

THE ATTITUDE OF COMMUNISM TOWARD CHRISTIANITY

The Russian leader Vladimir Putin is nothing more than a marionette puppet having his strings pulled and manipulated by the Jewish Communist bureaucracy that controls the Soviet Union. As has been many of the previous Presidents of the United States. Money speaks! It is yet to be seen whether the current President Donald Trump will succumb to the same Communist Jews in America.

An old philosopher once said, to know a thing well one must understand its first cause. It is unpleasant to realize that a certain element of apostate Jewry is behind the turmoil of this dark hour and the present Soviet persecution through which the Church of Jesus Christ is passing.

The Jews and Communism: No informed person who is truthful denies the Jewish character of Communism! The writer recently published the names and nationalities of every leader in the Moscow dictatorship as it was set up many years ago. It was discovered that out of the 545 members of the bureaucracy, 454 were Jews and there were only 23 Russians in the group.

In other words, the Russian people are governed by a gang of anti-Christian foreigners, many of whom are said to be unable to speak the language of the people they govern. Some of the principal officials of the Red government are reported to have come from the East Side of New York.

It has been said on the floor of the United States Congress, and the charge has not been denied, that a certain Jewish banking concern in Wall Street sponsored Trotsky's mass meetings of rebellion in New York some years ago, sent him across the ocean secretly, and deposited millions of dollars in a Swedish bank to the credit of the destroyers, with which the Russian revolution was financed.

In her remarkable book "Waters Flowing Eastward", Mrs. L. Fry states that back in 1893 a Jewish secret order here in America appointed Jacob Schiff, a Wall Street Jew, chairman of its committee on Russian revolutionary activities. If this is true, it simply means that Mr. Schiff sat at his desk in New York and directed the

destruction of the Czar's government thousands of miles away.

It is impossible to separate Jewish Communism from Jewish Capitalism. Laboring men who think they can free themselves from the Money Power by embracing Communism are being betrayed by soap-box oratory.

The Moscow leaders are the world's wealthiest Capitalists. They own one-sixth of the earth's surface. They control one hundred and sixty million Gentile slaves. The Russian people are not allowed to vote, own property, exercise free speech, enjoy the freedom of the press, or worship God. The masses are kept in their weakened, helpless condition by the most powerful system of secret police ever invented in the history of the world.

The attitude of Communism toward Christianity was explained by Lunatcharski, one of the leading Jewish members of the Moscow dictatorship:

"Why should we believe in God? We hate Christianity and Christians. Even the best of them must be regarded as our worst enemies. They preach love of one's neighbor, and pity, which is contrary to our principles. Christian love is a hindrance to the revolution. Down with love of one's neighbor; what we want is hatred. We must know how to hate, for only at this price can we conquer the universe. We have done with the kings of the earth; let us now deal with the kings of the skies. The anti-religious campaign must not be restricted to Soviet Russia: it should be carried on throughout the entire world. The fight should also be developed in the Moslem and Catholic countries, with the same ends in view and by the same means."

There is no way of knowing how many millions of Russian Christians have been slain during the last one-hundred years because of their faith in Jesus Christ.

The magazine, *New Outlook*, recently carried an article entitled, "Men of Russia." It was the author's purpose to make a critical examination of the ringleaders of international Communism. He says: "Some of the businessmen are Russians, but most of them are of other bloods, and practically all of them have prison records. In considering the

men of Russia, it should be remembered that it isn't often that ex-prisoners get a crack at the society which punished them, but they did in Russia."

The writer in New Outlook then proceeds to discuss some of Moscow's principal Jewish fiends:

"Joseph Stalin is a minor official of the Soviet Government. He is but one of the three hundred or so members of the Central Executive Committee, and yet, nevertheless, he was the first man of Russia. Although serving as secretary of the All-Russian Communist Party, Stalin was not a Russian. His every feature is commensurate with 'Stalin', the Russian word for steel." Parenthetically it should be remarked that Stalin was merely the customary "Gentile Front" for the Moscow Jewish leaders. His Gentile wife died a "mysterious" death and he immediately married a Jewess.

"Lazarus M. Kaganovitch is a member of the Politbureau or arbitrary 'Brain Trust', and chief organizer of the Second Five Year Plan. This Polish Jew was Stalin's Number One Boy, and was his logical successor as dictator.

"Maxim Maximovich Litvinov is Commissar of Foreign Affairs. He was the super-traveling salesman of Bolshevism. This shrewd Polish Jew has fought diplomatic battles in every political arena where the gate receipts warranted his appearance. He returned from these victories from time to time to his spacious Moscow office to check up one more Red diplomatic triumph by sticking a new red glass tack in the huge map which covers the wall behind his desk.

"Klementy Voroshilov (another Jew) was Commissar of War and Commander-in-Chief of the Army and Navy. He is the dashing yet modest cavalry officer who was charged with preparing the Russian forces for an anticipated war.

"Mikhail Kalinin, (an Armenian Jew) was President of the Union of Soviet Socialist Republics. Like all big leaders, he served his term in prison, taking an important part in the revolution of 1905 as a member of the Council of Workers' Deputies.

"Karl Radek, (another Jew) was Contributing Editor of Izvestia, official government newspaper. Radek has frequently been suppressed by radical organizations for being too radical.

"Michael Borodin, Editor of the English-language Moscow Daily News. This Czechoslovakian Jew was educated at Valparaiso University in Indiana; and spent many years agitating for the International Communist Party, in Spain, in Mexico, in America, the British Isles, and China.

"'Just' Podolsky, master of the Foreign Office Press-Censorship Bureau. He may have a first name, but it is doubtful that anyone in Russia, including his wife, knows it. He is a soft-spoken Jew in eight languages, not counting American slang, of which he has a thorough knowledge. Padolsky was a hundred percent Communist.

"Jerry Lifschitz, Ex-Vice-Yankee Consul, ex-Second-in-Command of Moscow Amtorg. This Polish Jew had an American jail and prison record for I.W.W. activities; and an added palm for being twice tarred and feathered by irate Midwest American farmers.

"Comrade Smirdovitch, (another Jew) is the 'Red Pope'. Smirdovitch, an atheist, is the official restrainer and regulator of religion in the U.S.S.R. He was a member of the important Central Executive Committee. As the official Anti-Christ of the Soviet Republics, he decided how far remaining priests of the church may go toward preaching the Word of God. Kindly, cultured, educated, tolerant in manner, Smirdovitch says religion will die out when divorced from superstitious ritual, pomp, and fear. His job was to help kill it."

Toward the close of the article, the writer in the New Outlook says: "But the men who control Russia are not Russians. Members of the Jewish race from all over the world predominate. Every member of the foreign office press censor bureau is a Jew. Little men of Russia who help in responsible positions, heads of offices, trusts, are mostly Jews."

Let Christians remember that the international Jewish Communists and Capitalists expect to eventually destroy all Gentile governments, rule the world, and establish throughout the earth the kind of

conditions they have introduced in Soviet Russia. They expect to murder all Christian believers and blot Christianity out of existence.

The struggle is between the philosophy of the Jew Karl Marx and the Gospel of the Lord Jesus Christ.

The manner in which the Moscow Jews have proceeded with their program of destruction is recorded in a quotation taken from the London Times dated November 14, 1919. The quotation is a letter written by a British army officer, who was stationed at the time in southern Russia, to his wife in England. It reads:

"The Bolsheviks are devils. I hope to send you copies of 64 official photos taken by British officers at Odessa when the town was taken by the Bolsheviks. I suggest you make them widely known. Their horror may make people realize. The victim gets crucified with nails through his elbows. The hands are treated with a solution which shrivels the skin. The skin is cut out with a razor, round the wrist, and peeled off, till it hangs by the fingernails, a human glove. The victim gets terrified and goes insane. Other photos are of women. Women with their breasts cut off to the bone. Passes issued to Bolsheviks by commissaries authorize holders to arrest any girl they fancy for use of the soldiery. Sixty-two girls of all classes were arrested like this and thrown to the Bolshevik troops. Those who struggled were killed. The rest when used were mutilated and thrown dead or dying into the river. Slaughter-houses were choked with corpses. Hundreds of suspects, men, women, and children, were herded in these, doors and windows manned and the struggling mass fired into until most of them were dead or dying. The doors were then locked and they were left with veritable plague spots causing widespread epidemics. The Bible, to them, is a 'counter-revolutionary' book to be stamped out. Churches are used for anything from movie shows to 'slaughterhouses.'"

Let no Christian be duped into believing that we are supposed to sit supinely by and permit the Reds to create a reign of terror in America simply because this menace happens to be a "Jewocracy." True, there is a stratum of Jewry that is indeed "Chosen" and has been a blessing to humanity through the centuries, but there is another stratum that is a "curse in all places" as Jeremiah said they would be. Speaking

through the lips of the prophet in Ezekiel 38:3, God said: "I am against thee, O Gog" and this is a clear reference to Communism with its seat of government in "Meshech" (Moscow).

It is possible that this invisible empire has existed as a self-propagating body ever since the Jewish leaders contacted the Chaldeans while in Babylonia. Persons holding to this view agree that the organization has almost completed its course, that the time for the consummation of the plot is near at hand, that the last great attack is now being launched for the purpose of setting up an international system of Jewish government. The existence of this secret sinister organization in New Testament times is implied in 1 John 4:3, "And this is that spirit of anti-Christ whereof ye have heard that it should come; and even now already is it in the world."

The entire cabal (plot) is so large and far-reaching, its motives so hellish, its plan of attack so contrary to Christian thinking, that it simply staggers the mind when it is first exposed to view. But the results of its devastating influence may be seen both in history and among the nations today. It breathes the spirit of the last great Beast-Emperor described in the thirteenth chapter of Revelation. It discloses the perverted Messianic theories of an apostate people.

This anti-Christ force has apparently manifested itself from its underground sources in different ways at different periods of history, but never with the boldness and permanency that it has since it came to the surface so many years ago.

There have always been two kinds of Jews. One racial division represents all that is highest and best in Jewry, and regards the Jews primarily as being a system of religion. The other has little inclination toward religion, but regards Jewry as a political State, the purpose of which is to conduct world conquest until the nations are brought under one head with themselves in control and all the Gentiles changed into servants.

In AD 70 when the Romans turned against the designing and wicked political leaders of Israel, the Pharisees and Sadducees were driven under cover. With the dispersion that followed, their taint was taken to the ends of the earth and has grown up in every nation. No doubt

Jesus had this in mind when he warned to: "Beware of the leaven of the Pharisees and of the Sadducees." In all parts of the world it appears that this poison "leaven" is "leavening" the whole lump of the nations. What used to be the Russian Empire is now completely "leavened."

These are the subversive forces that have moved through the centuries, changing their form from time to time as governments have been made to heave, totter, cave in, and fall, but always with the same object in view, a final culmination when all nations will be leveled and a super-Jewish State set up, presided over by one man, their apostate Messiah. This is the genius behind Socialism and Communism.

Let me say it again,

Let Christians remember that the international Jewish Communists and Capitalists expect to eventually destroy all Gentile governments, rule the world, and establish throughout the earth the kind of conditions they have introduced in Soviet Russia. They expect to murder all Christian believers and blot Christianity out of existence. The struggle is between the philosophy of the Jew Karl Marx and the Gospel of the Lord Jesus Christ.
