

THEY'RE TRYING TO DESTROY CHRISTIANITY

There are unseen forces promoting an ongoing war against anything in this country that relates to our Christian beliefs. These same forces crucified our Saviour 2000 years ago and are today out to crucify His Church. The sad thing is that most Christians are sitting back and accepting their losses without ever speaking out. The Church is asleep while the rats are gnawing away at our faith from within. Just what is this hidden unseen force?

Now I am sorry if others don't like it, but the truth is that this nation was founded on Christian values some 229 years ago. There was no mention of Jewish, Muslim, or other efforts in the establishment and building of this nation. So why and how have we degenerated to the level that we now find ourselves in? Have we become so tolerant of the religious beliefs of others that we are willing to give up our own beliefs in some fictional hope that it will lead to a spirit of mutual understanding?

Well, the truth is that the more we yield, the more that is demanded by those of heathen and false beliefs. This is just not some statement on my part. All that one has to do is view the events of the past hundred years. In the year 1904, this nation was considered to be a "Christian" nation. There was no significant Muslim presence, and the Jewish influence while existing, was kept under a blanket of silence, for fear of retribution. Today, we have been invaded by millions of Muslims, and our Christian heritage has been renamed as our Judeo-Christian heritage, all in the hope of diluting the word "Christian."

Cities and towns which have had official seals for over a hundred years have had to make alterations to these seals to eliminate a building displaying a cross. In several instances, a display of the Ten Commandments has had to be removed from public buildings, facilities and property, as being "offensive" to non-Christians and atheists. There can be no mention of our God in schools and other public facilities, and if there is to be some religious rhetoric used in any program, Yahweh the one true and ever living God must share the program with any number of false gods.

We see large retail stores prohibiting sales personnel from saying "Merry Christmas" to customers, preferring the innocuous terms "Happy Holidays," or "Season's Greetings." This is in spite of the fact that these Kenite-owned retail stores do more than 70% of their annual business in the few short weeks leading up to Christmas. They want the financial profit but they resent having to use the word "Christ" to gain that profit.

It is obvious that this war against our Christian beliefs is not something that just happened as a part of our normal daily experiences of life. There is some sinister force behind this effort which is driving and accelerating this program. We further understand that such force must be in conflict with the messages brought by our Saviour.

Now just who is it that "hates" the Messiah, Christ Jesus? Who is it that had, and ignored, the words of the prophets? Consider the words of Isaiah as found in 9:6, "For unto us a child is born, unto us a son is given: and the government shall be upon his

shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace."

Consider also, Micah 5:2 where the exact birthplace of the Saviour of Israel was foretold, "But thou, Bethlehem Ephratah, though thou be little among the thousands of Judah, yet out of thee shall he come forth unto me that is to be ruler in Israel; whose goings forth have been from of old, from everlasting. "

Those in Judea should have known who he was. Of course the Pharisees of that time, like the Pharisees of today did not want to see the advent of Israel's Saviour. They had a good thing going though not in accordance with the laws of Moses. Jesus was a hindrance and an interruption. Is it any different today? He is still a hindrance to the ungodly ones.

The same forces which crucified Christ nineteen hundred years ago are at work today trying to crucify His Church.

Many Christian leaders have not yet realized it, but Christianity is in the grip of a life and death struggle at the present time.

International Jewish Communism, which has already undermined all nations, firmly expects to exterminate all Christians. What the Cause of Christ has endured in Russia the past many years surpasses its suffering at the hands of bloody Nero.

Christianity is passing through a crisis the like of which it has never faced before. Whether or not it possesses sufficient moral and spiritual resistance to survive remains to be seen.

Paul said the Christian's instruments of battle were not physical: "For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strongholds."

The same thought is emphasized in the supernaturally inspired words to Zerubbabel: "Not by might, nor by power, but by my spirit, saith the Lord of hosts."

The strength of the Church is in its ability to influence the hearts and lives of men by the demonstration and proclamation of divine truth. Questions like the following constantly haunt the writer: "Will the Church be able to demonstrate sufficient power to triumph over its foes in the present crisis? Or has it become so weakened by apostasy and pernicious teachings that it will have to be drenched in its own blood before it can be brought to its senses?"

Persecution has always had a purifying effect upon the Church. Like the individual saints of which it is composed, its "strength is made perfect in weakness."

Now whether you want to accept this truth or not, does not change it. It does not matter what your pastor may say to the contrary, the truth still exists. This is that International Talmudic Zionism that is behind this anti-God system. Many of you

are going to balk at this statement and may throw this away, or stop reading. This does not change the truth of this statement. You have become so "brainwashed" by the teachings which have come to America's pulpits from such Christian Zionists as Jack Van Impe, Jerry Falwell deceased, David Webber of the Southwest Radio Church, that you are willing to defend the "synagogue of Satan" Rev. 2:9; 3:9 against the plain teachings of God's Word. I suggest you ask your Judaized pastor the meaning of 2 Chronicles 19:2 and why he does not believe it. This verse says:

". . . Shouldest thou help the ungodly, and love them that hate the Lord? Therefore is wrath upon thee from before the Lord:"

Who do you think is responsible for the blasphemy of the movie that portrays Jesus as a homosexual, "**CORPUS CHRISTI**" which is causing such a furor in fundamental circles? Look at the names of those who produce them and see for yourselves; yet have you heard one fundamentalist leader who has condemned the Ones who are responsible for this blasphemy? Of course not! Look at the names behind the abortion mills of America, which yearly murder over 2 million unborn babies and fatten the pocket-books of doctors. Look at the names behind the dope trade, prostitution, pornography, in fact everything which is seeking to destroy Christian America. I dare you to look and see who took prayer from our public schools and who are trying to take Christ out of Christmas and Easter. Look and learn if you dare, they are Jews. They are the Christ hating, antichrist promoters of the new world order.

Six of the largest Banks in the world are owned by Jewish families and hold control of the "Federal Reserve Bank" that determines the economy in the United States and the world for that matter and our leaders have turned our currency and monetary system over to them. Who owns all the movie producing studios, TV shows, newspapers and magazines that continually pour out their fifth over the air waves? I'll tell you, Jews. Who do you think was behind the Great Depression in the 1930's that almost caused this country to collapse? More recently, the Stock Market crash and the Bernie Madoff "Ponzi Scheme" where one Jewish financier embezzled 64.8 billion dollars from innocent investors. Do I need to say more?
