

A JEW SPEAKS OUT!

Just getting down to where the rubber meets the road

(A brief summary of Dr. Benjamin Freedman's book **FACTS ARE FACTS**.
Must reading for every concerned Christian.)

By Brig. Gen. Jack Mohr, National Defense Coordinator
Civilian Emergency Defense System

*"And ye shall know the truth, and the truth shall make you free." John
8:32*

Many Christians are utterly confused by what is happening in the world today. Much of this confusion is coming from the pulpits, where many pastors have departed from preaching the "whole counsel of the Word of God," and have been led astray in their seminaries and Bible Schools, to depend on the teachings of men.

There is probably no area where this is more evident than in modern church teaching regarding a people we today call "Jews" and who have been held up to most Christians, as being the "Chosen People of God, the People of the Book."

An honest study of the teachings of Judaism, and especially their holy book The Babylonian Talmud will reveal that they are the most deadly enemies of God, His Christ, and the Christian church. They have advanced far in their plan to destroy Christian civilization and the freedom it has brought to the world, because of their aid from the Christian church.

If Christianity is to survive; if freedom is to be retained, it will only come about when God's true Israel people, the Anglo-Saxon and related people's of the world, the nations we sometimes refer to as Christendom, the true seed of Abraham, wake up to the truth of what is happening and do something to stop it.

This booklet was not written to make you hate the Jews. It was prayerfully prepared, under the direction of the Holy Spirit, to show you the truth. I will not attempt to change your mind about the Jews; that is not my task. I

am a "watchman on the walls of Israel-America." My task is to warn you of dangers we face. What you do with this warning will be between you and God. Some day you will be required to answer for what you learn in this booklet. There will be no excuses then! So if you want the truth - READ ON! If you are afraid to know the truth, stop reading right now, for you are going to be tremendously disturbed!

The historical facts revealed in this booklet provide incontestable proofs that their continued suppression will be harmful to the security of America, the peace of the world, the welfare of humanity, the progress of Civilization and the cause of Jesus Christ and His Coming Kingdom.

Most of the information you read will not come from the author, but from an original source, a Jew, who during his lifetime, spent a personal fortune of over \$2-million to bring these frightening facts to the attention of the American people. This man was not a Jewish American, whose loyalty was to the "bastard state of the Israeli" in Palestine. He was an American Jew, who had been converted to Christianity and who loved Jesus Christ and the United States of America. Laboring under almost unbelievable odds, hated by his own people, vilified by Christians who should have known better, Dr. Benjamin Freedman literally "burned himself out", materially and physically, to warn Christians and this nation of the danger posed by his own people, the Jews.

In October 1954, from his office on Park Avenue, New York City, Dr. Freedman wrote a long letter to Dr. David Goldstein, a Jew who had been converted to Catholicism, but who by his writings and speeches was for all intents and purposes, still a Jew. This letter was printed in a small book titled **FACTS ARE FACTS**. Very few Christians have ever read it. Because of its length, and much repetition, I have picked out the high-points of this unusual book. I ask that as you read, pray that the Holy Spirit will enlighten you to the truth it contains. Then armed with these truths, go out in God's strength, to do battle with those who would destroy everything you say you love as a Christian.

As you read, keep in mind Galatians 4:16 - "Am I to become your enemy, because I tell you the truth?"

After a rather lengthy introduction, in which he explains the purpose of his letter to Dr. Goldstein, Dr. Freedman gets into the meat of his message.

You assuredly subscribe to that sound and sensible sentiment that "it is better to light one candle, than to sit in the darkness." There have been many instances where I have failed over the past thirty years. I still live in hope that one day, one of these candles will burst into flame like a long smoldering spark and start a conflagration that will sweep across this nation like a prairie fire and illuminate vast new horizons for the first time. It has been correctly contended for thousands of years, that in the end, truth will always prevail. We realize that truth in action can prove itself a dynamic force of unlimited power. But Truth has no self-starter. Truth cannot get off dead-center unless a worthy apostle of Truth gives it a little push to overcome inertia. Without that start, Truth will stand still or often "die aborting."

On the other hand, Truth has many times been "blacked out" by repeated contradictory and conflicting untruths, repeated over and over again. World's history supplies many sober testimonies to this truth. This form of Treason to Truth is treachery to mankind.

Many of history's most noted characters have misrepresented Truth to the world. As recently as 1492, the world was misrepresented as being flat, by all the best authorities. When Christopher Columbus demonstrated otherwise, he came in for all sorts of criticism. There have been countless other similar incidents.

Whether these authorities were guilty of ignorance or indifference is beside the point. A duplication of this exists today with respect to the crisis which confronts Christianity. We are living in the "Zero Hour" for the Christian faith. No institution in modern society can long survive if its structure is not erected on the foundation of Truth. The Christian faith began on the solid foundation of its Founder. To survive, it must remain on that foundation. The deterioration, disintegration, and final destruction of Christian faith, will be accelerated in direct ratio to the distortion and misrepresentation which is allowed to become the substitute for Truth. Truth is absolute! It can never be relative! Truth either exists, or it does not! There can be no degrees of Truth! To be half-true, is as incredible as to be half-honest, or half-loyal!

In their attempts to do an "ounce" of good in one direction, many well-intentioned persons have done a "ton" of harm in the other. (He then goes on to mention how Dr. Goldstein had devoted his life to conversion of so-

called Jews.) He continues: For every ounce of good you accomplish through the conversion of a self-styled Jew' (Rev. 2:9) to the Christian faith, you do a ton of harm in another direction.

Regardless of what anyone, anywhere and anytime may say, events of recent years everywhere have established beyond the question of doubt that the Christian faith stands with one foot in the grave and the other on a banana peel, figuratively speaking. (Consider this! Christian polls place the number of "born again" Christians in America at over 45-million; this number grows every day due to the unceasing efforts of evangelical and fundamental groups. This is good. But where is this Christian influence in America? As the number of "born again" people has increased, Christian influence has decreased. Crime, corruption and evil of every type have taken a stranglehold on America. Could it be that these Christians have become "the salt which has lost its savor - its ability to act as salt?" The major property of salt is to hold back corruption. Why have Christians failed in their efforts? Why is the Moral Majority making such little headway against all types of evil? Could it be that they have refused to strike at the root of the problem, because it is a Jewish root? Could it be that many of these Christians are fulfilling the words of Isaiah 29:13 - "...this people draw near me with their mouth, and with their lips do honour me, but they have removed their heart far from me, and their fear towards me is taught by the precept of men.")

The Christian faith stands at the crossroads of its destiny. The Divine and sacred mission of the Christian faith is in jeopardy today to a degree never witnessed before in its 2,000 year history.

If the day ever arrives that Christians can no longer profess their Christian faith, (This time has already come in Communist countries.) as they profess it in the Free World, then it will see the beginning of its last days. It is useless to deny that today the Christian faith is on the defensive throughout the world. This realization staggers the imagination of those of us who understand the situation.

The history of the world for the past several centuries and current events at home and abroad, confirm the existence of a conspiracy to destroy Christian Civilization. The world-wide plot of these diabolical conspirators has been implemented while most Christians have been asleep. The Christian clergy seem to be more ignorant and indifferent to this plot than

other Christians. They seem to bury their heads in the sands of indifference and ignorance like the legendary ostrich. This ignorance and indifference has dealt a severe blow to the Christian faith, from which it may never recover.

Christians need a spiritual Paul Revere to ride across this land, warning that their enemies are closing in on them. (This is what I have been attempting to do.)

WHO ARE THESE ENEMIES?

It is important that we pin-point the enemies who are making war on the Christian faith. The souls of millions of Christians are uneasy about the state of the Christian faith today. The minds of thousands of Christian clergy are troubled about the mysterious pressures from above which often prevent them from exercising sound judgment in this situation. If these forces can be identified and stopped, Christianity will stand on its feet, facing its enemies like the Rock of Gibraltar. But unless something is done soon, the faith of many will begin to crumble. (We already see evidence of this.)

The Christian clergy are primarily, if not solely responsible for the internal forces within the Christian faith, which are fighting against its best interests. We can no longer pussy-foot with the truth, because we find that it hurts someone we know or like.

At this late hour, there is very little time left to mend our fences. "Beating around the bush," will get us nowhere. The courageous alone will endure the present crisis. Both figuratively and literally, there will be live heroes and dead cowards when the dust of this secular conflict settles. The Christian faith is the only anchor to windward, against universal barbarism. The enemies of Christianity have already shown us the savage methods they will adopt if they are victorious.

The confusion of the average Christian comes from the action of the clergy. Confusion creates doubt! Doubt brings loss of confidence! Loss of confidence brings loss of interest!

There need be no confusion in the minds of Christians concerning the fundamentals of the faith. It would not exist if the clergy were not "aiding

and abetting" their own worst enemies. Many clergymen are their allies, without realizing it, while others have become deliberate "male prostitutes" to their cause.

Countless Christians are today standing on the sidelines of this struggle, watching as their faith "withers on the levee," and their freedom is about to drop into the laps of their enemies like overripe fruit. Their cup becomes more bitter when they realize that it is the ignorance and indifference of their leaders which is causing the problem. (When I first began to see what is happening, I spent several hundred hours of research on the problem. When I thought I had enough information to speak intelligently about it, I went to my pastor, expecting him to at least read the material I had so painstakingly assembled but as he glanced at it and saw that it was not complimentary to the Jews, he threw it into the wastebasket and pronounced me an apostate. When I asked him to look with me in the Bible, his retort was an angry: "I already know what the Bible says." How can you do anything constructive with a man like that.)

When Christians see their leaders in retreat, which can only bring defeat, they are confused and afraid. To stop this surrender, the clergy MUST make an about face immediately and take a stand against the invisible and intangible ideological war which is subversively being waged against the Christian faith.

The utterance by the clergy which confuses Christians the most, is constantly repeated from the pulpit and on the written page, this is that "Jesus was a Jew!" This is not only a misrepresentation, but a distortion of incontestable historic facts. Yet it is uttered by the clergy on the slightest pretext. They utter it without provocation. They appear to be "trigger happy" to utter it! They never miss an opportunity to proclaim it to their congregations.

But informed, intelligent Christians, who know the facts of Scripture and history, cannot reconcile this misinformation with incontestable facts. The only way the clergy can get out of this mess they have brought on themselves, is to resort to "telling the truth, the whole truth, and nothing but the truth." This is the only formula which will allow them to regain the full confidence of their flocks.

Without fear of contradiction based on fact, the most competent, and best

qualified authorities today, will have to admit that Jesus was not a self-styled Jew. During His lifetime, He was known as a JUDEAN, by His contemporaries, HE WAS NEVER CALLED A JEW!!!

When Jesus was crucified, the Roman Governor Pontius Pilate had an inscription placed on the cross. It was written in Latin, IEUS NAZARENOUS REX IUDEORUM. Since Latin was Pilate's mother tongue, he was able to express his ideas in this language. Authorities competent to translate from Latin to English agree that this inscription said: JESUS THE NAZARENE RULER OF THE JUDEANS! Then why have our Bible translators, almost to a man, translated this to read: JESUS THE NAZARENE, KING OF THE JEWS?

There is little doubt that Pilate was being sarcastic when he put this inscription on the cross. He was mocking the Pharisees, whom he hated, knowing that they had denounced Jesus, defamed Him; that He had been denied by the majority of the Judeans and that they had insisted on His crucifixion.

Except for a few of His followers, all Judeans detested His teachings. The Gospel of Matthew 27:25 says that when Pilate washed his hands of the blood of Jesus - "Then answered ALL the people, and said, His blood be on us, and on our children." (Let your pastor argue about that verse.) With the exception of the traitor Judas, none of His disciples were JUDEANS they were all from Nazareth, in the Israel nation. Jesus said of Judas, that he was a "devil", (John 6:70 - compare with John 8:44.)

When Pontius Pilate was governor of Judea, there was no racial, religious, or political group, anywhere in the world which was known as "Jews." (Then follows ten pages of evidence, proving to the most biased mind that Jesus was never called a Jew, since the word was not used in the English language until 1775.) Shakespeare, in his *MERCHANT OF VENICE*, did not use the word "Jew", instead he said: "what is reason? I am an IEWE; hath not an IEWE eyes?" This was the English word for JUDEAN.

In the 4th Century Latin Vulgate translation of the New Testament, Jesus was referred to by the Genitive Plural IUDEAEUS. In the Rheims Douai Version, the word "Jew" does not appear. In the original King James 1611 Version the word JUDEAN, was used. (In John 4:22, where Jesus spoke with the woman at the well of Samaria, the words in the present King

James Version make little or no sense: "for salvation is of the Jews." What intelligent Christian would believe that salvation came through any nation, or religion? We know this is untrue. But in the original 1611 Version of the King James Bible this verse reads: "But salvation cometh out of Judea." This makes sense, for this is where Jesus came from and it was, foretold in prophecy.)

When the word JEW was first introduced into the English language, it's only meaning by implication, inference or innuendo was JUDEAN. But during the 19th and 20th Centuries, a well-organized, well-financed international pressure group of Jews created a "secondary meaning" for the word, among English speaking peoples. This secondary meaning has no more relationship to the word JEW as used in the 18th century, than the original meaning of the word CAMEL, an animal, has to CAMEL, a cigarette; or IVORY, a tusk of an animal, bears to IVORY a type of soap.

The generally accepted secondary meaning of JEW today is made up of four almost universal theories.

- (1) JEW - a person who today believes in a form of religion known as Judaism;
- (2) JEW - a person who claims to belong to a racial group associated with ancient Semites;
- (3) JEW - a person who is directly descended from the patriarch Abraham; and,
- (4) JEW - a person blessed by Divine intentional design with certain superior cultural characteristics denied to other racial, religious and national groups.

The acceptance of this "secondary" meaning is what has confused most Christians. More and more of them are beginning to realize that they have been "brainwashed" into believing such phrases that JESUS WAS A JEW! AND JUDEO-CHRISTIAN, to the point where it now approaches psychosis.

The time has come when our clergy better wake up and tell their people the truth. They may not yet feel the resentment of their people, because of their

untruths, but that time will come and it will be a bitter pill for these so-called "men of God" to swallow.

More and more intelligent, informed Christians, who have been studying the Bible and history for themselves, are challenging the assertion that Jesus was a member of a religious group in Judea who practiced Phariseeism, or Judaism. They also know that the people, who now call themselves JEWS, are not the people of the Book - not the descendants of Abraham.

The resentment of the people at the "lack of guts" in the clergy to tell the truth is deepening. (I predict a day soon, when the clergy will be held accountable by their people, for their treason against God, their race and their country.) As this condition expands, the clergy will find to their sorrow, that "ignorance is not bliss," neither is "wisdom folly."

(As Christians learn how self-styled JEWS have spent millions of dollars to manufacture the "Jewish myth" for Christian consumption and that they have done this both for economic and political advantage, you will see a tremendous explosion against the Jews. Right thinking Jewish leaders are worried about this, since they see it coming. The unfortunate thing is that many of the "little Jews," the ones you and I rub shoulders with in everyday life, the man who owns the corner delicatessen store, most of who know little about what is happening at International level, these are the ones who are always hurt the worst.)

(To say that Christianity and Judaism have the same roots is nothing but outright blasphemy.) Jesus abhorred and denounced the form of religion practiced in Judea in His day. His pet peeve was with the Pharisees, who were the exponents of Judaism. Most Christian ministers learn this during their seminary days, but few ever tell this to their people.

The eminent Jew, Rabbi Louis Finklestein, head of the Jewish Theological Seminary of America, often referred to as "THE VATICAN OF JUDAISM", in the foreword to his First Edition of THE PHARISEES, THE SOCIAL BACKGROUND OF THEIR FAITH, page 21, says: "...Judaism... Phariseeism became Talmudism, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism. But throughout these changes in name the spirit of the ancient Pharisees survives, unaltered. From Palestine to Babylonia; from Babylonia to North Africa, Italy, Spain,

France and Germany; from these to Poland, Russia, and Eastern Europe generally, ancient Phariseeism has wandered... this demonstrates the enduring importance which is attached to Phariseeism as a religious movement.

(These were the same men to whom our Lord said: Matthew 23:15 - "...ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves.")

Rabbi Adolph Moses, states in his book YAHUIISM, AND OTHER DISCOURSES, page 1 -"The term Judaism coined by Josephus (a eminent Jewish historian of the first century A.D.), remained absolutely unknown to them (Jews). It was only in comparatively recent times, after the Jews became familiar with modern Christian literature, that they began to name their religion Judaism." (It was also during this time, that the heresy of Judeo Christianity was coined.)

The religion of Phariseeism practiced in Judea during the time of Jesus was a religious practice based exclusively on the Talmud. (It was not based on Mosaic law as most Christians believe. Our Lord told us this when he criticized the Pharisees in John 5:46, saying to them: "For had ye believed Moses, ye would have believed me; for he wrote of me." The TALMUD today virtually exercises totalitarian control over the lives of every so-called Jew, whether they are aware of it or not. Jewish authorities extend their control far beyond that of spiritual matters.

The role the TALMUD plays in Judaism is officially stated by Rabbi Morris N. Keitzer, the Director of Interreligious Activities of North American Jewish Commission. In an article in LOOK magazine, June 17, 1952, he states: "The TALMUD consists of 63 books of legal, ethical and historical writings of the ancient rabbis. It was edited five centuries after the birth of Jesus. It is a compendium of law and lore. It is the legal code which forms the basis of Jewish religious law and it is the textbook used in the training of rabbis."

WHAT IS THE TALMUD?

In his book HISTORY OF THE TALMUD, Michael Redkinson states on page 70 - "Here is the source from whence Jesus of Nazareth drew the teachings which enabled him to revolutionize the world." (This of course is

an old Jewish trick, to call Jesus a "revolutionary." It leads us to this question - "Do we as Christians know what the TALMUD teaches?" Could this be what Jesus alluded to in Matthew 15:6 when He said - "Thus have ye (the Pharisees) made the commandments of God of none effect by your traditions," and a second witness given in Mark 7:8 - "Howbeit in vain do they (the Pharisees) worship me (God), teaching for doctrines the commandments of men. For laying aside the commandments of God, ye hold to the traditions of men.")

Stimulated by this statement from an eminent Jewish rabbi, every Christian, especially every pastor, should take time to investigate whether this is true. Ask yourself: "What do I know about the TALMUD?"

From the birth of Jesus to the present, there has never been recorded a more vicious, vile and libelous blasphemy against Jesus and Christians, than you will find in the pages of these 63 volumes. The TALMUD reviles Christ and Christians in unbelievably foul, obscene, indecent, lewd and vile language. (Please excuse their use in this article. They are all direct quotes from the TALMUD.)

In 1935, the first International hierarchy of so-called Jews, for the first time in history published an official, unabridged English translation of the whole TALMUD. It was probably done because many of the younger Jews could not read Hebrew, the language in which it was written.

This translation was known as the SONCINO EDITION of the TALMUD and it immediately became a "two-edged sword". For while it taught millions of younger Jews, the teachings of Judaism, it also enabled Christians, for the first time, to learn what the TALMUD actually taught about their Founder and their religion.

(Here Dr. Freedman makes numerous quotes from the TALMUD. I will only give a few and I ask you to pardon the language used. It is not mine, but comes directly from this Jewish book. It is from this veritable "sewer of filth" that so-called Jews are taught and which their leaders have "brainwashed" Christians into believing that the teachings of Christianity come.)

In the Volume SANHEDRIN, 55b - "A maiden three years and a day may be acquired in marriage by coitus (sexual intercourse) and if her deceased husband's brother cohabits with her, she becomes his. The penalty of

adultery may be incurred through her; if she defiles him with whom she has connection, so that he in turn defiles that upon which he lies, as a garment which has been laid upon by a person afflicted with gonorrhoea."

SANHEDRIN 69b - "If a woman sported lewdly with her young son (a minor), and he committed the first stage of cohabitation with her, would this render her unfit for the priesthood?" Rabbi Beth Hillel declares in answer: "the connection by a boy of nine years and a day is a real connection; while that of a boy of less than eight years is not." (While the Levitical law states that a woman who becomes a harlot may not marry into the priesthood, Rabbi Hillel says that if the son was eight or under, he is not yet a man and as a result it does not so disqualify her.)

YEBAMOUTH, 63a - "What is meant by the Scriptural text: 'This is now bone of my bone, and flesh of my flesh?'" (Genesis 2:23) Rabbi Eleazer says: "This teaches that Adam had intercourse with every beast and animal in the Garden of Eden, but found no satisfaction until he cohabited with Eve." (This I believe is enough of this filth, which can be found in thousands of TALMUDIC passages, to give you a general idea of its vileness.)

To the average Christian, the word TALMUD has no meaning, or if it does, it is associated with the Bible of Judaism. (Very few Christians have ever seen the TALMUD, much less read it, because this foul book pronounces a death penalty on any "goyim" (non-Jew) who reads it and any Jew who helps him obtain access to it.) Many Christians seem to think that the TALMUD is some sort of a Jewish spiritual manual.

How many Christians know the significance of the KOL NIDRE (All Vows) prayer, which is recited by so-called Jews on the Day of Atonement? In Volume VIII of the Jewish Encyclopedia, found in the Library of Congress, the New York Public Library and other large libraries, will be found the official translation into English of the KOL NIDRE. It is a prologue to the Day of Atonement services in all synagogues. It is recited three times by the standing congregation in concert with the chanting rabbis at the altar. Here is the official translation: "All vows, obligations, oaths, anathemas, whether called 'konan', 'konas', or by any other name, which we may vow, or swear, or pledge, or whereby we may be bound, from this Day of Atonement unto the next, we do repent. May they be deemed absolved, forgiven, annulled, and void, and made of none effect; they shall not bind us nor have power over us. The vows shall not be reckoned vows;

the obligations shall not be obligations nor the oaths be oaths." (What is the meaning of all this? It simply means that the word, promises, or oath of any so-called Jew is not to be trusted. The Jew who never attends synagogue during the year, always makes it a point to be at this one service, where he is absolved from all promises he makes during the following year. How then can we trust a Jewish Judge or Legislator, to fulfill his oath of office, when we know he has taken this oath?)

In some parts of the world the stupid Christian churches actually "peal their church bells," to help celebrate this holy day of their worst enemies. The present wording of the KOL NIDRE dates from the 11th Century. There was an attempt made a few years ago to repeal this nefarious prayer, but it was voted down by Ashkenazi Jews.

How many Christians know that a large majority of so-called Jews have no connection with lineal descendants from the tribes of Israel or Judah? Not even many ministers know this. At least 90% or more of the people we know as Jews are descendants of a Turco-Mongolian people known as Khazars and are not Semites at all.

What mysterious power has kept this from the Christian world for centuries? The origin of the Khazars and the Khazar Kingdom are historical facts, yet very few students of history know anything about their connections to modern Jewry.

The Khazar Kingdom in southern Russia in the 8th Century A.D. was the largest nation in Europe. It covered an area approximately 1-million miles square and was inhabited for the most part by the Khazar people who were an Asiatic-Mongoloid people. They are classified by modern anthropologists as Turco Finnish. They were a very war-like people who had been driven West ward out of Asia. They were pagans in their religion, which was a combination of phallic and idol worship. The vile forms of sexual excesses indulged in by the Khazars had produced a degree of moral degeneracy which even the Khazar, King, could not stomach. In the 7th Century, King Bulan decided to abolish this immoral religion and make one of the "monotheistic" religions the new State religion. After a historical session with representatives of Christianity, Islam and Judaism, he selected Talmudism as his State religion.

The King invited large numbers of rabbis to come to the kingdom and teach

his people the new religion. After this, no one but a so-called Jew could be king. The ideologies of the TALMUD became the axis of political, Cultural, economic and social attitudes. This change is graphically' described in Volume IV, of the Jewish Encyclopedia.

When King Bulan converted to Judaism, he decreed that the Hebrew alphabet would become the alphabet of the Khazar language. The adoption of the Hebrew alphabet had no racial, political or religious significance. While most of the nations of Western Europe adopted Latin as their alphabet, the Khazar language became known as YIDDISH. For at least six centuries the Jews of Russia, Poland, Lithuania, Rumania and Hungary' referred to their common language as YIDDISH and it is used extensively today throughout the Jewish world. Yiddish is not a German dialect, as many believe, although it did borrow many German words.

The descendants of the Khazars, which make up at least 90% of modern day Judaism, are a product of Talmudism and it may come as a surprise to many' Christians, that they have no connection with Abraham. (When I first began to air this information, an irate Christian woman from Dallas wrote to me and said: "Everyone knows that the Jews are blood descendants of Abraham; the Bible says this and that's that." But the Bible does not say this and when I wrote and asked her if Sammy Davis, Jr., the Black singer was a descendant of Abraham, she got very upset.)

In 1951, when President Truman was presented with a set of the TALMUD, he was quoted by Jewish sources as saying: "the book I read the most is the TALMUD which contains sound reasoning and good philosophy." Yet these were the teachings condemned by our Lord.

WHAT DOES THE TALMUD TEACH REGARDING CHRISTIANITY?

The Rev. I. B. Prantis, Professor of Hebrew at the Imperial Ecclesiastical Academy in old St. Petersburg, Russia, and probably the world's greatest "non-Jewish" authority on the TALMUD, wrote a devastating book titled THE TALMUD UNMASKED - The Secret Rabbinical Teachings Concerning Christians. The Jews used millions of dollars to suppress this book. Here are some of the references Dr. Prantis used, taken directly from the TALMUD:

SANHEDRIN, 67a - "Jesus is referred to as the son of Pandria, a Roman soldier."

KALLAH, 1b (18b) - "Jesus was the illegitimate child of a Jewish prostitute and was conceived during menstruation."

SCHABBATH, 104b - "Jesus is called a fool."

SANHEDRIN, 103 - "This passage suggests that Jesus had corrupt morals."

SANHEDRIN, 107b - "This says that Jesus corrupted, deceived and destroyed Israel."

ZOHAR, 111(282) - "Jesus died like a beast and was buried in a dung heap."

ABODAH ZARAH (6a) - "Jesus promoted the false teaching of worshipping on the first day of the week."

TALMUD TEACHINGS REGARDING CHRISTIANS:

HILKOTH MAAKHALOTH - "Jews must not associate with Christians since they are idol worshipers."

ABHODAH ZARAH (22a) - "Do not associate with Christians since they shed blood."

ORACH CHAIIM (20, a) - "Christians disguise themselves to kill Jews."

ABHODAH ZARAH (15b, 22a) - "This passage suggests that Christians have sexual relations with animals."

KERITHUTH (6b, p.78) - "Jews are called men; Christians are not men."

MAKKOTH (7b) - "A Jew is innocent of murder if he intended to kill a Christian."

MIDRASCH TALPIOTH (225) - "Christians were created to minister to Jews."

SANHEDRIN (74b) - "The sexual intercourse of a Christian is like that of an animal."

ZOHAR (II, Mb) - "Christian birthrate must be diminished materially."
(Could this have anything to do with the fact that in America, most of the doctors running the Abortion Clinics are Jews?)

ROSCH HASCHANACH (I 7a) - "The souls of all non-Jews go to hell."

SCABBATH (I 16a) - "Talmudists agree that Christian books, such as the Bible should be burned."

SANHEDRIN 58b - "To strike a Jew is like slapping God in the face."

CHAGIGAH, 15b - "A Jew is to be considered good, no matter what sins he may commit."

ZOHAR (I, 25b) - "The Jew who does good to a Christian will never rise from the dead."

IORE DEA (148) - "Always hide your hatred of Christians."

BABHA BATHRA (54b) - "Christian property belongs to the first Jew claiming it."

BABHA KAMA (I 13b) - "It is permitted to deceive Christians."

BABHA KAMA (I 13a) - "A Jew may lie in court to condemn a Christian."

ZOHAR (I, 60a) - "Jews must always try and deceive Christians."

HILKKOTH AKUM (X, I) - "Do not save a Christian in danger of death."

SANHEDRIN (59a) - "Even the best of the goyim should be killed."

ZOHAR (II, 43a) - "Extermination of Christians is a necessary sacrifice."

These are but a few of thousands of like references.

When you hear the term "Judeo-Christian" used from the pulpit, what does the speaker mean? Is he referring to ancient Phariseism, to Talmudism or to so-called "Judaism?" In view of the facts which have been presented, how can there be a "Judeo-Christian" anything? It is as unrealistic as to say something is "hot-cold," "wet-dry", "healthy-sick," or "happy-sad." These words are "antonyms," not "synonyms." (A Christian can no more follow Judaism than he can Communism.)

Yet this idea of ours being a "Judeo-Christian" culture has been carried to such extremes, that there are Institutes for the study of Judeo-Christianity in some of our leading Universities. It would make much better Christians out of congregations, if ministers would try and sell "Jesus Christ", rather than a monstrosity called "Judeo-Christianity."

Along with this term, we also find the horrible "trigger word," of "Anti-Semitic". It is nothing but a smear word which makes little sense, since by no stretch of the imagination is the Jews of today, Semites. Yet when any Jew feels that he has been opposed, offended, or exposed for any reason, he immediately trots out the word "anti-Semite." (In some churches, to be an anti-Semite, is worse than being an apostate.) When the Jews in 1946, were unable to disprove Dr. Freedman's allegations regarding their illegal entry into Palestine, they literally spent millions of dollars smearing him as the world's Number One anti-Semite, thereby trying to discredit him in the eyes of the brainwashed public. Until the time when he began to expose Jewry for what it was, he was considered to be a "little saint", but when he disagreed, they did everything within their power to destroy him.) Christian clergy, who use the term "anti-Semite" against those who are trying to expose the evils of International Jewry, should know better. They show their ignorance of the English language by using this word. Today, this Jewish phobia against criticism of any kind has become one of the world's most intolerable forms of persecution.

It should give any Christian in particular, or any decent person for that matter, who sees our nation's morals crumbling, and our standards in the fields of politics, economics and religion crumble, something to think about. The moral standards of any nation are the crucible in which the nation's character is refined and molded. The end product can never be better than the ingredients used.

While America has much for which to be proud, she also has many sources of shame. A correct diagnosis of our nation's rapid disintegration in all walks of life will reveal the cause, which is primarily of an economic nature: (1) Make more money; and, (2) Have more fun. When we look at all the evils which have descended on America, they have an economic root and we can understand what the Apostle Paul meant when he said: "The love of MONEY is the root of ALL evil," (Emphasis added) (1 Timothy 6:10). How many Americans do you know who include in their daily duties, service, sacrifice and prayer in the defense of this nation against its enemies? With very few exceptions, this generation seems to regard everything as secondary to their accountability to unborn generations. (Our thinking is wrapped up in the words of the beer ad: "You only go around once in life; so live with gusto.")

The guidance and control of America has gravitated by default into the hands of those least worthy of trusteeship. One of their most notable achievements has been in the making of "male prostitutes" who do their dirty work for them.

A "male prostitute" is a male who offers the facilities of his anatomy from the neck up, to anyone who is willing to pay the price, exactly as a female prostitute of the same species offers her body from the waist down for an asking price. Thousands of these "pseudo-Christian" "male prostitutes" are circulating in all walks of life, pandering evil propaganda for monetary profit and political power. (Nowhere are they more prevalent than in Christian work. Look at the electronic evangelists for instance, almost to a man they back the Jewish enemies of Christ and the church, even though many know that the so-called Jews are not the people of the Bible. They know that if they tell the truth, they will be cut off the TV airways, so they prostitute themselves for a few million dollars. It reminds me of the story told of the English Bishop who was attending a dress party of English Lords and Ladies. He was approached by a haughty English beauty and in the course of their conversation he said: "Would you go to bed with a stranger for a million pounds?" When she replied in the affirmative he asked: "Would you go to bed with a man for five pounds?" To which she haughtily replied: "Of course not. Do you think that I'm a prostitute?" The prelate replied: "We've already established that, my dear. Now we are negotiating the price.")

The corroding effect of this subtle intrigue is slowly but surely disintegrating the moral fiber of America. This danger to our Christian faith cannot be overestimated. This peril to our nation cannot and must not be underestimated.

The International "crime of all crimes" was committed in Palestine in 1948, almost totally as a result of American interference, at the behest of world Zionists in New York. Today, although we know we have been wrong, we still side with the aggressors. As a result, the Arab world, which once admired us and look to us for guidance, has come to hate us and the foundation has been laid for World War III. *Our government has become a "male prostitute" for world Zionism and the blackest page of American history is now in the writing.* (This crime has been aided and abetted by the ministers of America, who trumpet the falsehood that since the Jews are God's Chosen People, we must back them in all their endeavors. We have completely forgotten the warning of 2 Chronicles 19:2, which clearly states: "Shouldest thou help the ungodly, and love them that hate the Lord; therefore is wrath upon thee from before the Lord?")

So we thank Dr. Benjamin Freedman for his courage and wisdom in bringing us this truth. For those of you who have never read his book **FACTS ARE FACTS**, I would suggest you make every effort to get it. The thoughts from here on are mine.

Today, the blood of American boys is being mingled with that of innocent Lebanese women and children, as they are sacrificed on the altar of world Zionism. It was our clergy who urged this slaughter, as they hammered away day after day, sermon after sermon, ad nauseam, the false theme; "The Jews are God's chosen people and we must support them. The return of the Jews is the major sign of Christ's soon return." I hope and pray that He comes back soon. It will be necessary for the preservation of humanity. But the Jews are not the sign of that return, since they are not the Chosen People and never have been. Christian minister, if you have the courage to read this little book, you have "sowed the wind, now get ready to reap the whirlwind." The Bible tells us of the Law of Harvest, "Be not deceived, God is not mocked; for whatsoever a man sows that shall he also reap," Galatians 6:7. This law is for you, as well as for all mankind. You have spoken a lie to your flock, if you have supported Israel. You may not have realized this, since you too have been "brainwashed" at that prestigious

seminary you attended. But ignorance of truth is not an excuse. Someday soon, you will be held accountable for your poor stewardship before God... now is the time to straighten out your life, before God holds you accountable for it.

Some of you good Christian mothers and fathers will pay too, for although some of you have known better, you would not cause ripples in the pond by telling your pastor that he was wrong. You too will pay, with the blood of that precious son of yours, as you see him sacrificed on the altar of Jewish greed. You will bear the guilt of his death. I hope and pray for your sakes and the sake of America that it never comes, but it is just ahead, we know that, for the Word of the ever-living God has predicted this. "The Lord will cause thee to be smitten before thine enemies: thou shalt go out one way against them, and flee seven ways before them: ...thy carcass shall be meat unto the fowls of the air, and unto the beasts of the field, and no man shall fray (Hebrew "charad", meaning to "shudder, fear, discomfit, quake, tremble") them away." Deuteronomy 28:26. Vs 62 -"And it shall come to pass, that as the Lord rejoiced over you to do you good, and to multiply you; so the Lord will rejoice over you to destroy you, and bring you to nought..." You may say: "Those words were written for Israel!" You are right! But whether you want to accept it or not, you are Israel, if you belong to the Anglo-Saxon and related peoples and these promises are for you. Pray to God that America does not have to go to war, because if we do, we will be whipped again, just as we were in Korea and Vietnam. We cannot win, as long as we refuse to obey the Lord.

Soon, very soon, my Christian friends, you are going to see the hate of the anti-Christ's you have supported, as it is unleashed against Christian America. The signs are already there if you look for them. To whom will you flee for refuge then? There is not going to be a rapture as you have been told, which will spirit you out of the midst of this evil time. Where will you go for refuge?

If Christianity is but the "carbon copy" of Judaism as we have been told, then why would any intelligent person want to change from Judaism to Christianity? You pastors who tell your people that we are a Judeo-Christian culture, why would you have them turn from the Original? This falsehood is a Jewish subterfuge and deep down inside you know this is true. Yet you still speak what you know is a lie, because you do not have the courage to "buck the popular tide." Shame on you! What will you tell

the Almighty, when you stand before his Judgment throne and answer for what you have done to the American people? Some of you have spread the lie that the Christian Church is nothing but the Jewish Church glorified. What a travesty of the truth. The Jews who convert to Christianity do not regard Jesus as a Jew who converted to Christianity, why should you preach this rot? The Christian church was on earth centuries before there were any people called "Jews." Acts 7:38, speaks of the "church in the wilderness," that my friends, was a Christian church. The Apostle Paul in 1 Corinthians 10:1 speaks about Israel passing out of Egypt, into the wilderness, in vs. 3, 4, he says: "And did ALL eat the same SPIRITUAL meat and did ALL drink the same SPIRITUAL drink, for they drank of that SPIRITUAL ROCK, that followed (was to come) them: and THAT ROCK WAS CHRIST JESUS." (Emphasis added.)

These people were not Jews. They were not followers of the religion called Judaism. They were Christians. I realize they were not called Christians until almost 1500 years later, when they were first called by that name at Antioch Acts 11:26. But they were Christians nevertheless. They looked forward to the once-for-all sacrifice of the Lamb of God, Jesus the Christ. We today look back on this sacrifice. But we are all members of the same church and it is and has never been a Jewish church.

It will only be when we purge our churches from this false teaching and eject the Judaizers from our ranks and tell our people the truth that we will be saved from our enemies. The true Judaizers are not those who teach the everlasting truth that the Law still remains, but those who tell you that since you have become a Christian, the Law no longer applies to you. The Judaizers would have you believe that Jesus did away with the Law when He died on Calvary, but our Lord Himself repudiated this falsehood when He said: "I am not come to destroy the law and the prophets; I am come to fulfill," Matthew 5:17. While the writings of the Apostle Paul, if studied carelessly, may give the impression that the Law was done away, he says: Romans 3:31 "Do we make void the law through faith? God forbid, yea we establish the law." Then in 1 John 3:4, the Apostle of Love tells us that "sin is transgression of the law," and then goes on in 2 John 6 to say: "And this is LOVE, that we WALK after His COMMANDMENTS..." (Emphasis added.)

You see, my brainwashed Christian friend, the same man who has fooled you concerning the Jews, has fooled you concerning the Law. The

ordinances and sacrifices were done away at Calvary Christ nailed these to His cross, as the Apostle Paul so ably tells us. When He shed His precious blood on that Roman cross, He did away with the necessity of ALL blood sacrifices for all time. But He may not destroy the Law. Our problems in America, EVERYONE OF THEM, have come about because Americans have refused to obey God's Law. No one has been more guilty of disobedience, than those of us who go by the name of Christian. It's no wonder the wrath of God is falling on our country.

Our problems will end, when we discover who we are and accept our responsibilities before God. When we discover that as God's Servant People, we were put on earth to do His will and bring about His Kingdom on this earth, not in some heaven. When we realize that we are not to be some kind of dictator, as the Jew envisions, but a people who will serve.

If we were to return to God and recognize our responsibilities before Him then we would be restored

(1) To our status as the number one nation;

(2) We would have blessings of many children, instead of an ever decreasing birth rate;

(3) We would have blessings on our food production, which would benefit our people instead of some foreign nation, and,

(4) We would be victorious in battle (See Deuteronomy 28:9).

Then in verse 10, God says: "The Lord shall establish thee, and holy people unto Himself, as he hath sworn unto thee, IF THOU SHALT KEEP THE COMMANDMENTS of the Lord thy God, and walk in His ways. And all people of the earth shall see that thou art called by the name of the Lord; and they shall be afraid of thee." This promise has never been fulfilled in the Jews. It has been fulfilled in the Anglo-Saxon and related peoples of the earth and will be fulfilled again, when we KEEP HIS COMMANDMENTS AND WALK IN HIS WAYS.

But as we have followed the "Judaizers" to brainwash us into accepting the "false Jew" of the "synagogue of Satan", (Rev. 2:9) as the Chosen People; as we have followed their teachings, while

rejecting those of our God, then all the curses of Deuteronomy have fallen on us. They will remain and become worse until we wake up. When will we wake up? Will we wait until God Almighty drives us to our knees and rubs our noses in the dirt? Will we have to see our great cities in ruins? Our women raped? Our sons murdered before we wake up?

To those of you who believe that you will be raptured out of this mess before it gets that bad, let me ask you. Do you believe that teaching strong enough that you will dare tell it to some Christian brother who has been suffering behind the Iron Curtain? I rather doubt it! Do you really somehow or other feel that you are better than those Christians who have suffered down through the ages for our Lord? It seems to me that the Rapture Theory breeds a terrible pride in Christians. In Romans 8:17 we are told: so be that we suffer with Him, that we may be glorified together." Philippians 1:29 "For unto you is given in behalf of Christ, not only to believe on Him, but also TO SUFFER FOR HIS SAKE." (Emphasis added.) Then in Revelation 2:26 "He that OVERCOMETH, and KEEPETH my words unto the end, to him will I give power over the nations." You don't OVERCOME, sitting in some comfortable, air-conditioned spiritual foxhole, waiting for the Lord to come back and rescue you. Overcoming is a front line battle thing. To "overcome" you must hate evil and yes, evil men. David said in Psalm 97:10 "Ye that love the Lord hate evil..." "Oh", but you say, "We hate sin, but love the sinner. And David shouts right back at you in Psalm 139:21 "Do not I hate them, O Lord that hate thee? Am not I grieved with those that rise up against thee? I HATE THEM WITH A PERFECT HATRED, I COUNT THEM MINE ENEMIES." (Emphasis added.)

It will only be when we learn the truth of these verses, that we will be able to make headway against our enemies. I know what some are going to say: "You are trying to encourage hate, when we are supposed to love." I am encouraging hate against evil and evil men who would destroy everything you say you believe in as a Christian. Which side are you on? You are either for Jesus Christ ALL THE WAY, or you are on the enemy's side. You cannot have it both ways. One day you will stand before Him and answer for your choice. What will that answer be? Why not get in on the winning side now! Soon Jesus will come back, not as the "babe of Bethlehem," but as King of

Kings and Lord of Lords, will you be happy or ashamed to face Him then? It's up to you!

Just getting down to where the rubber meets the road
