

A LETTER OF DENUNCIATION

Col. Jack Mohr, scolding and exposing the rich Zionist Jews.

Rabbi Eckstein:

I do not want any more of your perverted Jewish material coming to my address, from now on, all of your material will be thrown away without being opened.

Not all Christians are "dumb goyim", as your letter shows you believe. Some of us KNOW the truth about the so-called HOLOCAUST, and how you Jews, going by your theory: "The gilts the thing!" Have literally stolen billions of dollars from "stupid Gentile sheep." under the false guise that you are still "God's Chosen people" When you have never qualified as such, but have always been those Christ spoke about in (Revelation 2:9; 3:9), "Those who say they are Jews, and are not, but are of the synagogue of Satan".

Now under the guise of helping "poor, downtrodden" Jews escape from persecution in Russia, you have the "chutzpah" to lie to the Christian world again, to get more financial help from those you hate and have determined to destroy.

You claim that in Russia, Communist leaders have openly accused the Jews of bringing about the extinction of the Russian people. This is true, as you well know, and over 60-million of them, mostly Christians, died under Jewish inspired Bolshevism. Most of these were Christians.

You are clever enough to know that the American people, for the most part, are unaware of what's taking place in Russia as the only news

they get is from your Jewish controlled media. But even your clever people slip up once in a while, and truth leaks out. This was the case when William Safire, a Jewish correspondent of note from the New York Times, recently stated:

"Russian Jews have nothing to hide." He then went on in great detail explaining how the richest men in Russia are Jews, such as former Russian Foreign Minister Primakov, whose real name was Finklestein. The media mogul, Vladmir Gasinski, who it is that controls the media empire, greater than that of NBC, CBS, ABC, and CNN is Jewish and one of the richest men on earth. Let these fellows help your people. Safire notes that today in Russia, "Jews are a greatly favored minority, just as they were during the hellion days of Communism under Vladmir Lenin". This letter will go out to many Christian leaders and I will do my best to expose you for the charlatan you are.

For God and Country,
Jack Mohr
