

THE TALMUD AND THE JEW WORLD ORDER

Before we begin, let us do a thought experiment. Let us think about *why* there are Jewish lobby groups and organizations such as the [Anti-Defamation League of B'nai B'rith](#), America Israel Public Affairs Committee (AIPAC), and the Canadian Jewish Congress in the first place. Let us think about *why* AIPAC is the most influential lobbying group of the most powerful nation in the world, the United States. Let us think about the contradiction of the Jews being such a powerless and oppressed group, when in reality there are no other racial organizations of equal lobbying and political power in the West. Let us think about *where* the huge sums of money that are required to fund these organizations come from. Let us think about what *kind* of injustice and grievances the Jewish people and their organizations need to combat. Do they have something to hide?

The elephant in the room and the answer to those aforementioned questions is organized Jewry's disproportionate financial and political power. People do not want to talk about this issue because of the cultural memes that we possess about Jews; the fact that it is politically incorrect, verboten, and sometimes downright dangerous to do so; or, in the words of the French philosopher Voltaire:

“To learn who rules over you, simply find out who you are not allowed to criticize.”

This has great implications for the so-called New World Order, because Jews have been hoisted up as a group of people that we are not allowed to criticize, they are sacred cows, just as Voltaire said. To get a deeper understanding we must first learn where the term “New World Order” comes from.

The term New World Order comes from the discovery of the Americas and the naming of this discovery the New World. [Christopher Columbus](#), a Marrano Jew (Jewish convert to Christianity meaning “New Christian”), was the first to discover the New World. The New World was always intended to be a blueprint for a [Jewish Utopia](#), a place where unelected Jewish oligarchs rule over their non-Jewish subjects. Here is what one prominent rabbi of the Jewish faith has to say about the concept of a Jewish Utopia:

The sole purpose of non-Jews is to serve Jews. Goyim (Gentiles) were born only to serve us. Without that, they have no place in the world – only to serve the People of Israel. Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi (lord and master) and eat. – [Israeli Sephardic leader Rabbi Ovadia Yosef, Oct, 2010](#)

What you will understand is that when Jews start talking about humanity and Utopia, non-Jews are not included in those plans.

The New World Order hysteria of today is only becoming apparent to many because the final stages of the Jewish Utopia are falling into place in not just the New World, but

everywhere. If you put away your preconceived notions about what you think you know about Judaism while reading this essay, you will get a basic understanding that the New World Order is the Jew World Order and always has been. It is not an ambiguous group of elites trying to control every aspect of our lives and subject us to a life of servitude and reliance it can be quantified because humans are tribalistic and do not share great degrees of power with each other. In other words, the New World Order is not a multicultural soup with all races and people of color in all the important positions of power.

In the forefront are the Jews, following closely behind are their [Masonic lackeys](#) and Shabbos goyim (a non-Jew who performs certain types of work (melakha) for a Jew on the Biblical Sabbath). Assuredly, the New World Order is an at least two and a half thousand year old concept and has been right in front of your face the whole time; it starts with the thought control of religion. The understanding of this starts with the Talmud.

Introduction to the Talmud

The Talmud: An encyclopedic exposition of Jewish law and custom, compiled by hundreds of rabbis over the centuries. The American Heritage Dictionary describes it as “constituting the basis of religious authority for traditional Judaism.” The Talmud was first transcribed in Babylonian times, and the oral tradition is many centuries older. By the Sixth Century AD it was written down, becoming the most important religious work of the Jewish people and the chief canon of their religion. In it they finally codified their most chauvinistic tendencies.

Herman Wouk, the very popular Jewish writer, describes the influence of the Talmud as follows:

The Talmud is to this day the circulating heart’s blood of the Jewish religion. Whatever laws, customs, or ceremonies we observe — whether we are Orthodox, Conservative, Reform or merely spasmodic sentimentalists — we follow the Talmud. It is our common law.

Highlights from the Talmud

- Even the best of the [Gentiles] should be killed. (Babylonian Talmud, *Funk And Wagnalls Jewish Encyclopedia*. 1907. Gentile. New York. p.617)
- If a heathen [Gentile] hits a Jew, the Gentile must be killed. Hitting a Jew is hitting God. (Sanhedrin 58b)
- For murder, whether of a Cuthean [Gentile] by a Cuthean, or of an Israelite by a Cuthean, punishment is incurred; but of a Cuthean by an Israelite, there is no death penalty. (Sanhedrin 57a)
- Only Jews are human. [Gentiles] are animals. (Baba Mezia 114a- 114b)

- [Gentiles] prefer sex with cows. (Abodah Zarah 22a-22b)
- If an ox of an Israelite gores an ox of a Canaanite there is no liability; but if an ox of a Canaanite [Gentile] gores an ox of an Israelite...the payment is to be in full. (Baba Kamma 37b)
- Gentiles' flesh is as the flesh of asses and whose issue is like the issue of horses. (*Funk And Wagnalls Jewish Encyclopedia*. 1907. Gentile. New York. p.621)
- All [Gentile] children are animals. (Yebamoth 98a)
- A Jew may marry a three year old girl (specifically, three years “and a day” old). (Sanhedrin 55b)
- A Jew may have sex with a child as long as the child is less than nine years old. (Sanhedrin 54b)
- When a grown-up man has intercourse with a little girl it is nothing. (Kethuboth 11b)
- Jews may use lies (“subterfuges”) to circumvent a [Gentile]. (Baba Kamma 113a)
- What a Jew obtains by theft from a Cuthean [Gentile] he may keep. (Sanhedrin 57a)
- God will not spare a Jew who marries his daughter to an old man or takes a wife for his infant son or returns a lost article to a Cuthean [Gentile]... (Sanhedrin 76a)
- [Gentiles] are outside the protection of the law and God has “exposed their money to Israel.” (Baba Kamma 37b)
- If a Jew is tempted to do evil he should go to a city where he is not known and do the evil there. (Moed Kattan 17a)
- A heathen [Gentile] who pries into the Torah [and other Jewish Scriptures] is condemned to death, for it is written, it is our inheritance, not theirs. (Sanhedrin 59a)

The deception of Judaism and its connection to Christianity

The truth is that most people and especially Christians have no idea what Judaism really is. The intimate link between Judaism and Christianity is undeniable as the Old Testament contains the five books of the Jewish Torah (Genesis, Exodus, Leviticus, Numbers, and Deuteronomy).

Christianity is a Semitic religion. Christians are also believers of the Jewish God, Yahweh, of the Torah, whose books make up the bulk of its canon. The Old Testament is a Jewish supremacist document and contains the prophesies of the plundering of wealth and the conquering of all the nations of the non-Jews by Yahweh. Yahweh is not a god of peace and love when he says: “For that nation and kingdom that will not serve thee

shall perish; yea, those nations shall be utterly wasted.” (Isaiah 60:12) Go and read the Bible for yourself, not just the cherry picked verses that your pastor reads to you.

As such, most Christians do not realize that they worship a Jewish messiah, [Yeshua Moshiach](#) (Jesus Christ):

When Jesus therefore was born in Bethlehem of Juda, in the days of King Herod, behold, there came wise men from the east to Jerusalem, saying, where is he that is born King of the Jews? For we have seen his star in the east, and are come to adore him. (Matt 2:1-2)

Originally, Yeshua Moshiach came to fulfill the prophecies of the Torah and preached only the salvation of all Jews, his original message was: “[Go not into the way of the Gentiles...but go rather to the lost sheep of the house of Israel...I am not sent but unto the lost sheep of the house of Israel.](#)” (Matthew 10:7, Matthew 15:24) Christian Zionists are knowingly doing the dirty work of the Jews by deceiving gentiles about the real mission of the Jews: “And as ye go, preach, saying, The kingdom of heaven is at hand...Ye shall not have gone over the cities of Israel, till the son of Man be come.” (Matthew 10:5-6, 23)

The Jews are attempting and succeeding in creating this kingdom of heaven on earth for themselves as the human representatives of God, which is the eradication of most non-Jews and the enslavement of the rest: “Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter’s vessel [God (Yahweh) telling the house of Jacob that his Chosen People will destroy all other nations].” (Psalms 2:9)

Jews believe they possess a higher level of soul called a [neshomah](#) (a Godly soul that is from God himself), while non-Jews are without a neshomah and only possess an animal soul (Nefesh HaBahamis). To them, you are chattel to serve them in *their* world; *they* are the true racists and *their* books are hate speech. Remember, this is what Jews actually believe and this is the same God that [Christians](#) worship.

The complete and utter corruption of the religion does not stop there. Every year, on Yom Kippur (the Day of Atonement), every Jew says their [Kol Nidre prayer](#) three times:

All vows, obligations, oaths or anathemas, pledges of all names, which we have vowed, sworn, devoted, or bound ourselves to, from this day of atonement, until the next day of atonement (whose arrival we hope for in happiness) we repent, afore hand, of them all, they shall all be deemed absolved, forgiven, annulled, void and made of no effect; they shall not be binding, nor have any power; the vows shall not be reckoned as vows, the obligations shall not be obligatory, nor the oaths considered as oaths.

Essentially, the Kol Nidre prayer is a license to continuously lie all year, all sanctioned by Yahweh. So the next time a Jew tells you about his religion, remember that he said his Kol Nidre prayer and that everything coming out of his mouth may indeed be a lie, and remember, he is not committing a sin by doing so.

Now, knowing this, there are lots of lies and misunderstandings concerning Judaism, and rightfully so. For example, the horrible Talmud and “Talmudists” are not some heretical sect that branched off of Judaism; the Jewish people hold the Talmud as sacred. The Jewish hate literature known as the Babylonian Talmud is actually oral law that was written during Babylonian times, which predates the Torah. The Babylonian Talmud has undergone many additions by prominent rabbis over the centuries, and today it serves as a supplementary commentary and annotation of the Torah, which was written by Jews with the same mindset. This can be confirmed, because the ideas of the Torah contain watered down reiterations of the original concepts found in the Babylonian Talmud. The constant back and forth finger pointing of the “True Torah Jews” at the evil “Talmudists” is a false dichotomy, and one of the oldest tricks in the book.

Another false distinction is that the disproportionate influence of Jewish individuals in the affairs of the world are Zionists. Usually the argument is framed in such a way that the Jewish people as a whole are victims and smeared because of the actions of these subversive Jews giving other Jews a bad name. In other words, the fact that their Jewishness has nothing to do with it. But does their Jewishness *really* have nothing to do with it? What exactly is Zionism? The Random House Dictionary states that Zionism is: “a worldwide Jewish movement that resulted in the establishment and development of the state of Israel.” Clearly then, a Jewish person can follow the basic tenets of Zionism without being a Zionist themselves. Therefore, all Jews are Zionists, calling a Jew a Zionist is redundant, if not, they are not following Jewish dogma. I believe that the term “Zionist” gets used because without identifying its origins and inspiration from Judaism, simply calling them Zionists is a cover and a vague term like the “Illuminati”. In this case, semantics is important.

The non-Jews who are mere useful idiots to the Jewish agenda could be said to be Zionists, because they are willing participants in a system that serves Jewish interests and are agents for upholding the lies of the official narrative of the Israeli occupation of Palestine. These Shabbos goyim politicians and media personalities would never mention the [Deir Yassin massacre](#) on Jewish owned corporate television. The reality is that Zionism is only one aspect of organized Jewry, because Zionism is only a political movement that was started by [Theodore Herzl](#) in the late nineteenth century. Negative reactions to and sentiments of Jewish behaviors have existed for a much, much longer time than political Zionism.

Let us not beat around the bush so to speak, the state of Israel is a Jewish state, not a Zionist state, so the main proponents and supporters of Zionism would be the Jewish people. [Yahweh made an unconditional covenant with the Jewish people in order to establish national Israel](#). The God of the Old Testament also promised the Jewish people that they would rule over the non-Jewish nations. Is not what the Jewish state of Israel and its people doing to the Palestinians a fulfillment of the Talmud that states “even the best of the [Gentiles] should be killed”? In addition to the Talmudic mindset is former Israeli Prime Minister Menachem Begin’s view of non-Jews:

Our race is the Master Race. We are divine gods on this planet. We are as different from the inferior races as they are from insects. In fact, compared to our race, other races are beasts and animals, cattle at best. Other races are considered as human excrement. Our destiny is to rule over the inferior races. Our earthly kingdom will be ruled by our leader with a rod of iron. The masses will lick our feet and serve us as our slaves. — Menachem Begin, Israeli Prime Minister, 1977-1983. Nobel Prize Winner for Peace.

As you can see, the Jewish people have an atavistic hatred for non-Jews (their words).

Yet, despite being intimately connected with Christianity, Judaism is not a universalist religion, meaning that there are no Jewish people that come door to door asking you to join their religion. In other words, Judaism is an ethno-religious ideology and not for everyone, or else what would be so special about being a Jewish person?

A person only becomes Jewish by being born into the world as one. [Halakhic law](#) states that a person obtains their Jewish blood through matrilineal descent, meaning: [“traditional Judaism maintains that a person is a Jew if his mother is a Jew, regardless of who his father is.”](#) The Talmud states that proselytes and non-Jews will not be accepted in the future world: “Has it not been taught that in the days of the Messiah proselytes will not be received; likewise were none received in the days of David or of Solomon?” ([Tractate Abodah Zarah, folio 3b](#)) Jews cannot separate their identity from their religion, there is no such thing as a “secular Jew”. Take away Judaism from a Jew and what is left?

On the contrary, there are always exceptions. Conversion to Judaism is possible. Under this premise, a Jew is anyone who identifies as one and is accepted as such, with the latter point being the most important.

However, Jews see themselves as spiritually different from non-Jews. Whether the Jewish people are actually a distinct race set apart from non-Jews is a hot-button issue that is still debated, but Jews believe they are so and Halakhic law confirms this.

Moreover, because of the exclusionary practices of Judaism, the Jewish people, to an extent, have isolated their gene pool through endogamous practices; in addition to this, Jews also usually live in [ghettos](#) (a section predominantly inhabited by Jews) away from non-Jews.

Kevin MacDonald supports the racial basis for Judaism with his [group evolutionary strategy](#) theory.

Aside from the notion that the Jews are a race is the attitudes of Judaism itself. Where did it come from? Judaism is a dangerous religion because it is the ideological “software” of the original Jewish mind that can be manifested in other Jews who do not have a similar mindset; hence, other Jews who are biologically Jewish and that would not be naturally inclined to act in the aforementioned ways are programmed by the hate and crime cult called Judaism; which, in reality, is a global criminal syndicate that is hiding under the façade of religion and their self-created victim narrative. The Jewish

religion is a religion of self-worship and is a product of the Jewish mind, which is personified by the Jewish God, Yahweh, who is a bloodthirsty, genocidal maniac that demands ritual human sacrifice from his believers.

At the end of the day, I have to congratulate the Jews for their work. They are ingenious masterminds, because they devised a religious system that puts them in an untouchable status, brainwashing Christian Zionists for millennia; using their group cohesiveness and corrupt business practices they steal, rape, and plunder resources and labor from non-Jews in a parasitic fashion, all the while the goyim do not even realize what is happening.

Christian Zionism and the War on Terror

Now, you may ask: Why do I pick on Christianity? Because most are willing Christian Zionists and have a Stockholm syndrome-esque relationship with Jews. They send their sons and daughters to the Middle East to go and kill in wars of aggression for Israel's interests under the hoax of the "War on Terror" and "scary Muslim terrorists".

September 11 was the catalyst for all this hysteria against Muslims and the Middle East. Most people seem to forget that most of the alleged highjackers were of Saudi origin. So, why did the West attack Afghanistan and Iraq, again? A widely known fact is that the House of Saud are Sunni Muslims belonging to the Wahhabi sect of Islam, who follow the Jewish Kabbalah, and are also allegedly crypto-Jews. In addition, al-Qaeda members like Adam Gadahn (Adam Pearlman) and Yusuf al-Khattab (Joseph Cohen) have been exposed as Jewish actors working for the Anti-Defamation League.

Video: Al-Qaeda actors exposed

Greater Israel: The United States engages in wars of aggression against Israel's enemies, in order to protect Jewish interests in the region—all under the false

premises of the War on Terror by George W. Bush's neoconservatives, who were to a great degree Jewish. [Click to enlarge](#)

Muslims are the victims of this Jewish orchestrated concept of a "Clash of the Civilizations". Most ordinary people just want to live in peace. Most people do not care what happens more than one hundred kilometers from where they live. The only people that have to gain from a War on Terror are our respective governments, who use fear to advance a political agenda. What better way than to polarize and antagonize people with religion?

On the other hand, Muslims are quick to understand the Jewish problem; yet, despite Islam also being a Semitic religion, it is also inherently anti-Judaic. Interesting, is it not, that the world's major religions are all Abrahamic and all come from a piece of land between the Nile and the Euphrates called EeretZ Israel (Greater Israel)?

Jewish involvement in political movements

The Jews are social and political engineers that have used their enormous power and influence to transform non-Jewish reality. They brought us the social movements of: Feminism, multiculturalism, and the mainstream acceptance of homosexuality. Jews have invented liberalism to destroy the goyim (animal) societies. Karl Marx (Jewish, real name Mordecai Levy) pioneered communism. [Moses Hess](#) (Jewish) pioneered socialism, which was originally intended as a system of government for a homogeneous Jewish state. Jews have invented both schemes in a Hegelian dialectal fashion with the promise of Utopia or panacea.

However, both of these political ideologies are deceptions. Communism and socialism sound good on paper, but history shows that Communist systems of governance are the most brutal, oppressive, and democidal. In fact, Jews cannot separate religion from politics; to them, religion is politics:

The Communists are against religion (Christianity), and they seek to destroy religion; yet, when we look deeper into the nature of Communism, we see that it is essentially nothing else than our religion (Judaism). — Harry Waton, *A Program for the Jews and Humanity*, p. 138 Red flags should come up in your head when Jews propose a system of complete control (communism), because of their disdain for the goyim. Here we have a quote from a Jew, himself saying that the impetus and inspiration for communistic ideology is found in Judaism. In other words, communism is just a repackaging of the concepts found in Judaism without the religious aspect. History has shown that Jews will exploit any political and economic system only for the benefit of Jews, so then both capitalism and communism will lead us down to paths of oppression with our dialectal Jewish masters in charge of the wheel. Quite simply, they are the gatekeepers of both the problem and solution. The only way gentiles will be self-determined is if Jews are not meddling in the process, which never seems to happen. When Jews talk about humanity and Utopia, you are not included in those plans; non-Jews are animals in human form and can never possess the Godly soul of a Jew.

This is the Jew World Order

In the case of Russia, [Jacob Schiff](#) (Jewish) funded the Bolshevik Revolution with the support of the Rothschild's (Jewish). Lenin, Trotsky, and Kaganovitch were Jewish. The members of the Bolshevik (Communists) and Menshevik (Socialists) parties were to a large degree Jewish. [The Red Terror](#) that ensued from the Bolshevik takeover of Russia until the nineteen fifties took the lives of at least sixty million White Russians. The Red Terror at the hands of the Bolshevik Jews is the real holocaust you have most likely never heard about.

Is it any wonder then that Jews have been expelled from European countries countless of times (109), for their supremacist attitudes and subversive control of the countries they invade and infect?

Today, Jews control [high finance](#), [big media](#), and the [universities](#), which are liberal indoctrination centers ([supplementary book chapter](#) from Dr. Kevin MacDonald). Once Jews gain control of the monetary system and the media they effectively own and run that country. Jews use the media to manipulate the public opinion of political candidates and fund the ones that will be loyal to organized Jewry. No political candidate even gets media exposure until they are pre-approved by the Jewish bankers, who are also mostly the funders. Is it any wonder then why one of the most powerful lobbying groups in America, AIPAC, with its sixty three million dollar annual budget, calls most of the shots to serve Israeli interests? Keep in mind that lobbying is just a polite word for bribery.

AIPAC: America's real rulers

We see evidence of this influence today with America's government being chock full of American-Israeli citizens, and in particular the American-Israelis in the President of the United States' cabinet. Of course this would include political figures in government who are Shabbos goyim working solely for Jewish interests, but the point is that Jews are grossly overrepresented in regards to their proportion in society. Now, with the United

States government full of their fellow tribalists and non-Jews who are loyal to Jewish interests and Israel, it sends three *billion* in aid a year to these parasites. Not a bad return for a sixty three million dollar investment!

This problem is not just contained to the United States alone, it is just an example of Jewish influence in one of the most powerful countries in the world. Once you figure out who controls high finance, the media, and the lobby groups, it becomes obvious as to where the real source of power comes from. Former Israeli Prime Minister Ariel Sharon was so confident of Jewish control of America, that he was quoted saying:

Every time we do something you tell me America will do this and will do that . . . I want to tell you something very clear: Don't worry about American pressure on Israel. We, the Jewish people, control America, and the Americans know it. — Ariel Sharon, October 3, 2001

The Jewish people must have such a *hard* life controlling all those governments, banks, and media outlets. Joking aside, the narrative of Jews as victims that the Jewish mainstream media perpetuates is a bold faced lie.

The Protocols of the Learned Elders of Zion

The Jews were finally caught with their pants down with the discovery of a book called [*The Protocols of the Learned Elders of Zion*](#), which is a field manual on how to conduct perpetual unrest and subversive world conquest; however, there is almost nothing in this booklet that is surprising and not said in the Torah, Talmud, Kabbalah, and Zohar already.

It is contested that the *Protocols* were authored by Adolphe Crémieux, who was a member of the Mizraim Masonic lodge in France. After Adolphe Crémieux's death in the late nineteenth century, it is alleged that a woman called Miss Glinka was sent by Czarist Russia to the Mizraim lodge in order to obtain a copy of the *Protocols* through bribery. Once the *Protocols* were obtained and translated to modern English, they were subjected to intense debate in the early twentieth century, at a time when ordinary citizens started to question the authenticity of it and the true nature of Jews. After the Jewish Bolshevik takeover of Russia in 1917, being in possession of *The Protocols* resulted in a death sentence. Clearly, if the *Protocols* were a forgery and a fraud, the Jewish Bolsheviks would be able to provide the proof of it being so, however, they could not, so they used their totalitarian power to silence the people. If the document is fake, why fear people reading it? The document is nothing but lies, so it should not cause harm to anyone that matters, no?

If the *Protocols* were not just another literary piece that revealed the sinister motives of the Jewish people, there would be no reason to hand out such harsh penalties during the reign of Jewish Bolshevism. We see the same Jewish behaviors of silencing honest debate on Internet forums today, where posters who point out the facts of Jewish hegemony and subversion are called liars, libeled, and have their posts deleted by these Jewish sayanim (volunteers) and [*Hasbara*](#) agents.

Let us now take a look at how disproportionate Jewish influence and ideas have invaded and changed the gentile psyche and perception of the world today.

Feminism and Jewish communism

The founder of Feminism, Betty Friedan, real name Naomi Goldstein (Jewish), was educated as a [Communist agent](#). She started the brainwashing of generations of women with her second-wave feminism book *The Feminine Mystique*, saying that the complementary order of the patriarchal structure was oppressive and degrading. Now, women are free to roam around as nomadic unpaid prostitutes under the guise of women's emancipation. As with all Jewish ideologies, nothing is as advertised; freedom is slavery. So, what have been the ultimate repercussions of feminism?

Feminism makes men and women equal in the economic sphere. It has destroyed the traditional female-male relationship because men and women are competing in the economic sphere when they should be co-operating to start a family or to maintain a relationship. If they do decide to have a child, they leave their child in daycare where the state and someone they do not even know takes care of them; therefore, it is not feasible for the average Joe and Jane to raise a child. Why raise a child when you cannot be involved in that child's life?

Feminism destroys the complimentary order of male and the female and nature's congame of the woman taking care of children. Feminism also destroys a woman's natural state to be empathic and caring, and instead brainwashes women to act like men. The result of this is that we live in a world without warmth and the removal of the female archetype.

Aside from the fact that gender roles have been destroyed by feminism, is that the supposed benefits to society from the surplus of labor that were promised never came to fruition. This has destroyed the family, as the nuclear family that was once so stable needs dual-income earners just to stay afloat.

This new economic reality has destroyed the bargaining power of the common worker, because the influx of women in the economic sphere has diminished the value with an oversupply of cheap labor that does not require much physical effort in the service sector, which is more prominent than ever now that most of our manufacturing jobs have been outsourced overseas to Third World hell holes with worse working conditions than ours. Both genders have been neutralized to work as robotic drones striving for the same economic goals. Both man and woman slave away at their service (servitude) job just to make what a man himself used to make.

Now, with feminism in full force, the Jewish oligarchs can take the unpaid labor that women did that was confined to the domestic sphere and financially gain from it, collect usury on it, and tax it. Now, no one is free from exploitation. Society has been lied to by Jews to be their worker bees.

Before feminism had a strong grip on Western society, Jewish subversives already had the plans in place to destroy it and the family unit.

The Frankfurt School

Georg Lukacs [Jewish] a Hungarian aristocrat, son of a banker, who had become a Communist during World War I, a good Marxist theoretician he developed the idea of 'Revolution and Eros' — sexual instinct used as an instrument of destruction and Willi Munzenberg [Jewish] whose proposed solution was to 'organize the intellectuals and use them to make Western civilization stink.'

This 'School' (designed to put flesh on their revolutionary programme) was started at the University of Frankfurt in the Institut für Sozialforschung. To begin with, school and institute were indistinguishable. In 1923 the Institute was officially established, and funded by Felix Weil (1898-1975) [Jewish]. Weil was born in Argentina and at the age of nine was sent to attend school in Germany. He attended the universities in Tübingen and Frankfurt, where he graduated with a doctoral degree in political science. While at these universities he became increasingly interested in socialism and Marxism. According to the intellectual historian Martin Jay, the topic of his dissertation was 'the practical problems of implementing socialism.'

Carl Grünberg, [Jewish] the Institute's director from 1923-1929 was an avowed Marxist, although the Institute did not have any official party affiliations. But in 1930 Max Horkheimer [Jewish] assumed control and he believed that Marx's theory should be the basis of the institute's research. When Hitler came to power, the Institut was closed and its members, by various routes, fled to the United States and migrated to major US universities—Columbia, Princeton, Brandeis, and California at Berkeley. [2]

One of the main ideas of the Frankfurt School was to exploit Freud's [Jewish] idea of 'pansexualism' — the search for pleasure, the exploitation of the differences between the sexes, the overthrowing of traditional relationships between men and women. [2]

How did the Frankfurt School set out to achieve this goal of making the West "stink"? By the Jewish monopoly of the media.

The Jewish controlled media

The Jewish Frankfurt School inspired Jewish controlled media disseminates garbage through music, music videos, and film. For example, the messages that are sent in mainstream music do not reflect reality and perpetuate the agenda of "Revolution and Eros". The songs are lyrically weak and have the theme of: Life is a party, just live for today—a nihilistic view that nothing really matters in the world. This party music relies on the average person's ignorance to the condition of their immediate surroundings and the general happenings of the world. Its purpose is for the person to live in an imaginary fairyland that is not congruent with reality. Then there are the messages of moronic "gangsta" rap artists that do not believe in the violent gangster life that they preach, because they have millions of dollars that they have obtained from their [Jewish handlers](#). These "artists" send messages to young people who idolize them to "pop bottles": Just drink yourself into a drunken stupor on the weekends until you pass out and go back to your slave job at the beginning of the week. Young impressionable people

who listen to these “thugs” are brainwashed into a degenerate culture that idealizes having sex with multiple women, violence against women, gun violence, and illicit drug use. They are told to focus on aesthetic beauty, to worship the flesh, to idolize, and to lust after beautiful women.

The television show, *Jersey Shore*, which airs on MTV and whose parent company is Viacom, is owned and founded by Jew Sumner M. Redstone. Viacom is one of the Jewish media conglomerates that is contributing to and aiding the demoralization of Western culture through the array of filth that it disseminates on its television channel. *Jersey Shore* is a society-damaging program that is a reflection of the times we live in; however, it is only one piece of the puzzle that is contributing to the “stinking” of Western civilization that the Frankfurt School laid the groundwork for. *Jersey Shore* is a program that sets the stage for, reinforces, and encourages promiscuous sex. The program is based on a self-coined term, calling the embodiment of this behavior “being DTF” (down to f@*k). By imitating the behaviors of the participants of this program, this Jewish filth is sending a message to young impressionable people that heterosexual relationships are on a level of an animal. Participating in these behaviors that are not just found on this program alone subverts a real connection between people down to a physical act without emotion or love, robs both sexes of meaningful relationships due to the aforementioned actions, and as a consequence of these actions deprives the human soul of true human connection.

The “stinking” of Western society is further achieved by the [pornography industry](#), which is dominated by Jews in both producing and performing. Some of the most notable porn moguls, such as Steven Hirsch of Vivid Entertainment and Hugh Hefner of Playboy, are Jewish. This is not surprising as the same activities of prostitution and sexual exploitation have been documented and perpetrated by Jews in the Old Testament. Jews are the main offenders of [organ harvesting](#), human trafficking, and [sexual slavery](#) around the world, which Israel happens to be a major hub for. The Jewish controlled media has brainwashed non-Jews around the world to be fixated on Jews as a falsely persecuted group of people with no power. Non-Jews are kept in the dark about Jewish monopolies, crimes, and subversion. World history has consisted of Jews repeatedly meddling with, enslaving, and killing non-Jews by manufactured wars and economic depressions.

The Holocaust

The Jewish corporate news media is always parroting the “Jews as victims” narrative, a prime example being the six million number of the Holocaust. Despite tens of millions dying in unjust world wars, the alleged six million dead of the Holocaust is passed off as the most important and most horrific event ever. However, alleged Holocausts of Jewish people have been reported and written about in newspapers [prior to the twentieth century](#).

THE MACEDONIAN MASSACRES.

I am a Jew, and I think that I speak on behalf of all those of the same faith when I say I shudder at the atrocities being perpetrated in Macedonia. What a picture that will be for posterity to look upon, to behold the carnage that is to-day being enacted by the ferocious, brutal, pitiless Turk! The myriads of those thousands of Christians daily slaughtered! What a scene of pillage, what a holocaust, and we standing here idle!

There is also evidence that shows that the mythical number six comes from Torah Scripture:

תָּשׁוּבוּ

TaShuVU

YOU SHALL RETURN

In the days when slavery existed, the Torah decreed that there must come a time when every man goes free. Even those who resold themselves after six years of servitude, and had their ears pierced for voluntary enslavement, could not remain beyond the time of the Jubilee.

וְקִדַּשְׁתֶּם אֶת שְׁנַת הַחֲמִישִׁים שָׁנָה וְקִרְאתֶם דְּרוֹר בְּאֶרֶץ
לְכָל-יֹשְׁבֵיהָ יוֹבֵל הוּא תְהִיָּה לָכֶם

(Ve-kidashtem et shenat ha-ḥamishim shanah u-keratem
deror ba-arez le-khol yoshveha yovel hi tihyeh lakhem)

“And ye shall hallow the fiftieth year and proclaim liberty
throughout the land unto all the inhabitants thereof.”

[Leviticus 25:10]

These are the words chosen to be inscribed on the Liberty Bell. It is in the Jubilee year that “ye shall return every man unto his possession and ye shall return every man unto his family.”

The Hebrew word for “ye shall return,” תָּשׁוּבוּ (TaShuVU), seems to be spelled incorrectly. Grammatically it requires another ו (vav). It ought to read תָּשׁוּבוּ (TaShUVU).

Why is it lacking the letter ו (vav), which stands for 6? תָּשׁוּבוּ (without the “vav”) is a prediction to the Jewish people of ultimate return to their national homeland. תָּשׁוּבוּ in numbers adds up to 708: ת (tav) = 400, ש (shin) = 300, ב (vet) = 2, ו (vav) = 6. When we write the year, we ignore the millennia. In 1948 on the secular calendar, we witnessed the miracle of Jewish return to Israel. On the Hebrew calendar it was the year 5708. That was the year pre-

There are

a couple other interpretations of Leviticus 25:10:

Quote I:

Regarding the ‘six million’ number you should know the following: In the Hebrew text of the Torah prophecies, one can read ‘you shall return’. In the text the letter ‘V’ or ‘VAU’ is absent, as Hebrew does not have any numbers; the letter V stands for the number 6. Ben Weintraub, a religious scientist, learned from rabbis that the meaning of the missing letter means the number is ‘6 million’. The prophecy then reads: You will return, but with 6 million less. See Ben Weintraub: *The Holocaust Dogma of Judaism*, Cosmo Publishing, Washington 1995, page 3. The missing 6 million must be so before the Jews can return to the Promised Land. Yahweh sees this as a cleaning of the souls of the sinful people. The Jews must, on the return to the Promised Land, be clean – the cleaning shall be done in burning stokes. — A Correspondent

Quote II:

Jewish prophecies in the Torah require that 6 million Jews must ‘vanish’ before the state of Israel can be formed. ‘You shall return minus 6 million.’ That’s why Tom Segev, an Israeli historian, declared that the ‘6 million’ is an attempt to transform the Holocaust story into state religion. Those six million, according to prophecy, had to disappear in ‘burning ovens’, which the judicial version of the Holocaust now authenticates. As a matter of fact, Robert B. Goldmann writes: ‘. . . without the Holocaust, there would be no Jewish State.’ A simple consequence: Given six million Jews gassed at Auschwitz who ended up in the ‘burning ovens’ (the Greek word holocaust means burned offerings), therefore, the prophecies have now been ‘fulfilled’ and Israel can become a ‘legitimate state’. — Unknown

The Kabbalah also references a number six with the belief that [there are six hundred thousand Jewish souls](#). This comes from the word “Israel”, which is an acronym for “Yesh Shishim Ribo Otot LaTorah”, meaning: “There are six hundred thousand letters in the Torah”. Each letter of the Torah represents the souls of the six hundred thousand Jews who first received the Torah and these souls comprise the scripture’s “body”. If we combine the Leviticus verse and Kabbalistic thinking, it becomes evident that Judaism is fixated on the number six. Considering that the Jewish population around nineteen thirty three was around and above the [fifteen million](#) mark, it would seem that only a six hundred thousand loss of Jewish life would not be enough to fulfill Jewish scripture. The Jews can only return until an amount containing the number six and form Israel until the “body” of the Jewish people is gone. A six million hit to a fifteen million population would be significant to the “body” of the Jewish people.

Video: The official narrative of the Holocaust is absolutely destroyed in this short five minute clip

Why are the gas chambers outside the camp? [Click to enlarge](#)

In regards to the actual numbers and logistics of the Holocaust, the gas chambers and the supposed number of dead were not known until years after the conclusion of World War II. Once the six million figure was commonplace it has been changed and revised countless of times. No one is saying that Jews did not die in the concentration camps, but it is clear they were not killed in the supposed gas chambers; many died of typhus and starvation due to the bombing of supply routes to the camps by Allied forces. To dispose of the disease ridden bodies there were crematoriums built, but there was no set up for the systematic destruction of the Jewish people. It is also mathematically impossible to completely cremate six million people in the supposed amount of time that the Holocaust took place. If you watch the above video, it is obvious that the Jewish Bolshevik Communists added onto the camps after the war for propaganda purposes, with smoke stacks not connected to the buildings at all.

Auschwitz “death camp” with a pool

Moreover, it is also argued that Hitler built those concentration camps in order to to keep the Jews from being casualties of warfare and to keep them in a safe, contained place until they emigrated to Palestine. The [Auschwitz “death camp”](#) had a pool, theater,

library, kitchen, post office, brothel, and medical services (where the Jew Josef Mengele conducted gruesome medical experiments on children for his MK Ultra program). Now, if there was a plan for the systematic destruction of the Jewish people, why would there be medical services? Alternative theories suggest that Hitler rounded up mentally and physically deficient Jews to the camps in order to get rid of them, whose outcomes were the result of the Jewish peoples' segregation from the general population and severely limited gene pool. Jews have certain genetic diseases that are unique to them, one being [Tay-Sachs disease](#).

World War II and Israel

The Holocaust was a complete fraud, not only for the logistical reasons, but also because [Hitler](#) himself was Jewish and financed by [Jewish banks](#). The Holocaust is an important event, because the "persecution" of European Jews resulted in the creation of Israel. The [Haavara agreement](#), signed in nineteen thirty three, was enacted to allow German Jews to emigrate to Palestine as a result of the Balfour Deceleration of World War I. The Jews had been emigrating to Israel in small numbers since the late nineteenth century, but the Haavara agreement really accelerated the numbers of Jews leaving Europe. By the mid nineteen thirties, upwards of sixty percent of Germany's Jewish population had left the country in order to immigrate to Israel.

Video: Hitler effectively founded Israel with the signing of the Haavara agreement All world wars are a charade with Jewish bankers manipulating both sides. I see World War II as any other war, funded on both sides by Jewish banks and Jewish puppets in order to kill as many non-Jews as possible. You, the reader, having just read some quotes from the Babylonian Talmud, now know that non-Jewish life is worthless, so it makes sense why we must focus on fake Jewish suffering.

The sooner you free yourself from the burden of White guilt (assuming you are White), the sooner you will realize that the Holocaust was a scam by organized Jewry and their monopoly on the media to make White people guilty and responsible for every evil act in the world. Jews orchestrate atrocities and then hide behind "evil White people" in order to make you feel bad about your heritage. Do not let them.

As a result of the fallout of World War II, political Zionism got its wish for a homeland for the Diaspora Jews that are dispersed all over the world. This creation of the state of Israel coupled with the official narrative of the Holocaust created sympathy for Jews all over the world, while at the same time extorting money in the form of reparations from the German people under the fraudulent premises of the Holocaust. Germans have paid billions of dollars to people who were supposedly "lost" during the Holocaust. People in Israel who were born after World War II are collecting fraudulent reparations today.

Video: Israel was established with the terrorist bombing of the King David Hotel by Menachem Begin's Irgun operatives

In the early twentieth century, a popular tag line of Zionist ambition for the creation of Israel was "a land without a people for people without a land", which was coined by

Israel Zangwill. If you watched the above video, you know that is a complete lie. Why would the British be the mediators between the Jews and the non-existent Palestinians? Jewish apologists will tell you that the land was sparsely populated and that the Palestinians did not have an ethnic identity, so the quote was more true than not. However, subjective interpretations of identity and population density do not obscure the facts, the Palestinians have indeed been forcefully and violently driven off of their land:

Before the war of 1948 about 650,000 Arabs lived in the territory which was to become the State of Israel. In 1949 there were 160,000 of them left. Because of a high birth rate their descendants numbered 450,000 at the end of 1970. The Human Rights League of Israel reveals that between June 1967 and 15 November 1969 more than 20,000 Arab houses were dynamited in Israel and the West Bank. — Ahad Ha'arn. *Complete Works* (In Hebrew). Tel Aviv. Devir Publ. House and Jerusalem. The Hebrew Publishing House, 8th edition, p. 23 (Tel Aviv)

In the present day, Jews in Israel now carry out the same Nazi policies of racial purity and racism that they were supposedly persecuted of. Jews in Israel repeatedly ethnically cleanse their Palestinian neighbors on the land they originally stole through terroristic acts such as the Deir Yassin massacre and the King David Hotel bombing, as a result of the fallout of World War II.

Jews [bulldoze](#) the houses of Palestinians for new and illegal Jewish settlements, some of these houses have been passed on and lived in for generations. Sometimes, when a family is given an eviction notice and they do not vacate, huge, two story bulldozers will level the house with them still inside. Survivors that escape the crumbling house are often shot like dogs. These actions are inexcusable for a people who have supposedly suffered so much.

Jewish created ideas used as tools of subversion

Society is based on the foundation of the political economy perspective. In other words, the citizen exists to serve the state and ruling class (Jews). It is then understandable why we have a society that condones sex divorced from love (consequence of feminism), pornography, prostitution, strip clubs, and the wide acceptance of alcohol but not other drugs, because society is based on *arrested development*. Society is not designed for you to be self-actualizing (being the best version of yourself possible), but for you to remain stagnant and to be occupied with trivial interests and activities. Think about all the time you wasted being demoralized by pornography, when you could have been outside enjoying nature or reading a book and gaining valuable knowledge about the world. This cultural Marxist reality that we are facing has created a culture of depravity for the

proletariat that is being prophesized in the pages of the Jewish Talmud, which states that non-Jews are animals that should be robbed, enslaved, and killed. In essence, they are giving us a horrible framework for success as young people become adults by polluting our minds with this sewage through the Jewish corporate media.

The purpose of all these Jewish ideas is for the working class not to form proper bonds with each other, because proper bonds make us strong. When we are strong we do not put up with being treated poorly and are not easily controlled. Feminism and the acceptance of homosexuality weaken our familial bonds and we become too isolated, worrying about ourselves and our own survival than worrying about others. Our controllers manufacture this reality for a reason and package it to us as liberalism. Liberals are Jewish lackeys..

Multiculturalism

Multiculturalism is unsurprisingly a failed experiment it was intended to be that way. The main problems of a true multicultural community are a *sense of belonging* and *identity*. The reason why gangs are so prevalent in Western society is because there is a severe lack of integration into the community. This disembedded reality that a lot of young people face makes them turn to loosely associated groups of people who share similar interests, though not necessarily the same culture. The reality is that mainstream corporate culture is totally demoralized, conceited, and ugly. From a lack of opportunity young people in these gangs turn to lucrative drug dealing and other dark activities causing further discord in society. Mainstream culture and multiculturalism does not offer much in the context of meaning.

Western mainstream corporate culture is a superimposition of a person's existing culture, assuming that an individual living in the West is not completely naturalized to begin with. A non-naturalized person is constantly struggling between the norms and values of this superimposed culture and their actual values. Because of this struggle within themselves and with others in society who do not share the same culture, there can be and is no community, because there are no clear and concise goals. Western multicultural society is based on secularism. That would not be such a problem if the culture was not so demoralized, but we have no guiding principles to live by (anomie) and are thereby vulnerable to the Jew's liberal brainwash.

Jews have always been the main proponents of liberalized immigration legislation as it benefits them the most. Liberalized immigration is pushed in Western countries because of Jewish aggregation of power in the political and economic sphere. Once Jews gain control of their host nations, they allow the flood of non-Whites into the White majority countries. Jews weaken the social fabric of the working classes through immigration and degrade their culture through their monopoly of the media, while Jews enjoy high culture of art, music, fashion, and culinary dining. The working class is left in a struggle with foreign invaders that do not share the same culture as them and are horribly divided. The working class fights amongst themselves while the Jewish elite look on, watching it all from their gated communities.

Jewish intellectuals dominate Western thinking, Ayn Rand

Western society is disproportionately represented by Jewish intellectuals in the social sciences and humanities. Ayn Rand, real name Elisa Rosenbaum (Jewish), was the author of ethical egoism. The wide acceptance of the concepts of individualism and ethical egoism in Western society is the result of Jewish ideas disseminated through the Jewish controlled media and the Jewish controlled universities. In the context of the cultural Marxist struggle, the concepts of individualism and *service to self* are detrimental to the working class. It goes against the concept of the collective and the proletariat bases his or her decisions on what is best for himself or herself without taking into account whether the individual's decisions affect others in negative way. The proletariat under this current system also uses others as objects for short-term material or social gain. This type of thinking weakens the social fabric because the proletariat does not have enough power and influence to benefit from *service to self*. The Jewish power elite do not think on an individual basis, the reason they have so much power is because *they subversively work together*. The archetypal Jew never thinks how he can solely benefit himself, but *the Jewish community as a whole*, however, because the Jewish power elite are such a small part of overall society their ideology is still *service to self*.

Now, Western society is totally Judaized. When someone cheats, tricks, or steals, that person is getting a free lunch. There are no free lunches, someone is paying. Free lunches are a Jewish concept. The Jew will get you to fix his car for him and make you pay for it (true story). How so, you say?

I knew of a Jewish doctor that would leave his medical office during working hours to make a "doctor's visit" in order to get an oil change. This Jewish asshole was billing hours to the government so that he could get a free oil change at the goyim's expense. The taxpayer paid for his oil change, not him.

Karl Marx

Karl Marx, a person who is worshiped at the Jewish controlled universities, was a Jewish Supremacist and an ardent Talmudist. Is it not suspicious that universities hail this Jewish man as a great thinker? A man whose political ideology has killed millions of people in the twentieth century. As a matter of fact, about a quarter of a *billion* (two hundred and fifty million) people were killed in the twentieth century by democide—death by government, the leading cause of unnatural death. Surprisingly, or unsurprisingly, universities will not tell you that communism has been a lethal ideology and responsible for at least one hundred and forty million of those deaths.

Karl Marx, with the help of other Jewish intellectuals Moses Hess and Friedrich Engels, developed his theory of Marxism. Marx's theory states that capitalism is an inherent system of oppression for the proletariat at the hands of the bourgeoisie. This is true, however, what they do not tell you is that it is the Jewish capitalists who create an oppressive crony capitalist system and not free market capitalism. Marx states that this struggle against Jewish crony capitalism is part of the Hegelian dialectic, which only

through violent revolution alone will provide the anti-thesis of the capitalist system, and through this struggle will emerge the synthesis of the communist system. Marx states when this bloody revolution takes place, it will result in the formation of a totalitarian state that will benevolently lead the people, which will then result in Utopia. The Jewish mission is spelled out clearly in a letter to Karl Marx from a fellow Jew:

The Jewish people as a whole will be its own Messiah. It will attain world dominion by the dissolution of other races, by the abolition of frontiers, the annihilation of monarchy, and by the establishment of a world republic in which the Jews will everywhere exercise the privilege of citizenship. In this new world order the Children of Israel will furnish all the leaders without encountering opposition. The Governments of the different peoples forming the world republic will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property, and everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled, in which is said that when the Messianic time is come the Jews will have all the property of the whole world in their hands. — Baruch Levy, Letter to Karl Marx, *La Revue de Paris*, p. 54, June 1, 1928

To sum up the aforementioned quote, Jews will use their political ideologies that give disproportionate power to the state to solely serve Jewish interests. With Jews in positions of power, they will treat gentiles in a manner that is inspired from the Talmud. The Jews will stand on top of the gentiles of the world as the sole elites with all the property and financial wealth in their hands. Historical evidence shows this to be true, as communism never works as stated and ends up as a system to serve Jewish oppressors. Think of it this way: if I built an airplane from a blueprint that represented ideological communism, and that plane I built always disintegrated due to fatal engineering errors in mid-air and killed hundreds of people, would you say that those blueprints were valid?

Jewish Bolshevik Communists coined the term “politically correct” and used it as tool to discourage any discourse outside the party platform. Today, it is being used to silence people like me who step outside of the liberal paradigm and the accepted cultural memes. Quite simply, political correctness is thought control and it creates imaginary boundaries. The same descendants of these Jewish bankers that financed the Jewish Bolsheviks want to silence all that expose them. The truth does not fear scrutiny.

Conclusion

The Jew’s subversion of Western culture is turning us into the animals they believe we are, and unfortunately they are right as we are being played like a fiddle.

We Jews, we the destroyers, will remain the destroyers forever. Nothing that you will do will meet our needs and demands. We will forever destroy because we need a world of our own, a God-world, which is not in your nature to build. (Maurice Samuel, *You Gentiles*, p. 155)
