

# THE CHURCH IN AMERICA STANDS AT A CROSSROADS

Christianity faces its greatest danger in 2000 years.

*By Pastor Del Wray*

The Christian Church in America stands at a crossroads. My purpose in these writings is to expose the Jewish Talmud which is to the Jewish world what the Bible is to the Christian world. In the words of Jewish author Herman Wouk, it is the "heart's blood of the Jewish religion." It is to expose it's hatred of those who are Christians and for Jesus Christ Himself. Its revelation is the complete annihilation of Christianity from the earth.

My purpose is not to downgrade the Jewish people, or stir up resentment against them. My purpose is to expose the Talmud's contents and the Jewish opinions of we Gentiles, and to explain, often in their own words, how they feel about you, the "goyim" (a Yiddish word meaning "non-Jew animal"), and about your religion, Christianity. It is written as a means of protecting ourselves from the greatest threat to ever face Christianity in our two thousand years of history. We cannot, we dare not, over look this threat if we are to survive as a free people.

Someone has said, "It is better to light one candle than to sit in darkness." For over fifty-eight years I have attempted to light many candles. Where I may have failed during this period of time, I hope to see the day when one of these candles of truth will burst into flame and, like a long smoldering spark, start a conflagration which will sweep across America like a prairie fire and illuminate vast areas with truth for the first time.

It has been contended for Centuries that in the end, truth will always prevail. We know that "truth in action can prove itself a dynamic force of unlimited power." But, truth has never been a self-starter. Truth has never been able to get off dead-center, and unless its apostle is willing to give it the necessary push to overcome inertia, "truth will die a-borning!"

On the other hand, truth has often been blacked-out by repeated, contradictory and conflicting misinformation. The world's history provides many examples of this sobering fact. Treason toward truth is treachery to mankind.

There are no degrees of truth. Truth is absolute! It can never be relative! Truth either exists, or it does not. There is no such thing as a half-truth, any more than there can be a person who is half-honest, or half-loyal. In their attempts to do an ounce of good in one direction, many well-intentioned people have done a ton of harm in another direction.

Regardless of what anyone says to the contrary, Christian faith stands today with

one foot in the grave and the other on a banana peel. It is distasteful to admit it, but it is true. While Christian churches have been increasing their membership rolls, Americans have been on a downhill, degenerate slide to ruin. Morally, we are in the sewer, and the churches have been unable to stop the destruction. In fact, they seem bent on greasing the slide. They offer "Christian rock," a contradiction in terms if there ever was one. They offer Bingo in the basement and live lavishly on other peoples' money. The exposure (pun intended) of the TV pulpiteers indicates the moral climate of this country. And what is the reason behind this degeneracy? There is a reason, and this book will reveal that reason. What is the hidden power which has such a powerful effect on the Christian world in 1991? What is the anti-Christ force which has turned the twentieth-century church into the Laodicean church of Revelation 3:14-18; a church which knows it is rich and influential and yet which cannot, or will not, see that it is "wretched, miserable, poor, blind, and naked?" What can bring this wretched church back to its place of greatness where it can carry out Christ's plan of salvation?

Today, the Christian church stands at the crossroads of destiny. The divine and sacred mission of the Christian faith faces a danger at this juncture in history which is greater than any it has faced in 2,000 years. If the day ever comes when Christians cannot profess their faith as they do today in America, then we will see the beginning of the end.

The history of the world, for the past several Centuries and current events at home and abroad confirm to the intelligent person that there is indeed a conspiracy afoot to destroy Christian civilization. The world-wide plot of these diabolical conspirators has been instituted while most Christians have been asleep in front of their pulpits and their TV's. For the most part, the Christian clergy, who should have been in the forefront of exposing this danger, have been indifferent or ignorant and have been the ones who assisted the enemies of Christ in their efforts to destroy us. This ignorance and indifference have dealt a blow to the Christian faith from which many will never recover.

Today, more than ever before, Christians need a "spiritual Paul Revere" who will ride across this land, warning that the enemy is closing in on them.
