

THE COMING WORLD DICTATOR

"And this is that spirit of Antichrist, whereof ye have heard that it should come; and even now already is it in the world." 1 John 4:3.

One word proves the Bible is true, the "Jew".

I am not an enemy of the Jews. For many years my written and spoken words have been full of such phrases as, "There is a very real sense in which the Jews are God's Chosen People. Taken as a whole they are the most remarkable race of people in the world. They have retained their existence as a separate and distinct people in spite of hundreds of years of persecution. The most ingenious methods have been used by other nations in seeking their destruction but they have weathered every storm. In the coming world crisis the Jew will play an important part in the drama of end time fulfilled Bible prophecy.

Let it be remembered that Jesus Christ came to earth dressed in the garb of a Jew."

For nineteen hundred years these strange people have wandered over the earth, like the legend of the Wandering Jew, without a homeland; yet they have retained their race consciousness and are more firmly banded together today than any other nation in the world. This very thing makes them the great miracle of both history and prophecy. No other feature need be considered to confirm the fact that over them there is an existing providential leadership.

The prophetic pronouncement that the Jews would be both a blessing and a curse: From Genesis to Revelation we read of their origin, national victories, apostasy, delusions, suffering and final triumph. No matter where they go or what they do, as a nation, they are simply being poured into the molds of prophecy, fulfilling a predestinated purpose. It is impossible to understand the historic and prophetic phases of the Bible without understanding the position of the Jews with reference to the program of the ages. Though they frequently prove to be a curse to the world, yet their ultimate blessing is assured because we are told that following the coming epoch of world-wide "tribulation" that "They shall declare my glory among the Gentiles." Isaiah 66:19. The Genesis prophecy will then be fulfilled, "Thou shalt be a blessing." The promise made to father Abraham has been fulfilled a thousand times, "And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed." Genesis 12:3.

But when considering their virtues and blessings in one period of history, we are also duty bound to contemplate their short-comings and observe what a curse they have been to other periods. The present age in which we are living finds them in a "delusion", as described in Isaiah 66:4. We are also reminded that on the day of the mock trial of their Messiah, Whom they rejected, they invited a

national curse, in these words, "His blood be on us, and on our children." Some of the prophecies describing them as being a dangerous channel of mischief and evil to the world are as follows: "Thou shalt become astonishment a proverb, and a byword among all nations." "Thou makest us a byword among the brethren, a shaking of the head among the people," "A reproach a taunt and a curse in all places." "This people's heart is waxed gross and their ears are dull of hearing and their eyes have they closed."

Perverted lack of consideration for others: The Jews are essentially an egotistical people. Embedded deep in the subconscious strata of their natures is the everlasting feeling that "I am better than thou." In olden times Gentiles were called "dogs".

It is in the blood of the Jew to look with contempt upon other nationalities. No matter how he may try to overcome it, the feeling always lingers with him, that he is superior to others that he is made from special cloth. This would be a legitimate assumption if his people were loyal to their calling and true to the moral principles and commandments of the Bible. But in his present condition he is apostate and his bigoted attitude only becomes an egotistical perversion.

Being of superior intellect and possessed of superfine intuitive, soul and emotional qualities, when the Jew becomes self-centered and hypnotized with the delusion of his own powers, he is capable of sinking to depths untouched by mortals of lesser mental and spiritual equipment. Gentile persecution has isolated and made him bitter. Resistance in opposing his persecutors has, in turn, made him strong. In overcoming his enemies he has become sly, subtle, cunning and deceptive. It is in his deepest religious nature to take advantage of the Gentile "dogs" who have sought his destruction for so many centuries. His spiritual sentiments lack the altruistic outlook upon life. He crucified the One Who taught, "All things whatsoever ye would that men do to you, do ye even so to them."

It is the consensus of opinion among the nations of the world that the Jew is the rightful owner of Palestine and that it is only a question of time until the Zionist Movement will succeed in its attempt toward restoration. The World War broke the grip of the Turk upon the Holy Land thus making possible the inflow of a Jewish population. For more than one hundred years, students of eschatology have been describing the return of the Jews exactly as we see them going back today. The Bible Predicted the Jews Return to Palestine.

It is prophesied that they will return in unbelief and spiritual darkness. Their success will not be the result of deep religious convictions accompanied by the piety of their fathers so much as from political maneuvering and financial scheming. As a matter of fact, the triumph of restoration occurs during a time of dark apostasy. And when the various leaders of Zionism pull out of the nations of the world they will take so much gold that an economic collapse will be certain to follow. It is reliably reported that a small group of wealthy Jews control the financial destiny of the entire world and could affect a foreclosure at any time.

They are said to hold a mortgage on civilization.

The present quickening of the national consciousness in Jewry is described symbolically by Jesus in the twenty-fourth chapter of Matthew as "the budding of the fig tree." In prophecy, the fig tree typifies Israel. Jesus predicted that the sap of patriotism would come up in the veins of the nation as we see it being done at the present time. The entire nation is now energized by a new spirit.

The "Mystery of Iniquity," the inner workings of what appear to be the most mysterious, gigantic and diabolical plot ever perpetrated against an unsuspecting world has been uncovered in recent years by certain breath-taking disclosures. For years this writer has been sifting reports, making observations and accumulating material; step by step and fact upon fact, certain hidden forces have been traced back, back, back to their secret sources, and if the evidence reaching him is based upon actual facts, then it is safe to say that a certain group of heartless, wealthy, powerful Jews are guilty of a monstrous wrong which cannot do other than eventually react against their race. Were it not for my knowledge of Bible prophecy, I would be utterly without explanation for this alleged crime against Gentile civilization. But with a knowledge of the prophetic Scriptures it is not difficult to trace the Antichrist spirit through the entire chain of evidence and see how the nations of earth are preparing themselves, and moving unmistakably toward the final and inevitable period of universal suffering, when our humanity will literally burn itself out in the white fires of its own lusts.

The present world-wide economic collapse, the breaking down of moral standards, the ever increasing corruption in politics, the disrespect for law and order, the growing selfishness and suspicion existing between nations, the general disregard for God, the birth and development of Communism and the atheizing of the masses of people, may all be explained by the hypothetical proposition that behind the scenes there is; "THE POWERS THAT BE"; a small group of super-intelligent personalities who control the gold of the world and pull wires for the deliberate purpose of tearing down the Gentile peoples. Fantastic as this may seem at first glance, careful observation reveals that such a hideous scheme is a decided possibility.

When facing these disclosures, one comes to understand, in a new way, the meaning of Paul's words:

"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

Evil forces rooted in "Personality": All destructive ideas originate in the plastic, formless realm of the abstract and become potent only when embodied in the brain cells of rational personalities, thus becoming concrete. The whole invisible sphere of the mind and spirit of man is inhabited by intelligent forces. When the mind hurls itself into a great mental wave, it is like the contact formed when two

electric wires are united. Sparks are generated. The unseen becomes seen, the invisible cause produces a visible effect, and the personality becomes obsessed with a creative impulse. Satan therefore works through personalities, even as God also accomplishes His purposes through personalities. Black and white currents flow constantly from hidden sources out into the world. It is decidedly possible for men to permit themselves to come under the control of demon powers. Black dragons and white angels fight constantly for race supremacy.

Things do not just happen. Back of every effect there must be an adequate cause. Behind every abnormal condition with which the human family is victimized, there are equivalent evil forces. I knew that the hellish agencies which are today going out to the ends of the earth, had to have their secret octopus-roots fastened in demon-possessed brains somewhere; so I started reasoning from effects back to causes. I soon came upon the amazing discovery of what purports to be a conspiracy, which is centuries old, to overthrow the religious and governmental systems of the Gentile world.

Disraeli, the Jewish Premier of England, once said, "The world is governed by very different personages from what is imagined by those who are not behind the scenes." I believe this to be literally true. There is cause to suppose that about three hundred men from different parts of the world, work behind the scenes, pull wires and launch schemes for the purpose of accomplishing their selfish ends, to promote world chaos. And, I firmly believe that it was in this realm that Communism had its origin.

The Birth of Communism: The principle of Communism has existed for centuries. Its primary purpose has been to create internal strife and revolutions. If it is true that its leaders have existed as a self-propagating organization for hundreds of years for the purpose of influencing Jews toward precipitating acts of violence in all parts of the world, it may not be amiss to credit them with bringing about the fall of many nations through the centuries. Professor Sergio Nilus claimed that in 1905 they were concentrating their guns upon Russia. It is significant to note that the leaders of the Russian revolution were Jews, including both Lenin and Trotsky. While Russia is the only nation so far that has come under the complete control of the revolutionary spirit, yet out from it has gone the same Red idea to the ends of the earth. Today, there is scarcely a spot in the world over which the Red shadow is not being cast. This is exactly the plan made known in their Agreement, written record also known as The Protocols, whereby all nations are to be thrown into internal chaos, making it necessary eventually to turn to the powerful Jews, who control the gold of the world, for relief. It will be then, that they will offer our humanity a political and financial Messiah. The world wide menace of Communism, exactly as we see it today, is outlined in these documents as an important part of the international conspiracy.

An International Jewish Conspiracy: Professor Sergei Nilus was a Jewish Russian religious writer and an Official of the Dept. of Foreign Relations in Moscow and

was responsible for publishing for the first time "in full" The Protocols of the Elders of Zion in Russia in 1905.

A few random extracts from these Protocols will now be submitted showing these Antichrist leaders were planning back in 1905 to make the entire world a breeding place of Communism: "The intensified struggle for superiority and shocks delivered to economic life will create, nay, have already created, disenchanted, cold and heartless communities. Such communities will foster a strong aversion towards the higher political and towards religion. Their only guide is gain that is gold, which they will erect into a veritable cult, for the sake of those material delights which it can give. Then will the hour strike when, not for the sake of attaining the good, not even to win wealth, but solely out of hatred towards the privileged, the lower classes of the goyim (non-Jew) will follow our lead against our rivals for power, the intellectuals of the goyim. Throughout all Europe, and by means of relations with Europe, in other continents also, we must create ferments, discords and hostility. Therein we gain a double advantage. In the first place we keep in check all countries, for they well know that we have the power wherever we like to create disorders or to restore order. All these countries are accustomed to see in us indispensable force of coercion. In the second place, by our intrigues we shall tangle up all the threads which we have stretched into the cabinets of all States by means of the political, by economic treaties, or loan obligations. But you yourselves perfectly well know that to produce the possibility of the expression of such wishes by all the nations it is indispensable to trouble in all countries the people's relations with their governments so as to utterly exhaust humanity with dissension, hatred, struggle, envy and even by the use of torture, by starvation, BY THE INOCULATION OF DISEASES, by want, so that the gentiles see no other issue than to take refuge in our complete sovereignty in money and in all else. But if we give the nations of the world a breathing space, the moment we long for is hardly likely ever to arrive. But, in the meantime, while we are re-educating youth in new traditional religions and afterwards in ours, we shall not overtly lay a finger on existing churches, but we shall fight against them by criticism calculated to produce schism. The word 'freedom' brings out the communities of men to fight against every kind of force, against every kind of authority, even against God and the laws of nature. For this reason we, when we come into our kingdom, shall have to erase this word from the lexicon of life as implying a principle of brute force which turns mobs into bloodthirsty beasts. These beasts, it is true, fall asleep again every time when they have drunk their fill of blood and at such times can easily be riveted into their chains. But if they be not given blood they will not sleep and continue to struggle. This is the reason why it is indispensable for us to undermine all faith, to tear out of the minds of the goyim the very principle of Godhead and the spirit, and to put in its place arithmetical calculations and material needs. In our day the power which has replaced that of the rulers who were liberal is the power of gold. Time was when Faith ruled. The idea of freedom is impossible of realization because no one knows how to use it with moderation. It is enough to hand over a people to self-government for a certain length of time for that people to be turned into a disorganized mob. We appear on the scene as alleged saviours of the worker from

this oppression when we propose to him to enter the ranks of our fighting forces, Socialists, Anarchists, Communists, to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our social masonry. The aristocracy, which enjoyed by law the labor of the workers, was interested in seeing that the workers were well fed, healthy and strong. We are interested in just the opposite, in the diminution, the killing out of the gentiles, especially Christians."

The Antichrist; To the person who has not taken the trouble to inform himself regarding what the Prophecies say about the rise of a world Dictator, the idea at first glance may strike him as being a heavy draft on the imagination. However, a careful study of Bible Prophecy in the light of history and current events will show that everything is being made ready for the appearance of just such a colossal personage, whose characteristics are outlined down to the smallest details. Under the administration of this great industrial, philosophical, political, intellectual and financial Monarch the most unspeakable tortures will be visited upon the human race, in the end time of this dispensation, prior to the second coming of Christ. Everything in The Protocols converges upon the coming of one Man and the specific objective of the Elders, according to these documents, is to set the stage for him.

This Superman will be offered to the world by the powerful apostate Jews as their Messiah and for a brief period of about three and one half years, according to the Prophet Daniel, he will administer world affairs in a most satisfactory manner. At the beginning of this period, he will officially declare Palestine to be the property of the Jews and will make his headquarters in Jerusalem. He will be the blackest, most ferocious, diabolical character the world has ever known, a counterfeit Christ, energized by demon power, a veritable Judas-Nero-Napoleon-Mussolini-Nietzsche, all rolled into one super-personality. It is my deliberate conviction that this man is in the flesh at the present time. In the not distant future he will be unveiled as the world's most powerful potentate, a high-brow, a scholastic, a wizard in finance, a Superman. But, before his unveiling there will be perpetual outbreaks of anarchy, war, political upheaval and economic abnormalities. The Bible show how unrest is being created for this express purpose. He will emerge as the human saviour to bring cosmos out of chaos. For over twenty years I have been familiar with the facts relating to the coming of a world Dictator, and have proclaimed them constantly but only in recent years have I learned of the "powers that be" consciously preparing the way for his coming. I am now ready to say that from all indications the Bible describes perfectly the highway on which this great character will walk when he appears on the scenes with great glamour and drama. Many Scripture verses could be quoted from both the Old and New Testaments in confirmation of the above deductions. Back in the fifth century before Christ Zechariah predicted that the tribe of Judah would get the wealth of the world out of Gentile hands. The modern Jews are of course descendants of the tribe of Judah although the term Jew has come to stand, in modern times, for the entire Israelitish nation. Zechariah 14:13 speaks of the coming tribulation period which will consummate the present age of Gentile history as a time when

everyone will raise his hand against his neighbor. Then the 14th verse says this will take place when Jews control the finances of the world: "And Judah also shall fight at Jerusalem; and the wealth of all the heathen (Gentiles) round about shall be gathered together, gold, and silver, and apparel, in great abundance."

Practically, every page of The Protocols breathes the Antichrist atmosphere. Here and there we have culled utterances by these leaders which all students of eschatology will recognize as being in exact parallel of the plain teachings of the Scriptures regarding the coming of the Devil's Christ. A few typical quotations are as follows: "Without an absolute despotism there can be no existence for civilization which is carried on not by the masses but by their guide, whosoever that person may be. The mob is a savage and displays its savagery at every opportunity. The moment the mob seizes freedom in its hands it quickly turns it into anarchy, which in itself is the highest degree of savagery. When the hour strikes for our Sovereign Lord of the entire World to be crowned it is these same hands which will sweep away everything that might be a hindrance thereto. Ever since that time we have been leading the peoples from one disenchantment to another so that in the end they should turn also from us in favor of that King-Despot of the blood of Zion, whom we are preparing for the world. By all these means we shall so wear down the goyim that they will be compelled to offer us international power of a nature that by its position will enable us without any violence gradually to absorb all the state forces of the world and to form a Super-Government. In place of the rulers of today we shall set up a bogey which will be called the Super-Government Administration. Its hands will reach out in all directions like nippers and its organization will be of such colossal dimensions that it cannot fail to subdue all the nations of the world. You gentlemen, here present, who are economists, just strike an estimate of the significance of this combination! In every possible way, we must develop the significance of our Super-Government by representing it as the Protector and Benefactor of all those who voluntarily submit to us. The recognition of our despot may also come before the destruction of the constitution; the moment for this recognition will come when the peoples, utterly wearied by the irregularities and incompetence, a matter which we shall arrange for, of their rulers, will clamor: 'away with them and give us one king over all the earth who will unite us and annihilate the causes of discords, frontiers, nationalities, religions, State debts, who will give us peace and quiet, which we cannot find under our rulers and representatives.' If already now there is not a single State where there exist for us any barriers to admittance into what goy stupidity calls State secrets: what will our position be then, when we shall be acknowledged supreme lords of the world in the person of our king of the entire world. The supreme lord who will replace all now existing rulers, dragging on their existence among societies demoralized by us, societies that have denied even the authority of God, from whose midst breaks out on all sides the fire of anarchy, must first of all proceed to quench this all-devouring flame."

Down to the closing sentences of The Protocols, the coming Superman is described. The concluding statements of these leaders in the twenty-fourth amendment of their marching orders are as follows, "The King of the Jews must

not be at the mercy of his passions, and especially of sensuality: on no side of his character must he give brute instincts power over his mind. Sensuality worse than all else disorganizes the capacities of the mind and clearness of views, distracting the thoughts to the worst and most brutal side of human activity. The prop of humanity, in the person of the supreme lord of all the world of the holy seed of David, must sacrifice to his people all personal inclinations. Our supreme lord must be of an exemplary irreproachability."

The above notation with reference to the demands of purity on the part of their coming false Messiah may appear high sounding in its phraseology at first glance but Daniel says the same thing in the eleventh Chapter of his book in the 37th verse, "Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god, for he shall magnify himself above all."

The End: Apostate Jewry will actually dramatize their Superman to the position where supernatural claims will be made for him, and strange enough, he will live up to the claims. Standing at the head of a great, humanized religious system which he will have invented, he will demand and receive worship.

Ten dictators will emerge out of the political and economic chaos of Central Europe in the near future and he will stand head and shoulders above the other nine. He will occupy the spotlight on the stage of the world for about seven years, after which his career will come to a tragic close. There will be no end to revolutionary achievements on his part, but the revival of the old Roman Empire, and the official restoration of Palestine to the Jews, will be two of his major accomplishments.

Concerning the giving of the Holy Land to the Jews, Daniel says, "And he shall confirm the covenant" for seven years and "in the midst" of this period, or after three-and-one-half years, he will cause the daily sacrifice in the Jerusalem Temple which will have been reestablished, to cease and with supreme blasphemy he will assume the position of a modern deity. The Apostle Paul describes this stupendous event in these words, referring to the Antichrist, "Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God." Daniel calls this "the overspreading of abominations" and Jesus refers to it as "the abomination of desolation (standing) in the holy place." At the instant this horrible event takes place the final "great tribulation" will break upon the world in all its fury.

The Antichrist will manipulate superhuman powers during his reign and will be the world's greatest master mind in all scientific, political and economic matters. He will possess new knowledge and will achieve wonders which will make the whole world gasp. Daniel says, "But in his estate shall he honor the God of forces." He will produce poison gases, death rays, air machines, electrical devices and other destructive methods of warfare which will lash the whole world into subjection.

During the early period of his catastrophic reign his mastery of the arts of arbitration and diplomacy; his genius in disposing of economic, industrial and political problems, will inspire the confidence of the deceived human family. His ability to bring temporary harmony to a world which has been upset by the secret conspiracy of the "Powers that Be" will draw to himself the support of the torn nations. He will eventually become THE MAN OF THE AGE. Standing at the head of a World Bank, he will introduce a universal, standardized currency and will dominate the money markets of the world. Hence the words of John the Revelator, "And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: and no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name." This describes his absolute dictatorship of business and economics, the power of Mussolini multiplied many times over!

About seven years after his ascension to power, when the most horrible war of history will be in progress under his domination, Jesus Christ will return to this planet exactly as He went away. The Antichrist will be utterly destroyed by the brightness of His appearing and the 110th Psalm will be literally fulfilled, where we read "The Lord said unto my Lord, sit thou at my right hand, until I make thine enemies thy footstool." Jesus Christ has enemies, but in that day they shall become His footstool. The Jews will then "look upon me (Christ) whom they have pierced (at the time of His crucifixion)." The "delusion" will be lifted, the scales will be taken from their eyes, and under the personal leadership of their true Messiah they will become ambassadors of good-will to minister throughout the whole earth. It will then be known everywhere that the Jews have been truly a Chosen People since the days when God first called father Abraham out of Babylon, although guilty of many mistakes during the intervening centuries.

But even under the reign of the coming Superman, there will be a faithful "remnant," a spiritual nucleus of faithful ones within national Israel. As in Elijah's time when there were seven thousand who refused to bow the knee to Baal; as in Isaiah's time there was a "very small remnant"; as during the captivities there were loyal souls like Ezekiel, Daniel, Shadrach, Meshach, Abednego, Esther and Mordecai; as at the end of the Babylonian captivity the nation had Ezra and Nehemiah; as at the time of Christ there were loyal ones like John the Baptist who "looked for redemption in Jerusalem;" so also in the impending "tribulation" there will be a faithful group who will know both the Old and New Testament prophecies and will not be deceived by the cunning devices of the Superman and the national apostasy of their nation.
