

SATAN DANCING IN THE STREETS OF AMERICA

Civil disobedience and ban the Bible is coming.

“And Elíjah came unto all the people, and said, how long halt ye between two opinions? If the LORD be God, follow him: but if Baal, then follow him. And the people answered him not a word.” 1Kings 18:21

“But woe unto you, scribes and Pharisees, hypocrites! for ye shut up the kingdom of heaven against men: for ye neither go in yourselves, neither suffer ye them that are entering to go in.” Matt. 23:13

By Pastor Del Wray

SATAN DANCING IN THE STREETS OF AMERICA:

Through civil disobedience mankind has always tried to rid the world of the Bible. During the Reformation Period the Roman Catholic Church sought to destroy her by fire. The Great Ejection in England brought about non-conformity and the free world. And now the United States thinks it can purge America of the Word of God. Never! The Supreme Court votes “same sex marriage” legal in all 50 States, banning the Bible waits in the wings. What fools! Not and survive! This Universe is held together by the Word of God! Let me tell you something, Almighty God ordained before the worlds were formed that if His Word were to ever disappear from the earth that He would cease to deal with mankind and would entirely wipe all traces of humanity from existence, never to deal with man again. Man does not know the God with which he deals, He need but speak and life as we know it becomes extinct’. So to the Bible ban crowd of our day, take WARNING! To be found fighting against God and His Word is to be found fighting against your own well being! A vote to rid America of the Bible is a vote to put America to death. To those who take up these new age bibles rejecting the real Word of God, the “King James” you’re voting unknowingly to have God destroy America. Mr. President, you’re wrong, turn America back to God, your vote is cast and you’ve voted for annihilation. To the Sodomite crowd “repent” don’t die eternally. I beg with tears that you not be found resisting what’s best for your own well being! Our God walked on earth in history past and died grieving with a broken heart over the lost crowds of His day. What about the crowds of our day? Not this time! Read Revelation 19!

Two thousand years ago Jesus Christ preached to the same crowd that we preachers must preach to today. I can’t help but see much similarity today as to the crowd He addressed back then. Here in Matthew 23 we find Him addressing those who were His primary antagonists, same crowd today, the Pharisees and scribes, both inside and outside the church, Jesus laid out their uncomplimentary profile in the first part of Matthew 23 and then hammered them eight different times repetitively calling them hypocrites verses 13, 14, 15, 23, 25, 27, 28, 29, called them blind

verses 16, 17, 19, 24, 26, and then called them fools verse 17, lawless verse 28, and ending with this imposing climax:

“Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?” Matt. 23:33.

One doesn't have to have a Ph.D. in theology or doctorate in religious studies to figure out that Jews don't take well to being emblematically linked to a snake mainly associated to the devil. But that didn't stop Jesus from telling them who they were like. Like vipers! He did not say that did He? O yes He did! Look it up! Read it for yourself! I imagine if He came today and preached in many of our denominational churches He would not change His message one iota. Let me ask you, if this scene were played out today in your church, how do you think Jesus Christ would be portrayed or characterized? “Brow-beater,” “Church-divider” “Pharisee-hater,” “Intolerant!” Most likely! I guarantee you that Jesus' words would be labeled as “hate speech” and He'd be “un-friended” by many on Facebook who would see his speech as “unacceptable” for today.

Whether it's the recent Charleston, SC murders or something similar, the number one most used method in the public square to counter any criticism of personal actions or lifestyle is labeling the opposing argument or statement as “hate speech,” in the case of SC the Confederate battle flag. Never mind that the one making the claim is likely demonstrating their intense dislike or “hate” for the one they're opposing.

Are the ones constantly crying hate speech, right in their accusations or have they redefined what hate is and given birth to a new term whose sole purpose is to “wrongly” stigmatize the opposition and to further their goals? What's going on? One thing that's not happening is that individuals are not thinking for themselves. How is the Christian to react in these tumultuous evil times?

**“GO TO CHRIST AT CALVARY YOU'LL GO TO HEAVEN,
GO ANYWHERE ELSE YOU'LL GO TO HELL.”** Acts 4:12

Think for yourself!

Know thyself, after all, if you don't know who you are how's anyone else going to know you? Are you a combination of your misinformation and schooling, some established manmade religion, political correct ideology or are you a unique, original, no other like you individual? Shouldn't you get to know yourself first? The trouble today people don't want to know themselves, they're afraid of being real, being honest. I admit, I even scare my own self. People won't think for themselves anymore. Someone else has to do the thinking for them, the government thinks for most. As long as all the social welfare freebies keep coming they're willing to be complete blanks. Since most of our church members are poor the same is true within Christianity, let the pastors do the thinking. Nit-wits! Jug heads! Just because a leader says something doesn't mean it is right. What about what God says? American's are so inclined, lazy and gullible, they believe anything they hear and 90% of what one hears is false. You cannot find anywhere in the Bible where Jesus trusted anyone, in fact the Bible is addressed “negatively” to the human race, to humanism and all connected with it. Jesus knew what was in man, what man was made of and He told us in His Book. No author in history would dare do the same. Yet, church members are

so dim-witted, mindless and unthinking; they won't use their heads anymore at least when it comes to what God's Word says, not realizing the preacher is apt to be fooled like anyone else. "Don't you trust me?" Is the pastor's favorite question he ask, favorite cliché! Now the greatest book in the world the Bible is being labeled as hate literature. Pastors are being labeled "hate preachers," "preachers of hate," or of "hate speech."

People don't like to leave their comfort zones. No one who is comfortable likes change. This is called complacency, being contented to a fault, being self-satisfied without concern. The average American is a lazy thinker, often critical of others who do think and stand up for what is right. Every individual is a doorkeeper, caretaker of their own mind. If a person doesn't control their own mind, then someone else will. This is why the American public has been so dumbed down. This is why teens today listen to the most immoral, blasphemous and demonic music. This is why Americans sit in front of their TVs being corrupted with every form of filth and wickedness imaginable. We are living in evil times, when greedy people are willing to stoop lower than low to sell anything, even the vote. I must be blunt we're headed down a dark and dangerous path.

The Supreme Court has played God again:

The Supreme Court's ruling in favor of same sex marriage, yesterday, June 26, 2015 will determine much more than the average American realizes. It spells the end of freedom of speech in most pulpits across this country. It spells the end of free speech for the church and for the Christian faith; it spells the end of the tax-exempt status of churches. It will mean that America has chosen a homosexual culture, a homosexual mind set over traditional moral values and that all Bible believing churches must conform to the wishes of less than two percent of our country's men and women, Queers and Lesbians! It changes the moral course of this nation and destroys the moral foundation and under-penning of our society. The character of America, the traditional values of America, and the common sense of this country has been lost. The Court has ruled against the Bible again, and against God's Institution of the family, spelling the demise of the USA. Right now, at this very moment the Soviet Union has its long range nuclear missiles aimed at our nuclear stockpiles here in the USA. And I'm inclined to agree with other pastor's across this great land of ours that nuclear warfare will be the means by which God brings about the destruction of America. Nine Supreme Court Justices, make it five have "SODOMIZED AMERICA and sealed her fate. I know many will not agree and I'm not a "dooms-dayer" but it's all laid out in Scripture. Did not Sodom and Gomorrah burn? So will America burn!

"Who will rise up for me against the evildoers? Or who will stand up for me against the workers of iniquity?" Psalm 94:16

Knowing full well we are now living in the end days of the Church period which is described in the Bible as apostate. I'm fully aware that our Country and government is "New Age", "Anti-American", "Anti-Patriotic", "Anti-Traditional Marriage", "Anti-Holy Bible", "Anti-Truth", "Anti-Pro life", "Anti-Straight", "Anti-Equality" of all people! America hates God, has rejected the Bible and is accepting the Eastern religions. She has set herself on a course to make war against God and now exists on borrowed time. It is very difficult for anyone not to realize that all of Academia; the Public Schools our Colleges and Universities, all of our Legal System; Court Houses, Lawyers, Hollywood, the Work Place, the Market Place, all of Government and the

Political System with its “Political Correctness” are all “Anti-God!” “Anti-Christian!” “Anti-Church!” And it’s time we Bible believers stand up and are counted coming out publicly against this Christ-less society an every false and evil way! “...and I hate every false way.” Psalms 119:128

In the United States today, there are very few words that provoke as much outrage as the name of Jesus. It is being banned from graduation ceremonies, chaplains all over America are being forbidden from using His name in their prayers, and many school officials all over the nation have become absolutely fanatical about eliminating every trace of Christian expression from their schools. One elementary school in North Carolina even ordered a little six-year-old girl to remove the word “God” from a poem that she had written to honor her grandfathers. Political correctness is spreading like a cancer in this country, and our “freedom of religion” is rapidly being transformed into a guarantee of “freedom from religion” for those that hate the Christian faith. You can be clear; the next battle looming over our nation will be fought over religious freedom now that the Supreme Court has legalized “same sex marriage” in all fifty states your RELIGIOUS FREEDOM S are about to be attacked. War is on! Without a doubt, there is a war on the Christian faith in America today. It is being waged in classrooms, courtrooms and churches all over the nation. As America turns its back on and walks away from the Grace of God we who believe know that our “redemption draweth nigh.” Knowing very well that these characteristics describe a nation that is about to be turned into Hell. Well if things are so bad what should we as Christians expect?

Jesus finished one of His many sermons in a very gripping, attention-grabbing way:

“And blessed is he, whosoever shall not be offended in me.” Matt. 11:6.

The word “offended” means to shock through word or action, or give offense to anger. The truth is, Jesus and His teachings do cause offense; the Bible specifically said He would:

“Behold, I am laying in Zion a stone of stumbling, and a rock of offense; and whoever believes in him will not be put to shame” Rom. 9:33.

When the world gets offended, you can expect some of those who decry hate speech to use the most hateful words in existence against those who stand against them. This, too, is spelled out clearly in the Bible:

If the world hate you, ye know that it hated me before it hated you. If ye were of the world, the world would love his own: but because ye are not of the world, but I have chosen you out of the world, therefore the world hateth you. John 15:18–19.

“Marvel not, my brethren, if the world hate you.” 1 John 3:13.

The truth is, it is not hate or hate speech that reproves a person for sinful behavior. In fact, it is just the opposite. Speaking the truth about sin has also never been popular; it always has offended and it always will. One well known preacher said: "Our society strives to avoid any possibility of offending anyone, except God". Jesus’ words in Matthew 23 may seem harsh, but

they were right on the nail, appropriate for those who had blasphemed God's Spirit Matt. 12:32, and were in no way hate speech. Pointing out moral wrongs and sinful behavior is not hate, but instead it can be the most loving thing a person can do because ungodly actions have eternal consequences. Jesus' words, plus the work of the apostles, evidently hit the mark with some of their opponents because the book of Acts records the following:

"And the word of God increased; and the number of the disciples multiplied in Jerusalem greatly; and a great company of the priests were obedient to the faith." Acts 6:7

Some will receive God's corrections and some will not, with the reactions telling you much about the person with whom you are dealing:

"Reprove not a scorner, lest he hate thee: rebuke a wise man, and he will love thee." Prov. 9:8

No matter the response, our reaction should always be to continuously share God's message.

"Am I therefore become your enemy, because I tell you the truth?" Gal. 4:16.

SATAN DANCING IN THE STREETS OF AMERICA

I read recently:

"I expect to die in bed, my successor will die in prison and his successor will die a martyr in the public arena. His successor will pick up the remains of a ruined society and slowly help rebuild civilization, as human history repeats itself."

I'm asked often; "Brother Wray do you give your approval to putting homosexuals to death?" I'm not a Jew, I replied, if I were a real Hebrew, the answer would be "Yes" they should be put to death according to their law but my job as a Bible preacher in this the "Age of Grace" is to preach the Word, warn, rebuke and expose them for their wicked lifestyle and sin. It is not my place to put anyone to death. God is the giver of life and He and He alone is righteous, has the right to take that life. By the way, they are doing a mighty good job killing themselves with a variety of STD diseases, anyway; like Gonorrhea, Syphilis, Hepatitis B, Herpes, genital warts, scabies, HIV and AIDS. Paul wrote that sin is "worthy of death." No lynch mobs are necessary.

The honey-wagons right out of the sewers of Hell has delivered to America's streets all the diseases necessary to wipe out their kind as well as the entire human race if God should so choose. It's not whether they should be put to death but when.

America Is Becoming a Homosexual Nation:

Now that same-sex marriage is settled law, anyone who tries to teach children to aspire to create a child-centered family with a father and a mother will be labeled as a bigot and accused of hate speech. Can you doubt that the textbooks will be far behind? Any depictions of "families" in schoolbooks will have to include a certain proportion of homosexual "marriages" as positive role models. Television programs will start to show homosexual "marriages" as wonderful and happy, even as they continue to show heterosexual marriages as oppressive and conflict-ridden.

The propaganda mill will pound our children with homosexual marriage as a role model. We know this will happen because we have seen the fanatical news media, the “left” do it many times before. So when our children go through the normal adolescent period of sexual insecurity and lack of confidence, which is precisely the time when parents have the least influence over their children and most depend on the rest of society to help their children grow through the last steps before adulthood, what will happen? Society will bend all its efforts to seize upon any hint of homosexuality in our young people and encourage it.

Most parents regard schools, an institution of the state that most directly touches our children, as the enemy, even though we like and trust the individual teachers, because we perceive, correctly, that schools are being legally obligated to brainwash our children to despise the values that keep civilization alive.

IN SUMMARY:

Let me share with you what God says about the whole matter:

In Genesis 15:16: *“But in the fourth generation they shall come hither again: for the iniquity of the Amorites is not yet full.”* The Amorites and their ordinances:

God told Abraham that his descendants were going to leave the land of Canaan for 400 years because the iniquity of the people living in the land was not complete. There is a process for a society to be taken over by iniquity. In the case of the Canaanites, God gave these people 400 years to stop iniquity. God knew that after 400 years the iniquity of the people would reach its peak. The people would not turn from sin, but they would completely embrace it.

When studying Genesis 15:16 there is a key word in this verse. It is the Hebrew word translated “full.” This word is directly connected with the idea of friendly or friendship. The concept of this word is that when a society is friendly with iniquity at that point it is subject to judgment from God. Iniquity is no longer shameful or disgraceful. It is not hidden or done in the dark. The people are friendly with it. They are accustomed to it. In Genesis 15:16, the Bible does not define iniquity: it simply states that there is a time for it to mature in a society and become full.

After the 400 years, the Jews left Egypt and came back to the land of Canaan. Today it is called the land of Israel. At this time, the Bible identifies what iniquity is. In Leviticus 18, God warned the Jews not to follow the ordinances of the Canaanites who lived in the land. The Canaanites and Amorites blended into one people; therefore it is also the ordinances of the Amorites that are mentioned in Genesis 15:16.

Leviticus 18:3, *“After the doings of the land of Egypt, wherein ye dwelt, shall ye not do: and after the doings of the land of Canaan, whither I bring you, shall ye not do: neither shall ye walk in their ordinances.”*

In the above verse, the key word is “ordinances.” The Hebrew word means an enactment and is also translated custom, manner, and statute. By using the word ordinance the Bible is describing a society that is “friendly” with iniquity. Iniquity has become ingrained in the Canaanites by both customs and laws which makes it a way of life. For this reason, God is about to judge the

Canaanites and drive them out of the land. The judgment comes because iniquity is an ordinance of the society and not because individuals are committing iniquity. When governments pass laws in favor of sin or when any society commits wickedness and makes that evil an ordinance or legal that is an extremely serious crime against God.

Later in chapter 18, the Bible defines iniquity. It includes such acts as: adultery, child sacrifice, homosexuality and bestiality. Homosexuality is singled out from this group and described as an abomination. Without any doubt, God strongly condemns the homosexual act as iniquity. There is no place in the Old Testament or New Testament where God approves or condones homosexuality. The homosexual act is a very serious offense to God. It is linked with child sacrifice and bestiality.

Here are the Scriptures to prove it:

Leviticus 18:20 *“Moreover thou shalt not lie carnally with thy neighbour’s wife, to defile thyself with her.”* Adultery

Verse 21 *“And thou shalt not let any of thy seed pass through the fire to Molech, neither shalt thou profane the name of thy God: I am the LORD.”* Child sacrifice

Verse 22 *“Thou shalt not lie with mankind, as with womankind: it is abomination.”*
Homosexuality

23 *“Neither shalt thou lie with any beast to defile thyself therewith: neither shall any woman stand before a beast to lie down thereto: it is confusion.”* Bestiality

The Bible warns that when homosexuality becomes a law or an ordinance, social custom or norm, it will bring God’s judgment on that nation. When the Bible defines iniquity, the homosexual act would automatically fall under the description of this word. In the strongest language possible, the Bible says because of iniquity the land will vomit out its inhabitants.

The Scriptures that prove this are as follows:

Leviticus 18:24 *“Defile not ye yourselves in any of these things: for in all these the nations are defiled which I cast out before you.”*

Verse 25 *“And the land is defiled: therefore I do visit the iniquity thereof upon it, and the land itself vomiteth out her inhabitants.”*

Verse 26 *“Ye shall therefore keep my statutes and my judgments, and shall not commit any of these abominations; neither any of your own nation, nor any stranger that sojourneth among you.”*

Verse 27 *“For all these abominations have the men of the land done, which were before you, and the land is defiled;”*

The United States now has enacted, by both custom and law, the Ordinances of the Amorites; therefore the nation is defiled before the holy God of Israel and faces His judgment. By promoting homosexuality, America has become like the ancient pagan Amorites and has now come under the judgment of God.

America promotes homosexuality by custom with events such as Gay Pride Day, Gay Awareness Month, June, Gay day at Disney land, Gay Day at sporting events and events like Southern Decadence in New Orleans. There are gay clubs in high school and colleges. The political parties are pandering to the homosexuals for their votes. By custom, homosexuality is woven into the fabric of America.

America is continually making ordinances and laws to advance the homosexual agenda. Sodomites can legally marry now in all 50 states, with Texas and Alabama resisting, while many states recognize civil unions. Homosexuals are now able to adopt children and gain custody of children during a divorce. There are now numerous hate speech laws which are being used to silence opposition to the homosexual agenda. America is a long way down the road to enacting all the Ordinances of the Amorites.

The Bible warns of God judging a nation that walks in these ordinances. When the corporate attitude of a nation is friendly toward homosexuality then at this point the iniquity is full. It is apparent that “the cup” of America’s sin is full. Americans hardly blush anymore at fornication and adultery. The nation kills over one million babies a year with up to 50 million killed since 1963. The legalizing of abortion was an additional Ordinance of the Amorites. Homosexuality is fast becoming a constitutional right. The only ordinance left to fulfill Leviticus 18 is bestiality. This is probably next in line to become an ordinance!

The following is a quote from a proclamation that President Obama-nation made on June 1, 2012, outlining all the Ordinances of the Amorites he created. He is proud of this! And right in God’s face with this. No nation can go this far down this road and not expect judgment. It has to come because God is holy. And in the Bible the judgments are decreed on a people who do this.

“Since I took office, my Administration has worked to broaden opportunity, advance equality, and level the playing field for all Homosexual people and communities. We have fought to secure justice for all under the Matthew Sheppard and James Byrd, Jr., Hate Crimes Prevention Act, and we have taken action to end housing discrimination based on sexual orientation and gender identity. We expanded hospital visitation rights for homosexual patients and their loved ones, and under the Affordable Care Act, we ensured that insurance companies will no longer be able to deny coverage to someone just because they are lesbian, gay, bisexual, or transgender. Because we understand that Homosexual rights are human rights, we continue to engage with the international community in promoting and protecting the rights of Homosexual persons around the world.” Because we repealed “Don’t Ask, Don’t Tell,” gay, lesbian, and bisexual Americans can serve their country openly, honestly, and without fear of losing their jobs because of whom they love. And because we must treat others the way we want to be treated, I personally believe in marriage equality for same-sex couples.” End of quote!

The man who promotes the Ordinances of the Amorites in America is your own leader.

Notice in the next quote from the president's proclamation as he is promoting homosexuality, it ends with "in the year of our Lord".

By using the term "our Lord" he connects the Holy God of Israel with sodomy, and the LORD will have none of it. He will not allow His holy name to be associated with the Ordinances of the Amorites! This action by America demands judgment!

"NOW, THEREFORE, I, BARACK OBAMA, President of the United States of America, by virtue of the authority vested in me by the Constitution and the laws of the United States do hereby proclaim June 2012 as Lesbian, Gay, Bisexual, and Transgender Pride Month. I call upon the people of the United States to eliminate prejudice everywhere it exists, and to celebrate the great diversity of the American people.

IN WITNESS WHEREOF, I have hereunto set my hand this first day of June, in the year of our Lord two thousand twelve.

Jude 1:7 "Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire."

GOD MUST DESTROY AMERICA!
