

ARE YOU A TRUE JEW?

“But ye believe not, because ye are not of my sheep, as I said unto you.” John 10:26

By Pastor Del Wray

The purpose of this paper is to expose the dangers to our peace, security and freedom posed by the pseudo Jews, many wealthy Jews in our country who are out to destroy Christianity in America and our free constitutional form of government. The same forces that crucified my Saviour are today out to annihilate His Church. They did it in Russia which was once considered a free Christian nation and turned it into the center of Red Atheistic Communism, vowing to do it in America and worldwide.

America is under attack from within by many who say they are American's and are not. As is true there is always a counterfeit for that which is true. Charles Finney, a famous Evangelist years ago wrote a tremendous book titled “True and False Saints” a good read for any Christian. Jesus wanted His people to be aware that all around them there would be a world full of counterfeits, the world, the flesh and the devil. So it is in religion, in Christianity and in Judaism, the true and the false. I refer to them as rats in the belfry. The wealthiest Jews in high places, who are really not Jews at all but are out to poison the minds of our nation with their filth, promoting rebellion, instigating unrest, behind the crowd hysteria of parading, marching seeking to cause revolution against all that is pure and true, Jesus called them snakes.

“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places” Eph. 6:12.

THE TRUE JEWS AND THE FALSE JEWS

The Devil the greatest genius and mastermind to invade and walk on planet earth other than God Himself has sought to undermine and forge all that is God's and those that know their Bible know he is a master magician, a manipulator and a great deceiver. He counterfeits the Godhead, the Father, the Son and the Holy Spirit. In this world we have those that are true Jews and we have those that are apostate false Jews. Jesus when on earth called them Pharisees those being of Antichrist. God commands in His Word that Christians are to pray for Israel and for the peace of Jerusalem! It is in His biblical command we are to pray for the true Jews and not for those who are false and His enemies. The Jews as the Chosen people of God and of Israel will one day prophetically be the Super Power from which Jesus Christ will rule and reign righteously over the earth for one-thousand years. It is for the true Jews, the descendents of Abraham, Isaac and Jacob that this preacher prays and longs to see ruling with their Messiah over the world and NOT the descendents of Esau. “Jacob have I loved but Esau have I

hated". Jesus confronted and warned those that were not true Jews, when He was here on earth. His scathing language used against the leaders of Israel, against many in the Sanhedrin, was clear and pointed "WOE UNTO YOU, SCRIBES AND PHARISEES, HYPOCRITES"! Read it for yourself! The gospel of Matthew was written to the Jews, Mark and Luke too heard Him denounce and call

Scribes and Pharisees hypocrites and wrote of the same.

The Pharisees were not the priests, but rather people from all walks of life who were very pious and strict keepers of the Law of Moses. They constantly adjusted the Law to fit the changing world according to their traditions and own desires. Among the more educated of the Pharisees were the Scribes and the rulers of the Jews:

"In the modern sense they, the Scribes were the religious scholars or theologians, sometimes called lawyers or teachers of the law, could make judicial decisions based on Scriptural exegesis, occupied important positions in the Sanhedrin, played a major role in bringing on the crucifixion of Jesus" and they "mainly belonged to the party of the Pharisees".

Jesus called the Scribes and Pharisees "fools, hypocrites, blind guides, whited sepulchers, murderers, a generation of snakes," and many such epithets. Jesus called them "hypocrites" seven times in one chapter. He spoke with scathing derision to the Scribes and Pharisees throughout His ministry; very few of them received a kind word from Him.

And yet countless Christians write and tell me that Jesus never spoke like this or ever said a cruel or angry word in His life. Therefore when I sometimes write with an edge on my voice I am accused of not following the example of Jesus. Oh but Jesus surely did speak harshly, meaninglessly and with great anger in His voice to the Scribes and Pharisees, the religious leaders of the Jews at that time. Jesus was not mild and soft-spoken when it came to the sins and hypocrisy of these leaders. Too many Christians have read the teachings of Jesus with rose-colored glasses covering both their eyes and their minds.

When the Pharisees asked Jesus, "Why do your disciples...?" Jesus didn't softly answer their question, rather He retorted back with, "Why do YOU...?" Jesus was never on the defensive, but always on the offensive. Using the vernacular, He was "IN THEIR FACE!"

Do any believe Jesus was referencing farm animals when He said not to cast pearls or give what is holy to "the DOGS and swine PIGS?"

Jesus referred to the recalcitrant Jewish leaders as, "an EVIL and ADULTEROUS generation," "SERPENTS and SNAKES," and "children of the DEVIL." Why He even told the Scribes and Pharisees regarding the royal and mighty King Herod: "Go ye, and tell that FOX that JACKAL..."

“Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?”
Matt. 23:33

“But woe unto you, scribes and Pharisees, hypocrites for ye shut up the kingdom of heaven against men: for ye neither go in yourselves, neither suffer ye them that are entering to go in.” Matt. 23:13

HOLY SCRIPTURE

There is no place where Jesus insinuates that He came as a Messiah for all those who claim to be Jews. He told His disciples: "I am not sent, but to the LOST SHEEP of the HOUSE OF ISRAEL." (Emphasis added). According to Strong's Concordance, #575, the word "lost" as used here comes from the Greek word "appolumi". This is made up of two root words "apo", meaning: "separation or departure," and "ollumi", meaning: "as punishment." Put these two together and we get the meaning that Jesus came, not to the "unsaved" members of the House of Israel, but to the sheep of the House of Israel who had been "scattered and put away as punishment for their disobedience." This can be seen in the Epistle of James which is addressed to the "twelve tribes which are scattered abroad," James 1:1.

Jesus did not come to the Talmudic Jewish Pharisees of his day. He called them "children of your father the devil." John 8:44. He did not come to the "synagogue of Satan," mentioned in Rev. 2:9, "They which say they are Jews, or Judeans, and are not." He came to his own sheep, those who would hear his voice and follow him. In John 10:2, he said to them: "He that entereth in by the door is the shepherd of the sheep . . . and the sheep hear His voice, and He called His own sheep by name, and leadeth them out . . . and a stranger will they not follow, but will flee from him." Then in vs. 26, speaking directly to the Pharisees leaders of the Jews He said very plainly: "Ye believe not, BECAUSE YE ARE NOT OF MY SHEEP . . ." (Emphasis My). How much plainer can His words be?

GOD'S CHOSEN PEOPLE

I am not an enemy of the Jews. For years my writings and oral words have abound with such phrases as, "There is a very real sense in which the Jews are God's Chosen People. Taken as a whole they are the most remarkable race of people in the world. They have retained their existence as a separate and distinct people in spite of hundreds of years of persecution. The most ingenious methods have been used by other nations in seeking their destruction but they have weathered every storm. In the COMING WORLD CRISIS the Jew will play an important part in the drama of fulfilled Bible prophecy. And, let it be remembered that Jesus Christ came to earth dressed in the garb of a Jew."

For nineteen hundred years these strange people have wandered over the earth, like the legend of the Wandering Jew, without a homeland; yet they have retained

their race consciousness and are more firmly banded together today than any other nation in the world. This very thing makes them the great miracle of both history and prophecy. No other feature need be considered to confirm the fact that over them there exists a providential leadership.

A BLESSING AND A CURSE

From Genesis to Revelation we read of their origin, national victories, apostasy, delusions, suffering and final triumph. No matter where they go or what they do, as a nation, they are simply being poured into the molds of prophecy, fulfilling a predestinated purpose. It is impossible to understand the historic and prophetic phases of the Bible without understanding the position of the Jews with reference to the program of the ages. Though they frequently prove to be a curse to the world, yet their ultimate blessing is assured because we are told that following the coming epoch of world-wide "tribulation" that "They shall declare my glory among the Gentiles." Isaiah 66:19. The Genesis prophecy will then be fulfilled, "Thou shalt be a blessing." The promise made to father Abraham has been fulfilled a thousand times, "And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed." Genesis 12:3.

But when considering their virtues and blessings in one period of history, we are also duty bound to contemplate their short-comings and observe what a curse they have been to other periods. The present age in which we are living finds them in a "delusion", as described in Isaiah 66:4. We are also reminded that on the day of the mock trial of their Messiah, Whom they rejected, they invited a national curse, in these words, "His blood be on us, and on our children." Some of the prophecies describing them as being a dangerous channel of mischief and evil to the world are as follows: "Thou shalt become an astonishment a proverb, and a byword among all nations." "Thou makest us a byword among the brethren, a shaking of the head among the people" "A reproach, a taunt, and a curse in all places." "This people's heart is waxed gross and their ears are dull of hearing and their eyes have they closed." Yes, they are judicially blinded now but the promise of a national day of redemption is yet future, coming at the end of Jacob's Trouble or also called the Great Tribulation, seven 7 years of fiery judgment.

SCRIBES, PHARISEES, SADDUCEES

Jesus had more trouble with this religious crowd of scribes, Pharisees and Sadducees than He had with the Roman government or Palestinian people. The strongest language Jesus ever used to denounce any people was against this same crowd; scribes, Pharisees and Sadducees. Why did Jesus condemn them?

The scribes were, as their name implies, the writers. They were supposed to be copiers of the laws, because there were no printing presses to publish them. But the scribes often injected their own interpretation into their copying instead of duplicating what was already written, thus, little by little, the laws could hardly be

recognized from the originals. If they had been only printers or publishers, they could have been fired or sued or not hired again, but they were also the lawyers.

A school for scribes was started by Ezra way back 450 years before Christ Ezra 7:6-10. While Ezra had prepared his heart to know God's laws and teach them to others, during Israel's captivity, some scribes of different persuasions began to modify the law they were supposed to codify. The text had become void by their distorted interpretative teaching.

The Gospel tells us how certain scribes began to find fault with Jesus and His disciples. They asked the Lord why His followers did not keep the ceremonies of the elders, and Jesus answered them with a reference from Isaiah that the people honor the Lord with their lips, but their heart is far from Him, laying aside God's written laws, they now laid down their own rules, their own legislative assembly. The scribes rejected the commandments and substituted their own thinking, "making the Word of God of no effect through your tradition," as Jesus said Mark 7:1, 5-9, 13.

Another time the scribes "caught" Jesus healing a man of a withered hand on a Sabbath, rest or cessation day. Jesus asked these lawyers; "Is it lawful on the Sabbath day to do good or to do evil, to save life or to destroy it?" The scribes were so incensed that they plotted what to do to Jesus for healing a man and rejecting their concept of Sabbath-keeping Luke 6:6-11.

Again a lawyer or scribe came to Jesus to tempt Him or trick Him Luke 10:25-37. The result was Jesus recited the story of the Good Samaritan and the need to do good to one's neighbor or anyone in need of help.

The scribes, like some lawyers and judges today, interpret God's laws or the common law of the Anglo-Saxon people according to their own ideas and social or political judgment. Thus we have rulings and legislation today that is totally different from the legal base of our founding fathers and Biblical heritage. No wonder that God's people get upset when the Supreme Court rules that Bible reading and prayer in public schools is illegal because we use God's name reverently, but it is merely a practice of freedom of speech to use God's name profanely in pornography and obscenity! The Supreme Court, made up of scribes who change laws by their judgments, has revised ancient standards by their new rulings, rather than in terms of God's established statutes and judgments. What is worse is that we have clergymen, bishops and denominational leaders who support these modifications by the secular courts rather than upholding the written Word of the Lord.

The Pharisees' name means "separated ones" who held themselves to be above the common people. They were the most powerful sect among the Jews in Jesus' day, although there were only about 6,000 of them under Herod

The Pharisees believed in the immortality of the soul and the after-life, but like

the scribes, they held to their oral traditions from the laws of Moses to be more valid than the written record. Pharisaic laws had the same force as Mosaic Law but the Sadducees rejected them. To the Pharisees, the letter of the law was more vital than the spirit. There was no mercy in their injustice. They majored in trivial things while neglecting the more vital things.

The twenty-third chapter of Matthew records Jesus' strong accusations and denunciations against these legal minds of the scribes and Pharisees who were heartless and self-righteous. Jesus called them "whited sepulchers," beautiful on the outside, but full of dead bones inside. They venerated the tombs and memory of the prophets, but were guilty of the same sins as those who killed the prophets, Jesus said.

Today Pharisees can be found in many leading seminaries and denominational headquarters with names like St. Paul, St. John, St. Peter, or even Lutheran, Baptist, Methodist or Presbyterian, who reject the teaching of their saints and founders. Church traditions supersede Bible laws.

The Sadducees were the rich land-owners, a small minority with big influence on the high priests of religion. At one big gathering where the apostles were performing signs and wonders, healing both physical and mental disorders, the "high priest rose up and all those who were with him, which is the sect of the Sadducees, and they were filled with indignation, and laid their hands on the apostles and put them in the common prison." Acts 5:12-18.

Sadducees denied the divinity of Christ, the authority of the law, the resurrection, angels and spirits Matt. 22:23. Paul used the dissention between the Pharisees and Sadducees to escape from them by getting them to fight among themselves Acts 23:6-12.

What about today? There are no churches named First Church of the Pharisees, or the Sadducees Temple, or Fundamentalist Scribes of America; but they are out there anyhow. We still have religious leaders who put their traditions above God's written Word. Denominational emphasis supersedes the Spirit of the Scriptures.

"It's all right to eat pigs because we have refrigeration today and Moses didn't," they say! "But don't touch wine, playing cards, go dancing or wear make-up or jewelry!" they add. "Don't go to movies or watch television, but it's OK to dramatize Biblical or religious events with distorted modern meanings. Don't offend other people even if they or it offends God. Obey any civil law or any court decision, but ignore Bible laws because they were all negated by Christ!" Pharisees, scribes, hypocrites, Jesus called them.

They love power, recognition acclaim by their religious crowds their success is measured by popularity and quantity rather than humility and quality. They love to honor one another with plaques and prizes while they dishonor God's commands and standards. They lack compassion, pity, charity, mercy and

understanding. They are self-righteous, but not right with God. These are the modern scribes, Pharisees and Sadducees.

"Come out from among them and be separate, says the Lord. Do not touch what is unclean, and I will receive you." 2 Cor. 6: 17. Let the Bible be your Guide, the Holy Spirit your Teacher, Christ your Example and God your Judge.

"I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan" Rev. 2:9.

Jesus Christ fully understood these evil people when He called their leaders: "snakes, hypocrites, whited sepulchres, murderers, seducers, sons of Satan, of the synagogue of Satan," too bad our Christian leaders can't see what He sought to teach them.

A more precise definition of these persecutors is given in Luke 21:12, where our Saviour says "they will deliver you up to the Synagogues." You should know without any problem who He is referring to, since only one group of people worship in synagogues.

False Jews, the Christ haters:

Let no Christian be duped into believing that we are supposed to sit supinely by and permit the Jewish Reds to create a reign of terror in America simply because this menace happens to be a "Jewocracy." True, there is a stratum of Jewry that is indeed "Chosen" and has been a blessing to humanity through the centuries, but there is another stratum that is a "curse in all places" as Jeremiah said they would be. Speaking through the lips of the prophet in Ezekiel 38:3, God said: "I am against thee, O Gog" and this is a clear reference to Communism with its seat of government in "Meshech" (Moscow).

It is possible that this invisible empire has existed as a self-propagating body ever since the Jewish leaders contacted the Chaldeans while in Babylonia. Persons holding to this view agree that the organization has almost completed its course, that the time for the consummation of the plot is near at hand, that the last great attack is now being launched for the purpose of setting up an international system of Jewish government. The existence of this secret sinister organization in New Testament times is implied in 1 John 4:3, "And this is that spirit of anti-Christ whereof ye have heard that it should come; and even now already is it in the world."

The entire cabal (plot) is so large and far-reaching, its motives so hellish, its plan of attack so contrary to Christian thinking, that it simply staggers the mind when it is first exposed to view. But the results of its devastating influence may be seen both in history and among the nations today. It breathes the spirit of the last great Beast-Emperor described in the thirteenth chapter of Revelation. It

discloses the perverted Messianic theories of an apostate people.

This anti-Christ force has apparently manifested itself from its underground sources in different ways at different periods of history, but never with the boldness and permanency that it has since it came to the surface seventy years ago.

There have always been two kinds of Jews. One racial division represents all that is highest and best in Jewry, and regards the Jews primarily as being a system of religion. The other has little inclination toward religion, but regards Jewry as a political State, the purpose of which is to conduct world conquest until the nations are brought under one head with themselves in control and all the Gentiles changed into serfs.

When the Romans turned against the designing and wicked political leaders of Israel, the Pharisees and Sadducees were driven under cover. With the dispersion that followed, their taint was taken to the ends of the earth and has grown up in every nation. No doubt Jesus had this in mind when he warned to: "Beware of the leaven of the Pharisees and of the Sadducees." In all parts of the world it appears that this poison "leaven" is "leavening" the whole lump of the nations. What used to be the Russian Empire is now completely "leavened."

These are the subversive forces that have moved through the centuries, changing their form from time to time as governments have been made to heave, totter, cave in, and fall, but always with the same object in view, a final culmination when all nations will be leveled and a super-Jewish State set up, presided over by one man, their apostate Messiah. This is the genius behind Socialism and Communism.

In Revelation 2:9: Jesus said "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan;" and in Rev. 3:9 He said those of the "Synagogue of Satan, which say they are Jews, and are not, but do lie." So we see that Jesus positively made a distinction between the true Jews and the pseudo-Jews, and this distinction is clear throughout the Scriptures. America, we better wake up!
