

A PSYCHO STATE

*IS THE CURRENT ADMINISTRATION MENTALLY DERANGED?
HAS THE PRESIDENT LOST HIS MIND?*

“LETTING THE ENEMY IN”

“And he will be a wild man; his hand will be against every man and every man's hand against him, and he shall dwell in the presence of all his brethren.”

Gen. 16:12

“THE HATRED IN THE HUMAN HEART HAS EXPLODED INTO
FULL SCALE LAWLESSNESS.”

By Pastor Del Wray

Never before in the history of America has this nation been in so much danger. Ever since a black man has been elected to the highest office of this land has she been in so much peril. Has America become a Psycho State? America is reaping the consequences of her sin. And God may be using Islam to punish America and other nations for turning their backs on Him. If God is using Islam as His Rod to chasten America, you had better know your Bible. To date, America is deaf, dumb and blind to the truth about this false prophet and child molester Muhammad. Here is some material to help you to learn and live. Muhammad equals “the Praised One”, commonly called Mohammed, the celebrated false prophet of Arabia, who was born at Mecca, A.D. 570. Unlike the Prince of Peace, Mohammed won his influence by the sword and authorized his followers to go to war with the enemies of Islam, Jews, and Christians being reckoned among those enemies. Indeed, his cruelty was notorious; after one battle he beheaded seven hundred men, and sold all the women and children, although he recommended his followers to "protect the weak, the poor, and the women." He died of fever at the age of sixty-three. Eighty years after his death Mohammedanism reigned supreme over Arabia, Syria, Egypt, North Africa, and Spain. Today there are one point four billion Muslims in the world. So wake up America before they destroy you. The Bible is a history Book, not only the history of the past but also history's prophetic future and Mohammed's descendants play a major role in end time events. We are now seeing on stage Islam's part in these closing days of God's dealing with humankind.

Prophetic history is unfolding and in Genesis Chapter 16 we read the story of Abram, Abraham and his adulterous relationship with his wife Sarah's handmaiden Hagar, his wife Sarah unable to bear a child to him pleads he go in unto Hagar and have her bear a child for them. Abram gives in and a child is born unto Hagar, named Ishmael. Afterward Sarah does give birth to Isaac, and it is through Isaac that we have the descendants of the nation of Israel. And it is through Ishmael that we have the Muslim terrorists the world now has to contend with. In a previous article which I posted WARNING what's coming on America, we see God in control of the minds of world leaders and U. S. leaders alike drawing them to the Middle East where He will reveal Himself and magnify His own name. These world leaders are making decisions right now that will bring all nations to His Judgment Throne. Already the President of the United States has opened the doors of our country to its moral enemy and now the doors are being open to our judicial enemy

with whom the world is now at war. Isaac's, half brother, Ishmael is the progenitor of an Arab race of people from where has come the Muslim and the terrorists that are ready to annihilate Israel and America. Our leaders are inviting in Syrian Muslim refugees, immigrants of which many are animalistic killers and terrorists set on destroying our freedom. God having promised as He has done with disobedient civilizations before to use their enemies to punish the wickedness of his people as is about to happen right here in the United States of America. Our leaders are delusional, their minds corrupted by their own hearts. While America's pulpits are silent and Ezekiel's "watchmen" are fleeing over to the enemy. Who will cry out for America, who will sound the alarm? America has thumbed her nose at God too long and because of God's longsuffering she's deceived herself into thinking that God does not exist and will not judge her for her rebellion and sin. Her enemies are now infiltrating our country; God still knocks at the door while the enemy is bent on destroying you. As a country, we are now number one on God's waiting list, get ready America, the innocent are going to die. Your children will fall in the streets. Cry out for America! Morally and now judicially America is done for. Only we Bible people have the answer and that's a return to the God of Abraham, Isaac and Jacob!

We've legalized abortion, the killing of unborn babies, we've legalized same-sex marriage, homosexuality, queers, lesbians, faggots and now they are trying to legalize gender neutral bathrooms. Transgender, men changing to women and women to men, blacks want to be white and white want to be black. Homosexuality has become militant and is rampant across America; your children are being seduced and turned into sodomites, queers, lesbians, faggots, dykes and fairies. Cross dressing is damning our land, men looking like women and women looking like men. Bestiality has been made legal and permissive. Same sex marriages and race mixing is polluting the country from shore to shore. Men with men committing abominable acts with each other even lower still marrying one another has been legalized and next your tax money will support such filth. Abortion has turned our doctors into wholesale murderers while promoting the scarlet sins of adultery and fornication. The hatred in the human heart has exploded into full scale lawlessness. Where is it all going to end? I'll tell you where, in judgment, that's where.

Americans have voted into office deranged leaders and a jungle monkey at the top who has to be a manic depressant who is singularly dictating to every single citizen in the USA. He's used his veto power against the will of the majority of Americans more than any other president. He's committed crimes against the sovereignty of this great country, against its Constitution, treasonous acts that would have had any other president impeached and hung for treason and our leaders still will not impeach him. Our leaders are afraid of him. America is in trouble. There was a day in America when national sovereignty meant something when men and women were willing to fight for their freedoms. We are now living in the land of the cowards, and the home of the slaves. Today, most people don't even know their First Amendment rights. While our young people are dying on foreign soil for the agendas of the rich, we are losing our freedom right from under our noses through the Patriot Acts and Homeland Insecurity. We have become an Oppressive Society in America. This is only the beginning. American citizens will likely one day die in large numbers. Our troops are nothing more than paid mercenaries sent out to kill on command, not to preserve freedom as we are so aptly brainwashed to believe. Where are God's men?

Doctors destroy health, lawyers destroy justice, universities destroy knowledge, governments destroy freedom, the major media destroy information, religions destroy spirituality, and Bible publishers destroy God's Word.

To add insult to injury, America has taken the path of annihilation. While greed rules in the corporate world, the light of God's Word is being "hidden under a basket" by the average Christian and church. And out of this entire conflagration God is using Ishmael's seed, the Muslim's to punish America and other Western powers for their wickedness. While as a nation the United States is consumed with their Arab enemies the real culprit behind the scene is Rome, the Roman Catholic Church and the most dangerous man on earth, the Pope, has his eyes set on Jerusalem. For Jerusalem will be the Capital of the World where on the Throne of David Antichrist will rule for three and one-half years. The Devil like God is working behind the scene to drive the nations of the world to Armageddon. Why are not we preachers warning the people?

"We Need Preachers Crying Out Against This Evil Onslaught!"

The banks have created a false debt system, to enslave us. Americans are so naive. The news media have admittedly been hiding the truth from us for the past 60 years. If the Illuminati, members of occult secret societies such as Skull and Bones, have their way, America will be destroyed by the New World Order. America will be gone! Millions of Americans have already lost their manufacturing careers to foreign countries because of the greedy corporations lobbying the corrupt politicians in Washington. Manufacturing careers have been replaced with "service jobs" which only pay half the wages. Many retired workers are losing their pensions which they worked their entire lives for. And now, to add insult to injury, Americans have to compete with illegal immigrants for the remaining jobs in America. Can you believe that? Everything is backward; everything is upside down. Lawsuits are commonplace, insurance costs are skyrocketing, workers are paying more-and-more premiums for health care, fewer-and-fewer companies are offering benefits to workers. Where is this all leading? Motorola now has 12,000 workers employed in China to manufacture their products. Why aren't those jobs in America? I'll tell you why because the greedy Corporations want to make more money at our expense. By the way, the CEO of Motorola is a member of the Council on Foreign Relations, New World Order headquarters. These are so-called American companies. Don't believe me if you don't want to, but America's freedom is slipping away.

The Corporate World is run by the Devil.

Big business doesn't care about America or the American worker. All they care about is profits. Profits are ok, but NOT at the expense of the American economy. Unfortunately, Washington politicians have accepted payoffs to look the other way since the 1980's. What has happened in America? Big business is exploiting the poor in other nations to avoid paying the high union wages to American workers. Workers in China work up to 16 hours a day in sweat- shops, oftentimes with faulty and dangerous equipment; hundreds of thousands lose their eyes, limbs, and lives every year; they have no representation.

All of this could be fixed if the Federal Reserve bankers weren't so greedy. They control the interest rates. Which means they decide whether you can pay for your home or not. They

determine the value of a dollar. That means they control your life, and your standard of living. Unfortunately, they have decided to make you and me poor. The American people are in debt to the private bankers, who own the Federal Reserve, for over ten trillion dollars.

American companies should hire American workers, period. Millions of American citizens can't find a decent job to support their families while millions of manufacturing jobs have gone overseas. While the rich are getting richer, the poor are being exploited in other nations and Americans can't find jobs. This is all because of greed. This is the fault of congress, the presidents and others in leadership who has willingly betrayed their country. Ultimately it is our fault for letting them do this to us. If you don't fight for your freedom, you WILL LOSE it.

The United States is in Deep Trouble!

America needs voices! America is in serious debt financially. The debt clock is running folks! You and I are in debt for so much that we'll never get out! Our government is spending our money in OUR NAME! (And boy they are recklessly spending). While American steelworker retirees lost their pensions and health insurance, our government spent \$600,000 to study the sexual habits of African squirrels. Read the Pork Page.

Why did Congress give \$87 billion to rebuild Iraq, while so many American retirees don't even have any health care? People who worked faithfully for over 35 years at a company are being told they're not going to get their pensions after all. What is going on? Our borders have been deliberately opened to allow mass immigration. Do you know why? Because the global elite is trying to break down America's sovereignty! If the New World Order is to succeed, the patriotic America MUST disappear. Children are deliberately being dumbed down to accomplish this.

By the way, whether you vote Democrat or Republican, you are voting for the CFR (The Council on Foreign Relations). All recent presidents (and presidents to be) have (and will be) members of the CFR, "the" New World Order organization. It was the CFR who created the United Nations in the early 1900's. There is a conspiracy to destroy America and everything held dear by Christians and patriotic Americans. This means Christianity MUST go, this means that the Constitution MUST go, this means that the Bill of Rights MUST go.

Yes, friend, the sky may not be falling yet, but dark storm clouds are gathering over America. The dots are in place and the lines are now being drawn. We are going to lose our freedoms if we don't act NOW. There is much we can do. General Tommy Franks has already said that the U.S. Constitution would likely be suspended if there's another terrorist attack on American soil. Ever read about Operation Garden Plot? America's pastors are being recruited to join the government's Clergy Response Teams. Romans 13 does not tell us to lay down and accept tyranny. Only a fool believes in blind, unquestioning, support of the government. How stupid can people be? Sadly, really stupid! We are sheeple!

America needs voices! The Federal Reserve Act of 1913 was the worst thing to ever happen to America financially. We are in deep trouble. The constitution declares that Congress (and only Congress) has the power to create and control the flow of money. We'll in 1913 they gave up that right to a bunch of greedy private bankers. Today the descendants of those evil men and others

have complete control over our money; thus, our economy and us. This is why we must pay for three homes just to buy one. They created the Great Depression, they create recessions, they made the stock market rally in the late 1990's, they control the money!

They have unlimited financial power. Our money is known as "FIAT" money. It is worthless in that it is not backed by anything of tangible value (like gold or silver). It is literally paper with ink on it and no more. If it's printed on paper, it's worth the paper it's printed on. Even coins which still exist from the ancient Roman Empire have value because of their mineral content. You need to learn about money to understand what is going on with America and the New World Order. Have you ever heard the saying, "Follow the money!" If you want to know the truth about something, just follow the money trail.

America is headed for Bankruptcy!

America needs voices! Morally, America is in serious trouble. Homosexual activists have solidified their hold on our schools. The Bible calls them "Sodomites" after the city of Sodom, a city so wicked and filled with debauchery that God destroyed it with fire and brimstone in the Old Testament. Now we see sodomite Marriages being legalized in Massachusetts and soon to become a federal law no doubt, sodomite parades, and even sodomite ministers being ordained to the clergy.

What has happened to America? Folks, homosexuality is a sin! Women and children are being trafficked into the United States by the tens-of-thousands as sex slaves. Kids are being taught to have fist sex. Abortion has become a lucrative industry of selling body parts for money. America has become a land of moral degenerates and sex perverts. Women who were once ladies are now feminists and lesbians. Wake up America! Rock-n-Roll Music, Television, and Movies have largely helped destroy America's values. America's citizens have become a people of pornography and perversion. Visit, www.ProtestGayDay.com, a site dedicated to protecting our youth today from the homosexual agenda to sodomize our children. Wake-up America! America is Immoral!

America needs voices! Scandal after scandal throughout the government has plagued this nation for too long. Trillions of dollars have been stolen from the US taxpayer, and from our Social Security fund. Where is the money going? Why did HUD steal \$59 billion? Why did Bill Clinton on the way out of his presidency pardon the HUD kingpin who had been convicted in court for that very crime? Why haven't over a dozen government departments been audited in over 10 years? What are they afraid we'll find out? What about 911? Do you really think that three skyscrapers just perfectly fell to the ground in a matter of only a few seconds? Engineers, including the ones who designed the Trade Towers, have stated that a building doesn't just fall to the ground. Why did 42-story building blocks away from the Trade Towers also fall to the ground?

The justice department has banned the release of a 78-minute audiotape of Firefighters Hearing Explosions on 911. Here's some evidence to make you mad, real mad, more scary facts on 911. Watch this 2-hour 911 movie by Alex Jones if you want to be educated about the truth. Are you aware that the federal government has already constructed Internment Camps for US Citizens?

The Police State is coming folks! Are you aware of Patriot Act II? Terrorizing the American people? Total police state takeover?

Read about the Oklahoma City bombing cover-up. Read about the US Government's involvement in bringing drugs into our cities all across America. There is NO WAR ON DRUGS! Yes, friend, you and I have been lied to repeatedly, by many of the same people who we voted for and entrusted with our lives and futures. These wicked men and women have sold us out! They have knowingly betrayed their oath of office! Voting is useless at this point, our government has been hijacked by the CFR, a group of the most hideous and monstrous degenerates this wicked world has ever produced, the Illuminati. The end of America is drawing nearer, you have absolutely no idea what horrendous evil is lurking in the background of this nation today. Even the average Christian is in total darkness as to the evil forces at work. The news media is filled with lies, owned by big business. They tell us what they want us to foolishly believe. Nations do not rule the world friend, corporations do! Rise up! Rise up! Stand up for Jesus ye soldiers of the cross, lift high His royal banner, it must not suffer loss. We are in a battle in America that is soon to become very personal in the times ahead. Christians are to be considered enemies of the state.

America needs voices! We can make a difference in so many ways. Tell everyone you know about what's going on. This means you need to do your homework. Give them website addresses to visit. We must humble ourselves in prayer before God, 2nd Chronicles 7:14. Pray, pray, pray! Turn from our wicked ways. God will NOT bless any nation which lives in sin. Seek God's face. Get into the Bible, King James 1611 and study it thoroughly. Educate yourself. Hosea tells us that God's people were destroyed because of a lack of knowledge. By the time they knew what was going on, it was TOO LATE. It may seem too late for America, but I'm not giving up! Alex Jones has excellent websites at, www.infowars.com, www.prisonplanet.com.

Tell your pastor and ask him what can be done, if he says it's not our battle go find another pastor who cares. Too many believers are turning a blind eye to what's going on in America. The dams been leaking and it's going to break loose one day. They'll surely get involved when that happens, but it will be too late, military force will be used against us. There would be NO America today if it were not for those brave men and women who fought against the tyrannical government. Our government has become too big for its own good, DARPA is proof of that. The stealing of the 2000 Presidential election is further proof. Watch the video by Greg Palast, "More theft of the presidency."

Alex Jones asks people to make copies of his many videos and distribute them freely. Do it! Alex Jones is a Christian with a much-needed radio broadcast out of Austin, Texas. You can hear Alex Jones online. Though most people won't listen or care, some WILL. Start your own website. Write your own tracks or brochures to share with the public. Stand up and speak! Get a Sunday school class, start a new ministry at your church, make phone calls, write letters, start a church, start a public soul-winning program.

We've got to wake people up!!! Use whatever resources and power God has given you to get the truth out. We've got to lead lost sinners to Jesus Christ and teach them the Bible, keep preaching the gospel of Jesus Christ! People need to be born-again! Help your pastor if he's on fire for God.

If not, you need to find a man of God to serve under. There is so much we can do. Keep passing those tracks out, keep working in your local church.

Companies are worried about losing customers (money). Word of mouth can accomplish much. Protest and write letters to companies that are in the wrong. America needs voices! The good times in America WILL end someday. We will bring judgment upon ourselves by complacency and indifference! Rise up; start proclaiming THE TRUTH high and low. America needs voices. If we go down, let's at least go down fighting!!!

<http://www.biblerays.com>

My entire website ministry is a VOICE crying from the wilderness of cyberspace! America needs voices! The Bible has been tampered with, the Word "begotten" was removed from John 3:16 by the New International Perversion of the Bible; otherwise known as the "HIV" bible. They also removed the proper word "sodomite" entirely. 1st Timothy 3:16 has been utterly watered down and Philippians 2:6 in the NIV flat out states that Jesus is no longer God. The Bible is under attack like never before. Even professed immature believers are enemies of the Word of God today. If you don't have a King James Bible, you don't have God's Word! Even the New King James Bible has been tampered with and states that a wife is no longer to be a "help meet" as Genesis 2:18 states in the 1611 King James. Satan is a master counterfeiter friend.

The Devil is out to blind you and your loved one's from the truth of God's preserved and inspired Word. We must warn people about the heresy and lies of all the modern corrupt bibles on the market. Only King James of 1611 is NOT copyrighted. You can't copyright God's Word! Stand up for King James! Stand up for salvation by grace through child-like faith in Christ Jesus! Stand up for the LITERAL blood sacrifice of Jesus, which imposters like John MacArthur deny (look at Hebrews 9:22 in his reference study bible if you want proof). MacArthur is a heretic!

Stand up against the false religions of our day that are damning the souls of billions to hell-fire. Stand up against the Catholics for bowing down to Mary. Stand against the Muslims for denying that Christ Jesus died upon the cross. Stand against the evolutionists who deny God's Word. Do you have the right Jesus? Please make sure you do! There are MANY Jesus' portrayed in the world, only ONE is genuine.

The King James Bible portrays the deity of Jesus Christ faithfully, Jesus is Almighty God!!! I recently read a watered-down booklet distributed by the Christian Broadcasting Network, CBN-700 club, entitled "The Book of Hope." I was utterly disgusted to read in there that "God through Jesus created" the world. They had better go back and study the King James Bible because John 1:1-3 and Colossians 1:16 clearly teach that it has JESUS who created all things. CBN is teaching the same heretical garbage that the Jehovah Witnesses teach. No, sir! Jesus created ALL THINGS by Himself because He is God the Father, Isaiah 9:6. Also, the booklet is supposed to tell us "Who God is" and "who Jesus is." Unbelievably, no mention is made of the fact that JESUS IS GOD! Every corrupt bible on the market today has one main common denominator; they ALL attack and diminish the deity of Jesus Christ! Now you know, tell everyone that knows that Jesus is God!!!

America needs repentant believers! America is not going to get any better unless God's children come back to God in repentance for their backslidden condition. The greatest sin of this generation is their indifference. We've got a whole country of churches filled with deadbeat believers who DO NOTHING to make a difference. Big deal, you sing in a choir. Big deal, you are a deacon. Big deal, you are an assistant pastor. America needs voices! Big deal, you are faithful to fill 18-inches of a church pew. So what! What are you doing for God? Reading you Bible and praying is great, but what is it motivating you to do. Remember the saying, "God works when we work." Jeremiah said that God's Word "burned" within his heart as a fire and he just had to go preach.

Moses had TO GO lead Israel out of Egypt, it didn't just happen. What are you prompted to do, watch more TV? I didn't make this website watching TV you know. It's taken me thousands of hours hard work and research, and I thank God for the ability and determination to do so. I did it for God and for all those who will hear! I'm just another Bible believer, but Jesus is God, He's still in control and He loves me, so that makes me special. Without God, we would be nothing! You are special too because God loves you more than you can know. The world needs to hear that God does love them; sin is the culprit for the world's woes.

What are the works of your hands friend? Are you doing anything for God? Get informed, get busy for God. I was taught in church to be a soul-winner, and rightfully so as the Bible commands. However, I was never taught about government corruption and how to deal with the loss of my freedoms. I voted faithful Republican all my life (as most Christians do). Then as I grew older I realized that abortion was still legal, corporate crime was still increasing and American jobs were still leaving the country. So why do believers vote Republican? Because the candidate "says" he's against abortion. I was ignorant of the facts, as most people are today. We've been given the choice to vote for either Dark Vader or Lex Luthor, both villains. It's either "do little" or "do less." You can vote for gangster A or gangster B. America needs changes, and those changes are NOT going to happen through voting!

I was always taught that protesting and rallying against the government were wrong. We'll the founding fathers of this country used loaded guns with real bullets to get their point across to the tyrant oppressors. Is that where we're headed in America? Do you think things are going to get any better? As I write, the Euro has far surpassed the American dollar in value. Investment gurus and atheists like Warren Buffet and George Soros are betting AGAINST the US dollar. Tough times are on the horizon folks. It's time for pastors and believers to start standing up against ALL evil and not just a couple issues. Our own government's CIA is dealing drugs on America's streets! This is documented, not a conspiracy theory. Congressmen and women have testified to this FACT. What are you doing to expose this evil?

Texas Congressman, Ron Paul, recently wrote an article titled "The Psycho State" concerning Bush's new program to FORCE every child in America to be mentally-screened. A man in Michigan faces 32 years in prison for speeding before an accident because the black box in his car was spying on him. Surveillance cameras are being installed in cities all across America, on buses, in classrooms, even in bathrooms. Everyone needs to know about these infringements of our freedom. Don't go along with the new police state. America needs voices! What are the works of your hands friend? Are you doing anything for God? America needs voices!

As Christians, we know that there are a literal hell and a lake of fire where the unsaved will burn for all eternity, therefore, we act upon this Truth without reservation and GO OUT into the streets and communities of America declaring the WORD OF GOD and proclaiming the GOOD NEWS. We must go out to where the sinners are. We must go to those who would never come into our churches— to the atheists, to the religious, to the self-righteous, to the God-hating and win their souls to Christ. For the Holy Scriptures declare in Romans 10,

“How then shall they call on him in whom they have not believed? How shall they believe in him of whom they have not heard? How shall they hear without a preacher? And how shall they preach, except they are sent?”

For so long, we have allowed Satan to invade our communities through abortuaries, the entertainment and pornography industries, religious institutions, sexually perverse establishments, homosexual parades and other sin celebrations, without a word from the Christian therein. God has called us to

“Cry aloud, spare not, lift up thy voice like a trumpet, and shew my people their transgression, and the house of Jacob their sins.” Isaiah 58:1

We must lift up our voice like a trumpet. We must go out into the world and declare the WORD OF GOD in front of the abortuaries and sexually perverse establishments and at the homosexual parades and other sin celebrations and call them to repentance. Our light must invade the darkness!

The reason for God’s warning is that we may know that Heaven, eternal life with Jesus Christ is available to every man, woman, boy, and girl in this world, no matter who they are, where they live, or what they have done. It is freely offered to any and all who will receive it. Simply learn of Jesus Christ, the promised Messiah, invite Him into your life as Lord and Saviour, believe He died on the Cross for all of your sins and rose from the grave proving there are a Kingdom of Heaven and a coming resurrection for both those who are going to Heaven and for those who are going to Hell. Learn of Him and believe in Him for He was the only one who has ever loved you enough to die in your place and for you on the Cross at Calvary. He shed His blood, suffered, and died on the Cross to save you from your sins and from the utter darkness, loneliness, and torment of Hell, if you will accept it, believe it, and trust in Him. That is why Jesus is called Savior! He now lovingly and graciously offers you life not only now but in Heaven and we are warned it is a "receive or reject" proposition, there is no middle ground. We have to consciously receive it and accept it in faith. If you sincerely admit you have sinned and need a Savior to get into Heaven and fully trust in Him alone to save you from your sins, yourself and from Hell. Turn away from SIN to CHRIST, repent from those things God says are wrong and turn back to God, you will go to Heaven! It is God's promise!

The only unpardonable sin in the Bible is to reject or ignore God's extended love and His free offer of eternal life in the Kingdom of Heaven by turning away His Son. Jesus Christ, who stepped forth from Eternity not to condemn the sinner, but to save a fallen race from the torments of Hell and who willingly and lovingly shed His blood and bore all of our sins and guilt on the

Cross so we can be "washed" and forgiven of all sin. The Bible warns there will be no peace in our hearts or minds until we make peace with God through His Son, Jesus Christ! The Bible also warns clearly there will be no peace in Israel or on Earth until Jesus Christ the Jewish Messiah returns! Are you ready?

Remember Israel and Jerusalem is on the road to Armageddon. And your destiny and that of the world are inseparable from God's people Israel and the capital of the world Jerusalem.

Jesus said, "Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like, unto it, Thou shalt love thy neighbor as thyself." If we love God, we will obey his commandments, and if we love our neighbors, we will go to them with the WORD OF GOD, so that they may be saved. So then,

"...faith cometh by hearing, and hearing by the Word of God." Rom. 10:17

**"WHO WILL RISE UP FOR ME AGAINST THE EVILDOERS?
OR WHO WILL STAND UP FOR ME AGAINST THE WORKERS OF
INIQUITY?" Psalm 94:16**
