

STAND AGAINST THE ABOMINATION OF RACE MIXING

Why God Uses The Word “Bastard”?

“A bastard shall not enter into the congregation of God: even to his tenth generation shall he not enter into the congregation of God.”
Deuteronomy 23:2

“But if ye be without chastisement, whereof all are partakers, then are ye bastards and not sons”. Heb. 12:8

Even without intermarriage, just allowing mixed races into the white churches is disobedience to God. Do you say you didn't see that in your Bible, this is because mistranslation conceals it from you? No doubt you were puzzled when you read the following in Deuteronomy 23,

“A bastard shall not enter into the congregation of God: even to his tenth generation shall he not enter into the congregation of God.”
Deut. 23:2

Also Zechariah 9:6 “And a bastard shall dwell in Ashdod, and I will cut off the pride of the Philistines.” Non-Jewish Canaanite

The Hebrew word mistranslated “bastard” is the word “mamzer.” It means a “mixture, a half breed or mongrel”. It has nothing to do with whether the child's parents were married, but refers to the Forbidden Mixture of Races. This Is Why the Penalty Extends For Ten Generations; it shows how seriously God treats this sin. It is true that the mulatto child is not to blame for his parents' sins, but he/she is still a mulatto. The first generation would be a half-breed; the second would have at least a quarter of the black blood. The third has at least 1/8th; the fourth 1/16th; and so on. In the tenth generation, the Negro blood may be as small as one part in 1,024, yet God says this is too much to be allowed to enter into the congregation of God as it does mean the same in the Christian church.

Racial Agitation is Marxism:

The social gospel emphasizes reformation instead of salvation. Social reformers advocating integration, wittingly or not, are followers of the Marxian doctrine of a one-world, classless society with one race, the human race. Integration by force serves the following Communist objectives: divide and conquer, amalgamate the races, centralize power in an autocratic federal government; and set up a police state using the Negro's "civil rights" as a front for federal policing. Integration is from the Communist platform whose program calls for reinterpreting Scripture to serve their purposes.

If you admit that your church is not worthy to be called the congregation of God, then perhaps this doesn't concern you. But if your church is, or trying to be the congregation of God, hadn't you better obey God's own commandment concerning it?

Of course, you don't believe God's Word anymore you have never believed it. God knows who believes and who doesn't.

Forget what most preachers tell you about the Bible, and read it for yourself. "What's good for the goose is good for the gander." If, as the Judeo-Christian preachers preach, the law only applies to "Jews" and you believe in your heart it is good for them, why would you demand less for yourself or your children? We are all black, White, Yellow and Red perfect just the way God made us. Do not mongrelize, and don't let your children.

As individuals, it is time we do as Phinehas or Nehemiah, and stand up and make a zealous stand against the abomination called race mixing. True, Phinehas did get pretty zealous, but we can always try the course of Nehemiah who, we are told, "contended with them, and cursed them, and struck some of them and pulled out their hair, and made them swear by God" that they would never race mix again!

Do we care enough about our precious culture to protect it against those liars and anti-Christ's who would see it die? Are we revilers of God's perfect creation? As Whites, let us restore ourselves to sanity and embrace what is holy and right. Separate from the mixed multitude, even if it is your local congregation! "*Come out from among them and be ye separate.*"

Race mixing is a plague against purity and an abomination to God! Shun it and those who practice it. Do not enter a church with a multicultural congregation, for you will not find God therein! May the God of Abraham, Isaac and Jacob bless you with truth. See Hebrews 12:8.
