

HOW THE JEWS DESTROYED RUSSIA AND BUILT AN ATHEISTIC DYNASTY

The Bolshevick Revolution

How the Jews Overthrew Russia?

How the Jews destroyed Russia and built an Atheistic Dynasty known as Communism, ruled over by a single dictator, all out of its hatred for Jesus Christ and Christianity. And it is happening right here in America as it did in Russia. Wake up America! The coming One World Dictator.

“The fundamental purpose was to produce an onslaught against Christianity and the moral and social systems which it had produced on the earth.”

LOOKING BEHIND THE SCENES AT PAST HISTORY:

Disorders, revolutions, economic convulsions and political upheavals do not happen. They result from planning. Under the surface, unknown to good people, there are constant plots, schemes, tricks and intrigues. Hidden forces continue their subterranean activities until they reach a boiling point, then an explosion takes place on the surface. The rank and file of people are caught off their guard. There comes a devastating outburst in which lives are lost, property is destroyed, and human development is retarded. Not until the storm breaks do the sleeping masses awaken, yawn, stir themselves and look about at the wreckage and carnage, after it is too late to help matters. History is replete with examples of this kind. International conspirators always find it to their advantage to lull the people to sleep until they can get their plots developed so far that nothing can stop them. A man in a stupor is harmless. The despoilers have a way of keeping the popular mind befuddled and drugged, under the influence of their opiates. It is a rare thing for an awakening to take place in time to avert a crisis. Propaganda is a powerful weapon in the hands of wicked men. Yet the thinking of a whole nation may become warped in a comparatively short time, on some particular question, by a bombardment of ideas released from carefully planned and timed sources. By degrees these ideas sink into the mass mind and a community is molded accordingly. It is then the people take the things they have been taught for granted, little suspecting that, parrot-like, they are merely chattering about false notions which have been insinuated into their mental processes.

Thus designing leaders find it possible to bring wreck and ruin upon a country by pulling wires from behind the scenes. They are able to produce cross currents and create class hatreds, keeping them and their true purposes concealed from the public gaze. The average person lives on the surface and neither cares, nor knows how, to inform himself about hidden evils which may be lurking in the shadows. He prefers to "eat, drink and be merry today", and thinks no more about the future than absolutely necessary. Try to tell him the unpleasant truth and warn him of what is about to take place, and he is liable to do what the farmer did when he saw a giraffe for the first time, cry out angrily, "I don't believe it!"

The American people are too gullible. They need a new baptism of that good old fashioned virtue called "suspicion". The question that haunts this preacher day and night is whether or not it will be possible to awaken them to the impending danger which is close upon us, before it is too late!

Secret societies, sometimes founded upon high ideals and lofty precepts, are frequently prostituted by men of evil genius who get control of them for their own private gain and selfish use. Because there is always an element of mystery associated with a lodge, it becomes a convenient cloak and an ideal means for secret operations, when taken over by subversive influences. It will be shown in this treatise that certain conspirators have used secret societies in the past as practical vehicles for boring under the surface. Thus, destructive causes, set in motion long ago, are still producing catastrophic effects in the world.

Two revolutions of comparatively recent times loom up in the thinking of every student of history. The French revolution and the Russian revolution, neither of these outbreaks were produced primarily for economic and political reasons in order to relieve the suffering of the poor and middle classes of people. Peaceful means could have been found for adjusting whatever abnormal conditions there may have been existing at the respective periods in which these two storms occurred. It was not necessary to spill an ocean of blood. The fact is that both of these revolutions resulted from secret, under-cover planning so that a certain system, an invisible empire, a hidden organization, could advance its evil interests.

The fundamental purpose was to produce an onslaught against Christianity and the moral and social systems which it had produced on the earth.

On July 14, 1856 Disraeli delivered a significant address before England's House of Commons, in which he said, "It is useless to deny, because it is impossible to conceal, that a great part of Europe, the whole of Italy and France and a great portion of Germany, to say nothing of other countries, is covered with a network of these secret societies, just as the superficies of the earth is now being covered with railroads. And what are their objects? They do not attempt to conceal them. They do not want constitutional government; they do not want ameliorated institutions. They want to change the tenure of land, to drive out the present owners of the soil and to put an end to ecclesiastical establishments."

The British Foreign Office published a document in April 1919, containing a report written by their representative in Russia, September 6, 1918, which reads as follows: "I consider the immediate suppression of Bolshevism is the greatest issue before the world, not even excluding the war which is still raging, and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organized and worked by Jews who have no nationality, and whose one object is to destroy for their own ends the existing order of things."

In her book, "From Liberty to Brest-Litovsk", Mrs. Ariadua Williams, the widow of a man who did journalistic work in Russia for years, says,

"The predominant class which rapidly crystallized around the Bolshevik's was composed mainly of individual's alien to the Russian people. This fact is probably useful to them to keep control over the masses, for Bolshevik autocracy is founded on their absolute contempt for the people whom they rule. The most terrible trait of Bolshevism is its utter unscrupulousness as to ways and means, and the blunt cruelty of its leaders. Deceit, forgery, denigration, murder, violence, treachery, all the low, dark, brutal forces which mankind had for centuries endeavored to get rid of, have become weapons of governing at their hands. They especially numbered a great many Jews. They spoke Russian badly. The nation over which they had seized power was a stranger to them, and, besides, they behaved as invaders in a conquered country".

In 1923 Lord Sydenham declared in the House of Lords, "The total loss of life from the application of the principles of Karl Marx to Russia is now very

little short of twenty million people. This is the most horrible crime in all history."

On September 10, 1920 The American Hebrew said, "What Jewish idealism and Jewish discontent have so powerfully contributed to produce in Russia, the same historic qualities of the Jewish mind and heart are tending to promote in other countries".

Even more significant is the following editorial from the newspaper, Communist, in April 1919, "Without exaggeration it may be said that the Great Russian social revolution was indeed accomplished by the hands of Jews. The symbol of Jewry, which for centuries has struggled against capitalism, has also become the symbol of the Russian proletariat, which can be seen in the adoption of the Red five-pointed star, which in former times, as is well known, was the symbol of Zionism and Jewry."

Sufficient has been quoted from both Gentile and Jewish sources to show unmistakably that internal Jews selected the Russian Empire, many years ago, as the logical country upon which to concentrate their efforts. By destroying Russia they were able to establish a base from which to operate in carrying out their plan to rule the world. Back as far as 1893-94 the Czar's government knew that the B'nai B'rith of New York had appointed Jacob Schiff to the position of chairman of the committee on Revolutionary Activities in Russia. In other words, Schiff sat in his office as president of Kuhn, Loeb and Company, in Wall Street, and directed the explosive outbursts against the government in far away Russia.

The B'nai B'rith is an international secret organization to which only Jews can belong. It covers its political activities under the cloak of "benevolence and philanthropy". It was founded by a group of German Jews in New York in the year 1843. It maintains local organizations in all parts of the United States. We have the following statement on good authority, "From its inception until the present time, its main contact has been with Germany and its chief aim the establishment of the supremacy of the German Jews in all world affairs through the channel of 'internationalism'. The political activities of the leaders of the order in Romania, Austria and Hungary are a matter of record, although the chief center of their power is in the United States where they have lately attained supremacy in the Jewish world by absorbing 'national' Zionism and submitting it wholly to their own 'international' policy when the Jewish World Agency was created in

October, 1928."

The former Grand Master of the Order of the B'nai B'rith in Russia, a Jew by the name of Sliozberg, was one of the early leaders in revolutionary activities.

Schiff, being a German Jew, fitted into the B'nai B'rith program perfectly. He was born in one of the Rothschild houses in Frankfort, Germany and after arriving in America married the daughter of Loeb, thus becoming a part of the banking family Kuhn, Loeb and Company, the concern which is credited with having financed Lenin and Trotsky in overthrowing the Russian Empire.

That Schiff was determined to destroy Russia is further evidenced by the fact that he financed Japan's previous war against the Czar's government. The Jewish Encyclopedia says, "It (Kuhn, Loeb and Company) subscribed for and floated the large Japanese war loan in 1904-05, in recognition of which the Mikado conferred on Schiff the second order of the Sacred Treasure of Japan." When Theodore Roosevelt offered to serve as peacemaker between Russia and Japan and a conference between representatives of the belligerents was arranged to take place in Portsmouth, New Hampshire, Schiff was present to demand his pound of flesh.

Referring to the power that Jewish bankers wield over American finance, Congressman McFadden gave this interesting insight into the life of Schiff while delivering a recent address before Congress, "It was a mistake for the United States to permit the integrity of its foreign policy to be jeopardized or affected adversely by such religious, racial, and financial meddling as that practiced upon us by Schiff and his London associates. The United States should manage its foreign affairs with more distinction than that which is implied by the picture of Jacob Schiff shaking his fist at the White House and muttering threats against William Howard Taft, then President of the United States."

While in Paris recently I talked with a former General who served in the army of the Czar prior to the revolution. This venerable old gentleman, a sincere Christian, now lives in exile from his native Russia.

Few men were closer to the Czar and the royal family than this man. He

told me many things about the inner workings of the Jewish plot which finally resulted in the destruction of his Country. The pogroms that occurred from time to time in Russia were attempts on the part of the Gentile population to protect themselves against what they saw coming.

For instance, there were thousands of secret printing presses, owned by Jews, hidden in cellars and garrets, which poured forth a constant stream of subversive literature for the purpose of inflaming Gentiles against one another. The Czar and his agents were by no means blind to this assault but the conspirators were so well organized and financed that the government became helpless in their grasp.

The former General told me that the Czar once said to him: "My heart bleeds because my poor people cannot be made to understand that Jewish leaders have organized to destroy them."

The Czar made a careful study of the Protocols, according to the General, and lived for several years in a state of fear as he saw the plot taking form, which these documents disclose. Russian officials who were conversant with the Protocols believed in their authenticity because of the manner in which they were being fulfilled.

As these words are written I have before me a reproduction of a photograph produced by Robert Wilton of the London Times which shows the room in which the Czar and his family were murdered in the little town of Ekaterinburg. They died horrible deaths at the hands of merciless Red beasts in 1918 after having been banished to Siberia.

The murder was planned by the Jew Sverdlov, and carried out by the Jews Yourovsky, Goloshchekin, Syromolotov, Safarov and Voikov. Mr. Wilton remarks, "This was an act not of the Russian people, but of this hostile invader".

Gleb Botkin, whose father was the personal physician of the royal family, reconstructs vividly the killing of these people, in his book '**The Real Romanovs**'. He says that the Czar, Czarina, their four daughters, and young son were slaughtered like cattle. "Nobody knows exactly to what indignities the unfortunate Sovereigns and their children were subjected during the last months of their captivity. They were forced to live in the closest association with their perennially drunk and debauched jailers

whose rooms adjoined those of the prisoners. Not only were they forced to eat, at one table with the Bolshevick soldiers, but from one common bowl. In short, the last period of captivity was one of a living martyrdom which it is difficult even to faintly visualize.

"On the night of July 16-17, 1918, the Commissar Yourovsky woke up his prisoners and told them to go down to the cellar. The prisoners dressed themselves as ordered and went to the cellar." They never came out alive.

The name of the town Ekaterinburg has been changed to Sverdlovsk, in honor of the Jewish President of the court, Sverdlov, who ordered the assassination.

After the murder, a formal inquest was held, many photographs were taken of the room in which the crime was committed, the bodies were exhumed, and careful reports were made. The picture mentioned above which was published by Mr. Wilton in his book "The Last Days of the Romanovs" was reproduced from the official records compiled by the Bolshevicks. On one of the walls where the victims were murdered, there appears an occult Jewish Cabbalistic inscription. There are three letters and a strange mark in the mysterious inscription, written in a Hebrew manner from right to left.

After giving a detailed interpretation of the hidden meaning of these Cabbalistic markings, Mrs. Fry concludes, "Whoever wrote this inscription was a man well versed in the secrets of the ancient Jewish Cabbalism, as contained in the Cabbala and the Talmud. In accomplishing the deed in obedience to superior order, this man performed a rite of black magic. It is for this reason that he commemorated his act by a Cabbalistic inscription in cipher, which belonged to the rite."

"The inscription therefore proves:"

"That the Czar was killed."

"That the murder of the Czar was committed by men under the command of occult forces; and by an organization which, in its struggle against existing power, resorted to the ancient Cabbalism in which it was well versed."

The dictionary definitions of the words Cabal and Cabbala are, Cabal, "To form a plot", and Cabbala, "The mystic theosophy of the Hebrews, any

occult or mystic system."

The deeper one goes into a study of the Protocols, the more firmly he is gripped with the fact that they are rooted in the deepest, most mysterious and satanic occultism known to the human family.

We need to remember that Karl Marx, another German Jew, wrote the First Communist Manifesto in 1848. From all indications, he was one of the ring leaders of the Hidden Hand of his day. His writings constitute the highest standard of authority in the ranks of Reds all over the world at the present time. In Russia, the people have been worn down by starvation to a state of utter helplessness. This condition was anticipated in Protocol number three, "We appear on the scene as alleged saviors of the worker from this oppression when we propose to him to enter the ranks of our fighting forces, Socialists, Anarchists, Communists, to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our social masonry. The aristocracy, which enjoyed by law the labor of the workers, was interested in seeing that the workers were well fed, healthy and strong. We are interested in just the opposite, in the diminution, the killing out of the goyim. Our power is in the chronic shortness of food and physical weakness of the worker because by all that this implies he is made the slave of our will, and he will not find in his own authorities either strength or energy to set against our will."

Protocol number three also outlines the system of secret police with which the Russian people are now cursed, known as the GPU, "These beasts, (the workers who have been stirred to form mobs and riots) it is true, fall asleep again every time when they have drunk their fill of blood, and at such times can easily be riveted into their chains. But if they be not given blood they will not sleep and continue to struggle."

The entire Bolshevick government is concentrated at one point, Moscow. All liberties have been denied the Russian masses and the people have become slaves of the state. These are features of the plot recorded in Protocol number five many years before the Jews took over the country, "We shall create an intensified centralization of government in order to grip in our hands all the forces of the community. We shall regulate mechanically all the actions of the political life of our subjects by new laws. These laws will withdraw one by one all the indulgences and liberties which have been permitted by the goyim and our kingdom will be distinguished

by despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any goyim who oppose us by deed or word."

Constant terror is a part of the Bolshevick program in Russia. By this means the people are kept in a weakened state of perpetual fear. This reign of misery is provided for in Protocol number nine, "It is from us that the all-engulfing terror proceeds. We have in our service persons of all opinions, of all doctrines, restoring monarchists, demagogues, socialists, communists, and utopian dreamers of every kind. We have harnessed them all to the task: each one of them on his own account is boring away at the last remnants of authority, is striving to overthrow all established form of order. By these acts all States are in torture; they exhort to tranquility, are ready to sacrifice everything for peace: but we will not give them peace until they openly acknowledge our international Super-Government, and with submissiveness."

Since the Talmud, as well as the Protocols, regard Gentiles as being no better than animals, religion is to be taken from them and atheism substituted. Everyone knows that this has since been done in Russia. "When we come into our kingdom it will be undesirable for us that there should exist any other religion than ours of the One God with whom our destiny is bound up by our position as the Chosen People, and through whom our same destiny is united with the destinies of the world. We must therefore sweep away all other forms of belief. If this gives birth to the atheists whom we see today, it will not, being only a transitional stage, interfere with our views, but will serve as a warning for those generations which will hearken to our preaching of the religion of Moses, that, by its stable and thoroughly elaborated system has brought all the peoples of the world into subjection to us."

The destruction of Christianity is contemplated in Protocol seventeen, "Freedom of conscience has been declared everywhere, so that now only years divide us from the moment of the complete wrecking of that Christian religion: as to other religions we shall have still less difficulty in dealing with them, but it would be premature to speak of this now. We shall set clericalism and clericals into such narrow frames as to make their influence move in retrogressive proportion to its former progress."

Protocol number fifteen threatened the destruction of the "Russian

autocracy". This took place on scheduled time as we have seen from the killing of the Czar and his family.

In the foregoing brief synopsis we have barely scratched the surface of the scheme as it has been carried out in Russia to say nothing of the world-wide aspect of the plot now unfolding on an international scale.

All over the world it is possible to trace the sinister workings of the pogrom revealed in these documents. It is an interesting diversion to be able to hold the Protocols in one hand, the daily newspaper in the other, and see how often the latter reflects the evident subterranean activities of the former.

If it is true that "the proof of the pudding is in the eating", it is also true that the glaring fulfillment of the Protocols is one of the chief arguments for their authenticity. Russia collapsed and America is next if she does not wake up. Stay tune there is more to come!

Taken from a thesis by Dr. Gerald Winrod.
