

IT'S HEALTHY TO BE A RACIST - NOT TO BE IS INSANITY!

Hear me out!

By Pastor Del Wray

If a man's not a racist he's insane. Everyone is a racist in some form or other. If he claims not to be he's a liar. The word racism is another one of those government made up terms or words being forced on society today by this new one world order to have everyone conform to all the cloned robots in the government and the CFR "Council on Foreign Relations", haven't heard of them have you, you will. This is the outfit being used to bring about the coming one world government.

You know right from wrong don't you? A person who's not a racist doesn't know right from wrong? You were created to distinguish between right and wrong; a person who doesn't is amoral. When you married you proved you were racist, you chose your wife over all the other women in the world, didn't you? Well didn't you? Racist! Every time you pull up to the gas pump and fill up your car you prove you are racist, you choose one grade of gas over the other, don't you? Racism! You racist, aren't you? Are you afraid of something's? Boy I am! Several weeks ago I was in the mountains of West Virginia and one of the families in the church took me way up in the mountains, where I found myself standing on some large boulders near a precipice looking down it was scary, it was an awesome sight but boy I was scared to death. Are you afraid of high heights? I am, if not, you're not natural. It's only normal to be afraid of high heights. And it's perfectly natural and healthy to be racist if not you've got a mental situation. God made you to be a racist! I'm a racist from head to toe; no one is going to force me to marry outside the white, Japhetic race. Not the government, you, the 9 Justices in Washington, DC and especially public opinion. You see God told me in scripture that to inter-racially marry is a sin and deserving of death. Feel free to give me a call and I'll prove it to you, Phone: 410-623-2391. People don't read their Bibles anymore, that's right, there is such a lack of knowledge of the Bible in this country anymore that our freedoms are being stolen right from under us. And God said it would be so. Hosea 4:6 "My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children."

This new one world order cannot come to full fruition until all the races are inter mingled, come together, homogenized and looking alike and yes, I fly the Confederate Flag on our property 24 hours a day. I'm not a fan of Abe Lincoln either; he's the only president in US history to start a war without the permission of Congress. He's also the only president to hire 300,000 foreign troops, foreign mercenaries to win that war. The Civil War didn't start over slavery it started over "State's Rights" and over a 40% tax levied against the South while 10% up North. Good ole Abe used slavery as a cover for his crimes in starting that war. There's more to come about that guy, I even question whether he'll be in Heaven or not. Check the Congressional record for yourself! I have it in print right here on my desk. Let me quote good ole Abe and his religion "When I do good I feel good; when I do bad I feel bad, that's my religion." That's right from his own lips. It's clear throughout Scripture that God will never save a man on his own terms, It has to be on God's terms **alone!** Don't be stupid the rest of your life. Let me say again,

IT'S PERFECTLY HEALTHY TO BE A RACIST!
