

THIS PREACHER IS NOT AN ENEMY OF THE JEWS

God created life and is the only ONE who has the right to take it! He, God has delegated such authority to those in civil authority on the basis of an "Everlasting Covenant" Genesis Chapter 9 which is Divine Law and on no other authority. "Capital Punishment" is Divine Law and one of the four tenants of His "Everlasting Covenant" with man found in Genesis.

"Whoso sheddeth man's blood, by man shall his blood be shed: for in the image of God made He man" Gen. 9:6.

It is the failure of man in obeying this, God's Divine law that has brought about so much evil and death in our present society today.

I am not an enemy of the Jews. For many years my written and spoken words have abounded with such phrases as, "There is a very real sense in which the Jews play a major part in the prophecy of "End Times". Taken as a whole they are the most remarkable race of people in the world. They have retained their existence as a separate and distinct people in spite of hundreds of years of persecution. The most ingenious methods have been used by other nations in seeking their destruction but they have weathered every storm. In the coming world crisis the Jew will play a major and important role in the drama of fulfilled Bible prophecy. And, let it be remembered that Jesus Christ came to earth dressed in the garb of a Jew."

Nor am I a friend of those who are His enemies, either! For by the grace of God it is every Christian's duty to expose those who are His enemy!

"And when it was day, certain of the Jews banded together, and bound themselves under a curse, saying that they would neither eat nor drink till they had killed Paul. And they were more than forty which had made this conspiracy" Acts 23:12-13.

The same forces which crucified Christ nineteen hundred years ago are today trying to crucify His Church.

Christianity is passing through a crisis the like of which it has never faced before. Whether or not it possesses sufficient moral and spiritual resistance to survive remains to be seen.

Paul said the Christian's instruments of battle were not physical: "For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds."

The same thought is emphasized in the supernaturally inspired words to Zerubbabel: "Not by might, nor by power, but by my spirit, saith the Lord of hosts."

The strength of the Church is in its ability to influence the hearts and lives of men by the demonstration and proclamation of divine truth. Questions like the following constantly haunt the writer: "Will the Church be able to demonstrate sufficient power to triumph over its foes in the present crisis? Or has it become so weakened by apostasy and pernicious teachings that it will have to be drenched in its own blood before it can be brought to its senses?"

Persecution has always had a purifying effect upon the Church. Like the individual saints of which it is composed, its "strength is made perfect in weakness."

Unless the Christian forces of the western nations come under a new baptism of old-time spiritual power, the Church will go down and Soviet Atheism will come up. The Russian Empire was destroyed by the Red hordes, one-hundred years ago, because it did not possess sufficient spiritual vitality to resist the onslaught.

The Greek Orthodox Church, which governed the religious life and thought of Russia, was a cold, dead, pagan institution. It lacked life, emotion and creative energy. Consequently it yielded to the first attack of organized Atheism. Its gorgeous temples have been turned into museums, brothels, and centers of entertainment and vice. Its wealth has been confiscated. Its priests and other leaders have been put to death. Its members have been slaughtered by the millions. Church life is a memory of the past.

Now let me turn your attention toward Germany. Next to the British, the German people are the most religious people in Europe. Protestantism was cradled there. Out of sixty-seven million population sixty million Germans are today identified with some kind of a Christian Church.

For several years, the Moscow conspirators focused their attacks upon Germany. It looked for a time as if the Country was doomed. But by degrees, the Church began to assert its moral and spiritual strength. Finally the deep, underlying principles of Christian truth manifested on the surface with the result, that by a single stroke, Communism was destroyed.

Energetic evangelism is the only dependable antidote for Soviet Atheism.

In his book, "Adam Weishaupt, a Human Devil", Pastor, Dr. Gerald Winrod shows that the same underground organization which produced the French Revolution is responsible for the present wave of international Communism.

The latter part of the eighteenth century witnessed the destruction of France. The same sinister agencies were at work across the English Channel in Great Britain. It is a matter of historic record, admitted by the best historians, that the revival of John Wesley saved England from the fate of France.

If the Church of America continues to lose its spiritual moorings, it requires no prophet to determine what the future will bring here.

An old philosopher once said, to know a thing well one must understand its first cause. It is unpleasant to realize that a certain element of apostate Jewry is behind the turmoil of this dark hour and the present Soviet persecution through which the Church of Jesus Christ is passing.

To Christ enemies, I write and warn of the fatal and eternal consequences to come for your rejection of Him! It is only out of true selfless love that this preacher chooses to preach as he does! So help me God!
