

THE RACISTS SALVATIONISTS

*Its healthy to be racists, not to be is insanity!
Hear me out!*

By Pastor Del Wray

Many years ago God graced America with the greatest preacher of his day and our day to, his name J. Frank Norris; he was called “The Fighting Fundamentalists” who pastored the great First Baptist Church in Fort Worth, Texas the most controversial preacher of his day, the 1920’s. He was called the “Texas Tornado” the “Two Gun Parson” and remembered most for being tagged as the “Shooting Salvationists.” For you who don’t know him he was the greatest Baptist preacher of all time, that’s my opinion! He was always found preaching to large crowds in the thousands everywhere he preached. He pastored two churches at the same time, preaching to all who would hear him, politicians like William Jennings Bryan and over the radio he scorched the Roman Catholic leaders in his day. There in Fort Worth, many of the town’s leaders were Roman Catholic and he preached hell fire and brimstone so hot that one could feel the heat from the flames over the air waves it was said! And he gave scathing warnings about the Pope being the Antichrist on the air and in the churches. The Catholic’s were afraid of him! One of the town leaders was so infuriated that he called Dr. Norris and threaten to kill him over the phone. He told Dr. Norris that he was on the way over to the church to kill him, Frank Norris was seated in his office when the man came in to the church and he heard his footsteps as he walked over to his office and then his office door open and in stepped this large fella with a pistol in his hand. He began to speak and raised his gun toward the pastor who immediately shot him having pulled his gun from his desk drawer. The incident was all over the news; the papers told the story and a famous trial, a trial something like that of the recent “Stand your ground” trials in Florida. All over the country J. Frank Norris became known as the “Shooting Salvationists. And when the trial was over he was acquitted! A book was written “The Shooting Salvationist” about the trial and his life story. It still is available for purchase today I have a copy in my office. J. Frank Norris became known as the “Shooting Salvationists” and today in our day 2010 we Baptist preachers are being called the “Racists Salvationists” at least here in Maryland the tag has been used to define preachers like myself and it seems to be coming more from disgruntled church members. The Racists Salvationists!

Well it is true! Did you not know that the world considers the gospel that we Baptist preach, the gospel of the grace of God found in the Bible to be a racist gospel. Only one way to heaven and no other! The one world agenda has brainwashed many of those in our churches today! We are no longer thinking for ourselves! God’s people are succumbing to the racists lie! Racism is not dishonored in the Bible it is strongly approved by God! It’s the defining of the word that the world has tarnished and tainted. The ungodly are twisting it to mean something that it really doesn’t. The Federal Government is using it to further their program of centralized control of all citizens in the United States. Why do you think drones are used so widely today? Just twenty-five miles from where I am setting, right now, is a secret government Island in the middle of the Chesapeake Bay that the government doesn’t want you to know about and billions of dollars of your tax money is poured in to its construction each year so the Feds will have a place to spy on American citizens. Google Earth found it accidently and mapped its location or else no one

would have known about it. You are going to be made a slave of the United States Socialistic State! And this laodiceaing church age has swallowed it hook, line and sinker.

“Neither is there salvation in any other, for there is no other name under heaven given among men whereby we must be saved.”

Acts 4:12

The new agers will tell you if one believes the above verse out of the Bible that person is a racist. They’re convinced there is more than one way, many ways they say. Hell is ever enlarging itself each day because of such treachery. America is Hell bound because the Bible colleges and seminaries in this country have been turning out Bible critics and Bible corrupters not God honoring, God fearing preachers of the King James Bible.

This preacher became racist at the new birth, according to the world; the Lord separated me unto Himself. Unto Him alone! The gospel I’ve preached for over fifty-three years now, the gospel of the grace of God is the true gospel and can never be attained any other way other than as a gift! No other way! Not by works! Not by baptism! Nor by self merit! Only by Jesus Christ Himself! Such a gospel to the eyes of the religious world is a racist’s gospel. Religious and lost! No other sect of religious people preaches the gospel of the grace of God other than the Baptists. All others add or extract from 1 Cor. 15:3-4!

“For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; And that he was buried, and that he rose again the third day according to the scriptures:” 1 Cor. 15:3-4

The religious world hates Baptist and their doctrine, teaching of the grace of God! So we Baptist are being accused of racism! So I’m racist! They killed Jesus, His disciples, and His followers by the millions! They killed my ancestors because of their accusing eye of racism and the real gospel’s exclusion of all unbelief. It is this mark of differentiation that separates the true believers from all others! And for as much I write this paper:

Let it be known that this preacher wants’ the world to know that it’s no friend of his, the world is no friend of mine and I’m no friend of this world *“Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with God? Whosoever therefore will be a friend of the world is the enemy of God.”* and I mourn crying out WARNING “the world has infiltrated the church” as its people trade their sovereignty for “peace with the world.” PEACE! Nowhere in the Bible does it say we are to be at peace with the world. **Thank God! For the few that still stand by the stuff!** But, where did we ever get the idea that the true Church was to be at peace with the world? Where did we ever get the idea that sinners would like us? Sinners are not supposed to like us! Pastors diluting their messages to get the lost to like them, to accept their appeal while all the while damning the soul twice the sinner that he ever was! Enlarging Hell’s boundaries every minute by the thousands because of weak, panty laced, watered down, insipid preaching! No wonder America has been surrendered to the sodomites! And Bible preachers are no longer welcome in our churches because their lectures are considered too hard, demeaning or racist. Since when did the preacher become the searcher of a man’s soul? God gave that responsibility

to His Holy Spirit! We who are doing the preaching are only bearing His testimony! Are you able to distinguish between true and false, right and wrong or black and white?

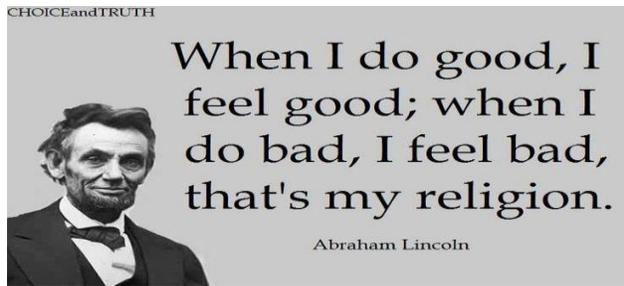

God created man to distinguish between right and wrong!

If a man's not a racist he's insane! Everyone is a racist in some form or other. If he claims not to be he's a liar. The word racism is new in the government's vocabulary, it's another one of those government made up terms being used to force our society today to surrender to this new world order scheme, so everyone conforms to each other and to the cloned robots in Washington D. C. and the CFR, "Council on Foreign Relations", and the "Trilateral Commission" haven't heard of them have you? You will! This is the two major organizations, outfits in the United States that are being used to bring about the coming one world government. All of which is in sync with the UN the EU and the Jesuits of Rome who will have the Pope "the black Pope" as he is called by the CIA of Roman Catholicism, The Jesuits is a Secret Society in the Roman Church like the CIA is to our government and the "black Pope" is the name the Jesuits have given him. They and the gentile world will have him rule over you from Jerusalem. I didn't say Rome I said Jerusalem.

Do you know right from wrong? Well don't you? A person who's not a racist doesn't know right from wrong? You were created to distinguish between right and wrong; a person who doesn't is amoral. When you married you proved you were racist, you chose your wife over all the other women in the world, didn't you? Well didn't you? Racist! Every time you pull up to the gas pump and fill up your car you prove you are racist, you choose one grade of gas over the other, don't you? Racism! You racist! Aren't you? Are you afraid of some things? Boy, I am! Several weeks ago I was in the mountains of West Virginia and one of the families in the church took me on a trip way up in the mountains, where I found myself standing on some large boulders over looking this beautiful valley, it was scary, it was an awesome sight but boy was I scared. Are you afraid of high heights? I am, if not, you're not normal. It's only natural to be afraid of high heights. And it's perfectly normal and healthy to be racist if not you've got a mental problem. God made you to be a racist! I'm a racist from my head to my toes; no one is going to force me to marry outside the white, Japhetic race. Not the government, the nine Justices in Washington, DC and especially public opinion. You see God told me in scripture that to inter- racially marry is a sin and deserving of death. Feel free to give me a call and I'll prove it to you, Phone: 410-623-2391. People don't read their Bibles anymore! That's right! There is such a lack of knowledge of the Bible in this country that our freedoms are being stolen right from under our noses. And God said it would happen! Hosea 4:6 *"My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children."* You can thank your preachers in your churches and your political leaders in government for treason. They are leading this nation down the road to a world dictatorial government.

This new one world order cannot come to full fruition until all the races are inter mingled, come together, homogenized and looking alike, men looking like women and women looking like men. And yes, I'm not a fan of Abe Lincoln either; he's the only president in US history to start a war without the permission of Congress. He's also the only president to hire 300,000 foreign troops, foreign mercenaries to win that war. The Civil War didn't start over slavery it started over "State's Rights" and over a 40% tax levied against the South while 10% up North. Good ole Abe

used slavery as a cover for his crimes in starting that war. The Jesuits of Rome had to have him assassinated. There's more to come about that guy, I even question whether he'll be in Heaven or not. Just because one becomes president does not make that person fit for Heaven. Check the Congressional record for yourself! I have it in print right here on my desk. Let me quote good ole Abe and his religion "When I do good, I feel good; when I do bad, I feel bad, that's my religion." That's right out of the mouth of Abe Lincoln himself. It's clear throughout Scripture that "God will never save a man on his own terms, it has to be on God's terms **alone**." Don't be stupid the rest of your life. Let me say again,

It's perfectly healthy to be racists! Yes, unless you, like most, have been programmed by Uncle Sam, the news media, TV, magazines and the school system. In that case you are nothing more than a clone jackass by the Feds without any morals, lost your mind, and perfectly insane. No ability to think for yourself anymore, too lazy, allowing others to think for you. Sounds like socialism and Catholicism to me.

He is a separatists, He separated male from female!
He is a racists, He divided the races!
He is segregationists, Just look to Babel's tower!

Our government and public opinion has conclude that racism is evil and our God to be wrong. We've signed our own death warrant, the coroner is at the door and judgment is heading towards this nation like a freight train coming around the bend and our churches today have swallowed their lie. Look at the condition America is in: A leader from the jungles of Africa, a Muslim has this country looking and acting like animals. Blacks are trying to be white and whites trying to be black, men looking like women and women looking like men, same sex marriages, homosexuals, queers, lesbians, faggots, dykes, frisco fairies and inter-racial marriages. Whites mixing with blacks against God's will as laid out in the law. Murder on demand, abortion the fig leaf factor hiding their sin. Schools are no longer safe, teachers with guns and kids with semi-automatic assault weapons. America is under God's curse; the last straw has been drawn and there is no stopping judgment on this country, not this time, it's headed for death and Hell! And the churches are filled with people who don't care, "let her alone, let her go, let me just live in my wealth and pleasure." Jeremiah, cried out in his day pronouncing judgment on Israel and they wanted to jail him, to kill him. It's too late! Israeli paratroopers went in and took Jerusalem back on June 7, 1967 from the Jordanians who controlled Jerusalem and made the city their sole Capital. Jerusalem is special to God He gave it to the Jews and now our government thinks it

should be divided and split up between Israel and the Palestinians, who call Jews pigs and vow to annihilate them. Such a partition contrary to God, man putting his fist in God's face! So call for the sake of peace. God forgive us! We don't know what we're doing! Leave the Jews alone! This one act will bring down America! That's the end of our country! When our government supports this pact and forces Israel through sanctions brought on by the UN, the EU and the Whore from Rome, America will be destroyed. When Jerusalem is divided once again by the gentiles God's anger will rise up in His face and America will be no more! Kiss her good bye! The writing is on the wall! Babylon, Oh Babylon, you're finished! Leave the Jews alone, America!
