

CHRIST'S BITTER DENUNCIATION OF THE PHARISEES

Christ bitterly denounces the Jewish leaders of His day as should be done by the pastor's of our day. Instead we find the Church's leaders in ignorance and in league with the devil, aiding the enemies of His Church who are out to destroy Christianity. A Babylonian System that is the most mysterious, gigantic and diabolical.

“And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird. For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies. And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.” Rev. 18:2-4.

The prophet Jeremiah foretold the destruction of this mighty Babylonian system which now controls the world Jeremiah 51:63-64, and our Lord Jesus Christ added His own words in Revelation 18 that you've just read. Here we find that this world system is held accountable before God for the blood of the prophets, the saints and all that were slain upon the earth.

In Matthew 23:31-35, as Christ faced the Pharisees eye to eye, He said to them: "... Ye are the children of them which killed the prophets. Fill ye up then the measure of your fathers. Ye serpents, how can ye escape the damnation of hell? Wherefore, behold, I send unto you prophets, and wise men, and scribes; and some of them ye shall kill and crucify... and persecute them from city to city: that upon you (the Pharisees,) may come ALL the righteous blood shed upon the earth, from the blood of righteous Abel ..."

In this scathing manner, Christ linked the Pharisees of His time with the Babylonian Red Jewish World Power to come and which He will ultimately destroy, MYSTERY BABYLON, THE GREAT Rev. 17:5. A reading of the foolishness and utter blasphemy of The Talmud will throw new light on Christ's bitter denunciation of the Jewish leaders

of whom He said in Matthew 23:13-15: "...for ye shut up the kingdom of Heaven against men: for ye neither go in yourselves"

But Christ's bitter denunciation of the Pharisees reached even deeper than the Pharisees themselves. In Matthew 23:15, Christ clearly states that their converts become "twofold more the child of hell" than their convertors. This can be clearly seen in the attitude of the so-called Christian Zionists who are hell-bent on defending Zionism, no matter how evil it may be. Men such as, Jerry Falwell, Pat Robertson, Jimmy Swaggart, Jack Van Impe, to name a few.

It can also be seen today in world affairs where the prostituted converts of the great Pharisee banking and industrial czars are key men who are often better fronts and more zealous than their masters in building up the Red anti-Christ world. More and more we see so-called Christian leaders enter the Zionist movement of World Brotherhood which is designed to destroy the Christian world.

Jesus clearly warned us in Matthew 6:24: "No man can serve two masters"

Yet well-known Christian leaders such as those just mentioned give credence and honor to the enemies of Christ who are clearly defined in 1 John 2:22-23. Then they turn their backs on the admonition given in 2 John 10-11 and encourage their people to do the same. Here, the Apostle John states that anyone who gives aid and comfort in any way to the anti-Christ's becomes a partaker in their evil deeds.

At the time (approximately 96 A.D.) when the Spirit of Christ prompted the Apostle John to write the book of Revelation, He had him mention the ...blasphemy of them which say they are Jews, (Judeans) and are not, but are of the synagogue of Satan Revelation 2:9 and 3:9.

According to The Jewish Encyclopedia, the Jewish political party of the Sadducees disappeared and the Pharisees were in complete control of Judaism. In fact, the word Judaism is synonymous with Phariseism.

Whether these Jewish leaders were lineal descendants of Judah, was

not the issue. They had access to the Word of God, but instead of adhering to it, they readily and eagerly adopted the pagan traditions of Babylon which nullified the Commandments of God See Matthew 15:3-9 and Mark 7:5-9.

The Apostle Paul made it clear over and over again that the promise of blessing to Abraham and his seed was to come, not through his "blood line," but through Christ. (This is a lesson many Christians need to learn.) Now to Abraham and his seed were the promises made. He saith not, ... seeds, as of many; but as of ... ONE ... which is Christ ... And if ye be Christ's, then are ye Abraham's seed, and heirs according to the promise Galatians 3:16, 29.

You may be of pure Abrahamic lineage, (I sincerely doubt that any such man or woman exists) but you cannot enter the Kingdom or obtain to the promises made to Abraham except through Jesus Christ. Maybe this truth is one of the reasons that some people in identifying with Jesus Christ hate the Apostle Paul. In his own words he said: Am I therefore become your enemy, because I tell you the truth? Galatians 4:16.

The question should rise in the mind of any discerning Christian whether the Jewish boasts that they are the "seed of Abraham" has any genealogical substance. Jesus repudiated this idea when He said, "... If ye were Abraham's children, ye would do the works of Abraham. But now ye seek to kill me, a man that hath told you the truth, which I have heard of God: this did not Abraham" John 8:39-40.

Are the present-day Jews the lineal descendants of the patriarch Judah? The Zionist apologists such as Falwell and Robertson would say, "Yes, of course!" But, the Holy Word of God gives us a different answer, a resounding "NO!"

According to the 1964 Jewish-American Press, over half of the Jews in Palestine at that time were either Negroes or Orientals and, ever since, there has been a constant war of discrimination against these ethnic groups and against Western or Sephardim Jews.

Mrs. Dilling tells of attending a conference and sitting next to a blue-

eyed lady with a German accent. This lady boastingly said: "I am Jewish." When Mrs. Dilling asked her, "How do you know you are Jewish? How far back can you trace your ancestry?" the woman had no answer. She stated that she had been trained in The Talmud in her synagogue before she had been converted (?) to Christianity. When Mrs. Dilling told her, "I have spent twenty years studying The Talmud," a terrible silence fell, and the woman left during the singing of the next hymn. Apparently the Jewess had never met a goy who knew what her Jewishness meant and was unable to cope with the situation. She had posed as a "star" among Christians who assumed that she was a "cousin of their Savior," when in reality she was an alien to the Commonwealth of Israel.

Most of the Christian people in America and Canada are similarly misinformed. Their pastors do not give them facts, but constantly propagandize them with the oft-repeated, "Jesus was a Jew," the "Jews are God's Chosen People," and "either bless and help the Jews or you will come under a curse from God." This latter is the one Falwell loves to quote.

Shem, Ham and Japheth were the three sons of Noah. To be a Semite, one must be a descendant of Shem. Just because a man or woman claims to be Jewish does not mean they descended from Shem. The Negro comedian, Sammy Davis, Jr., claimed he was a Jew, yet I know of no Christian Zionist who is stupid enough to claim that he descended from Shem. The same goes for Liz Taylor and many other white people who have been seduced into Judaism.

In Esther 8:17, approximately 510 B.C., we learn that many people of the Persian Empire, which covered 127 provinces stretching from the Indian to the Atlantic Ocean, became Jews for fear of the Jews." This did not mean that these thousands, or possibly millions, of people were descendants of the Tribe of Judah.

When Moses died, approximately 1451 B.C., Joshua led the Israelites into Canaan or Palestine as we know it today. God warned him to drive out ALL the inhabitants of the land lest the sexual abominations of the Canaanites, who were descendants of the son of Ham, would cause Israel to sin Genesis 10:15-18 and I Chronicles 1:13-16. A study of the books Joshua and Judges will reveal that instead of driving out

these heathen abominators, the Israelites intermarried with them and adopted many of their abominable ways. This is why we find the prophets thundering their denunciations against both the House of Israel and the House of Judah. Finally in 721 B.C., God, in His wrath against the northern ten tribes "House of Israel", purposed that they be taken into captivity east of the Euphrates River by the Assyrians. For all intents and purposes, these people became lost to human history, but not to God.

The consequences of the prophets' dire warnings against the southern Kingdom of Judah finally took place between 600-586 B.C. These people, following in the footsteps of their brethren from the north, became even more evil in their works. They were taken captive into Babylon, all except the very poorest and basest of the people. Remember, most of this kingdom had been carried away by the Assyrians at the time of the northern invasion. Among those that were left, the cream of the crop was taken into Babylon. There were only approximately 49,000 who eventually made their way back to Palestine.

Jacob, later called Israel, had twelve sons who fathered twelve tribes who became known as the Children of Israel, or Israelites. Three of these started their tribal history by marrying non-Israelite women. Judah married a Canaanite woman, a descendant of Ham Genesis 38. His offspring were Hamatic as well as Semitic. Four hundred years later, around 1300 B.C., his descendants through his half-Hamatic son, Shelah, were weavers and potters I Chronicles 2:3 and 4:21-23. Simeon, another of Israel's founding fathers, married a Canaanite woman Genesis 46:10.

Egypt had been settled and peopled by the Mizrain, the descendants of Ham. It was known as "the land of Ham" Numbers 12:1; Psalm 78:51; Psalm 105:23; Psalm 106:22. Contrary to public belief, these people were white, not black!

Over and over again, in monotonous repetition, we read in the books of Joshua and Judges how Israel triumphed over the Canaanites. Yet many Israelites disobeyed God by allowing the Canaanite gods to remain in the land, and eventually these Israelites intermarried with these captured peoples. In Numbers 33:55, we read Moses' warning

to Israel: But if ye will not drive out the inhabitants of the land from before you; then it shall come to pass, that those which ye let remain of them shall be pricks in your eyes, and thorns in your sides, and shall vex you in the land wherein ye dwell. Israel did not believe God then and they paid the price for their disobedience. Modern Israel today, the white nations of Christendom, refuses to obey God and is suffering the same penalties for their disobedience.

The sins of the Northern Kingdom of Israel were those of inter-marriage with the Canaanites and the making of altars of sin. They began to follow after the abomination of those heathen people which God knew they would do if they allowed them to remain in the land. One of those sins was the offering of their children to the god Molech, just as we, their offspring, are offering our unborn on the altars of "legalized abortion." Ephraim, the dominant tribe of the Northern Kingdom, "hath mixed himself among the people," Hosea 7:8; 8:9-11. Isaiah called them the "drunkards of Ephraim" Isaiah 28:1-3. The charges against them were mixing with abominators and whoring under every green tree Isaiah 57:5 and Deuteronomy 12:2. This hardly makes for a generation of purity.

It is exceedingly difficult to understand how the modern-day Pharisees have convinced the Christian world that the Jews stem from a pure Judah-Israel stock, since Christians have access to Scriptural records which prove otherwise. In Christ's time, when the Pharisees boasted of being Abraham's children, He threw their boast back in their faces Matthew 3:7-10; John 8:33-44.

When the Jews of today say: "We are the children of Abraham and are therefore entitled to the land of Palestine". Our answer should be, "So what! Millions are!" After all, God told Abraham that he would someday be the father of many nations Genesis 17:5 and that his descendants would be as the sand of the sea, many in number. Abraham did not father only the Tribe of Judah from whom the Jews claim they come. He had sixteen offspring by his wife Keturah from whom came the Midianites and hordes of mid-eastern peoples. Through his son Ishmael, born of Hagar, he fathered twelve separate nations. However, the great promise to Abraham was Jesus the Christ, not the Jews.

Furthermore, Moses was not a Jew. He was a Levite on both sides of his family Exodus 2:1. Abraham, Isaac and Jacob were not Jews. There were no people called Jews anywhere in the world until almost 1200 years after the time of Abraham when they first appeared in 2 Kings 16:6, fighting with the king of Syria and the king of Israel against Ahaz, the king of Judah. To call Moses, Abraham, Isaac and Jacob Jews is a sign of ignorance at best and intellectual dishonesty at worst.

Only one tribe, the tribe of Judah, has provided any possible ancestry to the people known as Jews. This would comprise only a tiny minority today since most modern-day Jews are Ashkenazim, who, according to The Jewish Encyclopedia are Turko-Mongolian by racial and family background and whose ancestors never set foot in Palestine. Grabbing the entire Old Testament and claiming it to be their own, as the Pharisees do today, is false and misleading since the religious book they follow is The Babylonian Talmud (according to their own leaders). It is also false and degrading for Christians, whether in the denominational world, among evangelicals or fundamentalists, or among the Kingdom identity people, to deny Christ's descent through Judah as was prophetically foretold.
