

## WHO IS CHRISTIANITY REAL ENEMY?

It is important for a soldier in time of war to be able to identify his enemy. He cannot be successful in his efforts to conquer his opponent unless he readily recognizes him. Today, the souls of millions of Christians are uneasy about the state of the Christian faith. The minds of thousands of Christian clergy are troubled about the mysterious pressures from those above them which often prevent them from exercising sound judgment. If these forces can be identified, then Christianity will stand on its feet, face its enemies as firmly as the Rock of Gibraltar and stop them in their tracks. But unless this is done soon, the faith of many will "wax cold and begin to crumble away."

In Jeremiah 23:22, we read these words:

But if they (the pastors of Israel) had stood in My (God's) counsel, and had caused my people (Israel) to hear my words, then they (the pastors of Israel) should have turned them (Israel) away from their evil way and from the evil of their doings.

This indicates to me that the message coming from the majority of Christian pulpits in America is not the unadulterated Word of God. For if the truth were being preached according to God's own Word, our people would have turned to Him. This is one of the major reasons we have undertaken this study of one of the major textbooks of the anti-Christ enemy, The Babylonian Talmud.

The Christian clergy are primarily, if not solely, responsible for the internal forces within the Christian faith which are fighting against its best interests. If we are to survive, we can no longer pussyfoot around with the truth because it offends someone or makes them uncomfortable. At this late hour there is very little time left for us to begin to mend the fence. Only the courageous will endure the present crisis, and both figuratively and literally, we will see live heroes and dead cowards when the dust of this battle settles. The Christian faith is the only anchor to windward which will stand against the universal savagery of the enemies of Christianity. They have willingly shown us the depths to which they will descend to gain their end of world control.

There need be no confusion in the minds of Christians when it comes to the fundamentals of the faith. This confusion would not exist if it were not for those of the clergy who are allies with the enemy who seeks to destroy them. There are countless Christians who are standing on the sidelines watching as their faith withers on the vine, and their freedom is about to drop into the laps of their enemies like overripe fruit. This cup will become bitterer when they realize that it is the ignorance and indifference of their spiritual leaders which has caused the deplorable condition of Christianity today. When Christians see their leaders in defeat on every front, they too will become confused and afraid. To stop this surrender, the clergy **MUST** make an about-face, no matter how painful it may be. They must take a stand against the invisible and intangible ideological war

which is being waged against the Christian faith.

The utterance from the clergy which confuses Christians most and which is repeated from the pulpit and the printed page without ceasing is: "Jesus was a Jew. We must protect and help the Jews, no matter what they do because they are God's chosen people and if we do not help them, God will curse us." This is the teaching from the majority of Christian pulpits in 2018. They completely ignore the definition of an "anti-Christ" as given in I John 2:22-23:

*"Who is a liar but he that denieth that Jesus is the Christ? He is anti-Christ that denieth the Father and the Son. Whosoever denieth the Son, the same hath not the Father. But he that acknowledgeth the Son hath the Father also."*

This couldn't be clearer, and it is certainly an accurate portrayal of Jewish thought today. In II John 10-11, Christians are given a stern admonition as to their attitude toward these anti-Christ's:

*"If there come any unto you, and bring not this doctrine, (that Jesus is the Christ) receive him not into your house, neither bid him God speed: For he that biddeth him God speed is partaker of his evil deeds."*

This leaves no room for argument!

Christians who know the Scriptures and history cannot reconcile the pulpit claim that Abraham was a Jew. They know this was impossible because Abraham lived more than 1200 years prior to those who became known as Jews. Abraham was the father of Israel. The Christian clergy of America is in bad repute today, and the only way they can redeem themselves is by telling the truth, the whole truth and nothing but the truth no matter how painful it may be to themselves or to their denominational leaders. They can begin by refuting the claims that Abraham was a Jew, Christ was a Jew, and that God's chosen people are the Jews.

With this as an introduction, let's take a closer look at those whom I identify as the enemies of Christ and Christianity: the International Talmudic Jews. Before you become angry and throw my writings away, I dare you to read on and, as an honest man or woman, compare what I have written with the Word of God.

If one would make a comparison of the Jewish holy book, The Babylonian Talmud, with the Christian Bible. Most Christians believe that the Jews follow the TORAH or the Old Testament. Not so! According to Theodore Hertzl, father of modern Zionism, The Babylonian Talmud supersedes every other instruction. It is the center and foundation of Jewish belief and directs their behavior toward non-Jews whom they call "goyim."
