

## **AMERICA IS ON SUICIDE WATCH**

*Israel is God's Invitation for America to commit suicide!*

*By Pastor Del Wray*

### ***America has prepared and signed her own death warrant!***

As any Bible believing man of God will agree, America's national destiny has been fixed, it has been predetermined, predestined, and set by the Author of Holy Scriptures! There is nothing anyone can do about it, it cannot be reversed and there is no way to stop it. For all Bible believing patriots in this country it's a permanent pill that's not going to be easy to swallow. God fearing men and women know that America is in its last days. And for all those who think not or refuse to believe, their minds have been brainwashed by the do-gooder in this country who will pathetically tell you that "the world is getting better" just look around you. How pitiful their rhetoric. America is full of educated well meaning donkeys that seem to be always tying up to the White House in Washington DC! The current administration, the worst, is a blasphemous abomination about to implode in self destruction. Our country's foreign policy puts us at war with the God of the Bible. Every leader this country has ever had has had a part in preparing its own death certificate, blindly leading her to the death chamber. The verdict has been handed down! The Judges decision, "Guilty", the sentence, "Death". The Coroner waits as the Executioner, Jesus Christ is ready to speak for the trigger is about to be pulled! And only the calling out of the church, the body of Christ is preventing her imminent demise. It's too late, America! Your sins have destined you to hell and if not my God is a liar and we all know that's impossible, God cannot lie.

*"The wicked shall be turned into hell and all the nations that forget God". Psalms 9:17*

*"All nations before him are as nothing; and they are accounted to him less than nothing, and vanity." Isa. 40:17*

*"Righteousness exalteth a nation: but sin is a reproach to any people." Prov. 14:34*

*"For I am with thee, saith the Lord, to save thee: **though I make a full end of all nations** whither I have scattered thee, yet will I not make a full end of thee." Jer. 30:11*

***"...though I make a full end of all nations..."***

There was a time in the past when I experienced a young man take his own life playing Russian roulette with a 22 caliber revolver. He showed me the revolver as he spent the chamber with no bullets in the chamber then he placed one bullet in the chamber and spent the chamber again and again. Stuck the gun to his head and pulled the trigger. The single bullet had made its way to the barrel of that small gun and it went off and struck the young man in the left temple killing him. You see that young man was my twenty-one year old brother and I was only fifteen years old then. I didn't know what to do, I couldn't stop him. All I was able to do that night was to carry his lifeless body into the emergency room of Mary Immaculate Hospital, there in Newport News, Virginia. The doctor came in examined my brother and pointed his hand and finger to the ceiling and said "he's dead". My mother was escorted into the emergency room when the attending

physician had made his pronouncement and my world ended that night when I heard my mother scream. It was too late that night for my brother but it may not be too late for you? Still with a broken heart I sob, it's too late for America!

You see that night, and months before, my brother had made a fool of himself by tempting God venturing into the spirit world, toying with demonic spirits, where God had commanded him not to fool around, his demons made a fool of him and prompted his suicide. His heart deceived him and the devils got him! America is no different today as a country than my brother was back then. She has opened her doors to every demon imaginable! Only demons justify murdering little babies, nudity, adultery, fornication, sodomy and the like. She has crossed God's boundary line! And it's too late! She has had plenty of warning! As a nation and as a people her "*inordinate affections*" Colossians 3:5 has doomed her!

*"Thou shalt have no other god's before me"* Exodus 20:3

When your affections for someone or something else cast a shadow on that which rightly belongs to Jesus Christ our Saviour and His Word, then you've crossed over into paganism, socialism and Roman Catholicism. God is a jealous God! Deut. 6:15; Joshua 24:19 you see our nation has thrown God out and supplanted Him with the many Eastern gods. And every time that she passes another new law that repudiates God's Word she places another nail in her coffin. Forth with America has voted to commit suicide! **America's Invitation to Commit Suicide!**

America was once a great nation, No more! Her laws have damned her. In 1964 when the Civil Rights Act was passed integrating schools, she voted to place another nail in her coffin. When abortion was legalized she added another nail. Passing laws in support of sodomy in this country, legalizing homosexuality, queers, lesbians, faggots, dykes and transvestites was a vote to commit suicide. Gay marriages, same sex marriages and sponsoring of sodomites parading all over this country is a termination choice. Mixing the races has speeded up the end! Electing a black man to lead this country and next the possibility or even the thought of having a woman as president is an open invitation for suicide. Affirmative Action an even bigger curse is a vote in the wrong direction. The hate crime laws have sentenced this country to death. A country that throws God out and replaces Him with more wicked, vile laws has cemented its own fate! If we could ask the last great world empires Babylon, the Medes and the Persians, Greece and Rome, what do you think their response would be? "Internal suicide," America is on suicide watch! The final straw! One last event!

There is yet one event that will take place as Daniel witnessed and foretold and it has to do with the partitioning of Jerusalem, Israel's capital. Silently the US administration is in favor but has not yet come out publically on the issue. It has to do with East Jerusalem being given to the Palestinians as their capital, dividing the city of Jerusalem, the Eastern half to Palestine for its capital and the Western half to Israel for their capital. That's like dividing the capital of Virginia, Richmond, giving half to Virginia and the other half to the Al Qaida terrorists, the arch enemy. The Palestinians have vowed to wipe Israel off the map, even using the term pigs in describing Jews. Such treachery is man shoving his fist in God's face daring God to react and this time God will summon judgment. There is no other country in the world where an outside government is trying to divide another's capital and give it to someone else, especially its enemy. The Israeli

government knows it too. You see Jerusalem is special to God and He gave it to Israel for its capital. There God will rule in righteousness over all the nations on the earth and His people the Jews will rein blessing the entire world. Right here, the United States brings up anger in God's face, where she rebukes Him for the last time and sadly meets her Executioner.

*"Behold, I will make Jerusalem a cup of trembling unto all people around about, when they shall be in the siege both against Judah and against Jerusalem a burdensome stone for all people: all that burden themselves with it shall be cut to pieces, though all the people of the earth be gathered together against it." Zech. 12:2-3*

Can't we discern the times? Can't you understand the seasons? For the world is ripe to receive its first and only world dictator prophesied in Scripture. All we hear on the news today is how a new Pope has been elected, a friend of the poor, a man of peace and the masses are being mesmerized by him, people are captivated with him, and even the Jews are awestruck with him willing to accept him as a friend to all Jews. He's already been proclaimed a friend by Israel's political administration, his name Francis I, a former Jesuit priest from Argentina. The Secret Society of the Jesuits has already named him the "Black Pope" well trained in the subversion of governments. The Jesuit Secret Society is similar to the CIA of the US within the Roman Catholic Church and is responsible for its propagation and protection of Vatican State affairs as is the Knights of Columbus. The new Pope's expertise in the manipulation of foreign affairs has been his greatest asset within the Roman church. Already, he is pulling the wool over the eyes of those in our own political system. For the current administration is ready to get behind a treaty to force Israel to submit to a Palestinian State in the Middle East and the division of Jerusalem. The UN, the European Union and the Vatican State with the help of the US want to force Israel by sanctions if necessary to give in to a Palestinian State and the partitioning of Jerusalem. The United States ought to cease and keep its hands out of Israeli affairs, if it doesn't destruction is certain. Israel is America's invitation to commit suicide!

### **Israel is God's invitation for America's to commit suicide!**

Do you see the Jesuits have their eyes on Jerusalem? Jerusalem is the prize they've longed for since the Crusades, when they tried to take her by force and failed. Their tactics have changed now they are trying diplomacy to win her favor. The Roman Catholic great "Whore" church with all her little harlots "denominations" has damned not millions but billions of souls to hell fire and their new Pope "the mouth piece of Antichrist" wants' to capture Jerusalem and move its lordship to the city of peace. Rome has been called the city of peace, but she knows that the world will never receive the false king unless he's reigning from Jerusalem the real center of peace where God has placed His favor. The Antichrist will find his seat on the throne of David in the 3<sup>rd</sup> Temple a new Temple about to be built there in Jerusalem from which he will deceive the world for 3 1/2 years after which Jesus Christ will destroy him in the brightness of His coming. Can you see now? Israel is God's time piece, and Israel is God's invitation for America to commit suicide! America is finished! She has been invited to dance with the damned in the city of hell fire! The great ship Titanic was supposed to be unsinkable so they believed and today, now it is America's turn. Will you go down to hell with her?
