

# THE JEWS WAR ON EUROPE AND THE WORLD!

Jews Importing Millions of 3rd World Migrants for the Final Genocide of the White Race

When are we going to Wake Up and start to unite together as a team, then, and only then, can we defeat the satanic Jewish rulers of the world. They continue to keep us fighting and hating each other, so we can never stand up as a whole and defeat them. Real Muslims are never shown on TV. Muslims you see on TV are the Jews dressed as Muslims, defaming them, to spread racism and hate among us. Wake up and stop hating false enemies that the Jews invent for us to focus on. Once we unite, we all can stop working for them, we all can stop paying taxes, licenses etc. The end of the fiat currency begins. No more slavery, debt poverty and control.

Our nature is sovereign (we are born free) and so, obviously, God wants us to be liberated from earthly rulers.

Every village and every town in Europe is now under attack as one million third world immigrants, with more millions to follow, make their way to Europe in a carefully coordinated plan between transnational Jewish finance, governments, local area and district councils and the vast criminal networks across the third world with whom the largest mafia in the world; the Jewish mafia, has been dealing with, coordinating human traffic with and trading in arms and drugs with since the commencement of globalism.

Focusing on Britain it is the remote areas which are now being targeted to ensure there is no refuge for the white man in any part of the Jew knighted kingdom. The Scots sheeple who were tricked by Jew Alexander Solomon to vote in the general election to throw open its doors to immigration now faces the possibility that the indigenous Scots people could be a minority in their own land within two years. Northern Ireland's towns are reportedly filling with young couples of Somali appearance who possibly are migrating en masse from Ethiopia. In any case the local people are not being informed of anything and simply have no idea whose these breeders, all of whom women have children in prams are coming from, nor do they dare ask or even privately comment on for fear of being called racist. In every case across Europe the immigrants are given free clothes, mobile phones, housing and even motor vehicles by the social security agencies.

The fact that this is a carefully coordinated plan is observed by how seamless and totally lacking in any visible element of chaos the operation is. A smooth, silent invasion with all the potential snags well ironed out in previous test cases in chosen areas.

The indigenous white people of Europe and the white peoples of America, Canada and the Australia's are now undergoing the second stage of their mass genocide, a deadly evil conspiracy which was agreed at the highest levels and in the greatest detail under the governments of Winston Churchill and Franklin D. Roosevelt, a pact made with international Jewish finance in 1940. An agreement which led to the creation of the Jew-EU.

## 'Islamization of Europe a good thing'

Rabbi Baruch Efrati believes Jews should 'rejoice at the fact that Europe is paying for what it did to us for hundreds of years by losing its identity.' He praises Islam for promoting modesty, respect for God

As concerns grow over the [increasing number of Muslims in Europe](#), it appears not everyone is bothered by the issue, including an Israeli rabbi who even welcomes the phenomenon.

Rabbi Baruch Efrati, a yeshiva head and community rabbi in the West Bank settlement of Efrat, believes that the Islamization of Europe is actually a good thing.

In very European country local newspapers, local broadcasters, local councils and community organizations, major broadcasting networks and the mainstream media are silent about the true impact and real sources of the huge invasion and assault on Europe now taking place. All this under the cover of a news blackout of any discussion as to it's real outcome and effect. Yes, we see the pictures of the boats bringing tens of thousands of people in every week, but it is all sold us to as some sort of wonderful Christian and humanitarian act endorsed by people like the Marxist Jew cock-sucking traitor pope in Rome, while on the other hand the great reassuring celebrities, commentators, news anchors, comedians and figures of broadcasting behave as if nothing serious is happening at all, or at least nothing to worry about and it is life as usual, the big party of modern, free, multigender, multiracial, diversity wonderment just goes on. Meanwhile the Judaized Judaea-Christian churches implore the faithful to 'welcome the stranger' 'turn the other cheek' 'love thy neighbour' and presumably just die out to make way for them.

And yes, no doubt we will receive little reassurances that the EU or NATO will perhaps, maybe send forces to North Africa to stop the boats, but it is nothing more than a sop to the stupid masses to shut down their minds and help them concentrate on more important issues like the latest football championship or who is going to win the current TV game show. *Meanwhile the long knives of the kosher butchers are being sharpened for their ultimate demise.*

And meanwhile all the apparatus of the state and entities like NGOs and charities are taking part in the scheme, especially the councils, many of whom in country areas have just recently centralized in order to no longer have be answerable to their constituents. Places like Northern Ireland have completely lost any accountability with the ending of local police forces and Mc Police stations operating in towns with no local accountability and only three centralized offices which serve whole regions. The regime is distancing itself from the people with the excuse of financial savings in the public sector sold to the British sheeple as a way for the Jewish government in Westminster to be able to give tax cuts to 'hard-working families.'

**ENDZOG CALLS ON ALL WHITE NATIONALISTS, NATIONAL SOCIALISTS AND FASCISTS TO BEGIN PREPARING THEIR MINDS FOR A WAR FOR THE DEFENCE OF EUROPE. A WAR TO EXPEL THE JEWS AND THEIR THIRD WORLD IMPORTS AND A WAR TO SAVE THE WHITE TRIBES WHICH COMPRISE THE WHITE RACE IN EUROPE, TO SAVE OUR LANDS AND OUR CIVILIZATION FROM A CERTAIN DESCENT INTO THIRD WORLD CHAOS IN WHICH THE JEW THROUGH HIS CONTROL OF MEDIA AND EDUCATION WILL INCITE HIS BATTALIONS OF COLONISERS AND INVADERS TO WIPE OUT THE WHITE RACE ALTOGETHER TO MAKE FOR THEIR LONG-PLANNED AND LONG-AWAITED JEW WORLD ORDER.**

Behind the curtains of their living rooms across the length and breadth of Britain and Europe, Jews and immigrants are dancing with joy that at last the day of the white man and his increasingly tenuous tenure of Europe is coming to an end. The hour of conquest, colonization and the final settlement of third Worlders in a Jew ruled Europe draws near. Every day the images in the newspapers, in advertising and on the television will show less and less white people as we are gradually rubbed out and rubbed off the landscape of what ZOG considers to be 'real modern Britain.'

Meanwhile all European governments are refusing to allow white South Africans to seek political asylum even as they are being daily raped, robbed and butchered in their beds by third world Mandela-style savages.
