

WHAT ARE THE PROTOCOLS OF THE ELDERS OF ZION?

What are these "Protocols of the Elders of Zion" which refuse to stay dead? What is a "Protocol" anyway? In diplomacy, says the dictionary, protocols are "a signed document containing a record of the points on which agreement has been reached by negotiating parties preliminary to a final treaty of compact". These Protocols of the Elders of Zion are a program for the enslavement of the world and the destruction of Christian religion above all. Ever since their publication "The Protocols" have been the most controversial writings in the world. Powerful elements in society have made them controversial so that few would be courageous enough to use them. We are well aware that whoever uses the "Protocols" as a legitimate reference is automatically labeled as a fool and an "anti-Semite", for they are vehemently condemned by Jews as the product of either Russian Czar Nicholas II, and his government, or as plagiarized material from other sources such as the "Geneva Dialogues" written by one Maurice Joly. Many deceived Christian/Patriotic Researchers have stated that they are a product of the Bavarian Illuminati.

BeWISE plans to present some evidence as to their True origin. Unfortunately, we will not be able to post all the evidence that we have which is just as well in spite of the voluminous evidence we could present that the "Protocols" originated in secret Jewish meetings, we will probably not exclusively attempt to prove that here.

No matter what evidence is presented that would prove that this is the case, such an argument would be denied by a horde of "experts".

Their circulation incites ATOM BOMB-LIKE FURY on the part of the people who today claim that their religion is Phariseism. This statement, for example, in the Universal Jewish Encyclopedia (1943), is typical:

The PROTOCOLS

The Jewish religion as it is today traces its descent, without a break, thru all the centuries, from the PHARISEES. "Their leading ideas and methods found expression in a literature of enormous extent, of which a very great deal is still in existence. The TALMUD is the largest and most important single member of that literature and the study of it is essential for any understanding of PHARISAISM".

The basic doctrine is that only Pharisees are "MEN". Others rank as animals to be milked or beefed. Non-Pharisees, to quote, are "the people who are like an ass, slaves who are considered the property of the master" (Kethuboth 111a). They may be killed, their wages withheld, cheated, enslaved. Sixty-three (63) TALMUD books reek with these teachings. The "Protocols" are mild by contrast. No, the "Protocols" are self-explanatory. They are indeed the global plan of world conquest put forth by Jewish leaders in a series of meetings held in Basle, 1897, at the time of the First Zionist Congress. "There plans were said to have been

worked out whereby Jews, were to corrupt the entire Christian civilization, and on the ruins of Christendom erect a world state ruled over by Jews and Freemasons." Part of an Encyclopedia Britannica definition since the "Protocols" have proven to be accurate historically, and in that way they cannot be denied, it was necessary to attribute them to some obscure origin. However, they are right in step with the TALMUD. Many Jewish Rabbi's throughout history and "THE JEWISH UTOPIA" written by Michael Higger, another rabinic Jewish Talmudic scholar. We post them along with other information to let you be the judge. Am I therefore become your enemy, because I tell you the truth? Gal. 4:16
