

INVASION OF EVIL SPIRITS

A SERIOUS WARNING TO ALL BIBLE-BELIEVING
CHRISTIANS!

AND A STRONG REBUKE TO INDEPENDENT BAPTIST PASTORS FROM THE WORD OF GOD

“Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;” 1 Tim. 4:1

“...Forasmuch as this people draw near me with their mouth, and with their lips do honour me, but have removed their heart far from me...” Isa. 29:13, Mark 7:6

The return of the Nephilim

By Pastor Del Wray

A STRONG REBUKE TO INDEPENDENT BAPTIST PASTORS FROM THE BIBLE:
Time for soft speeches and pleasant words is over! America's leaders have chosen to rid itself of all that is godly and to take the road of least resistance down the path to Hell. Are you as a Baptist Pastor an unwitting follower or a cantankerous rebel as I? God knows! Will your assembly be found harboring seducing spirits? Or might it be fornicating with demons and devils? O' you don't believe in evil-spirits, demons and such do you, well you're just like most in our churches, you don't believe the Bible? Jesus warned a great deal on the subject. Maybe you don't realize we're in a war out here. I've got a surprise for you if the devil has never messed with you, it's because he's got you right where he want you and you're doing nothing for Jesus Christ. You start serving God and the devil will be after you big time. The Devil hates the man of God, I didn't say the man of men, I said the man of God! He won't leave me alone, I haft to watch my back constantly and it's getting worse! I haft to watch my wife's back too, as I did our children growing up. If the devil can't get the man of God he's going to try to get his wife and even the children. The same for a pastor and his church! I'm deadly serious! My wife will tell you, I've been assaulted, punched in the face, threaten bodily harm even threaten by death several times. It get worse, my pastor friends have been shot at, one had his bus shot at another had his home shot up, they tried to burn out another and Brother George Gibby was shot in the back and killed running a home for homeless kids in Georgia. A disgruntled neighbor befriended him invited him over and when his back was turned shot him in the back. You don't have any trouble with the devil that's because you've joined sides. Several years ago I preached a series of meetings at the Bible Baptist church, Odessa, Texas, the last night my subject was "The Spirit World," One lady stood up in the middle of preaching screaming, "I'm demon possessed" and ran out of the church like a raging maniac. Another fella after the service was over almost knocked me down hurriedly leaving thru the front doors of the vestibule soaking wet with sweat, eyes blood shot red crying "Why don't you let me go?" I heard later from the pastor that that guy was trying to free his self from an evil-spirit by crying, "Why don't you let me go?" Later that

night where I was staying I was attacked by what I came to realize were demon spirits which I will share with you at the end of this treatise. It's true, it really happened and I will take it to my grave as I've shared it with many other churches. There is a fourth dimension which has been recently discovered and it is believed in this dimension these evil fallen spirits dwell some have even claimed to have seen one. I don't know about that but I know what happened to me and I will share it with you later.

INVASION OF EVIL SPIRITS IN OUR RANKS:

Independent Baptist churches are being invaded by demons and evil spirits. Jesus warned of the work of unclean spirits in the last days. He spoke of great deception. He warned of the increase in evil spirits, devils and demons. He said these evil spirits would increase more and more, that their deception would be greater than when He came the first time. In fact He said seven times greater. The Bible makes it clear that even the very elect; those that are saved may even be deceived. Two thousand years ago when He came the first time there were evil spirits everywhere and He called them "seducing spirits" 1 Tim. 4: 1-4 when He comes the second time they will be wide spread even more so. Unclean spirits concentrate their work on believers especially those that will uplift and magnify the living Word of God! Our churches today are full of them and when you try to warn your brothers in Christ they only scoff in unbelief. Why is there such an increase in all these new false bibles? I'll tell you why, "unclean spirits!" How about all the many different churches being established across our land? Unclean spirits! What about those in possession of evil spirits, false teachers and cultists? Want me to name a few? Here they are; Oprah Winfrey, T. D. Jakes, Pat Robinson, Joel Osteen, Rick Warren, Jane Fonda and even Martin L. King, Jr. was one just to name a few. Why are our mental hospitals filled to capacity? Unclean spirits! How about Abortion? Why are our leaders and politicians passing laws to legalize the murder of millions of unborn babies each year? Unclean spirits! How is it that Sodomites and their ungodly life styles are out in the open? Unclean spirits! And why is there so little interest in the lost condition of the souls of men? Unclean spirits! Churches across America have been invaded by unclean spirits! Every time there is an earthquake, sink hole open up or a crack in the earth's surface, I believe God is opening up the earth and allowing invading demon spirits to punish this wicked country. America has chosen the path of least resistance which has placed her on the road to Hell. We find in the Scripture that the Lord gives us a representative history of the churches and the Church Age or Church Periods represented by the Seven Church's found in Revelation two and three. Furthermore, He said a Church could be removed from its place out of His presence. "Ichabod" the glory of God has departed as He did with Israel. So churches are being removed.

If Jesus Christ returned today His message to the Church would still be "you honor me with your lips but your hearts are far from me." Evil-spirits are dominating the church not the Word of God anymore, the Holy Spirit has been resisted so long that He's choosing to leave many churches today. The Holy Ghost has been resisted too long, He is being grieved so much that He has left many of our Baptist churches and moved on to greener fields where He is granting His power to those who are of a contrite spirit, a broken heart and those who tremble at God's Word. I don't know what it is about Christian preachers but many of them walk around floating on some cloud thinking they've arrived and really believing in their "mindless" minds that they are above sin. No one can live above sin except that person be one-hundred percent totally submitted to the Divine nature existing alongside that Old man or wicked nature living and co-existing together in

his body. The “I” in sin! No one can do that! It’s impossible! We carry around with us a sinful nature that you can’t get above and you can’t escape it until you die. Because that sinful nature is the real you! To think that way to think you can is pure treason against the Holy God! He says “there is none good, no not one.” Human beings are depraved and that means our entire being is empty, void and sinful. “Vanity of vanity,” Psalms 39:5 tells us “*Every man at his best state is all together vanity.*” Because of this many men who are in the ministry today are where they should not be. God never called them!

Most preachers were never called by God to preach! Many have taken up the ministry for a variety of reasons never called of God. Preachers “preaching in vain” who don’t know but are sinning against the God of the Bible? I’m a Baptist; my allegiance is to the Book, to the Bible, its Author and no one else. My allegiance is to The Book, the Blood and the Blessed Hope! I submit to you most Baptist pulpits today are controlled by the Devil, demons and live-in evil spirits. I once believed that saved people could not be possessed by evil spirits but not anymore! After what I’ve seen happen in America the last two-hundred years I’m convinced the reason has been Baptist pulpits! “As go the pastors so goes the nation.” All other churches, denominations, sects, etc. have never been true churches so they’re not even considered. I’m convinced that our God is allowing the Devil to roam free in our churches to carry out and fulfill His will and His program in these closing days of the Church Period. Don’t get me wrong, not all Baptist churches and preachers have surrendered to the slippery, wily, evil one but they are tumbling every day. There are plenty of good men still out there standing by the stuff that you can turn to for help, fine men still hammering the Word of God home. Thank God for them! Thank God for the remnant as in all dispensations left to feed hungry souls. And it is to them I warn! Be careful the Word of God is being unseated by evil spirits!

Recently, I had a few members of a local Baptist church in North Carolina get mad at me because I warned them not to allow the Word of God in their church to be supplanted by evil spirits, by the flesh, by their emotions by their growing confidence in singing and testimony. The Bible and its preaching are being undermined by their love for singing, rejoicing, and testimony time. Not that these things are wrong, they certainly are a vital part of any good church service. No one loves singing and shouting more than I do! I can shout the best of them. My pastor, Harold Sightler, always told us “before you start shouting and jumping around make sure your walk matches your shout.”

I’ll say it again, because some in that church have blown my comments way out of proportion, I can shout the best of them and no one likes praising God any more than I do! There’s nothing wrong with doing those things if your walk is proper and if they do not transplant the preaching of the Word of God. The contention they had with my comment is “they did not like being told that it was sinful to put anything before the preaching of the Bible.” You see more and more church services are becoming “praise services,” where people are testifying and praising God and the Bible is not preached at all. Churches will have some singing group in and most of the service is taken up by singing and only about ten minutes of preaching. Many cases are without preaching at all. Let me be clear, if any church has a service and the central part of that service is not Bible preaching, that pastor and that church commits high treason against the very throne of God. IT IS SINFUL! Did you get that? It is sinful, take it or lump it! Don’t get mad at me, take it up with God, and further more take it up with Dr. Harold Sightler, he’d preach it with saliva

foaming from his mouth. Bible preaching must be the center of every church service or you sin against a holy God!

Two men in this church, the pastor and a visiting pastor whose father is a member there has taken it upon themselves to attack me on Facebook Posts. These men are good men but have been deceived by this singing, praise and worship phenomenon where a service is held without the preaching of the Word of God. The Bible must always be the center of any church service! When it's not it's not church at all! I'm convinced that services like these are being manipulated by false spirits. And the pastor too lazy to prepare a message so he substitutes God's desire to speak with His people for singing and testimony time. I intend to expose this mess on the authority of the Word of God! Gary Creed, pastoring a church somewhere in the mountains of Virginia set me up on Facebook and had several of his members attack me by posting lies about this old preacher on the net. He has been promoting this mess in his own church come to find out. The devil's got him! Your children and grandchildren will wind up going to Hell if this mess is not exposed for what it is. Robbing God's people of hearing from Him and the potential damning of lost souls! For the sake of your children and grandchildren get out of the church that does not make preaching the center of its service! Hang in there there's more to come.

A SERIOUS WARNING TO ALL BIBLE-BELIEVING CHRISTIANS:

Warnings that are to be taken seriously! The truth I'm afraid that too many of today's Christians have selfish ambitions when it comes to the role of their pastor and the role of their other brothers and sister in the church, especially when it comes to the outreach program of the church, its growth and congregational life. They easily forget the command of the Lord but nowadays frequently neglected New Testament doctrine on accountability and Christian obligation to the lost world! Sure, we should follow our pastors overall lead and authority, but that never negates our individual answerability to Jesus Christ! Jesus Christ is the founder of the Church, its Head! And the Bible is His rules when it comes to the believer's faith and practice, His "final authority" not any man! "Follow your pastor as long as he is following the Lord" and when He ceases to follow the Lord your accountability is to Jesus Christ, ALONE!" No man can follow Jesus Christ outside of the Word of God, outside of the Bible and I mean the, KJV! There are many pastors out there in our ranks that think you should follow him no matter what and when you disagree with them they start crying "pastoral authority." No Bible authority! Jesus is the ONE we follow and the only one we are accountable too! A man like that will destroy a church by placing God's people under bondage again. "Let my people go," Turn God loose on a jack-leg like that!

A FALSE PROPHET IS ONE WHO REPRESENTS GOD'S WORD IN CORRECTLY!

I'm so sick of these dim-wits in our pulpits across this country that are so cowardly and spineless that they haft to justify such services without preaching and say it is biblical and try to justify it by using Scripture like the Philippi jailer to prove their point because Paul and Silas were in jail shouting and praising God. So that makes it okay to do it in church. This guy lied through his teeth; He shows his ignorance of the facts! Paul had preached Jesus to that jailer and God supernaturally open the bars to their cells. Paul refused the opportunity to escape knowing the jailer's life was on the line. It was Paul's preaching of Jesus to him that began to work on his

heart. That jailer saw Jesus Christ in Paul and Silas. I'm puking again! Only a devil will try to convince you Jesus will save a person without the preaching of His Word. Paul and Silas did not have a Bible like we have today; it hadn't been printed yet and wouldn't be until the 1500's. I don't know whether they had parts or copies of the Old Testament in their cell or not those were hand printed, it doesn't tell us. But I can tell you this, Paul preached Jesus to the jailer and he got saved. The singing and praising probably help prepare the jailer but the WORD is the only saving agent! 1 Pet. 1:23. You better watch out for these crackers in our pulpits today! I've been so sick the last several days that my wife needs prayer. She has had to get a bucket and clean up vomit after me so often that I'm turning green and she's getting sick too. Let me tell you something, when the Bible was finally completed in AD 90 God stopped using any other method to speak to man and only speaks to man through His Word and only saves through His Word! Anybody tell you different he's a liar and a shyster! Prove me wrong! Challenge me! I'm game! I've got thick skin! I'll crawl from Maryland to Mt. Airy on my knees and kiss the turkey's big toe. Give me Chapter and verse! Give me Scripture to prove it, you can't. The two preachers I speak of David Tucker a chip off the old block, his father was the previous pastor and Gary Creed a pastor out of Virginia sent me one passage in Luke Chapter 16 trying to defend their position and ignorance of even those verses, taking them out of context and showing their inability to rightly divide the Word of Truth. These singing and praise worship services never saved anybody. I'm still waiting for Bible verses fella's. Huskers'! That's all they are! Why don't you get out of the pulpit and get you a legal job? Dead men walking! No! Dead men in too many of our Baptist pulpits! If they would exhume Carl Lackey's body from the grave he would head straight to the platform mad as hell at what's going on. Then all you would have is two dead men in the pulpit there. Instead since he can't all you have is two men trying to be preachers misleading innocent souls who need to learn to rightly divide the Word of Truth. Evil spirits! Let me quickly give you the whole story on the jailer at Philippi and you'll see why I'm so angry:

“What must I do to be saved?” It was a prison officer who first asked this great question some two thousand years ago. Terrified by an earthquake and the apparent escape of all his prisoners, the jailer in Philippi was on the point of suicide. Then he heard the assuring voice of the Apostle Paul, his most heavily guarded prisoner: “Do thyself no harm: for we are all here” Acts 16:28. Shaken to the core, the jailer “called for a light, and sprang in, and came trembling, and fell down before Paul and Silas, and brought them out, and said, Sirs, what must I do to be saved?” Acts 16:29–30. The answer he received went to the heart of his soul's need and set before him God's simple way of salvation: “Believe on the Lord Jesus Christ, and thou shalt be saved.” The experience of the earthquake opened the jailer's eyes to see his personal need of salvation. Very often God uses such circumstances to speak to our hearts and to awaken us to the realization that we need to be saved. It has been often said, “Man's extremity is God's opportunity.” But it is also true that man's extremity is man's opportunity. Excerpt taken from one of my other articles! Do you see singing and praising God in there anywhere saving that jailer? Only a devil wants you to believe that junk. I sense the hiss of a serpent. That jailer went to their cell astonished and asks Paul and Silas: “What must I do to be saved?” Their answer, “Believe on the Lord Jesus Christ, and thou shalt be saved...” Isn't that what the Bible says? Paul and Silas preached Jesus to him! They preached the Words of God! Those two idiots trying to be preachers tried to tell me it was the singing and praising that saved that jailer. Evil-spirits are everywhere in our churches. Keep it up suckers I'll have the seat of your britches torn out! My dogs don't like lying

preachers; some saved first grader has more sense than you're showing here. A man who is a Bible believer will chew you up and spit you out! For you sympathizers go kiss your wife, they have more sense than these guys. Get these preachers wives a free bat! Maybe they can knock some sense in their heads.

Do you see anywhere in there where the Word of God was not preached? Does it tell you singing and praising saved that jailer? No! And God does not use praise singing and testimonies to save people either! He uses His WORD! We have too many ninety day wonders in our pulpits, first ninety days they are on fire and after that they don't even know how to get home. God's mad at what's going on in our churches. Good men, fine preachers have gone to this church twice a year for many years preaching their hearts out and look what has happen, look at what is going on now, a pastor excusing his sin, denial of God's Word, apologizing for people because they demonstrate the poor instruction they have been receiving. Evil spirits! If I had to face Jesus Christ in the next five minutes, I would still preach what God has laid on my heart. Too many phony's in our churches. Let me show you how God sees our pulpits across this land!

"Then shall they know that I am the LORD, when I have laid the land most desolate because of all their abominations which they have committed. Also, thou son of man, the children of thy people still are talking against thee by the walls and in the doors of the houses, and speak one to another, every one to his brother, saying, Come, I pray you, and hear what is the word that cometh forth from the LORD. And they come unto thee as the people cometh, and they sit before thee as my people, and they hear thy words, but they will not do them: for with their mouth they shew much love, but their heart goeth after their covetousness. And, lo, thou art unto them as a very lovely song of one that hath a pleasant voice, and can play well on an instrument: for they hear thy words, but they do them not. And when this cometh to pass, (lo, it will come,) then shall they know that a prophet hath been among them." Ezek. 33:29-33

Read what lawyer asks a Georgia grandmother while in court during trial and it backfires: Recently I received a post on Facebook and thought it would be appropriate here, kind of humorous: A lawyers ask a Georgia grandmother a question and got an answer he wasn't prepared for. During a trial in a small-town in the South a prosecuting attorney called his first witness, a grandmother, elderly woman to the stand. He approached her and asked, "Mrs. Jones, do you know me?" She responded, "Why, yes, I do know you, Mr. Williams. I've known you since you were a boy, and frankly, you've been a big disappointment to me. You lie, you cheat on your wife, and you manipulate people and talk about them behind their backs. You think you're a big shot when you haven't the brains to realize you'll never amount to anything more than a two-bit paper pusher. Yes, I know you." The lawyer was stunned. Not knowing what else to do, he pointed across the room and asked, "Mrs. Jones, do you know the defense attorney?" She again replied, "Why yes, I do. I've known Mr. Bradley since he was a youngster, too. He's lazy, bigoted, and he has a drinking problem. He can't build a normal relationship with anyone, and his law practice is one of the worst in the entire state. Not to mention he cheated on his wife with three different women. One of them was your wife. Yes, I know him." The defense attorney nearly died. The judge asked both counselors to approach the bench and, in a very quiet voice, said, "If either of you idiots asks her if she knows me, I'll send you both to the electric chair."

I thought that was funny, but after some consideration it slap me in the face. That's the way God's men should be! Like that old grandmother! O' I know we need to be more thoughtful and tactful but preachers seem to be missing the boat altogether. Aren't we to be the ones exposing sin? Well are we? It's our jobs to be calling SIN, sin isn't it? No matter where we see sin it should be exposed! Sins sin in God's eyes and there is no little or big sin either. You hear me! I should be exposed too because I'm a sinner and anybody that reads my work will know I do. I willingly expose my own sinfulness. I abhor myself as Job said he did his self, Job 42:2. I hate myself! And if I could get rid of this old sinful nature I would in a minute. When I was at Bob Jones if you saw someone cheating on a test, you were to turn him in and if you didn't, if someone saw you, they were to turn you in. Why? To keep from further harm coming to the sinning sinner! Isn't it sin that corrupts society, brings more harm! Well, shouldn't we preachers be preaching against sin? The preacher that won't preach against sin is sinning himself! That being so why so little preaching on sin anymore from our pulpits! I'll tell you why, it's because we preachers think we are above sin. We are afraid of people and no longer fear God. We like our comfortable positions and refuse to be moved out of our comfort zones and maybe mammon \$\$\$ has your heart, it's so easy to succumb. God have mercy on your soul if you do. Lack of acknowledgment of sin from our pulpits is one of the reasons I believe most people are dying and going to Hell through our churches. Preachers will be held accountable!

This is one of the reasons I believe many people are going to Hell through the average Baptist church, no preaching on sin anymore. It's the reason Homosexuals are running free in society raping our children. Now they are passing laws to prevent us preachers from preaching on sin, calling a queer a queer a sinner. And most of you preachers haven't even started doing your job. America as a nation has been turned into the land of fairies because of the neglect of preaching on sin. When's the last time you've heard a good message on the total depravity of the Christians? Never probably! We have several Baptist churches here in this area and every time I go up to the local county jail to preach one of their members is incarcerated there. Often I have to plead with them to come out to the Chapel so that I can share the Word of God with them. Folks I always haft to show those men their lost condition because of sin and the hatred in their own hearts. Many have told me over and over again that they would never have wound up there if they had been warned of their own sinfulness, sinful nature. Preachers, we're failing in our jobs or is it you refuse to do your God ordained job preaching on the sinfulness and hatred in the human heart? Is it fear! If fear is your problem get out of the way and let God put a man there who will! Our pulpits are bloody and people are going to Hell through our churches. A preacher that want preach hard against sin is a scumbag awaiting the judgment hand of God. Another pastor friend of mine here in this area lost his son to an open affair and adultery right in the church and now is no longer in the ministry. All because he would not preach on the wickedness of his son's heart. There is account after account in the Bible warning us of our own sinful nature throughout Scripture.

If I ask you," do you love Jesus? Your immediate response would be "yes" when in fact you don't, not really. You have in you and old sinful nature that hates God, resists God at every turn and if you could because of that nature you would crucify Him again! If He would let you! It's called the "flesh." You don't know the wickedness of your own heart! That's the problem! Let me show you; because if He came to preach in your church Sunday morning, you would run Him

out. You couldn't take His preaching! Read Matt. 23, some of you have already proven that to me. You claim to be my friend and when I show you sin going on in the church, "*Am I your enemy because I tell you the truth?*" Such as what God thinks of His own WORD, Psalms 138:2, and what He thinks about those preachers that exclude from their services the preaching of the Word. Nothing comes before the preaching of His Word! You click "unfriend" and show your hatred for me and for the light that God has shown upon His Word. Your sinful nature, the flesh, it rules your life not God's Word. If you had been under the control of the "Divine" nature, the Holy Spirit, you would not have been offended. Perfect peace in Jesus would have sustained you, Psalms 119:165 read it. You know how I know? Read Rev. 3:20, "Behold, I stand at the door and knock..." I know this verse is used by personal soul witnessing but it was never intended for that. Here we find Jesus Christ outside the church door, knocking to come in at the end of the Laodicea Church Period. He's not even in our churches for the most part, He has withdrawn Himself. "Ichabod," "the glory has departed." Why else do we come together and pray down the Holy Spirit. He wants to come in but we won't let Him. You better listen to me I can help you? He will come in to the broken hearted individual; He will come in to those of a contrite spirit, in to the humble! And He will come in to those that fear His Word. Did you hear what I said "fear His Word?"

"For all those things hath mine hand made, and all those things have been, saith the LORD: but to this man will I look, even to him that is poor and of a contrite spirit, and trembleth at my word." Isa. 66:2

That's not what we are seeing in these side shows in our churches today! That's not what you're seeing in these sing un-inspirations where the Word of God is completely left out. Souls are not being saved and if the truth were known they are being made more the children of Hell. Because I hate any service where the Bible is not preached and made the center of the service. These two men I mentioned above laughed and scoffed by sending me a Facebook post telling me I should stop acting like God. Tell Jesus that! He's the one rebuking you; He's just using me to deliver His rebuke! Brother you slapped Jesus Christ in the face when you wrote that post. I'm still waiting for Chapter and verse to defend your perversion of Acts 16 and God's Word. You both ought to be on your faces before God asking Him to forgive you! You two jerks still think you are beyond being deceived, beyond sin. I suggest you repent yourselves and let God's Word have its proper place in your lives and what ministry you have left turn it over to Jesus! He's the preacher not you and me. Any man who steps into the pulpit and Jesus is not doing the preaching sins against God! The Devil wants the preacher first and if he can get the preacher, he'll have the pew! God's not going to blame the people in the pew; He's going to blame the preachers for the condition of our churches! Brothers bring it on; I'm going to scrap and fight sin no matter where it is. The Jews were defeated at Ai because of Achan's sin in the camp. Whether it's in the pulpit, the pew, my own life, the government, our schools or where ever I'm in a war against sin! Murder is murder no matter who is committing it and there is more than one way to commit murder.

Several years ago a very close friend of ours was murdered by her husband in West Virginia. In a jealous rage he took a hammer and bludgeoned her to death, beating her with the hammer beyond recognition and it happened right in front of their two daughters. He is now in a West VA prison for the rest of his life. Custody of the two daughters was given to the killer's lesbian

mother who is married to another lesbian. The heart breaker in this tragedy, his father divorced from his wife is a Baptist preacher in our ranks. And I can tell you why it happened, his dad and the Baptist preachers he grew up under would not preach sin to him and show that boy his own dirty heart that wicked heart got the best of him and caused him to kill. He had never learned to discipline his mind and his nature got the best of him. I hope you realize because of our sinful natures we're not beyond doing the same thing. The Bible tells us if you hate your brother you're a murderer. Every one of us is a murderer in our hearts. In God's eyes there's another way you can kill. That's by allowing lost soul to die without hearing the Word of God. Every church is a large holding cell for people on "death row" and every pew it's self is death row with souls waiting to die. Listen to what Paul thought about preaching:

"For I have not shunned to declare unto you all the counsel of God." Acts 20:27

"Wherefore I take you to record this day that I am pure from the blood of all men." Acts 20:26

One evening after preaching on the "Spirit World" I returned to the Home I was living in at the time.

WHAT DID YOUR BIBLE COST?

What did your Bible cost? If you really knew it would drive you to see that it was preached in every service! It would drive you to hold it in the highest esteem all the time! Anyone can wave it around above their heads during special services and still hate its Author. "Bibles of the Martyrs" is a display of old ancient Bibles and it is said that one single page of the Gutenberg Bible if sold today would go for \$65,000.00. It's my understanding that millions of dollars of these old ancient Bibles are now on display in downtown Orlando, Florida today. Dr. Jewel Smith acquired this collection and traveled all over the country preaching on the subject, "What did your Bible Cost?" Where would you be without the Bible? Your government hates the Bible; they're coming to take it! Ninety-five percent of Americans would vote to outlaw the Bible. Seventy-five percent of people in our churches have proven they hate the Bible by taking up all these new translations. Only two percent of the people in our churches are saved it has been estimated. And the biggest part of them doesn't even read their Bibles today. How many out there can tell me how many gospels there are in the Bible? How many judgments? How about how does God speak to man today! Many out there would answer various ways; a Pentecostal would! Wrong! Those that tell you that are scumbag liars! Any preacher tells you that is a scumbag liar too! Read Heb. 1:2

"Hath in these last days spoken unto us by his Son, whom he hath appointed heir of all things, by whom also he made the worlds;" Heb. 1:2

God will only speak to man through His WORD! "And the Word was made flesh..." John 1:14, John 17:17 and John 14:6.

Those that tell you God will speak to you through dreams, visions, your feelings, your emotions and through singing or someone's testimony are calling God a liar. God doesn't work through small still voices in our minds either, not unless it lines up with the Bible. Choke on that a while! God says, "...spoken unto us by his Son," by His WORD, no other way! They are false teachers!

Demonic! You can take that to the Bank! A man who is so lazy and relies on special meetings, on singing groups and testimonies and leaves out the preached Word is being led by a false spirit! Evil-spirits in these last day churches! Let me ask you again, WHAT DID YOUR BIBLE COST?

What many people don't know is that Jewel Smith gave up a large church pastorate he had founded in Orlando, Orlando Baptist Church, it use to be Orlando Baptist Temple, averaging attendance around 1800 every Sunday and went into evangelism traveling many miles showing this rare old collection of ancient Bibles "The Bibles of the Martyrs" and preaching "What did your Bible cost?" To his dismay and to my complete astonishment the last couple years of his life's ministry NOT ONE CHURCH, I mean not one church would have him preach. The last time he preached was at Hyles-Anderson College's Preacher's Conference. The churches across the country would not have him. They refused to hear him and would not let him preach, there was not a better preacher and soul winner in this country than Dr. Jewel Smith. For you who never heard him or never knew him you missed a giant of giants, you will be at a lost when you meet him in Heaven. I would be glad to go into more detail in another article as to "What did your Bible Cost." Suffice to say in one Phrase, "Over Sixty Million Martyrs" died that we might have the Bible (KJV), that we might hold in our hands and that we may read today. (60,000,000) And today preachers do not even honor that most precious of all gifts, the Holy Bible, by neglecting to preach it in every meeting! This country's churches and their refusal to preach Dr. Jewel Smith have shown me that God has written "Ichabod" over the doors of many Baptist churches in America. As Dr. Smith was left with no pulpit to preach in so our churches today have been left without the PREACHER, God's Holy Spirit!

In closing let me show how these evil-spirits are always after the preacher first. The night I preached on "the Spirit World" and had such unusual experiences during and after the service, I returned to the family's home I was staying in and went right up stairs to the room I was sleeping in. It was the middle of the summer and about ninety degrees outside and one window fan in the only window providing relief. After about ten minutes I was sweating and suddenly my room turned into an ice-box, it was freezing and cold, I was shivering and a deep freeze had encompassed my room in the middle of the summer. Strange, I was terrified, it couldn't be but it was freezing in the summer time. Then suddenly it hit me demon spirits like the cold, I started walking back and forth in that room, praying, pleading the blood I know for over 5 minutes I was praying and pleading the blood of Jesus Christ over that room and just as suddenly the cold disappeared and the warmth returned. Five minutes of freezing cold and then it was back to 90 degrees! To this day I still consider it demons, evil spirits. That was several years ago and there is no other explanation. Believe it or not these evil spirits are after the preacher first and if they can't get him they'll go after church members. They are very active in our churches today knowing their time is short. Let me say this if I only had 60 seconds to live and knew I was about to be on my face before Jesus Christ's Bema Judgment I would not change one thing that I've written in this treatise. Take warning, as Paul said, "My hands are clean from the blood of all men."

Will you invite Him in? Will you invite Jesus Christ into your life? He wants to reign in your heart supreme!

“And when he is come, he will reprove the world of SIN, and of righteousness, and of judgment:” John 16:8

“For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness;” Rom. 1:18

FOOD FOR THOUGHT:

Genesis 6: The Origin of the Nephilim Gen. 6:1-5 before the flood; and after the flood, Numbers 13:33, Deut. 2:20.

A SERIOUS WARNING TO ALL BIBLE-BELIEVING CHRISTIANS!

I challenge any Baptist pastor, evangelist, professor or teacher to prove the Bible wrong on the infiltration of evil-spirits in these last day churches as well as the disappearance of the preached Word of God from our church services being replaced by singing, testimonials, manmade programs and inventions. I will crawl on my knees to where you are and kiss your big toe! You can't get preachers to preach anymore. You can't get preachers to preach against sin anymore these yellow bellied, pug nosed, panty waist and pink shirted cowards, you could stick a gun to their heads and they still wouldn't preach against sin. You know why? Their bodies have been invaded and taken over by demon spirits. One dear lady on Facebook keeps posting how much she loves her boys and how much she loves her grandchildren and still subjects them, every Sunday to one of these pot bellied, pontoon boating, potato thumping seducing spirit preachers, I don't care if he is family, you're damning your grandchildren! Your boys are old enough now to see through this fake veneer of a clown, don't let your grandchildren grow up and die and go to Hell! I'd tell them to their faces! Get your grandkids under the sound of a leather lunged, hard nose, sin hating and sin exposing, silver tongue, salvation preaching Baptist preacher! I can help you? Their blood won't be on the hands of a Bible thumping preacher like that! But it will be on the hands of what you've got now! And you dear lady your blood won't be on my hands either! You've been warned! Will the rest of you taking warning?

INVASION OF EVIL SPIRITS

“This know also, that in the last days perilous times shall come.” 2 Tim. 3:1
