

FIFTY YEARS AS A BAPTIST PREACHER HAS LED TO ONE CONCLUSION

By Pastor Del Wray

That our Bible is true from cover to cover and its prophecies have been and are being fulfilled exactly as for told. Its revelation, of course, is of Jesus Christ, God manifest in flesh. While hidden behind the curtain of time is a more sinister revelation being played out in one great conspiracy made up of many conspiracies that bring all of humanity under the control of one human being? *The Conspiracy of Conspiracies*;

After fifty years of patient study in the Holy Scriptures and of the crisis which faces humanity, I have arrived at a very simple conclusion, all of man kind's problems, trials and calamities come from a conspiracy and all conspiracies are Satanic. In retrospect, this conclusion should surprise no one. I admit that it came as something of a surprise to me. I had never anticipated that my decades of work for the Lord would lead to such an all, encompassing and unchallengeable resolution. This answer had eluded me through the years, not because I was on the wrong track, but because I had not yet consulted the ultimate source of knowledge, the Bible. To trace the maneuverings of the satanic materialist conspiracy, I had deliberately limited myself to materialistic sources, referencing bits and pieces on religion, science, politics, economics, and the biographies of those who were most deeply involved in these associations.

At last, in my search, I decided to turn to the Word of God, the Holy Scriptures and look up many references in the Bible, a task which was greatly simplified through many years of Bible reading, study, prayer and a number of excellent mentors that I had always relied on through the years. I was overwhelmed by its immediacy, by its straightforwardness, and by the applicability of its words to present day happenings. As the months went by with continual research, I was overwhelmed not by a sense of "same ole, same ole" but by an overpowering conviction that very little had changed in the last four thousand years. My first eye-opener was that "God has no secrets from man." It is Satan who must confine his work to stealthy conspiracies to deception, and to promises which will never be kept.

“And the great dragon was thrown down, that ancient serpent, who is called the Devil and Satan, the deceiver of the whole world.” Rev. 12:9

It is for this reason that politicians, of necessity, must become followers of Satan in the rebellion against God. Politicians must deceive the people in order to gain power over them, just as Satan must deceive the whole world if he is to continue his rebellion against God. Satan takes you to the top of the mountain and offers you all the kingdoms of the earth, Martin Luther King proclaimed, "I have been to the top of the mountain," but he never said what he found at the top; the politician offers you free food, free lodging, free medical care; everything will become "free at last!" The politician offers to defend you against your enemies, so that he can deliver you to the ultimate enemy, Satan.

God does not make offers to you in competition with Satan and his politicians. What could God offer you when he has already given you the whole world? What more could He do than to send His Only Begotten Son to save you and to preserve this world for you when it was threatened by Satan? And why would God wish to hide His love for you behind arcane mysteries, occult conspiracies, and obscene practices?

My searching the Bible had given me the answers for which I had been seeking so many years, I realized that I had arrived at the culmination of my life's work. I had eagerly sought out the facts about each of the many conspiracies abounding through the years, and I now was able to define their interlocking plotting into the one world "Conspiracy of Conspiracies." A One World Society with Satan, Antichrist as the One World Dictator. I had traced the names and activities of the principal actors in this satanic tragedy which this world has become engulfed, a world which I describe on our church website "biblerays.com" as "Satan's sphere of influence." This was an over simplification, although I was not aware of it at the time. I have designed our church website under great stress; after a visit from government intruders, having many of my articles or writings removed or blocked from being used on the net, the result of harassment by federal entities. *“As goes the preachers so goes the nation;”* The government's goal being to force me to give up this work of exposing the sins of America's political system. Other members of my family still today continue to undergo harassment because of the federal campaign against me, a growing campaign against all true Bible believers. If Jesus tarries we may be in for even more persecution. Already, two of my close friends refuse to divulge their locations because of similar federal intrusion. I have not been overcome with despair but in this period of my life, it sure seems that Satan had indeed achieved a temporal victory over this world, not a permanent

victory, but a gain which he could defend and which he might consolidate for the short three and one-half years he has left. Surely our Bible warns us that persecution lies ahead for Bible believing preachers as many are being removed from their pulpits even now.

Because of this period in my life the Holy Scriptures has brought many startling revelations of the behind-the-scenes forces which have planned and perpetrated the mass murders of humanity. I have finally, as one writer put it, "uncovered the forces of evil." I was also able to find the sources of the satanic ideology which has been consistently employed to deceive humanity, and to trick them into becoming unwitting tools of the satanic programs, an ideology which we encounter today in various forms, such as Catholicism, Socialism, Humanism, Communism, Department of Education, Free Masonry, Knights of Columbus, Fabianism, Black Power proponents, NAACP, ACLU, CFA, UNICEF, Trilateral Commission, Federal Reserve, the Illuminati with the newest conspiracies being Homeland Security and the Patriotic Act with many other's disguised as benevolent organizations. The One World Conspiracy, a government within a government, the Powers That Be. Antichrist is real, very present in life's activities today and soon to be revealed as the global dictator, but before that happens the Church will be gone.

BLESSEDHOPE!
