.

God’s Word is filled with warnings: “Ye serpents, ye generation of vipers, how can ye escape the damnation of hell” Matt. 23:33.

Who’s going to save America this time? That’s the question. What time is it on God’s calendar as He deals with a defiant world? Has God finished with America? Certainly, by the signs and times, He has. That’s the bitter pill that we Americans are going to have to learn to swallow. Don’t think He will spare us because America has sent out more missionaries than all the other countries combined. Take all the preachers together on TV, radio, and in every church across America who are preaching and praying for revival and still He won’t tolerate our country’s sin. Not after the way our leaders have kicked Him out of the public arena, removed the Bible and prayers from our public schools, maligned and had His Ten Commandments removed from our courthouses plus every vestige of Jesus’ name being used in our military has been forbidden. Chaplains can’t even pray in the name of Jesus. We have turned our back on God’s Word as a nation, which He has “...magnified above His own name” Ps. 138:2. I’ve never seen so many politicians with darkened minds. God had to darken they’re vile to harden hearts. Think again! You’re not looking at it as God does. We’re looking at it wrong. The United States is like a staggering, inebriated, alcoholic, stone drunk, we are worn out because of sin in this country. Sin has thoroughly worn through every fiber of our nation. Not to my surprise, though, the Book said this is how it all would turn out. To my grief! The Lord has left us to wallow in our own bed of perversion, prescription drugs, violence, terrorism and queers everywhere. We are self-destructive! We are choking on our own vomit.

“America, if you continue to reject the mercy of the Cross you will live by the tyranny of the sword.”

You are intoxicated, high on drugs or smashed if you think a new president will help our country's dilemma. The country's problem is not political it is spiritual. Our country's problem is a spiritual problem that we have with our Creator. At some point, you would expect a sane person to recognize that. At least, I would think so. There will be no glorious turning back to God, this time, this nation is so drunk that its people no longer has any common sense, we've become a bunch of stumbling derelicts. Drunk on love! God has written us off, we've crossed the line of no return, and it has made us severely delusional as a society. It's like a covering, a shroud over our entire nation. Truth has fallen in the streets just as it did prior to the destruction of Jerusalem and the Temple in Jeremiah's day 586 B.C. Isa. 59:14-15. Both Jeremiah and Noah had their preaching to fall on deaf ears much like today. We now live in a time when God's people have effectively been programmed to reject all negative that's found in the Bible and are now addicted to the “love” theme which sounds so positive. It's so positive that it's going to damn millions of souls. “Love, love, peace, peace and sudden destruction comes” just as the Bible prophesies. What a bitter pill you have to look forward to and be forced to swallow. Time is up!

America what time is it? The time is the eleventh hour” the time right before the day is ended, the time when the clock strikes midnight. That time when Baptist Bible believing people in this country won hundreds of thousands of souls to the Lord Jesus Christ by preaching from a King James Bible is coming to an end. Time is up! That time is nearing its end, tragically it's almost over. We are at the last few ticks of the clock, one breath, and one heartbeat before Jesus Christ returns to take His Church, His people from this sin contaminated and saturated world. He's about to turn this world over to the Devil who will have complete control during the Tribulation Period. I'll be surprised if you get through this article before He returns. But until then, you can expect trouble. You can expect ridicule, persecution, censorship, jail, and prison, churches shut down, families broken up by the government, loss of jobs, income, and your homes if you refuse to compromise or cave into the pressure that's coming. It has already started and will be full blown by the time you finish reading this statement of my convictions. People don't read their Bibles anymore. Make up your mind that you will be faithful to the Lord and to His Book no matter what the cost!

“Be thou faithful unto death, and I will give you a crown of life” Rev. 2:10.

The world will be a lot safer place without you Bible believing people the sodomites contend. When it's just the opposite “the world is a safer place without sodomites” The Tribulation Period opens up with the queers demanding equal rights and the Muslim terrorists carrying out Satan's wishes. The world is a lot safer place without Sodomites and without Muslims. I thank God for men like Baptist Pastor Roger Jimenez at his Verity Baptist Church in Sacramento, California. Who said, “the massacre in Orlando made the world safer.” I fully agree. The only good sodomite is a dead sodomite and the only good Muslim is a dead Muslim, they will sure kill you. Only and unless they truly are converted and saved! God said they are deserving of death: “Who knowing the judgment of God that they which commit such things are worthy of death, not only do the same but have pleasure in them that do them” Rom. 1:32. And that goes for all those who support them, voted in favor of them, “over half of America”, and the politicians that promoted and legalized their filthy lifestyles! Like the nine Supreme Court Justices. Washington DC has paralyzed Christianity in America today and God's warning of sending delusions to darken men's minds is very apparent. It's pitiful! Jesus said this would go on in the last days and He knew we would have to contend with it but we sure don't have to condone or be silent about it. He is preparing His people for an even greater service. By the way, there is no such thing as a fence straddler or a silent witness. They are really enemies to the cause of Christ and the Cross.

Let me tell the Bible Believers in this country something, the terrorist attack on the “queer”, gay nightclub Pulse in Orlando, Florida represents the Judgment of God on America. There are more terrorist attacks coming to the U.S. because America’s security apparatus has been “infiltrated” by terrorists and we have a Muslim jihadist in the White House, Barack Hussein Obama, a jihadist. God has been crying out to America: Voluntarily humble yourselves, turn from your sin, get on your knees, and call upon me to protect you or continue in your rebellion and be brought to your knees by your enemies. But either way, America, you’re going to your knees. I’ve said for years now, America, if you continue to reject the mercy of the Cross, you will live by the tyranny of the sword, and that’s what’s happening right now in this country.

“Ebola can solve all our problems with the Homosexual crowd.”

It’s too late for America God will not waste His time with her any longer. That’s what time it is. I believe as God spoke and said to Jeremiah, don’t even pray for her anymore “I will not hear your prayer” Jer. 7:16.

“Therefore pray not thou for this people, neither lift up cry nor prayer for them, neither make intercession to me: FOR I WILL NOT HEAR THEE.”

“Were they ashamed when they had committed abomination? Nay, they were not at all ashamed, neither could they blush” Jer. 8:12.

Preachers don’t have the stomach anymore to stand up, speak up and warn God’s flock with His Word any longer, our pulpits are silent. Which one of you would preach the last Scripture verse I’ve noted here?

“Because I have called, and ye refused; I have stretched out my hand, and no man regarded; But ye have set at naught all my counsel, and would none of my reproof: I ALSO WILL LAUGH AT YOUR CALAMITY; I WILL MOCK WHEN YOUR FEAR COMETH” Prov. 1:24-26.

America, time is up! You’re going to be brought to your knees and it will be a bitter pill to swallow.

Pray for America!
