## THE TRUTH ABOUT THE MURDER OF THE RUSSIAN IMPERIAL FAMILY:

### The Jews Who Murdered Tsar Nicholas II

By Brother Nathanael Kapner

The murder of The Russian Imperial Family on July 17th 1918 was probably the greatest crime in world history second only to Jewry's crucifixion of the Lord Jesus Christ nineteen hundred years before. The family of Tsar Nicholas II, his wife Alexandra, and his daughters, Olga, Tatiana, Maria, Anastasia, and his son and heir, Alexei, were pious Orthodox Christians. They exemplified all that is precious in a family – Christian piety and love for one's neighbor. And they loved nothing more than going to Church.

But world Jewry, despisers of Christian piety and the Christian monarchy both financed and instigated the Bolshevik Revolution and the overthrow of the Tsar, and finally, his death and the murder of his entire family.

From then on the world has witnessed and felt the decline and disintegration of the family - the core of an ethical and cohesive society.

According to British historian Anthony Sutton, it was Wall Street Jewish Banker, Jacob Schiff of Kuhn Loeb Bank, who brought Leon Trotsky – born "Lev Bronstein" – to New York in February of 1916. Trotsky recruited Russian Jews from the immigrant population of the Lower East Side of Manhattan and trained them as armed revolutionaries.

On March 27th 1917, Schiff sent Trotsky and his group of Jewish communists off to Russia to lead a Marxist Revolution with no less than \$20 million dollars in gold, today worth billions.

That same month, the Tsar was forced to abdicate...and along with his family was placed under house arrest in St Petersburg.

In August of 1917, with the Bolsheviks rising to power, the hatred of Trotsky toward the Tsar reached a fevered pitch and the Imperial Family were moved far from the sympathetic sentiments of the Russian people to Tobolsk in Siberia.

In the spring of 1918, the Tsar and his family were taken to Ekaterinburg in the Urals where the Jew Jacob Yurovsky, head of the local Cheka, was given the assignment to imprison, plan, and assassinate the Imperial Family.

Yurovsky brought the Tsar and his family to a former house of a wealthy Jewish merchant named Ipatiev, now made into a prison for his captives.

In prison for over two months, just before midnight on July 17th 1918, the Jew Yurovsky brought the Imperial Family to the basement. They were told that they were going to pose for a group picture. But, the Jewish assassins, Yurovsky, Nikulin, Yermakov, Vaganov, were waiting.

Yurovsky then pulled out his revolver and aimed it directly at the Tsar's head and fired. Tsar Nicholas II died instantly. Next, he shot Tsarina Alexandra as she made the sign of the Cross. Olga, Tatiana, Maria, and Anastasia, were shot next.

As the room became silent there was a low groan. Alexei, the heir to the Tsardom of Russia was still alive. The Jew Yurovsky stepped up and fired two shots into the boy's ear. All the members of the Tsar's family were lying on the floor with many wounds in their bodies. The blood was running in streams.

The Bolshevik Jews, financed by Jewish Wall Street, achieved their aim: the Imperial family, the Tsardom, and the Romanov dynasty were exterminated.

But their dream has failed.

Today, a new leader has arisen in Russia, whom World Jewry fears. His name is Vladimir Putin, a devout Orthodox Christian who is building a new Christian society – a “Holy Russia” – for his beloved nation. And he sees himself in the tradition of Tsar Nicholas II. Indeed, a great Christian revival is taking place in Russia under Vladimir Putin. Already, a plan is underway to build 200 new Churches in Moscow under his leadership.

Come join me in the Orthodox Christian quest for a renewed society, a renewed hope, and a renewed vision to save the world from a complete and total Judaic takeover. May the holy deaths of the Russian Imperial Family be vindicated!

Yes, we’ve been lied to

It is remarkable how, as I read not only this article but all of the historical articles that are so graciously composed and posted for us, the propaganda that was force-fed to us during our grammar school-college years and it being regurgitated in my mind.

I remember my sixth grade history teacher explaining to us how the Russian Tsars ruled with absolute tyranny, reveling in their luxurious splendor while the overwhelming majority of Russians were poor, uneducated “serfs” that were no better than slaves to the nobility. Their plight was compared to the African slaves kept in the United States before the war was fought to “free” them.

There was no mention of Russian Orthodoxy or Christianity for that matter. But I will always remember, as I can never forget even one instant, feeling that nagging tug somewhere in my guts that the story I was being told was not the truth. I will always have the image of not only her eyes, but all those who taught lies, when I spoke from my heart and questioned what was given to me as truth.

## Czar Nicholas II and the End of History

## Czar Nicholas II and the End Of History The Jews Murdered the Russian Royal Family

THE JEWS MURDERED Czar Nicholas II and the Russian Imperial, Romanov Family.

One might call this atrocity executed by the Jews the “death of the family,” that is, the end of the core of society from which mutual care, obligation, and civic responsibility emanate.

There is a prophecy by Paul that the Orthodox Church interprets as being how the door opens for the coming of the Antichrist:

For the mystery of lawlessness doth already work: only there is one that restraineth now, until he is taken out of the way. And then shall he be revealed the lawless one.

This is to be interpreted by perceiving that the Roman Empire, as continued through Byzantium and sustained by the Russian Empire, would lose its restraining power and give free reign to Antichrist forces of which global Jewry is the primary agent.

“For many deceivers are entered into the world, who confess not that Jesus Christ is come in the flesh. This is a deceiver and an antichrist.”

This is to be understood that after the Jews blinded themselves to the obvious Incarnation of the Son of God resulting in crucifying Him, they entered into the world propagating the deception that societies are better off trampling on the remedial salt of the Gospel.

It was due to this Jewish threat that the Byzantine Emperors codified into laws prohibiting Jews from holding civil office and placing limits on their financial influence.

Lamentably, Napoleon, in seeking Jewish funding for his military campaigns, granted civil liberties to the Jews with the result that most of Europe followed suit and subsequently the entire continent fell into decay.

CHRISTENDOM BREATHED one last gasp with its colonizing efforts in America.

The Founding Fathers were overwhelmingly Christian. Even the few that were Masons and Deists still adhered to a Christian worldview and a shared classic Christian education. (Of the 56 figures that signed the Declaration of Independence, only 9 were Freemasons.)

The “family” remained the cornerstone of society, the foundation of religious activity, and the rock upon which a Christian political bloc rendered salutary civic influence.

All of that changed in 1918, when through Jewish funding of the Bolshevik Revolution, the death of the family occurred.

In the spring of 1918, Czar Nicholas II, his wife, and children, were taken to Ekaterinburg in the Urals where the Jew Jacob Yurovsky,

head of the local Cheka, was given the assignment to imprison and assassinate the Imperial Family.

Just before midnight on July 17th 1918, Yurovsky brought the Imperial Family to the basement. They were told that they were going to pose for a group picture. But, the Jewish assassins, Yurovsky, Nikulin, Yermakov, Vaganov, were waiting.

Yurovsky then pulled out his revolver and aimed it directly at the Czar's head and fired. He died instantly. Next, he shot Czarina Alexandra as she made the sign of the Cross. Olga, Tatiana, Maria, and Anastasia, were shot next.

As the room became silent there was a low groan. Alexei, the heir to the Czardom of Russia was still alive. The Jew Yurovsky stepped up and fired two shots into the boy's ear. His blood and the entire family's are now on the head of those who identify as "Jews."

The death of the Christian family was accomplished by the Jews and the end of history was ushered in.

WW3 draws nigh. When Jewry attains to global rule, history reaches its final chapter.
