

# RACE MIXING, A DEATH BLOW TO SOCIETY

Race mixing is a death blow to those who practice it.

*By Pastor Del Wray*

The Negro is being used as a tool by the Antichrist.

Race mixing is certain death to its practitioners. The people of this once great, beautiful and powerful nation have fallen as another victim in a satanic plot much more ruthless and vile than the American people are able to realize. Let me take you down the streets of Detroit, Cleveland, Kansas City, St. Louis, etc. and if you have never visited these places you will perhaps begin to see what I am speaking of. If you feel that the matter of the Negro hatred for Whites is exaggerated and is only the emotional raging of a bigoted "monster", then show me a sworn affidavit of your walk through Harlem, Watts or any other Black infested portion of our cities. Black crime is a reality to literally multitudes of our white people. Tell me why 70 to 80 percent of major crimes are committed by the African aborigines.

Good Pig Dead Pig; Here in the picture to your right is a dreadful drawing of a Black man violently plunging a dagger deep into the back of a police officer, who is given the disgusting title of "pig". This picture is just one from a coloring book distributed by "The Black Panther Party" and is given to Negro children to arouse, excite and stir up their animalistic appetites to kill not only the "pig" but to kill store owners, kill your neighbor, kill your wife, kill your sons, your daughters, your loved ones and to kill you. Let it be known though that before your wife or daughters are killed they will be raped by these savage creatures that roam our streets, not just once, but again and again and again and again.

The racial problem in America is not going to disappear, it's here, it's being felt, and its digging in, DEEP into the core of each and every one of us who has not been brainwashed by T.V., Newspaper, Radio and the repugnant "Black History" courses being taught in the

classrooms today. We are constantly being bombarded with anti-white propaganda and our people are becoming ashamed of the color of their skin. As a white man or woman, it is your right and in fact your duty to speak with pride and have a proper feeling of esteem for your white heritage. It is because your race has been the founding and building race of all civilization of merit. It is the only race that has the ability to think in the abstract and make use of creative abilities.

Never-the-less, regardless of the Negroes inability to create a civilization of merit they have suddenly spiraled up into the mainstream of politics, education and society. Why, one might ask has this been? What is the reason behind it? Adam Clayton Powell, the Negro Congressman, now deceased, from Harlem, New York once stated, "We have the white man on the run and we will keep him on the run." The white man has been propagandized to the point he now begins to feel guilty for any racial pride he may have. The majority of our people I believe do feel inside of themselves that the white race really is of a higher order. But they have been taught, brainwashed and indoctrinated to the degree that they are afraid to openly declare their inner feelings. In other words, you are not supposed to say; "The white race is superior" or "White is beautiful" while all along we are told black is not only beautiful, but really something to be desired. A white girl should feel proud and haughty to have a black buck at her arm. Black men we are told are sexier than white men. Hollywood has made and persists in making movies to glamorize the fascination and romance of interracial marriage. Those cheap paperback books sold in drug stores are telling our young people that the white man is a beast and a vile, horrible person who has held down the Negro's intellect. We are told that the white man must now make atonement and reparation for this great sin of racial prejudice which has caused this great injustice to these blacks which are obviously men of peace, who desire only the best for people, who want nothing but love and brotherhood for all. But the truth of course is quite different. The Negro in America today (and worldwide) has been turned and manipulated into an uncontrollable wild savage creature. He pushes for total "Black Power." Stokely Carmichael stated a few years ago in Jet magazine (Jet is a magazine for Negroes) when asked "Why isn't integration working" that it was because the "White people don't want it." This is of course quite true and because the white people don't want it, the blacks will have to force it upon the white population

through "Black Power". Be sure when you have black power in America then you and me and all whites will not have any power!

The Negro has been thrust into the highest circles of American life. Now we are being told that Jesus Christ was a half breed, mongrel, racial bastard by some of the more popular preachers in this nation. Billy Graham, the Jewish proselyte to the National Council of Churches has stated many times that Christ was a mulatto. In a letter to me from the Billy Graham Evangelistic Association dated July 15, 1974 I received the following quote of Mr. Grahams': "Christ did not have a white skin, nor did He have as black a skin, perhaps, as the West African, Jesus Christ belongs to the entire world. He was truly a universal man." Contrary to what Billy says, Christ did not belong to the world, but was sent to save His people Israel (the white race) from their sins (Matt. 1:21, 15:24) For "Rabbi" Graham to make such a statement, should be enough for every Christian to turn in disgust and withhold any support to this jew-dized proselyte. But yet thousands of people will listen to him babble forth such blasphemies and sit back in their easy chair and declare "Amen and Amen."

Billy Graham though is not the only so-called minister of God who speaks "Death" to our race and God's people. Oral Roberts also glamorizes integration as well as perhaps your own pastor. If you support a man that does not publicly from the pulpit condemn this great sin of race suicide then you will be held accountable for contributing to the destruction of our race and nation. But rather support a man who speaks boldly for truth!

Integration does not and will not work! The only way for our racial problems to be solved is by complete geographical separation. This may seem extreme, but it is actually the very thing that will happen! According to your Bible when Jesus Christ establishes His Kingdom, "they shall every man turn to his own people, and flee every one into his own land." (Isa. 13:14). Did you know that was in the Bible? Did your preacher ever tell you? The Negro cannot live in a white society and measure up to the intelligence and civilization of white society. That's why whenever integration is imposed upon a white community in the way of jobs, schools, etc. the standards have got to be lowered to accept the Negro. Ben Hulman, a Negro (who was) director of U.S. Community Relations Service, after years of being an integrationist

said a few years ago while still holding that office: "Integration has become an unrealistic and perhaps unwise goal for American Blacks. I seriously question the wisdom of busing Negro children to white schools to produce full integration." But yet the Jews and bleeding heart politicians who want the Negro vote still continue to push for integration and the destruction of our race in order to enhance their own careers and line their pockets. America, we are told has this race problem because we've held the Negro down and have not allowed him to advance in the community. The truth is, the Negro does not have the mental capability to compete with whites. England too, has her problems as does any nation where close contact with blacks exists. In the English magazine Race Today, Mr. Farrukh Dhondy, a teacher at Archbishop Temple Comprehensive, Lambeth Rd. South London, wrote this of black children "Their models of ambition don't include the work ethic and this single fact enlivens their reaction to the system within the school. They challenge discipline, study and routine."

Despite the fact that the Negro has not produced anything of excellence was discussed in the book The Clansmen by Thomas Dixon (Mr. Dixon was a minister that filled leading churches in Boston and New York. His book later became the basis for the award winning movie The Birth of a Nation). He wrote the following, if only the world would hear!

"Since the dawn of history the Negro has owned the continent of Africa, rich beyond the poet's fancy, crunching acres of diamonds beneath his bare black feet. Yet he never picked one up from the dust until a white man showed to him its glittering light. His land swarmed with powerful and docile animals, yet he never dreamed a harness, cart or sled. "A hunter by necessity, he never made an axe, spear, or arrowhead worth preserving beyond the moment of its use. He lived as an ox, content to graze for an hour. In a land of stone and timber he never sawed a foot of lumber, carved a block, or built a house save of broken sticks and mud. "With league on league of ocean strand and miles of inland seas, for 4,000 years he watched their surface ripple under the wind, heard the thunder of the surf on his beach, the bowl of the storm over his head, gazed on the dim blue horizons calling him to worlds that lie beyond, and yet he never dreamed a sail. He lived as his father's lived—stole his food, worked his wife, sold his

children, ate his brother content to drink, sing, to dance, and sport as the ape. "We grant the Negro the right to life, liberty and the pursuit of happiness if he can be happy without exercising kingship over the Anglo-Saxon race, or dragging us down to his level. But if he can not find happiness except in lording it over a superior race, let him look for another world in which to rule. "Is the Negro worthy to rule over your he asks. "Ask history. The African has, held one fourth of this globe for 4000 years. He has never taken one step in progress or rescued one jungle from the ape and the adder, except as the slave of a superior race. "Nations are made by men, not by paper constitution, and paper ballots. We are not free because we have a Constitution. We have a Constitution because our pioneer fathers, who cleared the wilderness and dared the might of kings, were freemen.

But rule over us they seek to do! But when? How? At what point did we lose our nation? Last year? Was it 10, 15, 20, 30 years ago. When did we turn our beloved nation over to our enemies? Washington Observer in the May 15, 1974 issue they predict an all Negro army in the near future. We quote them as follows: "The all mercenary army now admits to 18% Negroes. This is about the ratio when all whites start to leave, as innumerable studies have shown, that whites in general cannot tolerate more than 15% Negroes in schools, neighborhoods and businesses. Thus you can expect an all-Negro army in the foreseeable future."

We previously mentioned that geographical separation is the only answer to the race problem in our nation today. We of course, are not the first to suggest this for we can go back to the early days of our republic and find great and notable men declare this same thing as the only solution to the race problem that existed then as well as now and has always existed when the two races are brought into close contact. Thomas Jefferson, suggested sending the Negro to Africa "With arms, implements of household and handicraft arts, seeds, pairs of useful animals, etc." and at the same time searching in "other parts of the world for an equal number of white inhabitants; to induce them to come hither." Henry Clay, one of the nation's greatest senators, at the first meeting of the American Colonization Society praised the organization for its purpose to "rid our country of a useless and pernicious, if not dangerous, portion of its population." Clay foreseeing the potential harm from the Negro population on

another occasion stated "of all classes of our population, the most vicious is that of the free colored people." President James Madison, over 150 years ago suggested the vast territories in the west as a place to deport the Negro. He also suggested in a letter to Marquis Lafayette in 1826, a plan in which the Federal government would purchase female slaves before they reached the age of puberty as a means to end slavery. George Washington himself stated that "I shall be happily mistaken if they (the Negro) are not found to be a very troublesome species of property ere many years pass over our heads." Abraham Lincoln also added these very wise words on July 14, 1862 to a delegation of Negro men. "Why should the people of your race leave this country? This is perhaps, the first question for proper consideration. You and I are different races. We have between us a broader difference than exists between almost any other two races. Whether it is right or wrong I need not discuss, but this physical difference is a great disadvantage to us both, as I think your race suffers greatly, many of them by living among us, while ours suffer from your presence. In a word, we suffer on each side. If this is admitted, it affords a reason at least why we should be separated."

Today, we are to be considered "odd" to say the least, if we suggest the very thing that Lincoln, Jefferson, Madison, Clay and Washington proposed. We do find though many Negroes who support such a measure. The largest of these Negro groups is the "Black Muslims" another group is the "Peace Movement of Ethiopia" headed by two Negroes W. A. Baker and James Hemphill. This group claims 2 million supporters. Baker said there is a bill that has been studied by the Foreign Relations Committee, for the voluntary resettlement of America Negroes to Africa. Congress was originally petitioned in 1939 to pass this bill, but it has never come up for a vote. Baker said the back to Africa movement will benefit both races. "If we don't have this, I'll lose my heritage and you'll lose yours ... I am proud of my black skin and I don't want to see a mongrel race."

The Negro serves a purpose here in America and therefore is not (even if he should want to) allowed to return to Africa. (Which the majority do not want, the greater number like to drain the prosperous white man and perhaps get his wife or daughter.) Why is this so? The reason, the reason may not be evident to the casual observer but to anyone who wants to see the truth behind the mess of lies from the

news media the answer is there never-the-less.

The Negro Civil Riots (oops! rights) is financed, operated and controlled by Jews who are the masters in this Satanic plot I mentioned at the beginning of this article. According to the Congressional Record—House 1957, page 8557 "This civil-rights business is all according to a studied and well-defined plan. It may be news to some of you, but the course of the advocates of the legislation was carefully planned and outlined more than 45 years ago. Israel Cohen, a leading Communist in England, in his A Racial Program for the 20th Century, wrote in 1912, the following: "We must realize that our party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mold them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor to instill in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause." We would like to point out that Communism was founded by Jews and of course Israel Cohen is Jewish. (Just for the record we would like to mention that Gus Hall (real name Mike Heiberg) head of the American Communist Party also happens to be Jewish. If anyone doubts the Jewish origin of Communism we would suggest that you obtain the book Behind Communism by Frank Britton.)

Rabbi Emanuel Robinovich, speaking to the Emergency Council of European Rabbis said in Budapest, 1952, "We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born, mixing the dark with the white means the end of the white man, and our most dangerous enemy will become only a memory."

As we have seen from the quotes above, the Jews have continually manipulated the Negro, and the Negro, because of his low intellect and animalistic character is a willing hand in this devilish plot to destroy God's people.

We realize that there will be many who will holler that our arguments are weak and unjustified. Let them prove we are wrong.

The Jew Is behind Communism, race-mixing and is dedicated to the destruction of Christianity and the white race.

Jack Greenberg (Jew) is the chief counsel of the National Association for the Advancement of Colored People. Likewise the head of the NAACP is not Roy Wilkins as you may suppose but is actually the Jew, Kivie Kaplan, who was preceded by another Jew Arthur Spingarn, he was proceeded by his brother who of course was also a Jew by the name of Joel Spingarn. You also should know that your three television networks are owned by Jews. These television networks control and regulate what 210 million Americans will learn every day.

ABC—The president and chief executive officer of ABC is Leonard Goldenson (Jew). The general manager of ABC News is Martin Rubenstein (Jew), and under Mr. Rubenstein as executive producer of ABC's TV News programs, is another Jew Avram Westin.

CBS—The top man at CBS is chairman of the board William S. Paley (Jew). The CBS News subsidiary is run by its president Richard Salant (Jew).

NBC—Robert Sarnoff (Jew) is president, chief executive officer, and chairman of the board of RCA (NBC is a subsidiary of RCA) Mr. Sarnoff's man in charge of news is NBC News president, who is as you may have guessed another Jew Reuven Frank.

There are thousands of others employed in various positions, but these seven JEWS have ultimate decision making power and dictate each day what we are to hear and "learn" regarding the national and world events.

In like manner most of your newspapers are owned outright by Jews, for instance Samuel Newhouse (who isn't Irish!) owns The Long Island Star Journal, The Long Island Press, The Staten Island Advance, The Birmingham News, The St. Louis Globe Democrat, The Newark Star Ledger, The Denver Post, The Springfield News. This is

to name just a few. This Jew also owns such magazines as Vogue, Glamour, House and Garden, Bride Magazine again naming only a few. There are also Jewish owners of (to name a few) Family Circle, Modern Medicine, Newsweek, New York Times, and TV Guide. It should be pointed out that the big city owned Jewish dailies like the Washington Post, New York Times and the Newhouse chain of papers also operate their own news services. Thereby they supply hundreds of small town papers with "canned" articles ready to be printed with no additional writing or editing needed. You must also realize that even those newspapers and magazines which are not owned by Jews outright, many and most times are controlled by Jews through the means of advertising accounts, which every newspaper must have to remain in business. Perhaps now you can see why all means of news media (not to mention radio control, and publishers of school text books and the publishers of trash on the drug store book shelves) is slanted in favor and support of Negroes and integration and against white Christian Americans.

Much evidence has been brought out, even recently, to prove that the Negro is inferior to the white race. Professor William Shockley of Stanford University and a Nobel Laureate has proven that the Negroes' low intelligence is not totally the results of environmental conditions but mainly an inherent trait. (Environment does not create the intelligence, rather the higher the intelligence level then the higher will be the environment that is created. The Negro cannot create an environment of worth.) He (Shockley) has shown that a Negro's IQ increases on the average of about 1% for every 1% of white ancestry. Professor Jensen, of Berkeley has shown about the same results. His study convinced him that intelligence is about 80% heredity. Dr. Henry Darrow a psychologist and professor has likewise shown this through his extensive research.

We have barely scratched the surface of this all important study into the race problem of America. Much has come out recently regarding the torture and cruelty whites must endure when penned up with Negroes in our State and Federal prisons. Whites are constantly sexually assaulted by black degenerates and many a young white boy when caged with these sub-human reprobates suffer from sexual abuse within hours after their incarceration. Whites many times are forced to band together in order to protect themselves from Negro

gangs. It is a shame and a disgrace that we have allowed this to come upon America.

There is a cure though for this and the other problems that faces America and the white race (Israel) today. Our people must turn back to the righteous commandments of God that He gave to our forefathers. Race mixing is a death penalty according to God's laws, it must be restored! We, as a people, must awaken to our heritage, realize we are the people of Almighty God and the Jews are imposters, in fact the enemies of all you and I hold dear. Our nation will have to recognize Jesus Christ only as King and obey those commands He gave to Israel, so we may have health, happiness and prosperity. As our nation undergoes punishment from God (Deut. 28) for her sins, we pray you will join together with us, so we may together "go through, go through the gate; prepare ye the way of the people; cast up, cast up the highway, gather out the stones; lift up a STANDARD for the people." (Isa. 62:10).

The Jew Is behind Communism, race-mixing and is dedicated to the destruction of Christianity and the white race. Race mixing is a death blow to those who practice it.
