

WHY NATIONS DIE?

WHY AMERICA WILL DIE?

“Yet they hearkened not unto me, nor inclined their ear, but hardened their neck: they did worse than their fathers. Therefore, thou shalt speak all these words unto them, but they will not hearken to thee: thou shalt also call unto them, but they will not answer thee. But thou shalt say unto them, this is a nation that obeyeth not the voice of the LORD their God, nor receiveth correction: truth is perished, and is cut off from their mouth.” Jer. 7:26-28

“And this shall be the plague wherewith the LORD will smite all the people that have fought against Jerusalem; their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes, and their tongue shall consume away in their mouth.

Zech. 14:12

By Pastor Del Wray

Make no mistake about it! This is a “Nuclear Bomb” spoken of here in Zechariah that will literally destroy America. It well could be a Thermonuclear Electromagnetic Pulse Bomb destroying all communications. Hydrogen and Neutron Bombs are so powerful; soldiers are terrified at the very sight of one. We best prepare for a catastrophe! Our leaders are selling us out and our blatant rebellion, morally wallowing in sin, is an attack against God and His Bible. Jesus warned “come out of her” or could I say, cut loose from the things of this world. Sounds like I’m becoming a “Dooms-dayer.” No! Only quoting Scripture! Look it up yourself! Take it up with God whom you claim you believe!

The main thesis of this document is “that the family, with traditional biblical roles for men and women in a life-long monogamous marriage relationship, is the abiding natural foundation for social order, happiness and stability. When that view is abandoned for selfish individualism the society will collapse and die.”

The crux of this article: “I hope to show the main cause of the nation’s troubles is that many men in America have turned from the worship of God and have selfishly distorted their role in the pursuit of wealth and status, giving them an over exaggerated prominence compared to the role of women. In doing so, they have neglected their wives and their children. Some women, following the values of materialism and status set by the men, have revolted against the role of wife and mother for their selfish individual rights, producing dislike, abuse, neglect and rejection of children, who become a hindering responsibility. This over-emphasis on the rights of the individual by men and women has spread the disintegration of society even further. Men have been the chief causal agents in role distortion, but some radical feminists, homosexuals, and proponents of children’s rights are now actually attempting to strike a fatal blow to the family by other selfish role distortions.” This I’ve quoted from Carl Wilson’s book, “Our Dance Has Turned to Death.” Men and Women are exchanging their God-given roles in absolute rebellion

against God, against their own well-being and that of the children. Anarchy can only be the aftermath.

What roles has God established and created for men and women? Look at these roles in context as we are living in a world that is in rebellion towards God. The writer believes that all the character traits, ones generally divided into masculine and feminine traits were originally intended to be human traits. He points out that Jesus, God incarnate, had traits considered both masculine and feminine. It's an excellent point. Think about it: Toughness and authority combined with compassion and tenderness, a carpenter, judge, and king, who loved children, cared for the sick and wept with the mourners. Jesus ruled and He served. Jesus threatened and He loved. This writer believes that as a result of the "fall," God divided the traits and roles in order for man and woman to be dependent upon one another, in order to help them "overcome their selfish individualism."

Because of sin, God temporarily redefined the sex roles for mankind's benefit and for His own glory. The offense today is not because God is identified with maleness but because maleness is identified with God's authority. Sinful men and women do not wish to be submissive to the control of another, God or human Romans 8:7-8. This is the core of the whole matter! Sin expressed as selfish individualism is the great human problem. The essence of sin is the desire to exalt self, to be like God.

Everyone's toes are about to be stepped on, but remember that rejection of God-given roles, the roles found in Scripture, is still rebellion towards God.

Men: Let's begin with men first. Men's responsibility, first and foremost, is service and submission to God, Genesis 2:15-17, Hebrews 12:9. If a man is in the right relationship with God, through Christ alone might I add, John 14:6, 1 John 2:23 then he will, by the grace of God, work toward understanding and fulfilling his role as a man, as a husband and father. He is to lead, work, provide, and protect. He is to be a loving, selfless, and humble servant. But if he abandons God; he loses his moral compass and his self-worth, for it is God who gives direction and God who gives us value and worth. A man who abandons God will end up bowing to another god. More often than not he will turn to worship the person in the mirror, himself. He will come to see himself as the center of the universe, the one to whom all must acquiesce, bow down to and serve. He may also worship and serve money, possessions, status, power, and sexuality. This man needs a new sports car, a younger wife, a gym membership, and the V.P.'s corner office. A man who refuses to serve God and submit to his God-given role is the problem. A man who thinks he is God, a man who worships money, possessions, status, power, or sexuality will certainly not be a good, loving, humble husband, father, or member of society for that matter.

Women: Woman's responsibility, first and foremost, is also to God. But within the roles set by God, they are to be submissive to their husbands as head of the family, Colossians 3:18, 1 Peter 3:1. The woman was created to share in the management of the world and the family, Genesis 1:27-28, Genesis 2:20-24. Her authority and responsibility are predominantly over the home and the children, Proverbs 31:10-31, 1 Tim. 2:15. She is to be respectful, nurturing, encouraging. She is to be a loving, servant. A woman best fulfills her role as wife and mother when in a

relationship with a man who is properly fulfilling his role. But since men have abandoned God and abandoned their proper role, women cannot fulfill the role for which they were intended. How can a woman submit to the leadership of a wicked husband? She is, after all, first and foremost to be submissive to God. And if she cannot rest on the safety and provision and love that her husband provides, her hand, then, is almost forced to fend for herself, to seize the reins, so to speak. She then assumes the role of leader, worker, provider, protector. She loses her moral compass. She abandons her primary role of home and children. And thus she also, just like the fallen man, begins worshipping and serving the same things he does. This woman chooses career over family, becomes as promiscuous as men have “traditionally” been, aborts her offspring because she does not want to be “inconvenienced” and believes she owns her body. She believes she does not need a man; she can do anything a man can do; she can go to a sperm bank if she wants to become pregnant; she does not need to be married to have children. A woman who refuses to serve God and submit to her God-given role is a problem. And a woman who thinks she is god is certainly not a good, loving, humble wife or mother or member of society.

Children: What is the role of children? It’s pretty straightforward, to be obedient to their parents Ephesians 6:1-3. Fathers are not to frustrate or embitter their children Ephesians 6:4, Colossians 3:21. Mothers are called to love their children and be busy at home Titus 2:4-5. And parents are called to discipline and, yes, spank their children Proverbs 13:24, Proverbs 19:18. What happens when men and women violate these commands, or when they show more interest in the procreating part than they do in the parenting part? When father and mother have abandoned God and turn to worship idols, when they have abandoned their proper roles, the children are left to others or themselves. When children spend more time away from home than at home, when they are raised by family members who are not their parents or raised by nannies, daycare, pre-school, television, etc., it means that fathers and mothers have somehow forgotten their roles.

When a mother’s love and care with a father’s loving discipline are lacking, the children are left insecure, unresponsive to authority, and undisciplined. When a mother or father are absent from the nurturing process of raising children the children are severely damaged. Without controlling oversight and adult example, young people develop selfish individualistic, independent, antisocial attitudes and actions. These are reinforced by their peers. Some parents, in rejecting their God-given roles, are modeling rebellion to their children. Tough words but they are probably true for a great many of us, if not the majority of us. “We thereby are mass-producing unstable people for the next generation a bleak future indeed.” “When the family collapses the nation dies.”

When the first institution God created, the FAMILY, collapses so does the nation die? Now let’s switch tracks and see how and why America is dying? History has always shown that God will use a nation’s enemy to punish His rebellious people. Why should He change now? Look at our modern day world and America and see if we see any resemblance?

While Barack Obama is busy gutting the U.S. nuclear arsenal, Russia and China are rapidly preparing for the day when they will nuke the United States. To most Americans, it sounds very strange to hear that Russia and China are concerned about nuclear war. After all, isn’t the Cold War over? Isn’t that what politicians from both major political parties keep telling us? Unfortunately, the truth is that Russia and China both consider the United States to be their

number one geopolitical threat, and both nations have been systematically strengthening and updating their strategic forces. At the end of last month, Russia held a large-scale military drill that involved the launch of four nuclear missiles, and the Chinese government released a major report for the public which included maps showing what would happen to major U.S. cities in the event of a nuclear attack by Chinese submarines. Obama may blindly believe that wishful thinking and unilateral disarmament will keep the United States safe, but Russia and China are taking a much different path. Both of them believe that a military conflict with the United States in the future is quite likely, and they are rapidly preparing for that eventuality.

Do Barack Obama and those in Washington DC think they and NATO can somehow launch hostilities against Russia that won't come home to haunt us? They are likely vastly mistaken though the more we look at it, the more we think that's exactly what the Luciferians' want, World War 3 in America as a way to "ensure" America's death will be the final resting place for liberty as a boot prepares to stomp on the human face of the United States forever.

I'm afraid that what is coming to America is well-deserved. Every nation has a 'cup of iniquity,' and when it is full, well, it is time for it to be destroyed. It is even worse when a country claims that they worship God while engaging in such astronomical rebellion and sin. It should be clear to all of us that America has become an incredibly sinful country. It is engaged in every kind of vile and sinful act imaginable. Even to the extent of passing laws to protect those that commit such evil. And, it promotes this terrible sinfulness to the rest of the world. At the same time, we claim God for ourselves. Our iniquity is full and our blasphemy is great. Our sin cries out to heaven, and God will respond and there is only one possible response. Judgment! "Whatsoever a nation soweth that shall it also reap." Look at the crimes that our leaders are forcing down the throats of the American people. They are more wicked and vile than the people publically flaunting their sin. Take the immigration problem for instance.

It has been reported from various sources that the Obama Administration knew years in advance of the growing problem of immigrant children attempting to enter the United States under the guise of seeking asylum from Central American violence. The administration did nothing about it and was said to be caught off-guard in 2015 as upwards of 100,000 children are expected to cross into the United States.

Now the federal government is secretly moving illegal children and their family members to locations around the country and dumping them without informing local authorities. It is even reported that this administration is considering granting these illegal immigrants refugee status and flying them directly from Central America for release into the United States where they will have little fear of being deported. Obama has signed executive orders illegally changing immigration law to permit illegal aliens less than thirty years of age to stay in the United States and not be deported. Obama has refused to secure the border. Now we are hearing that this administration is considering granting amnesty through executive action to upwards of five million illegal aliens including Muslim killers.

My friends, this is literally the intentional destruction of American culture and values that we are witnessing before our eyes.

America has always been open to immigration and historically it has been a plus for the country's future that is legal immigration. Immigrants have typically been vetted and assimilated into American culture and have contributed to the multi-ethnic nature of the United States. However, currently, these illegal immigrants have no education of American culture, history, or values. They are simply moving their own culture, language, and values onto the North American continent, with Obama's assistance. There are also serious criminal and terrorism concerns as we don't even know who these people are. The wave of humanity is also hurting the economic prospects of other American minorities who need the jobs these immigrants will acquire.

But Obama doesn't care. Why? Because it's all in his grand plan, his plan to destroy the United States as we know it today. He says he doesn't believe in American exceptionalism as most Americans do; however, he must, as he is purposefully attempting to destroy the culture that made this country exceptional over the last two centuries. Besides the successful culture of independence, Obama hates the white nature of America. He is attempting to manage the ethnicity of America and quicken the demise of the white majority. All military personnel are required to take a new training course called "How to make the white the new minority" He is attempting to crowd out the American culture of self-reliance and the rule of law with the culture of gang violence of Central America dependent on the federal government. This is a racist strategy that only Hitler could be proud of.

Progressives hate America. They hate the success it has enjoyed economically, militarily, and culturally. They want what America has without having to work for it; they just want to take it. What better way to destroy America than to turn her into a mirror image of the rest of the world? That is an image of corruption, violence, and conquest.

It is said that those who don't learn from history are doomed to repeat it. While listening to the details about Congress' latest financial deal, along with all the hype regarding the Newtown tragedies, several similarities between ancient Rome and these United States came to mind. I then decided to do a little research into the reasons Rome fell, thinking that the similarities between the gladiator games and our violent entertainment, along with our out-of-touch bureaucrats and Rome's notoriously out-of-touch Senate would take center stage. I was not prepared for what I found. The list of similarities nearly knocked me off of my feet.

The debate about all the issues that lead to the collapse of Rome is still going on and probably will be for some time. The truth is that there were many issues that contributed to the fall of Rome. The ones listed below are the ones that most historians agree with and the ones that bear disturbing similarities to conditions in America today. Read them and weep, or get mad and do something to change the road we're on. Everett Hale once said: "I am only one, but I am one. I cannot do everything, but I can do something. What I can do, I should do and, with the help of God, I will do!"

Here is a list of factors that occur when any great nation dies, Rome, the USA any nation, Taken from Jim Nelson Black's book, "When nations die." Ten (10) reasons a nation dies:

1. Increase in lawlessness

2. Loss of economic discipline
3. Rising bureaucracy
4. Decline in education
5. Weakening of cultural foundations
6. Loss of respect for traditions
7. Increase in materialism
8. Rise in immorality
9. Decay of religious belief
10. Devaluing of human life

The primary reason why a nation dies is that it forgets God.

Lord Macaulay (1800-1859), the English writer and historian, made a similar observation about the fate of democracies. He said that the average age of the world's greatest democratic nations has been 200 years. Each has been through the following sequence:

From bondage to spiritual faith
From faith to great courage
From courage to liberty
From liberty to abundance
From abundance to complacency
From complacency to selfishness
From selfishness to apathy
From apathy to dependency
And from dependency back again into bondage.

(A letter from Lord Macaulay to an American friend, May 23, 1857)

The questions of course that arise are these: Where are we in this progression? How far along are we on the road to decay? Can we escape this fate?

WHAT CAN WE DO?

What is needed more than ever is a rebuilding of the foundations, as the Psalmist said so long ago, "If the foundations be destroyed, what can the righteous do?" Psalm 11:3. The job will not be easy, but it must be done. We need to preserve what is good and resist those radical voices who would take it away from us.

And a big part of this is to learn from history and to avoid the problems we encounter there. As the Spanish philosopher, Santayana reminds us, "Those who ignore history are doomed to repeat its mistakes."

But it is not enough to just recall the lessons of history. We must be willing to act, to take a stand, to make a difference. We cannot sit on the sidelines in a time of danger and threat. It was Dante in his *Inferno* who remarked that "The hottest level in hell is reserved for those who remain neutral in a moral crisis".

We must get involved. It is not enough just to talk about the problem, or to theorize about our current depression. Karl Marx knew the importance of action: "Philosophers have only interpreted the world; the thing is to change it".

But I am just one person, you might protest, what difference can I make? The problems are just too big. But the anthropologist Margaret Mead would have us believe otherwise: "Never doubt that a small group of thoughtful, committed citizens can change the world, indeed, it is the only thing that ever has."

Or as Edmund Burke has written: "Nobody makes a greater mistake than he who did nothing because he could only do a little."

A radical Black Panther activist of the sixties, Eldridge Cleaver, wisely said: "If you are not part of the solution, you are part of the problem." God 2000 years ago put it this way: "You are the salt of the earth; you are the light of the world" Jesus Christ, Matt. 5:13.

So what do we do, as believers? Often people debate as to whether we should seek personal revival or social reformation. The argument is often presented as if it is either or. But can I suggest that it is both and the need of the hour is to both, we must get our own act together, and to seek to be a light in a dark world, to be a preserving salt in a corrupt nation?

Indeed, the bottom line is this: Society is in a mess because the church is in a mess. And the church is in a mess because you and I are in a mess. We need to get back to our first love. We need to stop our trivial pursuits. We need to realize that we are here for a purpose, and the purpose of our existence does not revolve around ourselves, but around Him who gave His very life for all of us. We can do no less for Him.

Thus, we need to get back to basics. And we need to seek forgiveness for losing His program. As we were reminded so long ago: "If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land" 2 Chronicles 7:14.

In the end, we must agree with Toynbee: "Sooner or later, man has always had to decide whether he worships his self or God."

The question now is how will we respond?

NOW BIBLICAL PROOF AMERICA WILL BE DESTROYED:

Did you know America will virtually be destroyed because of her moral corruption against Almighty God? You will be utterly shocked when you read the following biblical passages about America in biblical prophecy. Did you know virtually all ancient faiths had the story of Adam & Eve, The Tower of Babel, The Great Flood, Ten Commandments and more in their sacred writings?

2 Thessalonians 2:11-12 “And for this cause God shall send them “strong delusion,” that they should believe a lie: That they all might be “damned” who “believed not the truth,” but had pleasure in unrighteousness.” This is one of the most shocking verses in the Bible. The average American is so dumbed down with entertainment and their cell phone, he or she has no idea what’s going on around the world and in America. No wonder! America will be easily destroyed in the uncertain days now before you and me.

Almighty God warns you! “And I Will Punish the World for Their Evil” Isaiah 13:11.
“Therefore, I Will Shake the Heavens, and the Earth Shall Remove Out Of Her Place, In the Wrath of the Lord of Hosts” Isaiah 13:13.

If one looks at current world events and especially the moral decay of America, it’s clear we are that generation living in the “End Times.” The bible makes it clear The True Church of God will be removed from the earth and the “Lukewarm Church” will be “left behind” to face the wrath of the antichrist.

Jeremiah 50:12: “Your mother shall be sore confounded; she that bare you shall be ashamed.” The founder of Ancient Babylon was Nimrod. Great Britain is the mother of America and Canada. Confounded means Great Britain will become dry, in disarray as a world power and that certainly has happened with the loss of her seaports and spiritually she’s drying up now.

Jeremiah 50:12: Behold, the “Hindmost” of the nations shall be a wilderness, a dry land, and a desert. This is America, and true enough, she allows Abortion, Satanism, Hatred of Christianity, and our Politicians-Lie-Steal and Cheat us, our Legal & Political System is corrupt and Obama’s “Open Borders” is allowing our enemies to infiltrate and overwhelm us now.

Jeremiah 50:23: How is the hammer to pound of the whole earth cut asunder and broken! How Babylon or America becomes a desolation among the nations. America is the greatest world power the modern world has ever known. The government has technology One Hundred years ahead of your personal computer they’re keeping secret. When the government exposes this frightening technology it will utterly terrify the average human. Our fascist government has created conflicts throughout the world since World War II for the expansion of occult power.

Jeremiah 50:24; “I have laid a snare for thee, and thou art also taken, O Babylon and thou were not aware: thou art found, and also caught because thou hast striven against the Lord. America has allowed False Religions, Idols, and Philosophies to consume it and Almighty God will let our enemies, Islam takes us down not long from now.

Jeremiah 50:29 and 31: “For her America hath been proud against the Lord against the Holy One of Israel. Behold, I am against thee, O thou most proud, said the Lord of hosts: for thy day is come, the time that I will visit thee. America is Proud, Haughty, Insolent, Presumptuous, Arrogant, Stubborn, Rebellious, Independent of God and allowing Satanism into the heart of America. Virtually all of America’s biblical institutions have now been corrupted with a “Lukewarm” theology. Even more shocking is the fact that virtually all of the today’s biblical publishers have altered and or removed Bible verses from the Bible. Almighty God warns! And if any man shall take away from the Words of the Book of this prophecy, God shall take away

his part out of the Book of life, and out of the Holy City, and from the things which are written in this **Book**, Revelation 22:19.

Jeremiah 50:37: “A sword is upon their horses, and upon their chariots, and upon all the mingled people that are in the midst of her,” mingled represents a country that’s a Melting Pot of countless nations. Canada and the U.S. are excellent examples of these verses. Almighty God will use America’s enemies to finally bring her down not long from now.

Jeremiah 51:7: “For it is the land of graven images, and they are mad,” nuts-my reference upon their idols. We are “mad” which means to covet for oneself, glorify oneself; the worship of money, entertainment that includes sports, clothes, gambling, luxuries, parties and other unimportant interests avoiding the truth. I receive hate emails every day from brainwashed human beings who “Refuse Truth!” Our churches don’t want the truth we’d rather continue in our blindness, we love our sin too much.

Jeremiah 51:13: “O thou that dwellest upon many waters.” It’s long been taken for granted America and Canada is what’s pictured here since both countries are a land of countless waters. Ancient Babylon was not surrounded by many waters.

Jeremiah 51:25: “Behold, I am against thee, O destroying mountain, saith the Lord, which destroyest all the earth: and I will stretch out mine hand upon thee, and roll thee down from the rocks, and will make of thee a burnt mountain.” It’s clear here Almighty God will allow Russia, China and Muslim terrorists to bring America down not long from now. America allows Child Porn, Sex with Animals, now legal in America, Child Sacrifice, Homosexuality, and is the “porn” capital of the world. History has recorded the nation that allowed immoral corruption to enter its coffins, that nation was eventually destroyed by its enemies.

Almighty God warns! Zechariah 14:12 “Their flesh shall consume away while they stand upon their feet, and their eyes shall consume, literally melt, in their, socket holes, and their tongue shall consume away in their mouths.” Make no mistake about it! This is a Nuclear Bomb that will literally destroy America.

Jeremiah 51:32: “And that the passages are stopped,” could be a Thermonuclear Electromagnetic Pulse Bomb Destroying All Communications and the reeds they have burned with fire, and the men of war are affrighted.” are stopped, and the reeds they have burned with fire, surface of the planet is destroyed by fire, and the men of war are affrighted. This last passage reveals hydrogen and neutron bombs are so powerful, soldiers are terrified at the sight of it.

Jeremiah 51:33: “For thus saith the Lord of hosts, the God of Israel; the daughter of Babylon is like a threshing-floor, it is time to thresh her: yet a little while, and the time of her harvest, destruction shall come.” This means the daughters of Babylon will be punished and this could include Great Britain.

Jeremiah 51:36-41:”Therefore thus saith the Lord; Behold, I will plead thy cause, and take vengeance for thee; and I will dry up her sea and make her spring dry. And Babylon shall become heaps, a dwelling place for dragons, astonishment, and a hissing, without an inhabitant.

They shall roar together like lions: they shall yell as lions' whelps. In their heat, I will make their feasts, and I will make them drunken, that they may rejoice and sleep a perpetual sleep, and not wake, saith the Lord. How is Sheshach taken! And how is the praise of the whole earth surprised! How is Babylon become an astonishment among the nations? Revelations 18; Jeremiah 51:42: The Sea is come up upon Babylon: she is covered with the multitude of the waves thereof. This could mean America's enemies, Russia, China and the Muslim nations will approach by sea to overthrow America? Russia's bombers have already flown around America and her submarines constantly cruise near our borders on a constant routine.

Jeremiah 51:53: "Though Babylon should mount up to heaven, and though she should fortify the height of her strength, yet from me shall spoilers come unto her, saith the Lord." Mount up to heaven means she's into space exploration. The height of her strength looks like America's SDI program, Star Wars. America has killer satellites operating around the earth and our fascist government has hidden the truth from you for decades.

Revelation 18, the sudden destruction of modern day Babylon in one hour!
Revelation 18:2 "And he cried mightily with a strong voice, saying Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird." The USA is rapidly evolving into the world's Occult Empire through the deceitful New Age Movement. The Whole Earth Catalog brags; we are as gods and might as well get good at it. So far remotely done power and glory, via government, big business, formal education, "lukewarm" church, has succeeded to the point where gross defects obscure actual gains. In response to this dilemma and to these gains a realm of intimate personal power is developing, power of the individual to conduct his own education, find his own inspiration, shape his own environment, and share his adventures with whoever is interested. In other words, like a black slithering slimy snake, this corrupt theology will consume all facets of society proclaiming, "we are all gods and there is no other!"

Revelation 18:3: For all nations have drunk of the wine of the wrath of her fornication (OCCULT CORRUPTION), and the kings (RULERS) of the earth have committed fornication with her...Worldwide, immorality is coming to its highest level of deceit since prophetic Babylon was birthed. America's government is the largest drug trafficker in the world. America used to have the best medical system in the world and now fatal diseases run wild in this once great nation. GMO's in the food and Fluoride are killing every American by design now. Sexual diseases have exploded in America over the past few decades. The CDC and FDA work in conjunction to destroy common American's.

Revelation 18:3b: ...and the merchants of the earth are waxed rich through the abundance of her delicacies=STRAYNOS meaning luxuries---importing manufactured goods to satisfy the lusts of their people while millions are STARVING WORLDWIDE NOW! Corrupt human beings become ever more corrupt in taking advantage of low salaries in 3rd world nations.

Revelation 18:4: And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. This is a reference to the "Catching Away" of the true saints of Almighty God. Of course, the "LUKEWARM CHURCH" will be "LEFT BEHIND" to face the wrath of the anti-messiah. Revelation 3:10:

Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth. Anti-Christ will tempt the whole world into his evil deception. Those who submit will be sent to the pits of hell when they draw their last breath!

Revelation 18:5-6: For her sins have reached unto heaven, and God hath remembered her iniquities. Reward her even as she rewarded you, and double unto her double according to her works: in the cup which she hath filled fill to her double. Wars are divine judgments thrust upon nations who refuse to repent as instructed by Almighty God.

Revelation 18:7: How much she hath glorified herself and lived deliciously (sinful luxuriously), so much torment and sorrow give her...She is boastful of her riches and luxuries. Occult America flaunts her luxuries before the world and boasts none can bring her down. In essence, America is a fool in the eyes of God and will fall as the historical nations before her who fell into non-belief.

Revelation 18:7: ...for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow. WRONG! America hasn't learned from the mistakes of the past and is now doomed to repeat itself! Almighty God has destroyed every nation in the past who rebelled against Him. America will be the last great nation to fall when Almighty God's terrifying judgment comes upon her in the very near future.

Revelation 18:11 and the merchants of the earth shall weep and mourn over her, for no man buyeth their merchandise anymore. America is the richest nation on planet earth right now. Leading economists are now warning the world's stock market crash could come at any moment. America is over Two Trillion in debt. Nothing is backing up this worthless currency since corrupt Richard Nixon removed America from the gold standard in the 1970's. The world will be terrified when the house of cards comes crashing down not long from now.

Revelation 18:9: The kings of the earth shall bewail her, and lament her when they shall see the smoke of her, America's burning.

Revelation 18:19: Standing afar off for the fear of her torment, saying, alas, alas that great city Babylon, that mighty city! For in one hour is thy judgment come. Standing afar off, literally ocean-going vessels would not venture near because the nuclear destruction of prophetic Babylon, America meant this land would be radioactive and too dangerous to approach.

Revelation 18:4: And the fruits that thy soul lusted after are departed from thee, and all things which were dainty and goodly are departed from thee, and thou shalt find them no more at all. America's riches will be taken from her and she will be destroyed not long from now.

Revelation 18:18: They stood afar off and cried when they saw the smoke of her burning, saying, what city is like unto this great city! We now see it's more than a great city but, a once great country that's now no more!

Revelation 18:22: "...and no craftsmen, of whatsoever craft he be, shall be found any more in thee. America was once known for her tremendous manufacturing capabilities that have all but

come to an end now, and the sound of a millstone shall be heard no more at all in thee. This refers to the manufacturing of goods and services that have come to an end.”

In One Day, plagues shall come to prophetic Babylon! This by no means is a complete list but you can now see America is at the end of her greatness.

What many have long feared is now at hand. America is dying. Tragically, its passing will not result in a slow, agonizing and torturous end. Instead, the whole of humanity will witness the thundering blast as the nation once said to be the world's sole remaining superpower descends into a shattered era of darkness and misery. America will go out with a flash and not a cry, though, indeed, there will be moaning masses of surprised citizens whose minds and senses will be unable to register the horror that has befallen their once great and prosperous country.

Regrettably, the once lustrous but now tarnished and fatally ill nation-state of America has been decadently transformed into an imperial, Orwell-like kingdom ruled over and plundered by capitalist cartel kingpins, secret society conspirators, and a thoroughly corrupt political leadership. The fury of the entire satanic culture will surely be released upon these decadent leaders as America's Three Hundred and fifteen million citizens unleash all their electrically

charged madness upon those whom they hold responsible for the catastrophe. But it will be far too late. The red masquerade party will be over. The cleanup of the staggering mess left behind will be impossible. And it all started with the decline of the family.

Nations most often fall from within, and this fall is usually due to a decline in the moral and spiritual values in the family. **“As families go, so goes a nation.”**

This has been the main premise of thinkers from British historian J. D. Unwin to Russian sociologist Pitirim Sorokin who have studied civilizations that have collapsed. In his book *Our Dance Has Turned to Death*, Carl Wilson identifies the common pattern of family decline in ancient Greece and the Roman Empire. Notice how these **seven stages** parallel what is happening in our nation today.

In the first stage, men ceased to lead their families in worship. Spiritual and moral development became secondary. Their view of God became naturalistic, mathematical, and mechanical.

In the second stage, men selfishly neglected the care of their wives and children to pursue material wealth, political and military power, and cultural development. Material values began to dominate thought, and the man began to exalt his own role as an individual.

The third stage involved a change in men's sexual values. Men who were preoccupied with business or war either neglected their wives sexually or became involved with lower-class women or with homosexuality. Ultimately, a double standard of morality developed.

The fourth stage affected women. The role of women at home and with children lost value and status. Women were neglected and their roles devalued. Soon they revolted to gain access to material wealth and also freedom for sex outside marriage. Women also began to minimize having sex relations to conceive children, and the emphasis became sex for pleasure. Marriage laws were changed to make divorce easy.

In the fifth stage, husbands and wives competed against each other for money, home leadership, and the affection of their children. This resulted in hostility and frustration and possible homosexuality in the children. Many marriages ended in separation and divorce. Many children were unwanted, aborted, abandoned, molested, and undisciplined. The more undisciplined children became, the more social pressure there was not to have children. The breakdown of the home produced anarchy.

In the sixth stage, selfish individualism grew and carried over into society, fragmenting it into smaller and smaller group loyalties. The nation was thus weakened by internal conflict. The decrease in the birthrate produced an older population that had less ability to defend itself and less will to do so, making the nation more vulnerable to its enemies.

Finally, unbelief in God became more complete, parental authority diminished, and ethical and moral principles disappeared, affecting the economy and government. Thus, by internal weakness and fragmentation, the societies came apart. There was no way to save them except by a dictator who arose from within or by barbarians who invaded from without.

Although this is an ancient pattern of decline found in Greece and Rome, it is relevant today. Families are the foundation of a nation. When the family crumbles, the nation falls because nations are built upon family units. They are the true driving social force. A nation will not be strong unless the family is strong. That was true in the ancient world and it is true today.

My pastor would always say, writing on the importance of the family:

“One unforgettable law has been learned through all the disasters and injustices of the last thousand years: If things go well with the family, life is worth living; when the family falters, life falls apart.” “As goes the family so goes the nation.” Seeing we now live in a nation where its leaders are set on destroying the family unit. They’ve legalized “Sam Sex Marriages,” Interracial Marriage, between the black and the white and the union of a dog and a human “Beastiality.” If Jesus tarries, weep my friends!

Marriage and family were the very first covenant relationships established by God with a man. The first wedding took place in the Garden of Eden and started with Adam and culminated when God formed Eve from Adam’s rib and then joined the two and gave them instructions for their roles in marriage.

From the beginning of man’s existence, the family unit has been the most stable and important structure of all time. It not only serves for procreation, but the very structure of the family actually helps to hold nations together. It is the foundation for many of our morals and character. It defines men, women, boys and girls and teaches them values and lessons that will shape the rest of their lives.

Vladimir Lenin: “Destroy the Family, You Destroy the Country” America your leaders have brought you to the brink of destruction. We must rise up and restore this greatest of all institutions.

God ordained the Family back in the Garden of Eden; therefore, Satan has always hated this institution. In pure Satanism, the Family is constantly under attack. Satanists have always fasted and prayed that the Family is destroyed. The New Age Movement has always preached a communal atmosphere rather than the traditional Family. The Clinton Administration has been the most anti-Family in history, doing more to erode this institution than anyone could have ever imagined. From Hillary's book, "It Takes a Village, to raise a child, to Bill's flagrant sexual escapades that have seriously eroded the principle of fidelity within marriage, the Clinton Administration is trying to finally knock the institution of the Family down.

You can thus see how this perception that America has replaced its national Christian foundation with a Satanic one, truly answers the question of “why” we are experiencing these many serious problems in an unprecedented manner. Keep this principle in mind, for it will further enlighten you as you proceed throughout the days we have left.

All societies are founded on principles or rules called mores or norms. Certain activities considered to be outside the boundaries of acceptable behavior are called taboos. Mores and

taboos are shaped by institutions. The major institutions in our culture are Government, Schools, Mass Media, and the Church. Satanism has definitely impacted each of these institutions.

Remember, we are not saying that most Americans are practicing Satanists. What we are saying is that most Americans subscribe to some of the values of Satanism in their personal lives. To drive this point home, perhaps it would be helpful to review the 5 types of people in society.

1. One who is on fire for his religion, attempting to convince others to join him in his persuasion?
2. One who is serious about observing his religious practices and who teaches his children its precepts?
3. One who is mildly serious about his religion, but who solidly believe in those religious moral precepts.
4. One who isn't serious at all about religion but who feels constrained to live according to its general precepts in his public life?
5. One who is an outlaw, caring nothing about the religion of his culture and about living according to its precepts, even in his outward life? This type person generally is put into jail to remove his influence from society.

Individuals whose attitudes are less than on fire but not completely cold about Christianity are now subscribing to some satanic values in the conduct of their personal lives. For some, it may be sex, for another it may be a desire for money or possessions, etc., but most Americans today and most American entertainment media have bought into some of the Satanic values. This is God's perspective.

When you look at American society today from this perspective, you can clearly see why we are suffering from the crimes, perversions, and tragedies which are afflicting us. This situation is now so serious that America is now capable of leading the world into the Satanic New World Order.

Carefully study this list above of the five (5) types of individuals in any society. Can't you see that this list is predicated on predominate religious values of society? In our society, the one who is on fire for his religion is the Born Again Christian and the one who is the outlaw is persecuted and put into jail for crimes like stealing, murder, and so forth.

Yet, a satanically based society turns everything around and upside down. The one who is on fire for his religion is a Satanist, and society reflects his view that anything and everything are permissible. The outlaw is the Born Again Christian, who refuses to participate in this lifestyle. He will be persecuted and thrown into jail. His values will be under constant, overt attack.

This fact is the reason the Kingdom of Antichrist will be so anti-Christian. They will not be able to stand our values, and will persecute and kill Christians wherever they find them. The very fact

that we are seeing erosion finally in the Family is just one more proof that we are truly at the End of the Age. Can Antichrist be far behind?

Are you spiritually ready? Is your family? Are you adequately protecting your loved ones? This is the reason for our churches existence, to enable you to first understand the peril facing you, and then help you develop strategies to warn and protect your loved ones. Once you thoroughly understand, you can also use your knowledge as a means to open the door of discussion with an unsaved person. I have been able to use it many times and have seen people come to Jesus Christ as a result. These perilous times are also a time when we can reach many souls for Jesus Christ, making an eternal difference.

He will instantly forgive you, and fill your heart with the joy of the Holy Spirit. Then, you need to begin a daily walk of prayer, personal Bible Study and witness.

If you have never accepted Jesus Christ as Savior, but have come to realize His reality and the approaching End of the Age, and want to accept His FREE Gift of Eternal Life, you can also do so now, in the privacy of your home. Once you accept Him as Savior, you are spiritually born again and are as assured of Heaven as if you were already there.
