

WAGES TEN TIMES

LABAN THE SYRIAN AND HIS 20 YEAR RULE OVER JACOB

The UN and its gentile nations rule over the land of Israel is about to end!

By Pastor Del Wray

GENTILE RULE OVER ISRAEL TO SOON END!

We are very near the end of the Gentiles ruling over Jacob's people or changing his "wages ten times" (Gen. 31:41) throughout the years of their dealings with each other. Beginning with:

- 1) Titus a Roman general destroyed Jerusalem in A.D. 70, killing up to 500 Jews a day. [The Fall of Jerusalem in 70 A.D.](#)
- 2) Hadrian Emperor of Rome had Jerusalem rebuilt for the glory of Rome and in A.D. 135, reneging on a promise to allow them to rebuild their temple and instead began selling and slaughtering them, forbidding Sabbath and synagogue meetings, circumcision, and Torah study. - 3) Canute King of England had Jews slaughtered and in 1020 banished all Jews from England. [The Frown of England](#)
- 4) Rome's "Holy Crusades" beginning in 1096 with the wholesale massacre of all Jews who refused "Christian" baptism and their expulsion from Europe. [THE CRUSADES TO THE HOLY LAND](#)
- 5) Phillip IV of France ordered the expulsion of all Jews from the country and in 1306 he deported 100,000 Jews and stole their property. [Expulsion of Jews from France in 1306](#)
- 6) Spain's Inquisition of 1492, with Ferdinand and Isabella using Torquemada a Spanish Dominican friar as Grand Inquisitor to torture, burn, and banish all Jews from Spain. [The Spanish Expulsion 1492](#)
- 7) Russian "pogroms" are official persecutions and massacres of Jews, minorities (Russian government adopted a systematic policy of discrimination with the object of removing the Jews from their society.) killing tens of thousands of Jews between 1881–1884, then again between 1918–1920 after the Bolshevik Revolution. - 8) Germany's holocaust of WWII, killing six million of Jacob's sons. [Decalogue of Inconvenient Facts about the Holocaust](#)
- 9) The 1948 attack by five Arab nations on the fledgling state of Israel. [A Brief History of the Arab-Israeli Conflict](#)

10) The Great Tribulation and its horror when the Syrian returns as the Antichrist to fulfill “**the time of Jacob’s trouble**” (Jer. 30:7), when a conservative number of over 24 million Jews will be slaughtered. [Chronology of end time events and the time of Jacob's trouble](#)

It is then that the Lord Himself will step in and force the Gentile nations to bow and recognize not only the Jewish nation, but their Jewish King, the Lord Jesus Christ.

“And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God.” (Rev. 21:3)

We have entered the closing days of this gentile dispensation when God ceases to deal with the Church by calling it out and restores His relationship with Israel.

A correct study of the book of Daniel indicates that there remains a week of years (seven years) for God to deal with Israel. Daniel's vision of seventy weeks of years was given to him while studying Jeremiah which talks about a time called "Jacob's trouble" (Jacob is Israel). The prophecy says the Messiah would be cut off after sixty-nine weeks of years, which was fulfilled exactly at the time of the death of Jesus. The Church age was inserted until the times of the gentiles are fulfilled and then God will again deal with Israel for the final fulfillment of the prophecy for the last week of years. This week is the time of **Jacob's trouble** also known by Christians as the tribulation.

WAGES REVERSED ON THE UN AND GENTILE NATIONS!

As to their total destruction!
