

Oh No, What Have You Done?

[This page is a Restricted Page on my website. Why did you come here? You were told not to come here! It could have been dangerous even catastrophic to click that restricted button. Someone could have programmed some sort of a virus that could have brought down or crashed your computer destroying many of your valuable files. Thankfully this isn't the case. Many of our newer computers are sold now with programs written to detect just such cyber activity. Protection is available and much of it is at a cost and some expensive. Fortunately, this page has been added to WARN you of a far greater danger that's ahead and to tell you about the way you can be protected from that catastrophe! That danger is the ETERNAL "Wrath of God" and the only way you can be protected from it is by God's Only Begotten Son, Jesus Christ!]

"What if God, willing to shew his wrath, and to make his power known, endured with much longsuffering the vessels of wrath fitted to destruction: And that he might make known the riches of his glory on the vessels of mercy, which he had afore prepared unto glory,"
Romans 9:22-23

So would you let me share with you for a few moments how I was made a partaker of this eternal protection and freely it was given to me as a gift from the very Son of God Himself. He and He ALONE made all the provisions for it, He paid the only acceptable price in a sacrifice that His Father would accept and then gave it to me when I was a sixteen year old teenager growing up in Newport News, Virginia. How I learned about that protection was from the Holy Bible that for years had sat on a mantel in my parent's living room, untouched, I'm sorry to say. Here is how it all happened:

After the death of an older brother, I would walk to a nearby cemetery and stand over his grave in tears, for hours asking God why? Many evenings I would make that same trek and stand over his grave asking why? Why did he have to die? Why death? It became such a fixation that I was determined to find a cure for death. I didn't want people to die. I wanted to rid this world of the scourge of death! After much exhaustive imagining and heart searching I was on my way to go swimming one Sunday morning when I was drawn to return home and attend a local Baptist church in our neighborhood. There in the balcony of Ivy Memorial Baptist Church I heard the claims of Jesus Christ:

"I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. Believest thou this?" John 11:25-26

There it was, the answer I was seeking "...shall never die."

That morning I accepted His claims, took Him at His word and received everlasting life an eternal protection that can never be lost and where death is no more, the plague and scourge conquered. Ever since then I've been traveling this world warning everyone of the wrath to come and the only cure for man's plague, "death", is the very words found in the Holy Bible, the promises of Jesus Christ. Here are those very words, promised by Jesus Christ

Himself as written in the only book He has ever authored, the King James Bible, that you too may receive life eternal as I have:

I remember reading in the ONLY book, the Bible that God has supernaturally passed down to us, how our first two parents succumbed to the temptation that I similarly proposed to you “**Restricted Page**” As they, so did you and I, we all have failed. That succumbing brought the entrance of death into this world because of man’s disobedience to his Creator also known as SIN. The Apostle Paul was no different; the greatest preacher to walk this earth other than Jesus Christ Himself had the same similar problem. Look at what he said:

"For the good that I would I do not: but the evil which I would not, that I do" Romans 7:19

And he ultimately asked:

"O wretched man that I am! Who shall deliver me from the body of this death?" in Romans 7:24

Below is the answer to man’s greatest problem:

And that answer is found in Jesus Christ. He loved us so much that He died on the cross and paid the penalty for our sins. He offers each one of us forgiveness and eternal life.

Jesus Christ is the only way to obtain forgiveness so that we can live eternally, right now, with the redeemed in heaven, freed from this body of sin.

We **must** accept His gift of forgiveness, it cannot be earned. How do we accept this gift?

"...Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house." Acts 16:31
