

THE JEWISH TALMUD BLASPHEMES JESUS CHRIST

The Talmud is to the Jew what the Bible is to the Christian it is the life-blood of Judaism. Many Christians have been led to believe that most Jews live by the Torah or by the Masoretic Hebrew Text of the Old Testament which is not true. Pastor's lie to their congregants, the Jews live by the Babylonian Talmud and the Talmud throughout calls Jesus the son of a whore and a bastard.

Bible students and scholars who know the Word of God as most Christians do not (ignorance is no excuse) are aware that Jesus Christ denounced the Pharisees. He said they replaced all the Commandments of God for their own traditions, *"teaching for doctrines the commandments of men"* Mark 7:13; Matt. 15:6-9. His criticism, in truth, cannot be equaled. All of Matthew 23 is like a whiplash. He likened Phariseeism to a whited sepulchre, indeed beautiful outwardly, but *"inside full of dead men's bones and of all uncleanness."* Christ climaxed one condemnation after another with the expletive, *"Hypocrites!"* He called the Pharisees children of them that killed the Prophets. He foretold they would go on killing, crucifying and persecuting until the guilt for all the righteous blood shed from Abel on down would be upon them. *"Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?"* Christ asked.

Christ is as utterly devastating of Phariseeism in the record of John 8. Although He admitted that His hearers were descendants of Abraham, He said they were, spiritually, of the devil. Christ told them:

"Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because the truth is not in him. When he speaketh a lie, he speaketh of his own: for he is a liar and the father of it" John 8:44.

The Babylonian Talmud is the Jews Sole Authority:

You may ascertain by turning to top Jewish authorities today that the Babylonian Talmud, the written form of the Tradition of the Pharisees, is the sole authority of the so-called "Jewish" religion, or Judaism.

Rabbi Louis Finklestein was chosen in 1937 by the Kehillas (Jewish communities) of the World as one of the top 120 Jews best representing "a lamp of Judaism" to the World, together with Maxim Litvinov (Finklestein), the Communist Commissar and bank robber terrorist; atheist communist Albert Einstein; those indefatigable Marxist reds, Harold Laski and his friend Felix Frankfurter (U.S. Supreme Court Justice) who shared honors with Rabbi Finklestein and others. Finklestein has long headed the Jewish Theological Seminary of America, with branches in New York and Los Angeles. In his two-volume work "The Pharisees." Rabbi Finklestein writes:

Phariseeism became Talmudism ... But the spirit of the ancient Pharisee survives unaltered. When the Jew ... studies the Talmud, he is actually repeating the arguments used in the Palestinian academies, from Palestine to Babylonia; from Babylonia to North Africa, Italy, Spain, France and Germany; from these to Poland, Russia and Eastern Europe generally, ancient Phariseeism has wandered. In Rabbi Finklestein's history of the Jews, he states:

The Talmud derives its authority from the position held by the ancient academies. (Pharisee) The teachers of those academies, both of Babylonia and of Palestine were considered the rightful successors of the older Sanhedrin . . . At the present time, the Jewish people have no living central authority comparable in status to the ancient Sanhedrin's or the later academies. Therefore, any decision regarding the Jewish religion must be based on the Talmud as the final authority of the teaching of those authorities when they existed.

"The Talmud is the Heart's Blood of the Jewish Faith," was the heading of a November, 1959, installment of a bestselling book by the Jewish author, Herman Wouk, which ran serially in the New York Herald-Tribune.

Quoting:

The Talmud is to this day the circulating heart's blood of the Jewish religion, whatever laws, customs or ceremonies we observe, whether we are Orthodox, Conservative, Reform or merely spasmodic sentimentalists, we follow the Talmud. It is our common law.

The ordinary Jews are as ignorant of the Talmud as today's Christians are of the Bible and to their own destruction. Talmudism is Communism!
