

A MAJOR WARNING TO ALL BELIEVERS!

Things Christians Need To Know About Jews, Judaism and Zionism:

By Col. Gordon "Jack" Mohr, ARMY US RET.

"And ye shall know the truth, and the truth shall make you free." John 8:32

In 1914, at the annual dinner of the American Press Association, John Swinton, the editor of a well-known newspaper, was about to retire. In his retirement speech he said: "There is no such thing as an independent press in America, if we except those of the little country towns. You know this, I know it! Not a man among you dares to utter his honest opinion. Were you to utter it, you know that it would never appear in print. . . I am paid to keep my honest opinion out of the newspaper for which I write. You too are paid for similar services. Were I to permit a single edition on the newspaper for which I write, to contain an honest opinion, my occupation . . . would be gone in less than twenty-four hours. The man who would be foolish enough to write his honest opinion would soon be walking the streets in search of another job. It is the duty of the New York journalist to lie, distort, to destroy, to revile, to toady at the feet of Mammon, and to sell his country, and his race, for his daily bread, or what amounts to the same, for his salary. We are tools and vessels of the rich (International Bankers and their affiliates such as the C.F.R.) behind the scenes. We are marionettes. These men pull the strings and we dance. Our time, our talents, our lives, our capacities are all property of these men - we are intellectual prostitutes."

These words are more true today than when they were spoken over 75 years ago. We do not have a "free press, in America. It is completely "controlled," and we hear exactly what the "masters," want us to hear.

For instance, Americans were never told that our last four big wars, World War I, II, Korea and Vietnam in which we lost 426,629 battlefield dead; 209,792 service related deaths and suffered over 1,131,435 casualties, which today are taxing the Veteran's Hospitals to overflowing, were not fought to defend the security of the United States, since it was never in danger. These wars were all "created" by the Internationalists, not only to line their pockets with unimaginable wealth, but to increase their control over our people and prepare them for their dream of a One World Government. The people of America gained absolutely nothing from these four wars, except death, suffering and an unbelievable debt which we will never be able to pay.

Someone once said: "The duty of historians to society is to seek and disclose the truth, but even more important, to relentlessly pursue the truth."

In 1947, the Rockefeller Foundation made a grant of \$139,000 to the Council on Foreign Relations to prevent a repetition of what was called a "journalistic effort following World War I, to bring the public the truth. "It is a known fact, that the "big boys", who pull the strings of our government, cannot afford to allow the American taxpayer to know the truth.

It is a fact, known to many that the Council on Foreign Relations (CFR) has put the clamps of censorship on any organization who examines too closely, and criticizes too freely, statements relative to America's basic aims in our last four wars. These would become so explosive, if known, as to pose a real danger to our national leaders. (The behind the scene leaders), and would blow the CFR out of power.

People cannot judge wisely unless they are informed, and the controlled media of America for at least the last seventy years, has done a masterful job of "mis-information" to the public. A mis-informed or un-informed public becomes a real danger to our freedom, but is so much easier for the "masters" to control.

As far back as May 29, 1950, the photos of Sen. H. Lehman, International Banker; Justice Felix Frankfurter, U.S. Supreme Court, and Henry Morgenthau, former Secretary of the Treasury (all Jews), who were connected with the Internationalists, appeared on the front page of the Chicago Tribune. They were identified as the "Secret Government of the United States."

It is recognized by those in power that the public does not know what goes on behind the scenes. They know only what they see, and what they hear from the controlled media. It is so much easier for the "masters," this way. Their thoughts are shaped by the printed word and the all-persuasive media of television. The media, which has the skill, talent and knowledge to reach our people with the truth and make a tremendous contribution to our welfare, have for the most part "sold their soul" for the almighty dollar, and in the words of John Swinton, have become "intellectual prostitutes," for the International gangsters who seek to control us.

It has always been the "liberal Democratic imperialist," who have been responsible for getting America involved in war. These men play with human lives, as pawns in a game of international chess. War has become the "bloody sport," of the super-rich, the International schemers who are the only ones who benefit from them. It has always been so!

As Americans are worn out by the daily struggle to make a living; this struggle brought on by the machinations of these same men, they are mesmerized and soothed into a comfortable lethargy by the syrupy sedatives put out by television, radio, the newspapers, and of course Zionist controlled Hollywood.

Because we Americans, for the most part have been seduced by the "opiate of religion," (And yes, Lenin was correct when he said: "Religion is the opiate of the people" - religion, not Christianity). Into the so-called nobility of "total tolerance", we have allowed ourselves to be educated into ignorance. In no areas of American life, is this more visible than among that group who call themselves Judeo-Christian, and who go contrary to the very Word of God Himself, whom they profess to adore." Soudest thou help the ungodly? And love them that hate the Lord? Therefore is wrath upon thee from before the Lord." (2 Chron. 19:2). Not written for Twentieth Century Christians, surely? God must have had someone else in mind when He had those words penned!

It is almost as though the majority of our people accept the axiom: "What you don't know won't be able to hurt you.

The Prophet Jeremiah prophesied of this over 2600 years ago, when he said in (Jer. 5:31) - "A wonderful and horrible thing is committed in the land; the prophets prophesy falsely, and the priests bear rule by their means, and my people love to have it so; and what will ye do in the end thereof?" The Jerusalem translation puts it this way: "monstrous, horrible things are happening in the land. The prophets (pastors) prophesy (preach) falsely, and the priests (politicians) teach what they please. And my people love to have it so but what will they do in the end of it?" Yes, what will we do when the "chickens come home to roost?"

The intellectual stupidity of white Christian Americans has played into the hands of our enemies, until today we stand on the edge of slavery and annihilation as a race.

At one time America was protected by a Great Document which was popularly called the **MONROE DOCTRINE**. This doctrine reflected the sage advice of our first Christian president George Washington, when he warned the American people to "Avoid entangling foreign alliances." The Monroe Doctrine did that for years. It was first enunciated on December 1, 1823 and served us well, until President Theodore Roosevelt first abandoned it in 1906 when he took sides with France and England against Germany at the request of the International bankers who had put him into office.

When Kaiser Wilhelm finally realized how he had been tricked, he demanded that Moroccan ports be kept open to German shipping and since France and Britain were not ready to go to war at that time, they capitulated.

Again, a second time, "Teddy" Roosevelt abandoned the Monroe Doctrine and supported France and England in their aim to encircle Germany. A few years prior to this, the Inter-national Zionists, in a Conference in Switzerland, revealed the fact that they had accumulated a war chest of some \$2-billion for the purpose of destroying Christian Germany. This was a long time before a man named Adolf Hitler came on the scene. The overall plan for world Zionism was to first destroy Christianity in Russia. They accomplished this with their Jew controlled Bolshevik Revolution in 1918. Germany's time was to come later, after further preparation and further Zionist seduction of the Western Christian nations. The destruction of these two great Christian nations in Europe, were in preparation for the Zionists final assault against Canada and the United States, and the setting up of the Zionist One World Government.

The major propaganda attacks against Germany began with Jew controlled attacks in the English press in 1907, when a German Jew named J. Ellis Barker-Ellsbacher, an author and journalist led off the attack.

When Winston Churchill complained that Britain could not safely attack Germany, as long as food and raw materials flowed into Germany, he appealed to Theodore Roosevelt, then President of the United States, who brow beat Congress in 1907A)8 into agreeing to a reciprocal Trade Agreement with every nation in Europe with the exception of Germany.

For the third time in four years, President Roosevelt, abandoned the Monroe Doctrine, to stick his nose into European affairs and pull the "chestnuts out of the fire," for England. Probably no man in American history, was more to blame for setting the foundations which led to a period of American Imperialism, which eventually led us into WWII, Korea, and Vietnam, than "Teddy" Roosevelt.

In 1912, a Machiavellian character named Col. Edward House appeared on the political scene in Washington. His father had emigrated from England and become a banker in America. No one heard of Edward, until this time, when as a paid agent of the Rothschild International banking interests in Europe, he set the machinery into operation for the electing of an American President who would set the ground work for Zionist control over our economic system.

After a secret session with a scholar, but inexperienced politician named Woodrow Wilson, House informed his banker employers that Wilson was safe and was the man to carry out their scheme to control American economics. Then began the battle to nominate Wilson as the Democratic nominee for President. It began with Charles Murphy, and the Democratic delegation from New York. After 45 ballots, the Convention was deadlocked, until Murphy capitulated and swung his support to Wilson, who was nominated on the 46th ballot.

Wilson took advantage of the Jewish passport conflict with Russia. Russian Jews who had emigrated to the United States and became American citizens flocked to his aid, with both money and votes. Many of these Russian Jew immigrants, had returned to Russia, where in 1917-18, they became the nucleus of the leadership in the Bolshevik Revolution which overthrew the Christian government of Russia and issued in years of "terror."

When President Taft refused to accommodate the Jews, he was accosted by the Jewish leader and International Banker Jacob Schiff (who had provided \$20 million for the Russian Revolution) who told Taft: "This means war!: and organized Jewry, such as the B'nai B'rith, swung their weight into the fight to defeat Taft. Teddy Roosevelt helped, by organizing and running on a Third Party ticket, which split the conservative Republican vote and allowed Wilson to become president. (For the whole fascinating, but sordid story, write for my book **THE GREAT CONSPIRACY**).

While Taft was popular with a large majority of American voters, his American First policy had lost him Jewish support and votes and when powerful Jewish leaders such as Bernard Baruch, and Henry Morgenthau swung their support to Wilson, it was enough to get him elected.

It was at this point that International Zionist cunning became apparent. Wilson's first official act was to sign the Federal Reserve Act in December 1913, which had been introduced to Congress by another Jew flunkey. Senator Aldrich, who introduced the bill to the Senate. The Federal Reserve System is not Federal at all but is made up of eight Jewish family banks, which gave the Zionists complete control of America's economy. Remember, it was the head of the Rothschild banking family in Europe, Maurice Rothschild, who once said: "Give me control of the money of a country, and I care not who makes her laws!"

The American First Committee, which was active during World War II and had such illustrious leaders as Col. Charles Lindbergh declared that never again would American boys be sent to die on foreign soil, or that American tax dollars would be used to bail out the International bankers.

But subsequent events proved that the Internationalists power in Washington was stronger than anyone suspected, and with the aid of **TRAITORS** in our Congress, both parties sold out to the control of the Council on Foreign Relations (CFR), the American branch of the One World conspiracy. It was under this control that we fought World War II, Korea and Vietnam; not to protect America; not to stop the spread of communism, but to increase the enormous wealth and power of the International gangsters who now control this country and who are seeking to get us into a One World Government which they will control.

As far back as 1934, knowledgeable men knew that a war was in the planning stages for Europe and that it was to consist of aggression against Germany. Hitler had taken over dictatorial power in Germany in 1933, when he became Chancellor and although his enormous arms build-up was financed by International Jewish bankers (who financed both sides during the conflict), these same Jewish leaders were promoting their long range plans for world conquest, which included the destruction of Christian Germany. That they could make an enormous profit from this destruction, was an added bonus. While both the United States and Canada were objects in this attack, Germany was easier to reach and they already had control over England and France.

By December 1931, the Great Depression had "bottomed out" in America, with millions of Americans unemployed, and thousands of businesses going bankrupt. There was widespread frustration and even hunger among the American people. This created an ideal climate for communist and socialist elements who had been secretly infiltrating our country, who were by this time solidly embedded in our State and Agricultural Departments.

At the end of World War I, following the rather anemic administrations of Calvin Coolidge and Herbert Hoover, the Internationalists looked to a young lawyer they had boosted into the Governorship of New York State, Franklin Delano Roosevelt. He fit their image of a politician they could control, and they were enamored with this statement that the Constitution "belonged in the horse and buggy days." When FDR was elected President in 1932, he immediately ordered Congress to pass legislation which was unconstitutional, and when World War II began, he sent 50 American destroyers to England in complete violation of his Constitutional oath of office.

On August 17, 1941, the Machiavellian plot of the Twentieth Century went into effect, as Roosevelt began to apply planned pressure against the Japanese, which would lead them to an attack against America and lead us into the war. At this time, polls showed that at least 75% of the American people were against fighting a war on foreign soil. FDR in his famous "fireside" chats over the radio, said over and over again: "Oh, I hate war and will never send American boys to die on foreign soil, never! Never! Never! Yet while he made these promises, he was already planning to get us involved. The pressure against Japan, which drove this proud people into the attack on Pearl Harbor, began ten days before December 7, 1941 and cost over 3,000 American lives, initially. It was Roosevelt's order which held up information on this attack, until it was too late for the Army and Naval commanders at Pearl Harbor to plan their defense.

The plan which shoved Japan into war was initiated by Secretary of War Stinson, who had earlier tried to push President Hoover into war with Japan. Stinson's plan was to assure the safety of the financial interests of the Internationalists of England, the United States, and of course, World Zionism, in the Far East.

Today, every November 11th, America celebrates Armed Forces Day, many still ask the question: "Did our sons and husbands really die to preserve American security." Unfortunately the answer is a resounding "**NO!**" Of course it would be much easier to accept this idea, and this is the idea being promoted by the American Legion and the Veteran's of Foreign Wars. Unfortunately, it is not the truth! At no time since the War of 1812, has America's security been threatened by a foreign power. All our wars of this century have been fought for the benefit of the foreign elements that control our government. World War I and II were fought not only to enrich and add to the power of the Internationalists, but to provide a home base for world Jewry in Palestine.

During World War II, Hitler often showed a reluctance to attack England. At Dunkirk, Hitler's orders, contrary to the advice of his senior commanders, allowed 50,000 British troops to escape, when they could have been easily annihilated. There were other incidents as well.

While Germany has been touted in the Jew controlled media as a war mongering people, they have started far fewer wars than either the French or English. (Check your history books for the facts!)

Even Winston Churchill, who did everything possible to get us involved in World War II, admitted in 1936: "America should have minded her own business and stayed out of World War I. If you had not entered that war, the allies would have made peace with Germany in the spring of 1917. Had we made peace then, there would have been no collapse of Russia, followed by communism. There would have been no breakdown in Italy, followed by Fascism and Germany would not have signed the Versailles Treaty, which set the stage for Nazism. If America had stayed out of that war, all the 'isms' now sweeping Europe and breaking down parliamentary government would have ended, and if England had made peace early in 1917, it would have saved over a million British, French, American and other lives."

These were strange words indeed, from the man who in 1915, persuaded President Wilson to allow the steamship Lusitania, to be loaded with ammunition, leak the news to the German High Command, which immediately labeled it as a "ship of war." The German Embassy went to the trouble to take out a lull page ad in the New York Times, warning people from sailing on the Lusitania, since she was now considered a target for German submarines. But our State Department, criticized this news as German propaganda, and when the Lusitania was sunk on May 5, 1915, with the loss of 128 American lives, it was the impetus needed to get us involved in World War I. When the Balfour Declaration was signed in 1917, it gave Palestine into the hands of the International Zionists as a Jewish homeland, breaking Britain's pledged word to the Arabs and putting the Jews in a privileged position in Palestine.

In his book "The Zionist Connection," written by the eminent Jewish statesman and author, Alfred Lilienthal. on p. 737, he quotes the Jewish - American Ambassador to India, Edwin Montague:

"I would willingly disfranchise every Zionist. I would almost be tempted to prescribe the Zionist organizations as illegal and against the national interests . . . I have always recognized the unpopularity much greater than some people think of my community. We Jews.' have obtained a far greater share of this country's (England) goods and opportunities than "we are numerically entitled to. We reach, on the whole maturity earlier and therefore with people of our own age we compete unfairly. Many of us (Jews) have been exclusive in our friendships and intolerable" in our attitude and I can easily understand that many a non-Jew in England wants to get rid of us."

The Balfour Declaration was the beginning of our loss of friendship with the Arab people who had admired us for many years. It has cost the United States hundreds of billions of dollars in defense of the bandit state of the Israeli's.

It is interesting to note that International Jewish interests were in the forefront of the re-arming of Germany under Adolf Hitler and that the British concern of Vickers-Armstrong, Ltd., a large, Jewish owned English arms company, was a financial backer of the early Nazi Party and that its advertisements appeared in Pro-Nazi periodicals before the war began. In 1938-39, according to an article in **FINANCIAL NEWS**: "Most of the free exchange available to Germany came from the purchase of raw

materials which were supplied directly by the British Government." In the 13 days before Britain declared war on Germany on September 1, 1939, they shipped to Germany, 17,000 tons of rubber, 8,000 tons of copper and large quantities of nickel, tin, and lead.

It is also interesting to note, that in the years preceding World War II, Winston Churchill often spoke with admiration of Adolf Hitler. In one instance he said: "Having met Herr Hitler face to face, I found him to be highly competent, cool, well informed, a functionary with an agreeable manner." This is somewhat different from the picture painted by Hollywood, which always shows Hitler as a demented, "megalomaniac."

In an address at Chatham Hall, June 29, 1937, Churchill said: "I think it must be admitted that National Socialism has done a great deal for Germany. It has undoubtedly cleaned up Germany in the ordinary moral sense of the word . . . It has given discipline and order and a sense of purpose to a great majority of the young people who in earlier days did not know where to go or what they were living for." This sounds almost like a description of the United States in 1990.

In May 1935, Hitler sought to limit the use of poison gas, and incendiary and explosive bombs outside a combat zone. He received no response from England or France.

But it was impossible for International Zionism to allow a peaceful, but powerful Germany to exist, so they began their plans, which had first been laid down in 1902, to destroy her.

On June 12, 1939, the Polish Ambassador to the United States, Count Jerzy Potocki sent a dispatch to His Excellency, the Polish Minister of Foreign Affairs in Washington, about conditions in the United States, among things he noted were:

1 - An artificial war panic was being created by the Democrats.

2 - Roosevelt's expressed hatred of Fascism was nothing more than a "smoke screen" behind which he was seeking to divert American opinion from domestic problems, by creating a war panic and rumors of a European crisis.

3- A particular group of people (Jews), Baruch, Governor Lehman, Felix Frankfurter, and Henry Morgenthau (all Jews), and other men highly placed in the American government, had allowed the Zionists to establish a dangerous center in New York City, from which they were disseminating hatred and enmity, attempting to divide the world into two warring camps.

4 - Roosevelt was given the power to create American Foreign policy and begin creating huge reserves of armaments for the future war the Zionists were planning.

While propaganda in America stated that one of the reasons for us going to war with Germany, was Hitler's persecution of the Jews, the Central Union of German Citizens of Jewish Faith stated on March 25, 1933: "All such reports are pure inventions. The Jews of Germany cannot be held responsible for these inexcusable distortions which deserve the severest condemnation. We must take an energetic stand against anyone attempting to criminally influence the shaping of Germany's future through foreign newspapers. If in the United States, and other countries, attempts are made by Jewish and non-Jewish circles to coerce the national government of Germany into a course of action, we, as German Jews, must oppose such blackmail attempts . . ."

It is also interesting to note that the extermination of tens of millions of Russian Christians by the Bolsheviks was never considered reason for the Free World to go to war against Russia. But when English author Douglas Reed, wrote his book **DISGRACE ABOUNDING!**, showing British guilt in World War I, it was turned down by his American publisher. He wrote:

"The real meaning of your decision is that you may slander and libel Germany as much as you like and be paid for it, but you must not discuss the Jewish problem, and must not even admit there is such a problem . . . One publisher, not a Jew, said that anyone who publishes it would court disaster, because 90% of the American media is Jewish, and Jewish influence extends in similar proportion throughout all the trades connected with publishing."

Yet in spite of evidence, piled on evidence, of Jewish control of the media in America, the "brainwashed" hordes of the Judeo-Christian churches still refuse to accept this established fact, and still insist on supporting those who are dedicated to their destruction!

In the December 27, 1945 entry to his diary, Secretary of the Navy Forrestal wrote: "Played golf with Joe Kennedy, (U.S. Ambassador to Britain) He says that Chamberlain stated that America and world Jewry forced England into World War II."

Charles A. Lindberg, in his War Time Journals, stated that it was the Roosevelt Administration's Pro-British and the American Jews, who forced America into that war, a war which we lost, in spite of all historical accounts to the contrary.

As President Wilson, under extreme Zionist pressure, sought an incident to get us involved in World War I, so F.D.R. sought to involve us in World War II, under pressure from these same Internationalists.

Mr. Hamilton Fish, former Congressman from New York, said of the attack on Pearl Harbor:

"The shocking and amazing revelations of former Secretary Henry L. Stinson prove conclusively that charges made by me, and other non-internationalists in Congress, that President Roosevelt and his especially selected cabinet of ardent military interventionists maneuvered us into war against the will of 80% of the American people."

It has always been interesting to me, to note that not one of these "ardent military interventionists," lost their lives in that war, nor were any of them crippled by it. Yet they sent thousands of innocent American youth to die in a politically motivated war which did absolutely nothing to help America. This is a crime for which these men should have to pay, for they are as bad war criminals as any which were tried at Nuremberg.

General George Patton, my Commanding Officer during World War II, once said of this war: "We fought the war of 1776 for independence. We fought the Civil War to free the slaves. We fought the war of 1918 to make the world safe for democracy (or so we were told) and we fought World War II, to lose everything we had gained from those other wars."

The important Jewish owned New York Times, con-firmed the fact that the United States fought World War II to destroy, with vast loss of non-Jewish life, immense property destruction and enormous expense, an ideology whose management had greatly improved the social and economic conditions in both Germany and Europe. But because they recognized International Jewry as the dedicated enemy of world Christianity, they had to be destroyed. This is the reason World War II was fought.

One of the major reasons this war was instigated was given by the powerful International Jew, Samuel Untermyer, who joined with Bernard Baruch in promoting this war against Germany, long before Adolf Hitler came on the scene, or before there was any reported German atrocities against the Jews. He said: "I emphasized that the defeat of Germany and Japan and their elimination from world trade would give Britain (and the Zionist Jews who controlled her) a tremendous opportunity to swell her foreign commerce in both volume and profit." **THE PUBLIC YEARS**, p.347.

Actually, World War II did more to harm Christianity than anything its most virulent enemies could have devised. People, who were in the know, will never forget the unnecessary bombings of Dresden,

Hiroshima, and Nagasaki, which came after both Japan and Germany were defeated and were suing for peace. These were "Jewish revenge" actions, reflecting the best Jewish traditions of their infamous religious book, the Babylonian Talmud. It will take a long time for the German people, and others who saw what happened, to forget the unreasonable hatred of the Swedish-American Jew, Dwight David Eisenhower, for the German people, which was responsible for the deaths of well over a million German soldiers and civilians after the war ended and they were deliberately starved to death on Eisenhower's orders. This is something that our Service Organizations such as the American Legion and the Veteran's of Foreign War do not want to face. Eisenhower, the man who was made a hero by the controlled Jewish press, and then President of the United States, was as heinous a war criminal as any who were tried at Nuremberg, and a lot more liable than most. Yet such was the power of Jewish influence in the United States that he returned from Europe as a popular hero.

Can there be such a thing as a righteous war, when Christians are taught in their churches, by church leaders, to hate Christian brethren on the enemy side? Can this be considered Christian, when these same church leaders support the anti-Christ enemy that caused the war and were responsible for the deaths of tens of thousands of American boys? I think not. These preachers need to take a long, sober look at the words of 2 Chron. 19:2 - ". . . shouldst thou help the ungodly? And love them that hate the Lord; therefore is wrath upon thee from before the Lord."

A few years ago Jerry Falwell, noted fundamentalist television preacher, and then head of the Moral Majority, said: "God has blessed America, because we have been good to the Jews."

This is an obvious, observable lie! An outright falsehood! The time of America's greatest derogation, in every phase of life: militarily; economically; educationally; morally, and spiritually, has come since we recognized that little "bandit" state of the Israelis in 1948. This country can never be blessed when it "helps the ungodly, and loves them that hate the Lord!" It will never be blessed as long as it makes agreements with anti-Christ nations, whether they be Red China, the Soviet Union, the Cannibal Debating Society of the United Nations, or the anti-Christ's in Israel. Think well on this truth, before you approve of another "hand out" to the Israeli.

Our pastors love to quote from 1 John 2:22, 23, which gives the definition of an anti-Christ: "Who is a liar but he that denieth that Jesus is the Christ? He is anti-Christ that denieth the Father and the Son. Whosoever denieth the Son, the same **HATH NOT THE FATHER** . . ." (Emphasis mine); You fundamentalists remember this, the next time your pastor urges you to help these "anti-Christ's."

Then listen to the admonition given to Christians, as to how you **MUST** deal with anti-Christ's of any kind: (2 John 10, 11) "If there come any unto you, and bring not this doctrine, (that Jesus is the Son of God), receive him not into your house, neither bid him God speed (give him no help in any way), for he that biddeth him God speed (gives help) is **PARTAKER IN HIS EVIL DEEDS.**" This seems mighty plain to me! It means, Christian, that if you send financial aid to the Israeli, or even pray for their well being, God will hold you responsible for their murder of innocent Arabs in Palestine, and for their atrocities against a helpless people. Think well on these things and then try and get your pastor to give you a scriptural answer for the sin he commits, when he tells you to help the anti-Christ's!

Any time a Christian gives aid to those who call their Saviour "the illegitimate bastard of a Jewish whore, conceived during menstruation," as the Jews state in their Talmud, they commit treason against their God, against His Son, Jesus the King, and against everything they claim to hold dear and sacred! **THINK ON THIS!!!**

In all the many meetings that Jerry Falwell had with Menachem Begin, both in Israel and when he visited the United States, there is no evidence that Falwell ever talked to this butcher about his soul's salvation, or showed any evidence of wanting to lead him to the truth. This is hypocrisy of our modern church-mon!

Today, the media constantly drums into our ears the story of the "war mongering German Huns." Why do we never hear about the sins of Imperial Britain, or of America? We have plenty of them, believe me! I am

of German heritage on my father's side, and English on my mother's. I am proud of both branches of my family, for they both come from Israel seed, the seed of Jacob-Israel. So I believe it is my duty to "expose" the evils of the British and American side. as much as that of the German's.

There have been no more war-like people in modern history, going back to 1600. than the British. They practically destroyed Irish culture and in one eleven year period. 1641-1652. over 500.000 Irish perished by the sword, famine and disease. In 1840. when Irish tenants could not pay rent on land they owned. the British overlords drove them into the streets to starve.

From 1841 to 1880. because of crop failures and deliberate starvation which had been forced on them by British policy which has killed tens of thousands. over 3-million Irish immigrants came to the United States.

In Scotland. British treatment under William Augustus Cumberland. son of King George II. was as brutal as that of Cromwell against the Irish. Cumberland became known as the "Butcher Duke". because of his ferocity and cruelty against a people who believed differently than he. many of the finest and bravest soldiers in the American Revolution. came from the Scottish emigrants who had fled the brutalities of England.

British treatment of India. under the East Indian Company. owned almost exclusively by Jews. was not only un-Christian. but laid the foundation for the legacy of hatred towards all whites~ which can still be seen in India.

In China. this same East Indian Company was responsible for the expansion of the opium trade and the Opium War was fought to prevent the Chinese from banning opium imports.

In South Africa. the British fought a totally unjust war. for the benefit of international Jewry. and powerful Jews such as Cecil Rhodes. who controlled the diamond mining. In 1795 and again in 1815, British troops invaded the Copeland country and in 1899. British troops invaded the Transvaal, in a war which was cruel beyond description.

No, England's skirts are not clean; neither are those of France, Italy, or Spain. and certainly not those of the United States. Since we broke every treaty we ever made with the American Indian. All of us know the modern terror of communism, which in a little over seventy years. has murdered over 140-million people. many of them Christian.

For over seventy years now, we Americans have been fed a "Jewish media fare" of hatred for Germany; we have been told that only America stands against the advance of Communism, and your own government has siphoned off hundreds of billions of dollars of America's wealth, to protect us, so they say, against this enemy. Yet on at least twelve major occasions since 1918, when this enemy of mankind and Christianity has been on the verge of economic collapse, it has been our government, using our tax dollars. who have put them back on their feet. We have fed them when they were hungry; we have shipped them our finest machinery and given them our finest technology. we have shipped them our emergency food, so that their men could stay in the arms factories, making weapons to destroy us, instead of working on the farms to feed their own people.

This my friends, is the **TREASON** which has come from Washington, D.C. for the past seventy years. regardless of whether Republicans or Democrats have been in power. All are guilty! All should be made

accountable to we the people." The U.S. Constitution defines treason in Article III, Sec. 3, in words which even a fifth grader can understand: "**TREASON** shall consist only of levying war against them (the U.S.); adhering to her enemies; giving them aid and comfort." If what the Bush Administration is doing now is not "giving aid and comfort." to the communists, then I fail to comprehend the meaning of the English language.

Now a little honest research into history and the Bible, will prove to the most stubborn fundamental religious mind, that the promoters and supporters of World Zionism, are not the descendants of Abraham. For the most part, 85% of those we know as Jews today, are of mixed stock, mostly Turco Mongolian by background, whose ancestors never set foot in Palestine.

These pagans were converted to a form of Judaism about 741 A.D. and are adherents, not to Mosaic Law, or the Codified Law God gave to Israel at Mt. Sinai, but of the occult, pornographic teachings of the Babylonian Talmud. Jesus constantly fought against these teachings which He called the "tradition of the elders," (see Matt. 15:6,9; Mark 7:7, 9, 13).

When the well known Jewish author, Oscar Levy was asked: "How much longer **MUST** we (white Christians) be inflicted by your people? How do you propose to get us out of the morass you have led us into?" His answer was:

"You are right! This reproach of yours, which I feel for certain is at the bottom of your anti-Semitism, is only too well justified; upon this common ground I am quite willing to shake hands with you and defend you against any accusation of promoting race hatred . . . We (Jews) have erred, my friend, we have most grievously erred. And if there is any truth in our error, 3,000, 2,000, maybe 100 years ago, there is nothing now but falseness and madness, a madness which will produce even greater misery and wider anarchy. I confess it to you openly and sincerely and with sorrow . . . We who have posed as the saviors of the world . . . We are nothing but the world's seducers, it's destroyers, it's incineraries, it's executioners. . . we who promised to lead you to heaven, have finally succeeded in leading you to a new hell . . . There has been no progress, least of all moral progress . . . and it is just our morality which prohibits all progress, and what is worse - which stands in the way of every future and natural reconstruction in this ruined world of ours. . . I look at this world, and shudder at its ghastliness: I shudder all the more, as I know the spiritual authors of all this ghastliness..." (From Levy's preface to **THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION**, by George Lane-Fox Pitt-Rivers (July 1920).

I could literally quote hundreds of similar references from Jewish authors, concerning their own people and Zionist plans for a One World Government, with its headquarters in Jerusalem. (Our fundamentalist brethren say this is the fulfillment of prophecy, I say it is the fulfillment of the dream of the anti-Christ.)

To understand present Israeli feelings towards the Arabs whose lands they have mis-appropriated, we can quote the words of Menachem Begin, on October 28, 1956, at a Conference in Tel Aviv: "You Israelis (see Rev. 2:9; 3:9), you should never become lenient if you would kill your enemies. You shall have no pity on them until you shall have destroyed all their so-called Arab culture, on the ruins of which we shall build our own civilization."

The mentality behind this hatred can be seen in the statement by one of the Israeli's leading military men: "An Englishman will always be a filthy goy (a Yiddish word meaning: "non4ew animal") who can be killed for this reason alone.

Attempts to discuss Judaism or Zionism cause you to tread on dangerous ground. Have you ever wondered why Judaism and Jews are the only ideologies and people you cannot openly discuss, without running into accusations of anti-Semitism or racial hatred?

You can curse the Catholics, or the Protestants; you may make fun of the Moslems, or the Buddhists, but God help you if you so much as even inquire about the Jews. Truth always seeks the light. This is what

Jesus meant when He said (John 3:19) ". . . men loved darkness rather than light, because their deeds are evil." Vs. 20 goes on to elaborate on this: "For every one that doeth evil hateth the light, neither cometh he to the light, lest his deeds should be reproved (exposed)."

One of the most dangerous of all Jewish organizations is the Anti-Defamation League, of the Jewish Masonic B'nai B'rith. They are for all practical purposes, a powerful secret police organization operating illegally in the United States as an unregistered agent of the Israeli government. They have become so powerful politically in this country, that for all intents and purposes, they have become an official part of the U.S. Justice Department. Congressmen who have had the "guts" to condemn their excesses have been purged from Congress and even powerful politicians, with "leftward leanings", such as former Senator William J. Fulbright of Arkansas, have not been spared. On April 15, 1979, Mr. Fulbright charged on national TV that "Israeli controls 80% of our Congress." That statement ended his political career, as powerful Jewish interests worked together for his defeat.

If you read your daily newspaper with care, you will notice that almost without fail, when there is a report of some anti-Semitic activity, you will find a paragraph where Mr. So and So, of the ADL states that this action came from a dangerous "right wing religious group." The recent rash of letter bombs is a good example. Before any police report was made, before any evidence was available, the ADL was trumpeting that these bombings were by a "racist, anti-Semitic hate group." And the gullible public swallows this hogwash, "hook, line and sinker!"

A few months ago when there was a great furor over a proposed Nazi march through the "bedroom community," of Skokie, Illinois, which is largely Jewish, nothing was said about the fact that the "little Hitler" who was strutting around in his Nazi uniform, stirring up trouble, was a Jew. In fact a paid agent of the ADL. They are great at painting swastikas on the doors of synagogues, and blaming the opposition, and our gullible Christian population takes this abuse without flinching.

The ADL has been responsible for the passage of paramilitary bills in at least sixteen states. This prevents any group from meeting for the purpose of military type training. Yet such is the power of the Zionist lobby in Washington, that the Jewish Defense League, has training camps in many of these same states. and they are allowed to use illegal, fully automatic weapons in their training.

The ADL sends regular reports to the U.S. Justice Department. from their thousands of agents. listing people they consider dangerous to their philosophy. These usually include anyone of the Israel-Identity faith.

I have been honored by being on their 'black list' for years. A few years ago they published a pamphlet which was distributed nation wide. going into many of the churches affiliated with the National Council of Churches. This pamphlet was titled: What the Haters, Bigots. and Anti-Semites are Saying about the ADL. Here is what they said about me:

"Closely associated with the Identity Church Movement. retired Army Lt. Col. Jack Mohr now heads the **CHRISTIAN PATRIOT'S DEFENSE LEAGUE'S** Citizen's Emergency Defense System and lectures around the country on the need of armed citizen's groups for the defense of white Christian civilization. Thought to be involved in paramilitary training since 1979. Mohr conducted work shops on sabotage tactics at the 1984 **ARYAN NATIONS NATIONAL CONGRESS**. although he has more recently cautioned against violations of the law."

This is typical ADL 'twisting of the facts,' to make them say what they want the public to believe. Ask anyone who knows me well, (and I will be happy to give you many references,) and they will tell you that I never traveled around the country organizing para-military groups. I did teach a class at the 1984 **ARYAN NATIONS**, showing how small groups could defend themselves against attacks by a superior force, but this was **NOT A CLASS ON SABOTAGE!**

They then went on to quote from my Quarterly Newsletter: **THE CHRISTIAN PATRIOT CRUSADER**, which by the way is a word for word accurate quote: "Today Washington is saturated with Jewish influence. Their Anti-Defamation League, which is an unregistered agency of the Israeli Government, operating illegally on American soil, has for all intents and purposes become a part of the Federal Justice Department. Their fingers can be found in every effort to downgrade and destroy Christian Patriots. They are the ones who have promoted para-military laws in at least sixteen states in America. . . Today in America, non-Jews, especially Christians, are being slowly but surely reduced to the status of slaves, just as predicted in the Jewish Talmud and their 'so-called fake Protocols.' "I reiterate every statement I made then!

At the present time, a young Republican State Representative in Louisiana, named David Duke, has taken on the present incumbent, Democrat Bennett Johnson, and is running for his Senate seat. The Jews and liberals hate Duke, because he has had the courage to speak up and "tell it like it is!" Something extremely rare in politicians nowadays. So the Jewish element is trying desperately to "head Duke off at the pass." Knowing this, it was of interest to me to note that the five most prolific supporters of Sen. Johnson, to date, have been Lou Wasserman and his cronies from Hollywood, the same unsavory crew that produced the abomination titled **THE LAST TEMPTATION OF CHRIST**. On the basis of this, one would think that the evangelical and fundamental Christians would flock to the Duke standard. But sadly, this is not the case. They have been so "brain-washed" by the pro4ew propaganda which is coming from their pulpits, that they would back Satan himself, if he was pro-Zionist. How very sad! It's sort of like committing "suicide!"

The Jews of today claim to be the "People of the Book," while at the same time they were the inventor of the "strip tease:" They claim to be pioneers of "plutocracy", while being the mainstay of communism. They originated the idea that they were God's Chosen, set aside by God to rule over everyone, while at the same time they are vociferously claiming to oppose all who are "Racist". They are supposed to love God, while they hate His Son, Jesus Christ (read John 14:6) - "No man cometh unto the Father, but by me (Jesus Christ)." Preachers trumpet this while supporting the God-man who said it. They claim to be the most cultivated people on earth, while they promote most of the filth we hear on the radio, or see on television and the movies. Their history is both comic and tragic; fascinating and repulsive. These, my Christian brethren, are the modern Jews, the one's our risen Lord spoke about in Rev. 2:9 and 3:9, when He said: "Those who say they are Jews and are not, but **ARE OF THE SYNAGOGUE OF SATAN.**" (Emphasis mine.)

Must we meekly resign ourselves to a terrible slavery, because our political and religious leaders have meekly been brainwashed into accepting slavery and because they refuse to accept scriptural truth? I think not!

Already the tide of truth is beginning to turn. Men and women by the thousands are leaving the conventional churches because they know they are not being told the truth. These are now seeking Bible truth for themselves, without some "brainwashed" seminary trained preacher, telling them what the Bible means. They are learning the truth of Jesus' words in John 8:32 - "And ye shall know the truth, and the **TRUTH SHALL SET YOU FREE.**"

Why is it, do you suppose that Jewish leaders are so upset with those who are bringing the truth to light? Why are men like Ernst Zundel in Canada, being persecuted by a "Jew scared" government, into an intense persecution of a man who is only trying to tell the Canadian people the truth? If the Jews are in the right, why do they so viciously oppose any attempt to reveal the truth? It would seem to me they would want to be in the forefront of this revelation - if they were telling the truth!

Our Congress has become the "paid prostitute." of the Zionists and I say this with certainty. It is not a "tongue in the cheek statement, but a reality! The liberal New York Times published a detailed press investigation on the methods used by the pro-Israeli lobbies to influence presidential elections in the United States. This study revealed that pro-Israeli organizations, called "Political Action committees," have allocated \$4.2-million to buy the minds and votes of our Senators and Congressmen.

They spend this sum according to a very precise and calculated procedure, so that every dollar they spend is guaranteed to produce a maximum return.

The sum of \$575,000 was handed to members of the Senate Foreign Relations Committee, which backs without reservation, every act of the Israeli government.

It is also paid to new candidates, those who are willing to oppose the few, who do not take orders from the Israeli embassy in Washington.

A total of 189 members of Congress have received contributions from the Israelis; 29 of the Senate and 154 in the House of Representatives. The largest sum, \$147,870.00 was paid to Paul Simon of Illinois, when he ran against Sen. Percy. (Percy was one of the Senators who had roused Zionist ire by being critical of the Israeli government). Another sum of \$140,063.00 was paid to Carl Levin, not because he was a good Jew, but because he was a member of the Congressional Military Committee and was able to siphon more aid to the Israeli.

When Sen. Jesse Helms of North Carolina, provoked the Zionists wrath as a member of the Foreign Affairs Committee, the pro-Israeli lobby paid \$130,350.00 to his rival, James Hart, in an attempt to unseat him.

It is not at all unusual for the Zionist lobby to grant a member of Congress \$100,000, as long as they are willing to back Zionists interests. Other goodies, include all-expense paid trips to Israeli for the Congressmen and their families.

These expenditures are good business for the Zionists, since for their payment of \$4.2-million, they get back much more. As much as \$3-billion per year, plus all the goodies that come from American Jewry and the "brainwashed" Christian world who have been "suckered into support of their enemies."

One thing is crystal clear. That is that while the Israeli are not our 51st state, as some declare. Rather, our Congress is under "occupational control" of the Israeli. In fact "they are the best Congress money can buy!"

As this manuscript goes to press, the U.S. Senate has passed the "Hate Crimes Statistic Act," by a 92-4 margin and is waiting for the House to pass it. This legislation was inspired by the A.D.L. and would require states to submit records to the Federal government, of any crimes motivated by 'prejudice.'

These would not only include serious crimes such as "assault," but minor misdemeanors such as "property damage," "vandalism," and the undefinable offenses of "intimidation," and "thought crimes."

The purpose of the ADL is to fill Federal data banks with information on all persons and organizations who are "prejudiced" against their drive for control, thus alerting law enforcement agencies nationwide on any of these activities. If the ADL had its way, anyone they accuse of "prejudice," would be accused, tried, convicted and imprisoned.

Is there need for such a law? In most cases the Justice Department has a hard time determining if a regular crime has been committed, not to mention putting a "prejudicial label" on it and they would wade into the murky bogs of "motivation," which is supposed to be the field of psychiatry. The psychiatrists can mess this up well enough, without having the law involved.

To further complicate the matter. Who is to decide what "prejudice" is? Will it be the "Gay Rights Groups?" The biased ADL? Will they call Christians prejudiced because we believe the scriptural injunction of Romans 1:28-32, which says that homosexuals are "worthy of death?" Jews accuse Christians of prejudice, because we believe the New Testament account of the Messiah. Blacks accuse us of prejudice is we state that "inter-racial" marriage is wrong. When Christians do something the enemy

does not like, it is always "prejudice". But when they do things to destroy Christianity, it is "justice." Have you noticed in the media, how any Palestinian action against the Israeli is always called "terrorism"; but when the Israeli invade a man's home, kill his family and bulldoze his home, it is called "Jewish justice."

You see, my Christian friend, if you can be accused of "prejudice" because you disagree with what world Zionism is doing, then the "thought police" have the right to probe your inner motivation and you can be hauled off to a psychiatric center for mental evaluation. Shades of Orwell's 1984! It is already here!

In Sweden this idea has already taken such hold, that if you criticize a "queer" in public, you can be thrown in jail. Things have become almost as bad in Canada and are fast approaching this point in the United States.

When Dr. Paul Cameron went to Canada recently to hold a seminar on "homosexuality," his books were confiscated by the Canadian government.

In 1984, when I went to British Columbia to speak for the **CANADIAN LEAGUE OF RIGHTS**, on the subject **THE BRAINWASHING OF CHRISTENDOM**, \$5,000 worth of my tapes and literature were confiscated as "hate literature," because some of it was "anti-Zionist." Now all my tapes, books, and printed literature is on their "verboden" list, although much of it does not mention Jews, Judaism or Zionism. Such is their power in our neighboring country.

What we see happening are laws being passed which expand freedom for the "fringe elements" to legalize their nefarious activities. while clamping down on the Christian elements who are concerned for the welfare of the country. We see the law leaning on the side of the "real racial haters," while those who love God and their country are persecuted!

For the average Jew, all this boils down to: "Us against the hated goyim (non-Jew animal). How can we outwit the goy? How can we eventually control him, while making a profit off his misery. For we know that when our Messiah comes, according to our Talmud, the goy will be our slaves." That is Jewish mentality, taught in their synagogues, and to their youth. The Orthodox Jew still employs the curses of the Talmud against Christians. This includes the belief that "the best of the goy deserves to be killed," (Abodah Zarah 26b).

The "Bitter-sweet" curses of the Jewish Talmud provide a consolation to the Orthodox Jew, for they believe that ultimately they will be avenged on the hated "goy".

The **TOLDOTH JESU**, one of the vilest rabbinical rantings against our Savior, Jesus Christ, is as popular today as it was in medieval times. The **TOLDOTH JESU** claims that "Jesus was a bastard son, of a Jewish prostitute named Mary"; that he performed his miracles through sorcery. It tells the story of the struggle between Jesus and Judas, of how they tore leaves from a holy book, and by holding them under their arms, were able to fly. Judas used two leaves and was able to fly above Jesus, from where he urinated on him, causing him to crash to earth. (Their words, not mine).

It tells how Jesus was crucified on the stalk of a cabbage tree, and His body was thrown into a drainage ditch. I doubt that even the most rabid Nazi elements in this country could come up with a more bitter and hateful treatise.

Orthodox Jewish rabbis in Palestine, constantly exhort Jewish troops to kill Palestinian men, women and children. It has become so sickening, that many Jewish soldiers have deserted the armed forces in disgust.

According to the latest FBI Crime Report, while Jews make up less than 3% of the population in this country, Jewish terrorists are responsible for twice as many violent "hate crimes," as the White Supremists. Yet that is not what you see in the media, or hear on your "boob tube". The message from the media is loud and clear, "Christians hate!" "Jews suffer!" so we must protect them!

Congress is no more capable of defining a "hate crime," than they can define the meaning of "anti-Semitic." But you can bet, that unless concerned Christians take a stand on this "hate" issue, our "bought and paid for" Congress will saddle us with another Zionist program, and the Christian suckers of fundamentalism will swallow it "hook, line and sinker!"

Protest to your House members now, while there is still time to head it off. If it passes, you will give **BIG BROTHER** the authority to probe the minds of Christian Americans and prosecute them before a crime has even been committed. You can make "book," that the psychiatrist who check you out at the government clinic, will be a Jew.

The question really boils down to this. Who do you choose? Jesus the King and His truth, or the Jewish fables which will lead you into slavery.

Listen to Titus 1:10, 11 - "For there are many unruly and vain talkers and deceivers, **SPECIALLY THOSE OF THE CIRCUMCISION** (Jews): whose mouths **MUST** be stopped, who subvert whole houses, teaching things which they ought not, for filthy lucre's (money's) sake."

Vs. 13, 14 tells what you as a Christian should do: ". Wherefore rebuke (expose) them sharply, that they may be sound in the faith: Not giving heed to Jewish fables, and commandments of men, that turn from the truth."

Therefore, brethren: "Am I to become your enemy, because I tell you the truth?" (Gal. 4:16)
