

WHAT WILL YOU DO IN THE END THEREOF?

“I have not come to tell you comfortable things, but to tell you the truth.”

It has reached the place in America where no President of the United States dares to take his inaugural oath on the open pages of the New Testament. If he did, the Jews would denounce him as a religious bigot. No public official in America can give public evidence of his Christian faith without rebuke from the Jews, with the exception of those "pseudo-Christian" Zionist traitors who support them.

Not only does the Jews who are known as Talmudist Jews disagree with Christian teachings, but everything that would remind a child in our government school system that he/she is living under a Christian system, in the midst of a once-Christian civilization, must be expunged. Year after year, these Jews extort apologies from Christian leaders because these leaders have inadvertently used the term "Christian" in their official language. The Jew glories in religious persecution as the true American does in patriotism. This, of course, is part of the satanic Talmudic plan. It is time that our Christian people begin to realize that most of the cries of "bigot" are coming from the bigots themselves.

Yet strangely, in spite of all this obvious ill will towards Christians everywhere, there has been a concerted drive in the Christian world to exonerate the Jewish people from the responsibility of Christ's death and place it solely upon the shoulders of the Roman government. This, of course, is a complete refutation of both Scriptural and Roman records. I can understand, as I read the Gospel of John, why the Jews want it removed. It is the most devastating attack against their evil form of religion that has ever taken place in the history of the world and it was conducted by the Lord Jesus Christ, Himself.

As one Rabbi Stephen Wise, known as the "Red Rabbi" was quoted as saying; As long as the (true) records of the Gospels remain the New Testament, so long will there be anti-Semitism (anti-Jewish Talmudism).

It has been proven over and over again during the past 2,000 years that the Jewish Talmudists cannot stand up under the blazing illumination of truth as found in the New Testament. The true feelings of the Jewish Talmudists can be seen in the statement made by the Jew, Ben Hecht, a well-known Hollywood writer, when he said:

“One of the finest things ever done by the mob was the crucifixion of Christ. Intellectually it was a splendid gesture ... But if I had been in charge, I'd have handled it differently, you see, I would have shipped Him off to Rome and fed Him to the lions. They (Christians) could never make a Saviour out of mince meat.”

This from a man whom many pastors say comes from the Chosen Race.

If we allow the Talmudists Jews to remain in control of our government, and we are not wrong in calling it a (Zionist Occupation Government) today, the first Christians who will be executed when the these Jews have complete world control will be the milquetoast Christians such as the Fal-wells, Swagger's, the Robber-sons and the Van Imps who have helped them come to power. Haven't we watched as Pat Robertson was ridiculed and maligned when he ran for President? Haven't we watched as the tabloids and TV brazenly publicized the sexual escapades of Swaggart? Haven't we witnessed the destruction of PTL empire's leaders, Tammy Faye and Jimmy Bakker? These people were made glamorous and powerful by the media. The media has removed their power, just as it gave them their power.

Do these "leaders" know about this peril? If not, why not? The evidence is all around them, and the Jewish leaders of International Communism have been warning us of their plans for over 70 years. The Talmud says: "Even the best of the goyim (non-Jews) should be destroyed.

There is little doubt in my mind that many so-called Christians will become irritated, disturbed and angry when they read the truth of which I am writing. But I like what Solzhenitsyn tells his audiences: "My friends, I have not come to tell you comfortable things, but to tell you the truth."

In Jeremiah 22:21, we read of Israel (true Israel): "I spake unto thee in thy prosperity; but thou saidst, I will not hear..."

This has been our overwhelming problem in dealing with American Christians. They don't want to know the truth, but would rather listen to the soothsayers, spoken of by the Apostle Paul in 2 Timothy 4:3-4:
For the time will (has) come when they (white Christian Israel) will not endure sound doctrine; but after their own lusts (longing for material things) shall they heap (gather) to themselves teachers (pastors), having itching ears; And they (the pastors) shall turn away their (Israel's) ears from the truth, and shall be turned unto fables (Jewish Talmudic teachings).
