

CHRISTIANITY IS UNDER ATTACK IN AMERICA

Zionist Jews are avowed enemies of Jesus Christ and their goal is the eradication of Christianity from these United States and complete world domination even if it means the slaughter of Christians in America and I mean that literally.

By Pastor Del Wray

The Jews are out to wipe Christianity from the earth. It's true! I've not lost my mind. When will we wake up in this country? Will the Church's blood have to flow here as it has in Russia, China and the rest of the world? If the Christian Church does not wake up the slaughter of Christians is apparent.

Jesus Christ, speaking to the Jews in the Gospel of John, "Ye are of your father the devil, and the lust of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar and the father of it. Then answered the Jews, (which makes it clear that Christ was addressing the Jews) John, 8:44. Unsaved Jews are killers. But you stupid, blind Christians say "that won't happen to us." What makes we Christians think we are exempt? Ask the Russian Christians what happen to them?

"Men often stumble over the Truth, but most pick themselves up and hurry on as if nothing had happened." Winston Churchill

As a Baptist Preacher having been saved a long time I promised my Saviour, with His help, that I would be true to Him and no one else, for as long as I lived. My vow was to share His Word with the light He gave me, good or bad. To both warn and expose evil when necessary while always lifting Him up as the only hope for man's salvation. This article is just another attempt at keeping my promise to Him, warning all who seek to know the truth that Christ enemy is their enemy too. Christianity has always been at war with the Jews and it is the Jew that seeks to destroy Christianity. Can we not see that it is the Jews that are igniting another Civil War in America?

Much of this writing is quotations from Pastor Gerald Winrod's book "The Jewish Assault on Christianity."

Jesus, in His own words, commanded His followers to:

"Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves. But beware of men: for they will deliver you up to the councils, and they will scourge you in their synagogues;" Matthew 10:16-17.

The King James Version reads:

"Be wise as serpents and harmless as doves."

Is Jesus telling us to be as wise as a snake? No, Jesus is telling us to be as watchful (cautious) as the scheming serpent, Satan, but harmless as the dove, which represents the character of Jesus Christ. Satan is out to destroy us and I mean that literally. The child of God has a contract out on him and I mean that literally too. If one is never bothered by the evil one he must be on the wrong side. The devil, I mean the Jews were out to kill Jesus, the Jew (Herod) even when He was born.

“And Jesus, when he was baptized, went up straightway out of the water: and, lo, the heavens were opened unto him, and he saw the Spirit (breath) of God descending like a dove, and lighting upon him:” Matt. 3:16.

Jesus is warning His followers that they need to understand the scheming, evil ways of the enemy, Satan, and his cohorts, just as Jesus understood those who were trying to kill Him! He wants us to be Aware, to be watchful and to be as wise! To the ways of those who are trying to wipe Christianity and Christ followers out of existence.

The same forces that crucified our Lord 2000 years ago are the same forces that seek to destroy Christianity today and wipe it from the face of the earth. And those forces are the Pharisaic Jews of our day as it was back then.

The “Christian” Church of today is too busy sleeping, empathic “Praise Worshiping” singing and dancing around the alter, rolling on the floor with “holy laughter,” speaking in unintelligible “language”, the same “language” that those practicing voodoo speak, eating church potluck dinners filled with damaging, unhealthy food, and spreading mushy, false “love”, tolerance for the most debased sin, to be aware of, or understand, what the enemy is doing or even who the enemy actually is!

The wolves have already entered the sheep-fold, and the sheep are unaware that the intent of the wolves is to demolish Christianity completely!

Christianity is passing through a crisis the likes of which it has never faced, since the time of Christ. Paul said the Christian’s instruments of battle are not physical:

“For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds.”

The same thought is emphasized in the supernaturally inspired words to Zerubbabel:

“Not by might, nor by power, but by My Spirit, saith the Lord of hosts.”

Christians have completely lost their old-time spiritual power, the promise of which has not been fulfilled by the silly uttering of gibberish known as “speaking in tongues” in the various “churches.” Christians have become weak, easily deceived, and infiltrated. Thus, Jewish Communist Atheism will arise and take its place.

The Russian Empire was destroyed by the Red Jewish hordes in the early 1900s because Russian Christians did not possess sufficient spiritual vitality to resist the onslaught.

The Greek Orthodox Church that governed the religious life and thought of Russia, was a cold, dead, pagan institution. It lacked life, emotion, creative energy, and a true individual knowledge, oneness and personal relationship with Jesus Christ.

Consequently it yielded to the first attack of organized Atheism. Its gorgeous temples were turned into museums, brothels, and centers of entertainment and vice. Its wealth was confiscated. Its priests and other leaders were put to death. Its members were slaughtered by the millions.

The “Christian” Church in America and around the world, today, is no different!

The same fate is in America’s future!

In the first half of the 20th century, the German people were the most religious people in Europe. Protestantism was cradled there. Out of a population of sixty-seven million, sixty million Germans identified with some kind of a Christian Church.

For several years, the Moscow Jewish Communist conspirators focused their attacks upon Germany, culminating in the Jews declaring war on Germany and trying to bomb the Germans off the face of the earth. See:

<http://www.goodnewsaboutgod.com/studies/political/jewsdeclarewar/jewsdeclarewar.htm>

The latter part of the eighteenth century witnessed the destruction of France and the same sinister forces were at work across the English Channel in Great Britain.

As Christians in America continue to lose their spiritual moorings, it requires no prophet to determine what the future will bring forth.

The Jews and the Prophets “Even a casual reading of the Old and New Testaments will show that the Jews are a disobedient and rebellious people. Nowhere in Scripture are Christians required to excuse and condone their evil deed simply because of their culture or perceived “nationality.”

“Jesus knew better than anyone else the unspeakable crimes of which these people were and are capable of. It was to them that He addressed the following powerful words:

“Woe unto you, scribes and Pharisees, hypocrites... And say, if we had been in the days of our fathers, we would not have been partakers with them in the blood of the prophets. Wherefore you are witnesses unto yourselves, that you are the children of them that killed the prophets. Fill up then the measure of your fathers. You serpents, you generation of vipers, how can you escape the damnation of hell?”

“In this indictment Jesus lays the charge of persecuting and killing the prophets at the door of the Jewish people. It is by far the most severe, denunciatory and withering blast

of language that fell from His lips during the entire thirty-three years that He was in the flesh” Quoted from Gerald Winrod’s book “The Jewish Assault on Christianity”.

This is one major reason that Jews are taught to hate Jesus. He exposed their evil, hateful, culture, their evil, hateful deeds, and their evil, hateful religion.

“The Jesus of this, the twenty-third chapter of Matthew, is not the quiet, reticent Jesus of modern literature and the fashionable pulpit. The Jesus, whose righteous indignation is here asserted, is a man of words and action, a man in the act of pronouncing eight woes upon the Jewish leaders and finally condemning them to the damnation of hell.

Jesus then predicts that they will treat His coming servants exactly like their fathers treated the prophets.

“Behold I send unto you prophets, and wise men, and scribes: and some of them you will kill and crucify; and some of them shall you scourge in your synagogues, and persecute them from city to city; That upon you may come all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias, son of Barachias, whom you slew between the temple and the altar.” Matthew 23:35

“True to the Lord’s promise, after His departure He sent the first group of messengers forth on the day of Pentecost. Others followed later. The book of Acts records the persecutions and deaths they suffered at the hands of the very Jews who declared they would not have been guilty of the similar conduct of their fathers.

“It is particularly significant to notice that Jesus blamed the Jews for the murder of Abel. But how could this have been in view of the fact that Abel was a son of Adam and Eve, whereas the Jews claim their origin from Abraham, about nineteen hundred years before the birth of Christ?

“When Jesus accused them of killing Abel, He was seeing beyond their particular nationality. He was seeing beyond the garb of flesh that they were wearing. He was looking deep into their souls. He was seeing the demonic poison that was stored up in their life stream. He knew that the same satanic hatred for the program of God that took the life of Abel was to reach its climax in the murder of the Messiah and His apostles.

“In the twenty-third chapter of Matthew, we find Christ charging the Jews with the same sin that was laid against Cain, namely, that they had become the instruments of Satan for the destruction of the plan of human redemption. The poison of the serpent had been handed down until that hour; it was flowing in their veins; the blood of the righteous Abel was upon them; they were cooperating with Satan; they had permitted themselves to become a party to the same crime of which Cain was guilty: they were trying to destroy the Saviour of the world even as Cain tried to destroy the line (through Abel) from which the Redeemer was to be born.”

The Jews and Christ “The Pharisees wielded a satanic influence over their nation. They represented a system of occultism mingled with Jewish doctrines and beliefs. They

poured a constant stream of poison into the thinking of Jewry that twisted and perverted the minds of the rank and file of people.

“As a Jew avoided as far as possible all contact with a Gentile, lest he should thereby be defiled, so did the Pharisee avoid, as far as possible, contact with the non-Pharisee, because the latter was to him unclean even though a Jew. The egotism of the sect is at once evident.”

Nothing is different today. Virtually all Jews disdain “Gentiles” as unclean. But the elitist Jews also consider the rank and file Jews as unclean and expendable!

The Kabbalah and the Talmud; The Kabbalah governs the spiritual life of the Jews, while the Talmud regulates things material. It is believed by many that the Talmud and other writings of the Jewish leaders were directly responsible for the rejection of Christ.

A few quotations from the Talmud will give an insight into the mental processes of the rabbis of all ages, and will show that these inhuman writings were objectionable to Jesus.

The Jewish conception of God was that of a tyrant whose wrath had to be constantly appeased by the most rigid observances. He was confined, they believed, to the four walls of their own bigoted nationalism. Their contempt for other peoples is shown by quotations from the Talmud:

‘You (the Jews) are human beings, but the nations (Gentiles) of the world are not human beings, but beasts.’

‘On the house of the Goy (non-Jew) one looks as on the fold of cattle.’

‘It is more wicked to protest the words of the rabbis than of Torah (Law of Moses).’

“The decisions of the Talmud are words of the living God. (This means that the Jews believe that the rabbis are actually “god.”) Jehovah Himself asks the opinion of earthly rabbis when there are difficult affairs in heaven.” (The Jews believe that the rabbis are SMARTER than God!)

“Jehovah Himself in heaven studies the Talmud, standing; He has such respect for that book.”

The Talmud teaches that the Jewish nation is the only nation selected by God, while all the remaining ones are contemptible and hateful. That all property of other nations belongs to the Jewish nation, which consequently is entitled to seize upon it without scruples. An orthodox Jew is not bound to observe principles of morality towards people of other nations, and on the contrary, he even ought to act against morality, if it is profitable for himself or for the interest of the Jews in general.

Continuing quotations from the Talmud:

“A Jew may rob a Goy, he may cheat him over a bill, which should not be perceived by him and otherwise the name of God would become dishonored.”

“It is permitted to kill a denunciator of Jews everywhere....it is permitted to kill him before he has denouncedthough it is necessary to warn him and say, “Do not denounce.” But should he say, “I will denounce’ he must be killed, and he who accomplishes it first will have the greater merit.”

“How to interpret the word ‘robbery’? A Goy is forbidden to steal, rob, or take women slaves, etc., from a Goy or from a Jew, but he (a Jew) is not forbidden to do all this to a Goy.”

The association of Jews with pagan magicians in Babylon perverted the teaching of the Old Testament into a murky materialism and brought the people under despotism of demonism.

Is it reasonable to suppose that this poison that was handed down in the life-stream of Jewry, from the time of the Old Testament prophets, has ceased to exist?

The common-sense answer is No. We have with us today the same kind of human “vipers” that Christ had to contend with two thousand years ago. They constituted the scheming, tricky group that stirred up the mobs that screeched for the destruction of the Son of God. They uttered the most vicious cry that ever fell from human lips:

“Crucify Him! Crucify Him!” Then Pilate said unto them, “Why, what evil has He done?” And they cried out the more exceedingly, “Crucify Him.” Matthew 15:13-14

Please note that THEN, as NOW, the Jews did NOT answer the question “What evil has He done? They would not debate the issues they would not give documentation for their views. They only want to KILL the messenger!

Had Christ shown hatred toward the non-Jews, started a revolution, organized an army, marched on Rome and promised to give the Jews earthly power, they would have accepted Him as their Messiah and King. But they rejected Him because He said:

“My kingdom is not of this world; if my kingdom were of this world, then my servants would fight, that I should not be delivered to the Jews.” John 18:36

The Jews and Christianity; in the jargon of the street, the Jew is a “Christ hater.” The spirit of Judaism is one of direct antagonism to the principles of Christianity.

It is not difficult to understand why an apostate people, who have rejected their Messiah, should continue in spiritual darkness and despise everything that bears His name. No sooner had the tomb of Christ been sealed than the tormenters set out to destroy His followers. This assault has continued straight through the centuries, until now it has come into fruition in the form of international Jewish Communism.

In the first twelve chapters of the book of Acts, five specific persecutions, sponsored by Jews against the group of new Christian believers, are recorded. Failing to blot the new religious conception from the face of the earth by putting its Leader to death, they invented every conceivable scheme for torturing and murdering those who pledged allegiance to His plan for redeeming the world from the curse of sin.

What the Cause of Christ has endured at the hands of Jews, through the centuries, far surpasses anything the Jewish people have suffered from Christians.

Gerald Winrod, in his book "The Jewish Assault on Christianity", writes that after the Jews called for the murder of Jesus Christ, there were FIVE specific persecutions of Christians by Jews, beginning with persecution of the Disciples of Christ by the Jews.

These will be given here, followed by many other instances of Jews persecuting Christians down through the ages, documenting that it is the Christians who have been continuously persecuted by the Jews throughout history, while the Jews have continuously spewed out the totally false propaganda that they have been the victims, when in fact in virtually every instance, the Christians have been the victims!

The truth is that throughout history, the Jews have been persecuting Christians, and NOT the other way around. It is the Christians, and not the Jew who are the real victims!

Five Early Persecutions of Christians by Jews!

1ST PERSECUTION: Acts 4:1-22. A pitiful beggar, a man born a cripple, was placed near the gates of the Jerusalem temple every day to beg for alms. On a certain occasion, as Peter and John were about to enter, the poor, helpless creature stretched forth a dirty, bony arm and pleaded for a coin.

"Silver and gold have I none," said Peter, "but such as I have give I thee: In the name of Jesus Christ of Nazareth rise up and walk."

Instantly the resurrection life of Christ smote the recipient of divine mercy and he jumped to his feet "walking, and leaping, and praising God." The man was more than forty years of age and had therefore been a familiar object on the streets of Jerusalem for years.

When the report of this healing reached the treacherous Jews, their minds got busier than ever. They began devising new plans for putting an end to everything that was being done in the name of Christ.

Their first thought was to deny that the miracle had been performed. Then they realized that this was useless because the man was so well known. At that moment he was rejoicing, praising God, testifying to his deliverance and telling everybody what had happened. "And we cannot deny it," mourned the Jews who would have lied to discredit the story if it would have advanced their selfish purposes.

The members of the Sanhedrin came together and the little band of Christians were forced to appear before them. A torrent of abuse was turned loose upon the trembling group until finally Peter, filled with the Spirit of God's holiness (Holy Spirit), became bold. As spokesman for the group, he made it clear that the Christians proposed to obey God rather than man.

Had it not been that the mobs were at that time favorable toward the apostles because of the miracle that had been performed the Jewish leaders would have no doubt put the entire body of believers to death.

2ND PERSECUTION: Acts 5:17-41. "Many signs and wonders" were wrought among the people by the apostles. All manner of diseases were healed. But the Jews could see no good in any of this relief of human suffering because it did not come through the narrow, selfish channels of their bigoted nationalism.

The leaders agreed to the use of physical weapons in their attempt to destroy spiritual power, the same as Communists are doing today in trying to exterminate Christianity by killing Christians.

The Jews 'laid hands on the apostles, and put them in the common prison. But the angel of the Lord by night opened the prison doors, and brought them forth." Next morning when the Jewish senate convened and messengers were sent to bring the apostles for trial, it was discovered that, unknown to the jailers, they had escaped and were at that very hour preaching in the area of the temple.

Jerusalem was in turmoil by this time. Had the officials dared, they would have killed the Christians without a legal trial. When the saints appeared before the tribunal they were told that they had been previously warned not to teach in the name of Jesus. "You have filled Jerusalem with your doctrine, and intend to bring this man's blood upon us," said the high priest.

From this, it is evident that the apostles had been denouncing the Jews and charging them with the responsibility of Christ's death. Here we find the leaders complaining about His blood being upon them, forgetting apparently their previous utterance: "His blood be on us, and on our children."

Peter finally dared to shout: "The God of our fathers raised up Jesus, whom you slew and hanged on a tree." Next, he called upon his persecutors to repent of their sins. We read that this "cut them to the heart." Who was this upstart that he should have the audacity to rebuke them!

When they were almost ready to demand the lives of the apostles, Gamaliel, a tolerant member of the Sanhedrin, lifted a warning voice. If the new group was not of God, he declared that it would come to naught and fall by its own weight. "But if it be of God, you cannot overthrow it; lest haply you are found even to be fighting against God."

The result was, instead of killing the apostles, they were given another warning and a severe flogging. This form of punishment was cruel, brutal, cowardly and unjust. But even though bitter and painful to the flesh, it caused rejoicing to the spirits of the faithful few. As the wounds healed they “rejoiced that they were counted worthy to suffer shame for His name.”

The only way the Jews had of striking at the Christ Whom they hated was to injure His followers: They availed themselves of this opportunity.

3RD PERSECUTION: Acts 7:54-60: The blood of martyrs began flowing in the same year that the Lord ascended into heaven. The Jews’ first victim after Christ was a man named Stephen, whose primary crime was belief in the deity of the Son of God. This was regarded as blasphemy.

(Please see: “Now the U.S. Government Can Legally KILL Christians” at <http://www.spingola.com/Dannemeyer.html> The U.S. Government has passed a bill that makes the worship of Jesus Christ a CRIME – with the penalty being death by beheading!! These are the demonic Jewish Noahic Laws which have become the law of America.)

The story of the murder of Stephen by stoning is, after Christ’s crucifixion, one of the saddest in all the history of Christianity. When Stephen was arrested, he entered into a discussion of Israelitish history and closed by rebuking his judges for their hypocrisy. He declared that their devotion to God, the Law and the Temple, was hypocritical. He accused them of murdering the Son of God.

Stephen laid bare the full measure of their guilt. The blood of the Son of God was upon their heads; they had ignored the miracles that testified of His deity; they had rejected the Pentecostal program of the new believers; they had also spurned the wooings of God’s Spirit. Before God they stood condemned, and judgment was sure to overtake them! Taking no thought of his own safety, Stephen shot his words of truth, like barbed arrows, into the hard hearts of his merciless tormentors.

As he spoke, the Jewish leaders yelled and screamed to drown his words. They childishly stopped their ears with their fingers to avoid hearing the truth about themselves. Like serpents, they hissed their poison at the courageous Christian. They rushed upon him with one accord.

In their madness they dragged him outside the city, removing their outer garments as they ran. With stones they pelted the body of the first Christian martyr until his life ebbed away. Saul of Tarsus watched as he held the coats of the murderers. This execution was illegal because the matter was not submitted to the Roman Governor.

The 4th PERSECUTION: Acts 8:1-3. The first three persecutions were spontaneous and did not result from deliberate planning. But the spilling of Stephen’s blood seemed to whet the Jewish appetite for more Christian suffering. From that hour, nothing but a

terrible pogrom could possibly satisfy them. The sight of blood, the appearance of the first deadly wound in the flesh of a believer, seemed to stir all their criminal instincts.

They came to the conclusion that an organized effort was imperative if the new Faith was to be put down. The irony of this organized attempt on the part of the Jews to blot the cause of Christ out of existence was the fact that their own ring leader, Saul of Tarsus, got gloriously converted on the road to Damascus and became the greatest missionary and evangelist the world has ever known.

But in later years, Paul never forgave himself, nor was he ever able to erase the memories of his early attacks upon the small group of Christians, which he came to love so dearly and for which he finally sacrificed his life.

5TH PERSECUTION: Acts 12:1-19. The next spasm of Jewish terror, mentioned in the early part of the book of Acts, was directed against Peter.

This persecution is of particular importance because it introduces a new element in the Jewish plan of destroying Christianity. It reveals the scheme, which was continued for hundreds of years and continues today influencing "Gentile" rulers to do their dirty work for them.

During the first few centuries of Christian history, when the pagans slaughtered Christians by the tens of thousands, a careful study will show that time and again the pogroms were precipitated by powerful Jews who were able to maneuver things from behind the scenes. They simply used pagans to carry out their crimes against Christians in the same manner that the player moves chessmen on the board. Nothing has changed!

St. Justin said in the middle of the second century: "The Jews were behind all the persecutions of the Christians. They wandered through the country, everywhere hating and undermining the Christian faith."

Tertullian said about the same time, "The Jews formed the breeding ground of all anti-Christian action."

A plain example of Jews causing unbelieving Gentiles to destroy Christians is to be seen in this, the fifth persecution. We read that Herod the king has James put to death by the sword (beheading) because of Jewish influences being brought to bear upon his throne. This ruler was the grandson of Herod the Great who murdered the babes of Bethlehem after the birth of Christ.

No details are given in the Scriptures about the killing of James. And yet underneath the simple statement, a deep anguish and sympathy may be felt. Then the next verse shows that the wicked king had planned to make away with Peter in the same way.

"And because he saw it pleased the Jews he proceeded further to take Peter also."

The Jews and Communism: No informed person who is knowledgeable and truthful denies the Jewish character of Communism. Out of the 545 members of the bureaucracy of Russian Revolutionary Bolshevism, 454 were Jews and there were only 23 Russians in the group.

In other words, the Russian people are governed by a gang of anti-Christian foreigners, many of whom are said to be unable to speak the language of the people they govern. Some of the principal officials of the early Red government were reported to have come from the East Side of New York.

In her remarkable book "Waters Flowing Eastward" Mrs. L. Fry states that back in 1893, a Jewish secret order here in America appointed Jacob Schiff, a Wall Street Jew, chairman of its committee on Russian revolutionary activities. Mr. Schiff sat at his desk in New York and directed the destruction of the Czar's government thousands of miles away. The Jewish banking concern on Wall Street sponsored Trotsky's mass meetings of rebellion in New York years ago, and sent him across the ocean secretly, and deposited millions of dollars in a Swedish bank with which the Russian revolution was financed.

The attitude of Communism toward Christianity was explained by Lunatcharski, one of the leading Jewish members of the Moscow dictatorship.

"Why should we believe in God? We hate Christianity and Christians. Even the best of them must be regarded as our worst enemies. They preach love of one's neighbor, and pity, which is contrary to our principles. Christian love is a hindrance to the revolution. Down with love of one's neighbor; what we want is hatred. We must know how to hate, for only at this price, can we conquer the universe. We have done with the kings of the earth; let us now deal with the kings of the skies. The anti-religious campaign must not be restricted to Soviet Russia: it should be carried on throughout the entire world. The fight should also be developed in the Moslem and Catholic countries, with the same ends in view and by the same means."

The entire Jewish international cabal is so large and far-reaching, its motives so hellish, its plan of attack so contrary to Christian thinking, that it simply staggers the mind when it is first exposed to view. But the results of its devastating influence may be seen both in history and among the nations today. It breathes the spirit of the last great Beast-Emperor described in Revelation 13.

These are the subversive forces that have moved through the centuries, changing their form from time to time as governments have been made to heave, totter, cave in, and fall, but always with the same object in view, a final culmination when all nations will be leveled and a Super-Jewish State set up. This is the wicked goal of Jewish Communism.

The Jews have been HATING and KILLING Christians starting with the murder of Jesus Christ, then Stephen, the apostle James, the apostle Peter, the apostle Paul, and virtually all the other twelve disciples except for John, who was exiled to Patmos for the rest of his life.

The goal of the Jews in Jesus' time was the extermination of Christ, Christians AND Christianity.

Over the past 2,000 years, their goals have remained the SAME – to exterminate Christ, ALL Christians and Christianity.

It is true that the Jews, throughout history, have been thrown out of almost every country in Europe. But one must ask “Why?” A diligent study of history will reveal that they were thrown out for good reason. Each time they enter a country they infiltrate, attempt to take over the government, practice usury, bring degeneracy to the culture, and are masters of deception. They do not build a culture they parasitize a culture and destroy it.

The Russian Bolshevik revolution was Jewish. Virtually ALL the leaders of the communist revolutionaries were Jewish. The Jews slaughtered approximately 100 million Christians in Russia proper and the Ukraine – many of them ethnic Germans - by outright murder and planned famines. Hitler invaded Russia to try to save them.

Where are the monuments to these people?

The Jewish Communists in Poland murdered thousands of Germans living in Poland after the Danzig Corridor was closed. Hitler invaded Poland to try to save them.

Where are the monuments to these people?

After Germany had been conquered in World War II by Churchill (Jewish), Roosevelt (Jewish) and Stalin (Jewish), the goal of U.S. President Eisenhower (Jewish) was to completely annihilate the German people. Jews have ruled Germany – from behind the scenes - ever since World War II. The horrors of the concentration camps where Germans were held after the war were nothing but genocidal camps run by Jews with the goal of exterminating Germans.

Where are the monuments to these people?

American and British soldiers lost their lives by the hundreds of thousands during World War I and World War II thinking that they were fighting for democracy, when, in fact, they were being used as cannon fodder by the Jews who instigated the war against Hitler for three main goals:

- 1) The Jewish Communist takeover of Germany and the annihilation of the German people,
- 2) The delivering of Eastern Europe to the Communists, and
- 3) The stealing of Palestine from the Palestinian and its transfer to the Jews.

There are a FEW monuments to those who died in World War II but nowhere near the number of monuments to the supposed “victims” of the “Holocaust.”

The Jews massacred thousands in Lebanon in the Sabra and Shatila refugee camps, and blamed it on the Christians.

Where are the monuments to these people?

The Jews are now genociding the Palestinians, many of whom are Christians, and the U.S. government does NOTHING to stop it.

Where are the monuments to these people?

What is a False Flag operation? False Flag operation: Committing an atrocious act, and blaming another party or nation for it. The point is to turn public opinion against an entity, and have someone else fight your battles for you.

The Israeli Mossad, an organization for Jewish/Israeli terrorism all over the world has been responsible for virtually ALL Black ops and False Flag Operations in history, including the following:

The torpedoing of the Lusitania, killing 1200 people. This set the stage for U.S. President Wilson to bring the U.S. into WW I.

Kristallnacht (Crystal Night): When Berlin government officials were away, Jewish-paid thugs went on a rampage in Berlin and some border towns, breaking windows and destroying property. Nazis were blamed, and world opinion favored Jews.

Bromberg massacre: An estimated 58,000 German civilians lost their lives in the massacres carried out prior to the 1939 invasion. Polish Bolshevik Jews massacred 5,500 Germans on one ‘Bloody Sunday’ in 1930. This was the flash point for Hitler to invade Poland.

The King David Massacre: July 22, 1946, Jewish terrorists blew up a hotel and killed 91 British soldiers and blamed the atrocity on Arabs. The goal of the False Flag was to pit the British against the Palestinians.

Lavon Affair: In 1954, Israeli agents working in Egypt planted bombs in several buildings, including a U.S. diplomatic facility, and left evidence behind implicating Arabs as the culprits.

June, 1968, Robert Kennedy is shot and a PLO bus-boy named Sirhan Sirhan is arrested, tried and convicted, when the true killer of Robert Kennedy was the same group that killed President John F. Kennedy, the Israeli Mossad. Robert Kennedy was shot at close range execution style - by his Secret Service guard, in the employ of the Israeli Mossad.

USS Liberty: June 6, 1967, six fighters, three torpedo boats and two assault helicopters attacked the USS Liberty. There were 24 dead and 177 maimed. F-4 phantoms were enroute when President Johnson (Jewish) stopped the rescue. Israel's plan was to blame Egypt and have the US retaliate against Egypt.

Entebbe 1976: Israel faked a hijacking to Kenya (Idi Amin was an Israeli puppet), and then pulled a rescue, portraying themselves as elite commandos. Arabs looked like monsters.

1982: Abu Nidal – a supposed Arab terrorist – was an Israeli Black Ops agent. He attacked the Jewish Goldenberg's delicatessen in Paris. 6 were killed and 20 were wounded, of which 2 were Jewish.

Pan Am Flight 73: A 747 was enroute from Karachi, to Frankfurt, to its final destination of New York. Four hijackers took control of the airplane, and for the next 16 hours, they held 379 passengers at gunpoint, while the pilots escaped. The plane was stormed and 20 died.

Beirut Marine barracks, October 23, 1983. 241 Marines died when a truck packed with explosives blew up a Marine barracks at Beirut International Airport.

Achille Lauro cruise ship – 1985: Abu Abbas, and 15 Arabs, took over a cruise ship and threw Leon Klinghoffer, a wheelchair-bound elderly Jewish man overboard. After two days of negotiations, the sea jackers abandoned the ship. In this False Flag, the Israelis turned world opinion against the Arabs, while once again portraying themselves as victims. Again, the Jews have no conscience about destroying their own!

Lockerbie Dec 1988: Mossad blew up Pan Am 103 and blamed it on Libya. Unfortunately, the plane was late and blew up over land, and all the evidence pointed towards Israel. Israel's goal was to demonize the Muslims, and lay the groundwork for 9/11.

Luxor Egypt – 1992: An attack on Luxor, by militants, in which 58 foreigners, most of them Swiss, were killed. Arabs blamed the Mossad. Israel destroyed Egyptian tourism, and turned world opinion against Muslims.

Two airports attacked – 1985: Terrorists of Abu Nidal's Black September (run by the Israeli Mossad) struck at the Rome and Vienna airports. Nineteen were killed at Schwechat Airport and three at the Rome airport.

Oklahoma City Murrah Building – 1993: One of the Mossad's American Arms, the Southern Poverty Law Center (SPLC) was concerned about the growth of Patriot movements such as Militias, so an attack was staged using a Timothy McVeigh patsy, who was out of Elohim City – a Jewish-sponsored terror mecca. The real brains behind the OKC bombing were Andreas Strassmeir and Daniel Spiegelman, who were/are both Jewish. The Zionists destroyed the Militia movement's credibility and brought the FBI down on them.

In Dec. 1992, an Israeli soldier, Nissim Toledano, was kidnapped and killed. The Israeli government rounded up 1600 members of Hamas, and deported 415 of them to no-mans land between the Israeli and Lebanese borders. In the brutally inhospitable weather, these 415 Hamas members were stranded without food and shelter (even though Hamas is a secret Israeli Mossad-run organization). Furthermore, the Israeli authorities stopped any humanitarian aid from reaching these people. With media focus on the deportees, it triggered international outrage against Israel that was followed by international pressure on Israel that refused to go away. This time, Israel had bit off more than it could chew. It was time to 'deflect' pressure off Israel.

In the third week of February, 1993, a truck bomb exploded in the basement of the World Trade Center building. Muslims used as scapegoats took the blame for it, while the real culprits were safely back in Israel. Thus world opinion and pressure was shifted away from Israel.

Birmingham 1998: Birmingham abortion clinic bombed and two people killed. As a result of the bombing, abortion opponents were portrayed as lunatics, while the Jewish-dominated abortion industry got special laws passed to protect their trade.

USS Cole: Sayanim (Jews who help other Jews do their dirty work) in the Pentagon had the Cole directed to a port in Yemen, where Israeli agents had Arab patsies approach the Cole with a small boat, in order to be seen by crewmen, while they attacked it with a shape charge.

September 11, 2001 the World Trade Center. The most brazen of all Israeli attacks. Blamed on the Arabs to turn world opinion against the Arabs and take the heat off of Israel for their "genociding" of the Palestinians.

There are literally hundreds of Jewish Organizations, including the ADL (Anti-Defamation League of B'nai B'rith), the ACLU, the World Jewish Congress, Jewish Defense League, American Jewish Congress, and many others, whose goal is to destroy Christianity and all Christians.

The Jewish propaganda machine continues to pump out their audacious lies that Jews are victims, of supposed "Christian Hate."

But the REAL TRUTH is that for over 2,000 years, the Jews have been killing Christians! The REAL "Final Solution" is that proposed BY the Jews themselves, the Destruction of Christianity and the murder of ALL Christians!

It's time to WAKE UP!

It is the Christians who are the TARGET of Jewish HATE! NOT the other way around!

NEVER, in the history of the world, have Jews been "Victims." There have been times when they have "reaped what they have sown" because of their collective behavior in the

nations in which they have lived, but they have never been “Victims” no matter how much the Jewish-controlled media portrays them that way.

A diligent study of history proves conclusively that the Jews have never been the victims of persecution by Christians or anyone. History also proves conclusively that for over 2,000 years, it is the Jews who have been persecuting and killing Christians!

Christian the Jews are coming to kill you and again I mean that literally!
