

## WHAT IS BEHIND THE WORLD'S HATRED FOR JESUS CHRIST?

*The Great Conspiracy, the unspoken truth, what no preacher will warn you of:*

*Pastor Del Wray*

Civilization is founded on the name and teachings of Jesus Christ. It follows, therefore, that the enemies of civilization are necessarily the enemies of Jesus Christ. The worst enemy of Jesus Christ is the Jew. The Jews sought to kill our Lord John 7:1. They precipitated His persecution. They demanded His crucifixion. They brought about the persecution, assassination and imprisonment of all the Apostles and many of the other early Christian leaders. Of course, all Bible students who read and know their Bibles know that God has judicially blinded the Jewish nation and will one day bring about a national salvation as they recognize "Whom they have pierced." Still it does not placate their being the enemies of His Son in this the age of Grace. For it has been the Pharisaical Jews that have done more harm in their bitter hatred of our Saviour than any other race of people. Believe it or not it was the Jews that founded Communism.

The Jew Karl Marx was the founder and originator of Communism. The Jew Nikolai Lenin (original name disputed) led in the establishment of Communism as the official politics of Russia. The Jew Leon Trotsky (real name: Bronstein) was the generalissimo of the Red Russian Army which slaughtered over 10 million Christians. Following are the names of the 24 other leading founders of world Communism, all Jews:

Stalin's second wife is his former mistress, the Jewess, R. M. Kaganovitch, daughter of Lazar Kaganovitch, Commissar of Heavy Industries and often spoken of as Stalin's probable successor. There are no less than six Kaganovitches, holding 22 high political offices among them, surrounding Stalin. This Jewish family is probably the most powerful in Ruasia. Yiddish, incidentally, is the language spoken in Stalin's home as it was in Lenin's.

There has been no change in the extent of Jewish control since the early years of the Communist revolution. Indeed, as recently as 1935 Major Yeats-Brown (*European Jungle*, page 181) states that "*in the Central Committee of the Communist Party, consisting of 59 members, 95 percent were Jews—i.e., 56 members—while the other three members were married to Jewesses: Stalin, Labov, and Ossinsky.*"

The *Jewish Chronicle* for January 6, 1933, page 6, says "Over one-third of the Jews in Russia have become officials."

### **This Is Communism:**

It is a plot to enslave the world. It is Godless. It would abolish the name of Jesus Christ. Make Christianity a crime. Completely destroys property rights. The body of woman and the toil of man become property of the state. It enthrones the Jew. Children become state property. Destroys the white race and promotes mongrelization. It is the politics of hell, the rule of torture, and the tyranny of Satan.

American's are the greatest mass of blind, deaf and dumb people on earth and the majority who read what has just been written herein scoff, mock and laugh at the truth penned here. Again, what is behind the world's hatred for Jesus Christ? Let's look at it from a different direction. Communism is not dead. There is even a greater hatred for Jesus Christ in the spirit world. The counterfeit church whose origin began with the Roman Church!

Of course, all hatred of Jesus Christ originates with the depravity and hatred within the human heart. The Zionist Jew and the Roman Catholic Church System is what is behind all the world's hatred of God. Its thirst to rule and control the world religiously so the dictatorial spirit of the Antichrist can take over is the driving force behind man's hatred of the true God. When in eternity we will find and know that the ungodly Roman Catholic Church and its entire system has been the instigator behind all the wars that

have ever been fought on planet earth. Her hatred for and desire to replace the true God with its counterfeit Church system and Lucifer as God is so great that it will go to any means even its own destruction to gain power. It is Rome that sponsors the complete breakdown of morality and order in society.

Anyone who believes the Bible knows it to be true and behind the world's hatred of God! "God's is mad and coming back angry." Homosexuality has become militant and is rampant across America; your children are being seduced and turned into sodomites, queers, lesbians, faggots, dikes and fairies. Cross dressing is damning our land, men looking like women and women looking like men. Bestiality has been made legal and permissive. Same sex marriages and race mixing are polluting the country from shore to shore. Men with men committing abominable acts with each other even lower still marrying one another and has been legalized in America. And next your tax money will support such filth. Abortion has turned our doctors into wholesale murderers while promoting the scarlet sins of adultery and fornication. The hatred in the human heart has exploded into full-scale lawlessness "...and that every imagination of the thoughts of his heart is only evil continually." Gen. 5:5 Bitterness, covetousness, "godless country music," debate, debt, deceit, drunkenness, envy, faithlessness, greed, hatred, immodesty all have destroyed any sense of decency. Kids sent off to daycare rather than home with "momma" care. Parents so wrapped up in their selves, in the world of "selfies" refusing their number one responsibility, love for children. No character! We have no longer any respect for authority, for our seniors and our neighbors. We've become lazy and useless liars consoling ourselves with music that poisons the sense of reality like so-called "Christian rock," No Fear of God! Perverts! Perverting the Bible! Our Christian Bible colleges and seminaries are turning out Bible critics and Bible correctors instead of Bible preachers. Prayerlessness is everywhere! Pornography and premarital sex have brought out animalistic behavior, shacking up like dogs. What once was evil has become good, what once was good has become evil. Trading immorality in the place of morality! America has been overtaken with human pride, quarreling, the racial divide, inclusion, and amalgamation of everyone no matter the race or creed. We are the "spotted leopard" of Revelations! Which has left us with a false sense of getting better, bigger and stronger? Improvement! How stupid we are when only the reverse, is true. Religious hypocrites we are, reading everything but the prescription, our Bible. Anarchists and rebellious our children have become, selfishness, self-righteousness, sex perverts, sloppy, angry, thankless, unloving husbands, unsubmitive wives, violent, wastefulness, without natural affection, trucebreakers, without God and without hope. How much more could I write to describe how low the human heart has sunk into the slime pits of the world and the bottom rung being race-mixing and the silence issuing from its pulpits all across this land that has sold out Jesus Christ in place of materialistic pleasure? "As go the pulpits so goes the nation." Evil men possessed with evil spirits waxed worse and worse while Christians refuse to try and test the spirits, whether they be evil or not, allowing seducing spirits to run uncontrolled. Pastors and Christians alike refuse to cry out against such willful ungodliness and rebellion. Cowardice reigns in America's pulpits. Now we see even "Nature" it's self-vomiting out its God-ordained judgments. Nature is sick of man's sin and God will not much longer allow man to call Him "Mother" Nature.

The Zionist Jew and the Roman Church, sponsored by the evil one are behind it all.
